*The Complete Companion  
for Spirit-Filled Bible Study*  
Thomas Nelson

This book takes readers into the everyday religious lives of the members of three Pentecostal congregations located in Canada. The case study presented in

this book suggests that a new breed of Pentecostals are emerging for whom traditional definitions and expressions of Pentecostalism are less important than religious autonomy and individualism.

*Understanding the  
History, Beliefs, and  
Differences* Nelson  
Reference & Electronic  
Publishing  
Describes the basic

doctrines, history, and religious practices of Christianity, including Christian concepts of human nature, and profiles famous Christian figures throughout history.

*Using Your Gifts to Build  
the Kingdom* The Rosen  
Publishing Group, Inc  
Quakerism: The Basics is  
an accessible and  
engaging introduction to  
the history and diverse

approaches and ideas associated with the Religious Society of Friends. This small religion incorporates a wide geographic spread and varied beliefs that range from evangelical Christians to non-theists. Topics covered include: Quaker values in action The first generations of Quakerism Quakerism in the eighteenth and nineteenth centuries Belief and activism Worship and practice Quakerism around the world The future of Quakerism. With helpful

features including suggested readings, timelines, a glossary, and a guide to Quakers in fiction, this book is an ideal starting point for students and scholars approaching Quakerism for the first time as well as those interested in deepening their understanding. *Global Charismatic Christianity* Bloomsbury Publishing Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're

missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic

faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. Learn more

about Crazy Love at [www.crazylovebook.com](http://www.crazylovebook.com). *Overwhelmed by a Relentless God* Wm. B. Eerdmans Publishing Drawing on a range of methodologies, editors George D. Chryssides and Stephen E. Gregg shift attention from normative textual and doctrinal matters to issues of materiality and everyday life in Christianity. This handbook is structured in four parts, which include coverage of the following aspects of Christianity: sacred space and objects, cyber-Christianity, food,

prayer, education, family life, fundamentalism and sexuality. In addition, issues of gender, race and ethnicity are treated throughout. The international team of contributors provide in-depth analysis that highlight the current state of academic study in the field and explores areas in which future research might develop. Clearly organised to help users quickly locate key information and analysis, the book includes an A to Z of key terms, extensive guides to further

resources, a comprehensive bibliography and a chronology of landmark events, making it a unique resource to upper-level students and researchers.

*Crazy Love* Routledge  
 Today pentecostalism claims nearly 500 million followers worldwide. An early stronghold was the American South, where believers spoke in unknown tongues, worshipped in free-form churches, and broke down social barriers that had long divided traditional

Protestants. Thriving denominations made their headquarters in the region and gathered white and black converts from the Texas plains to the Carolina low country. Pentecostalism was, in fact, a religious import. It came to the South following the post-Civil War holiness revival, a northern-born crusade that emphasized sinlessness and religious empowerment. Adherents formed new churches in the Jim Crow South and held unconventional beliefs about authority,

power, race, and gender. Such views set them at odds with other Christians in the region. By 1900 nearly all southern holiness folk abandoned mainline churches and adopted a pessimistic, apocalyptic theology. Signs of the last days, they thought, were all around them. The faith first took root among anonymous religious zealots. It later claimed southern celebrities and innovators like televangelists Oral Roberts, Jimmy Swaggart, T. D. Jakes, and John

Hagee; rock-and-roll icons Elvis Presley, Jerry Lee Lewis, and Little Richard; and, more recently, conservative political leaders such as John Ashcroft. With the growth of southern pentecostal denominations and the rise of new, affluent congregants, the movement moved cautiously into the evangelical mainstream. By the 1980s the once-apolitical faith looked entirely different. Many still watched and waited for spectacular signs of the end. Yet a growing

number did so as active political conservatives. *A Conversation in the Art of Spiritual Reading* Oxford University Press (UK)

The author of the world wide best-seller, *Small Is Beautiful*, now tackles the subject of Man, the World, and the Meaning of Living. Schumacher writes about man's relation to the world. man has obligations -- to other men, to the earth, to progress and technology, but most importantly himself. If man can fulfill these obligations, then

and only then can he enjoy a real relationship with the world, then and only then can he know the meaning of living. Schumacher says we need maps: a "map of knowledge" and a "map of living." The concern of the mapmaker--in this instance, Schumacher--is to find for everything it's proper place. Things out of place tend to get lost; they become invisible and there proper places end to be filled by other things that ought not be there at all and therefore serve to mislead. A Guide for the

Perplexed teaches us to be our own map makers. This constantly surprising, always stimulating book will be welcomed by a large audience, including the many new fans who believe strongly in what Schumacher has to say. Christian Healing Harvard University Press  
The bestselling author of "The Message" challenges believers to read the Scriptures on their own terms, as God's revelation, and to live them as they read them. The Crisis of Global Christianity and the

Renewal of the Theological Agenda Wm. B. Eerdmans Publishing  
Called "a pioneer contribution" by Church History when it was first published in 1971, this volume has now been revised and enlarged by Vinson Synan to account for the incredible changes that have occurred in the church world in the last 25 years. *God Is Not Great* McClelland & Stewart  
The Handbook of Contemporary Christianity: Movements, Institutions & Allegiance

traces how the largest religion in the world is increasingly expressed in energetic global forms – leading to fresh modes of organisation, belonging, believing, and traditional and syncretic movements. T&T Clark Handbook of African American Theology Baker Academic  
This is one of four books in a quick-reference series. Each provides Christians with practical insight into the comprehensive analysis of today's cults, occult, secular and non-Christian religions.

