brought against the

Academic

A leading evangelical theologian provides a comprehensive examination of the various evangelical views of the millennium (and other eschatological subjects).

Truth or Consequences
John Wiley & Sons

A respected author offers this detailed, well-documented exploration of the person of Christ that is accessible for laypersons and stimulating for academics. Top-notch reading.

Postmodernizing the Faith Baker Publishing Group (MI)

This fourth edition of the international bestseller is the ideal introduction for those who are new to Christian theology. In this revised and

expanded edition, the author introduces readers to the central ideas and beliefs, the key debates and the leading thinkers of Christianity.

Throughout, the aim is to bring clarity and brevity to the central ideas of theology, both traditional and contemporary. The text comprehensively covers the individual doctrines that form the Christian belief system, weaving together these doctrines, their history, and the intellectual nuance behind them into an inter-connected web.

All major Christian denominations are explored, as are their differences and shared customs and beliefs. This rich tapestry results in a clear view of Christianity, providing a coherent

vision of the religion in its main forms.

An Introduction to the Theology of Religions
Westminster John Knox Press

Dallas Seminary Professors Make Basic Theology Accessible for All Theology doesn't have to be complicated. In this book, trusted Dallas Seminary professors present a concise systematic theology that distills the essential spiritual truths in a way that makes sense to readers--students, lay people, and pastors. Here are introductions, overviews, and reviews of key tenets of orthodox protestant evangelical doctrines. The book also includes an annotated list of key applicable Bible texts, a quick-paced story of doctrine throughout

church history, heresies or distortions to be aware of, and more. Exploring Christian Theology is useful for discipleship, catechism, membership training, preview or review of doctrine, or quick personal reference. It can also be used by ministry training programs, Bible colleges, or seminaries as an introductory primer to orient students in preparation for a more in-depth study of theology.

God the Father Almighty John Wiley & Sons

Written by eleven biblical scholars, this study explores the theology of the suffering servant in Isaiah 53 and answers a number of important questions: What is a Christian interpretation

of Isaiah 53? What is a Jewish interpretation of Isaiah 53? How did the New Testament writers understand Isaiah 53? How should forgiveness and salvation be understood in Isaiah 53? How can Isaiah 53 be used in Jewish evangelism? How do we preach Isaiah 53?

The Evangelical Left

Baker Publishing Group (MI)

This proven systematic theology represents the very best in evangelical theology. Stanley Grenz presents the traditional themes of Christian doctrine -- God, humankind, Christ, the Holy Spirit, the church, and the last things--all within an emphasis on God's central program for creation, namely, the establishment of community. Masterfully

blending biblical, historical, and contemporary concerns, Grenz's respected work provides a coherent vision of the faith that is both intellectually satisfying and expressible in Christian living. Available for the first time in paperback.

God in Three Persons

Baker Books

Seeks to bring the original dictionary up-to-date by

supplementing it with pertinent ideas and biographies from the past fifteen years, with an emphasis on the historical figures and movements of the first nineteen centuries of Christianity.

Christian Theology

Baker Books

A biblical, clear, cogent, accessible, comprehensive, and practical summary of

Christian belief by one of the most important and original American theologians of the last hundred years.

Lectures in Systematic Theology InterVarsity Press

A new edition of leading theologian Millard Erickson's classic text.

Contemporary Options in Eschatology

Crossway

A collection of charts showing what the major religions of the world (Western, Eastern, indigenous, past, and present) have in common and how they differ in terms of beliefs, practices, and understanding of human nature and the supernatural.

Basic Theology Baker Publishing Group (MI)

The dean of evangelical theologians

explores six evangelical responses--both positive and negative--to postmodernism.

Christian Theology

Zondervan Academic

Part 1 delineates the array of positions -

including liberal, Catholic, and

Protestant stances -

taken on the destiny of the unevangelized. In

part 2 the author

probes the critical issues, including the

role of general revelation, the

possibility of salvation after death, the

requirements of

salvation, the number of the redeemed, and

the problem of

annihilationism. In the final part, Erickson

tackles two practical

areas: (1) the fate of those who die in

infancy and others who

do not reach the age of

accountability and (2) how the subject of the destiny of the unevangelized affects evangelism and missions.

How Shall They be Saved?

Crossway
There are few beliefs more essential to Christianity than that of the Trinity. Millard Erickson seeks to provide a lucid and judicious answer to the question: Is Jesus eternally subordinate to the Father, or is Jesus equal with the Father? In addition to providing rigorous theological analysis of that question, Erickson exposes flaws in familial implications derived from the Trinity. This increasingly debated topic has finally received a thorough, careful, and objective treatment.

What Does God Know and When Does He Know It?

Baker Publishing Group
(MI)

Those looking for a single resource that collects clear teachings on the most important doctrines of Christianity need look no further than Gregg Allison's 50 Core Truths of the Christian Faith. This volume covers foundational doctrines of the nature and works of God, the Bible, God's created beings, Jesus, the Holy Spirit, salvation, the church, and the end times. And each chapter features clear guidance for how to teach and apply the doctrine today. Pastors, Sunday school teachers, and lay students of theology will find this an indispensable resource

for understanding and teaching Christian theology.

Exploring Christian Theology : Volume 3

Zondervan

(4th edition) "One of the best outlined, one-volume books on theology in print." —Dr.

Harold L. Wilmington, Liberty University

The Method of Christian Theology

Zondervan Publishing Company

A new edition of leading theologian Millard Erickson's classic text.

Old Wine in New Wineskins

Baker Publishing Group (MI)

A 2002 Christianity

Today Book of the Year! Postmodernism.

The term slowly filtered into our vocabularies about three decades ago and now

permeates most

discussions of the

humanities. Those who tout the promises and perils of this twentieth-century intellectual movement have filled many a bookshelf. And in a previous book, *Postmodernizing the Faith: Evangelical Responses to the Challenge of Postmodernism*, Millard J. Erickson provided his own summary of several evangelical responses--both positive and negative--to the movement. Now in this book Erickson offers his own promised in-depth analysis and constructive response. What are the intellectual roots of postmodernism? Who are its most prominent exponents? What can we learn from their critique of modernism? Where do their assumptions and

analyses fail us? Where do we go from here? What might a post-postmodernism look like? Erickson addresses these issues with characteristic discernment, clarity and evenhandedness, neither dismissing the insights of postmodern thought nor succumbing uncritically to its allure. An important book for all who are concerned with commending Christian truth to the culture within which we live.

A Basic Guide to Eschatology Baker Academic
 Millard Erickson identifies practioners of a new theological movement in evangelicalism that he contends have adopted a postconservative position and have drifted from the

fundamental affirmations of conservative evangelicalism.

Reclaiming the Center B&H Publishing Group

Theology is for everyone. Everyone is a theologian of sorts. Theology simply means thinking about God and expressing those thoughts in some way. But sloppy theology is a problem. As Christians, our thoughts about God need to coincide with what He has said about Himself in the Bible. With his clear understanding of the Scriptures and unpretentious writing style, Charles Ryrie has written Basic Theology for every student of God's Word, from the devotional student to the seminary student. Ryrie's name has

become synonymous with dispensational theology and his texts on the subject invaluable to the Bible scholar. Now Ryrie's Basic Theology is available to you from Moody Press, the company that brings you the Ryrie Study Bible. Featuring charts, definitions, and

Scripture and subject indices, Basic Theology will give you a clear and comprehensive picture of Ryrie's approach to systematic theology. Its 94 chapters are arranged in outline style for easy reference. Considerable emphasis is given to explaining the dispensational view of the end times.
