YANG LAILA

Behind the Swap Simon and Schuster
Modern cars are more computerized than ever. Infotainment and navigation systems, Wi-Fi, automatic software updates, and other innovations aim to make driving more convenient. But vehicle technologies haven't kept pace with today's more hostile security environment, leaving millions vulnerable to attack. The Car Hacker's Handbook will give you a deeper understanding of the computer

systems and embedded software in modern vehicles. It begins by examining vulnerabilities and providing detailed explanations of communications over the CAN bus and between devices and systems. Then, once you have an understanding of a vehicle's communication network, you'll learn how to intercept data and perform specific hacks to track vehicles, unlock doors, glitch engines, flood communication, and more. With a focus on low-cost, open source hacking tools such as Metasploit, Wireshark, Kayak, can-utils, and ChipWhisperer, The Car Hacker's

Handbook will show you how to: -Build an accurate threat model for your vehicle
-Reverse engineer the CAN bus to fake engine signals -Exploit vulnerabilities in diagnostic and data-logging systems
-Hack the ECU and other firmware and embedded systems -Feed exploits through infotainment and vehicle-to-vehicle communication systems -Override factory settings with performance-tuning techniques -Build physical and virtual test benches to try out exploits safely If you're curious about automotive security and have the urge to hack a two-ton computer, make The Car Hacker's Handbook your

first stop.

The Great Dog Bottom Swap Simon and Schuster

Choir member, sleuth, and chef Gracie Lynn Parks investigates the strange ransom notes for lollipops, flowers and Christmas in the summer found at the Eternal Hope Church.

Swap Club 3 Turtleback

All Emma Daley wants this holiday season is a white Christmas. But the young teacher and struggling musician sure can't find that in sunny Arizona. Luckily, there's someone living in a perfect mountain home in the Colorado Rockies looking to make a vacation trade this year. West Prescott is an in-demand songwriter and talented musician who put his own singing career on hold to write songs for celebrity acts to perform. When his mother convinces him to do a vacation trade for Christmas, he never imagined one of the houseguests would be so sweet--or so strikingly pretty. Naturally, he decides to stick around, and, to get better acquainted, he poses as the house's caretaker. But when Emma's friend Gillian discovers his true identity and sets her sights on him, things get . . . messy. Fan

favorite Melody Carlson is back with another delightful Christmas tale to warm your heart on those cold winter evenings.

A Guide for the Penetration Tester Kensington Cozies

This book "renders the singular arc of a woman's life through letters Mary-Louise Parker composes to the men, real and hypothetical, who have informed the person she is today. Beginning with the grandfather she never knew, the letters range from a missive to the beloved priest from her childhood to remembrances of former lovers to an homage to a firefighter she encountered to a heartfelt communication with the uncle of the infant daughter she adopted"--

A Novel Simon and Schuster

Four novellas from Stephen King bound together by the changing of seasons, each taking on the theme of a journey with strikingly different tones and characters. This gripping collection begins with "Rita Hayworth and the Shawshank Redemption," in which an unjustly imprisoned convict seeks a strange and startling revenge--the basis for the Best Picture Academy Award-nominee The Shawshank Redemption. Next is "Apt

Pupil," the inspiration for the film of the same name about top high school student Todd Bowden and his obsession with the dark and deadly past of an older man in town. In "The Body," four rambunctious young boys plunge through the facade of a small town and come face-to-face with life, death, and intimations of their own mortality. This novella became the movie Stand By Me. Finally, a disgraced woman is determined to triumph over death in "The Breathing Method."--Provided by publisher.

Amish Swap Simon and Schuster

After her Click'd catastrophe, Allie Navarro is determined to redeem herself. So when the class gets an assignment to create a mobile game from recycled code, Allie pairs up with Courtney, her best friend from CodeGirls camp, to create the perfect app: Swap'd. Kids buy, sell, and trade stuff at school all the time. Candy. Clothes. Video games. Slime. Why not make a fiercely competitive, totally anonymous, beat-the-clock game out of it? Once Swap'd is in full-swing, Allie is certain that it's the answer to all her problems. She's making quick cash to help Courtney buy that really expensive plane ticket to come

visit her. It's giving her an excuse to have an actual conversation with her super-secret crush. And it looks like she might finally beat her archenemy-turned-friend, Nathan. She's thought of everything. Or? has she? The second book in the Click'd series by New York Times best-selling author Tamara Ireland Stone weaves together middle school friendship, first crushes, and serious coding skills in another fun, fast-paced, and empowering novel that will have readers cheering Allie on from the first page to the last.