*Pentecostalism as a Christian Mystical Tradition* Oxford University Press  
Updated ed. of: Hayford's Bible handbook.  
The Routledge Handbook of Pentecostal Theology Cambridge University Press  
Two premier renewal leaders help inspire and equip believers to receive and minister healing, stressing that God's miraculous healing is part of the Good News.  
The Spiritual Gifts Handbook Baker Books  
Winner of the Pneuma

Book Award 2018, from The Society for Pentecostal Studies. Pentecostalism is the most rapidly growing branch of Christianity since the 20th century, yet it does not lend itself well to a singular doctrine and there is, therefore, no single comprehensive account of Pentecostal theology worldwide. In this volume, Wolfgang Vondey suggests an account of Pentecostal theology that is genuine to Pentecostals worldwide while allowing for different adaptation and

explication among the various Pentecostal groups. He argues that Pentecostal theology is fundamentally concerned with the renewal of the Christian life identified by the transforming work of the Holy Spirit and directed toward the kingdom of God. The book unfolds in two main parts illustrating the full gospel story and theology. Eleven chapters identify the spiritual underpinnings and motivations for Pentecostal theology, formulate a Pentecostal

theology of action, translate, apply, and exemplify Pentecostal practices and experiences, and integrate Pentecostal theology in the wider Christian tradition.

*The Hayford Bible Handbook* Harper Collins Handbook of Pentecostal Christianity is an easy-to-read guide designed for those interested in learning about one of the fastest growing religious traditions in the world. Adam Stewart's unique collection presents concise, yet

comprehensive explanations of some of the most important terms and concepts needed to understand the origins and development, as well as the beliefs and practices, of Pentecostalism worldwide. Twenty-four scholars from five continents provide entries, which are written from disciplinary perspectives as diverse as anthropology, biblical studies, black church studies, history, religious studies, sociology, and theology. The fifty entries shed light on such aspects

as The Azusa Street Mission and Revival, Baptism of the Holy Spirit, exorcism, Godly Love, prophecy, snake handling, and the Word of Faith movement. Each entry also includes a brief list of references and suggestions for further reading. These brief, engaging explanations on aspects of Pentecostalism can be read on their own, or alphabetically from start to finish. In its entirety, Stewart's text provides the reader with an introduction to the history, theology,

practices, and contemporary forms of Pentecostalism as it stands at the outset of the twenty-first century. Stewart's handbook is an appealing introduction to Pentecostalism suitable for both students of religion and the curious general reader.

*Pentecostal Theology*  
Createspace Independent Publishing Platform  
In this concise but comprehensive guide to most of the church families in America, you'll find a brief explanation of how each denomination

began; a short summary of its teaching on God, the Bible, the church, and other important topics; and a quick overview of some of its distinctive characteristics.

### **The Oxford Handbook of Christianity in Asia**

Oxford University Press  
An indispensable reference work on the history, cultural impact, and reshaping of Christianity in Japan. Based on the latest Japanese and Western scholarship, this handbook includes a guide to archival

collections, research institutes, and extensive bibliographies.

[50 Pentecostal and Charismatic Leaders Every Christian Should Know](#) Baker Books

This Handbook explores the world of Asian Christianity and its manifold expressions, including worship, theology, spirituality, inter-religious relations, interventions in society, and mission. The volume's contributors' deconstruct many of the widespread misconceptions and interpretations of

Christianity in Asia. The essays analyze how the spread of Christianity in Asia is linked with the socio-political and cultural processes of colonization, decolonization, modernization, democratization, identity construction of social groups, and various social movements. With a particular focus on inter-religious encounters and the theological and spiritual paradigms emerging in the continent, the volume provides alternative frames for understanding the

phenomenon of conversion and shows how the scriptures of other religious traditions are used in the practice of Christianity in Asia. The Oxford Handbook of Christianity in Asia draws insightful conclusions on the historical, contemporary, and future trajectory of its subject by combining the contributions of scholars in a wide variety of disciplines, including theology, sociology, history, political science, and cultural studies. Pentecostalism Chosen

## Books

The modern day minister faces a multitude of tasks that are both electrifying and challenging. He must conduct funerals and weddings, often on the same day. He must be a shepherd, a scholar, a public speaker, an educator, a CEO, a counselor, and at times a family man. The manual is a breath of fresh air and an invaluable resource. *The Oxford Handbook of the Bible in America* Alpha Omega Publishing Company  
The Pentecostal

Manifestos series aims to speak for and to a rising, outward-looking generation of Pentecostal scholarship. Written by both established and newly emerging scholars, the various "manifesto" volumes are to be creative statements, marked by rigorous theological scholarship, reflecting a distinctly Pentecostal engagement with wider themes and concerns in Christian thought today. In this Third Volume of the groundbreaking Pentecostal Manifestos

series, Wolfgang Vondey proposes that Pentecostalism has a crucial role to play in one of Christianity's greatest tasks --- the formulation of a global theology. Vondey engages the social sciences, psychology, philosophy, and ritual and cultural studies as major dialogue partners as he addresses a postmodern theological crisis facing both the Pentecostal and the broader global community. The path forward, he argues, leads not only toward

Pentecostal imagination and spirituality but also beyond it. Pentecostalism can supply a much-needed sense of "play" to theology and worship practices, helping the global Christian movement transcend its rational, performance-oriented, utilitarian, and institutionalized dimensions. Vondey's goal is a renewal of the theological landscape in light of the significance of Pentecostal voices, thoughts, and practices worldwide. "Vondey brings the spiritual and

conceptual resources of the global Pentecostal movement to bear on the crises facing theology in the twenty-first century. The result is an intriguing discussion in which

Pentecostalism is transcended and transformed as it helps to enrich a much larger conversation. A must-read for all those interested in how confessional

theologies can flourish beyond their limits in service to others without losing their roots." Frank D. Macchia Vanguard University of Southern California