The Bruce Swap del Ciotto Publishing
 "At once intimate and literally operatic, it's everything I love about Katherine Addison's writing, in ways I didn't know to expect. I loved it." —John Scalzi
 Katherine Addison returns to the glittering world she created for her beloved novel, *The Goblin Emperor*, in this stand-alone sequel *When the young half-goblin emperor Maia sought to learn who had set the bombs that killed his father and half-brothers, he turned to an obscure resident of his father's Court, a Prelate of Ullis and a Witness for the Dead. Thara Celehar found the truth, though it did him no good to discover it. He lost his place as a retainer*

of his cousin the former Empress, and made far too many enemies among the many factions vying for power in the new Court. The favor of the Emperor is a dangerous coin. Now Celehar lives in the city of Amalo, far from the Court though not exactly in exile. He has not escaped from politics, but his position gives him the ability to serve the common people of the city, which is his preference. He lives modestly, but his decency and fundamental honesty will not permit him to live quietly. As a Witness for the Dead, he can, sometimes, speak to the recently dead: see the last thing they saw, know the last thought they had, experience the last thing they felt. It is his duty use that ability to resolve disputes, to ascertain the intent of the dead, to find the killers of the murdered. Celehar's skills now lead him out of the quiet and into a morass of treachery, murder, and injustice. No matter his own background with the imperial house, Celehar will stand with the commoners, and possibly find a light in the darkness. Katherine Addison has created a fantastic world for these books – wide and deep and true. At the Publisher's request, this title is being sold without

Digital Rights Management Software (DRM) applied.

Click'd Bantam

In this riveting tale that “will keep you on your toes until the very end” (HelloGiggles), two couples embark on a toxic relationship after a night of sexual shenanigans, unaware of the manipulative teenager with an explosive secret at the center of it all—from the USA TODAY bestselling author of *The Party*. Low Morrison is not your average teen. You could blame her hippie parents or her dreary, isolated hometown on an island in the Pacific Northwest. But whatever the reason, Low just doesn't fit in—and neither does Freya, an ethereal beauty and once-famous social media influencer who now owns the local pottery studio. After signing up for a class, Low quickly falls under Freya's spell. And Freya, buoyed by Low's adoration, is compelled to share her darkest secrets and deepest desires. Finally, both feel a sense of belonging...that is, until Jamie walks through the studio door. Desperate for a baby, she and her husband have moved to the island hoping that the healthy environment will result in a pregnancy.

Freya and Jamie become fast friends, as do their husbands, leaving Low alone once again. Then one night, after a boozy dinner party, Freya suggests swapping partners. It should have been a harmless fling between consenting adults, one night of debauchery that they would put behind them, but instead, it upends their lives. And provides Low the perfect opportunity to unleash her growing resentment. An “explosive, sexy, and completely absorbing” (Kate Moretti, New York Times bestselling author) thriller, *The Swap* is perfect for fans of Megan Miranda and Lisa Jewell.

The Boyfriend Swap Penguin

Redheads are a truly fascinating breed. Being a redhead is more than just a hair color -- it's a way of life. It's a calling card. It's... well, you'll have to buy this book if you want to find out more. *THE REDHEAD HANDBOOK* will help you navigate through all areas of redhead life, including: Where redheads originally came from Famous redheads in history Which celebrity redheads are real... ...and which are faking it The genetics of red hair Fashion and makeup tips The biggest myths about redheads And lots of interesting redhead

facts Ever wondered what makes redheads so special? *THE REDHEAD HANDBOOK* answers this question and many more. For redheads and fans of redheads alike, this book will satisfy your endless curiosity about red hair. Put simply, "The Redhead Handbook" is the definitive guide to everything red.

Honda Engine Swaps Revell

The Swap

Books for Kids 9-12 Tor Books

"A fantastic thriller--dead-on domestic noir, full of tension and surprises. I loved it." -Lee Child, #1 New York Times bestselling author of *The Midnight Line* She may not know exactly who is in her house. But she knows why they are there. Be careful who you let in... A house swap becomes the eerie backdrop to a crumbling marriage, a long-buried affair, and the fatal consequences that unfold When Caroline and Francis receive an offer to house swap--from their city apartment to a house in a leafy, upscale London suburb--they jump at the chance for a week away from home, their son, and the tensions that have pushed their marriage to the brink. As the couple settles in, the old problems that permeate their

marriage--his unhealthy behaviors, her indiscretions--start bubbling to the surface. But while they attempt to mend their relationship, their neighbor, an intense young woman, is showing a little too much interest in their activities. Meanwhile, Caroline slowly begins to uncover some signs of life in the stark house--signs of her life. The flowers in the bathroom or the music might seem innocent to anyone else--but to her they are clues. It seems the person they have swapped with is someone who knows her, someone who knows the secrets she's desperate to forget. . . . Be careful who you let in. . .

A Novel KC Global Enterprises Pty Ltd

Allie Navarro can't wait to show her best friends the app she built at CodeGirls summer camp. Click'd pairs users based on common interests and sends them on a fun (and occasionally rule-breaking) scavenger hunt to find each other. And it's a hit. By the second day of school, everyone is talking about Click'd. Watching her app go viral is amazing. Leaderboards are filling up! Everyone's making new friends. And with all the data Allie is collecting, she has an even better

shot at beating her archenemy, Nathan, at the upcoming youth coding competition. But when Allie discovers a glitch that threatens to expose everyone's secrets, she has to figure out how to make things right, even if that means sharing the computer lab with Nathan. Can Allie fix her app, stop it from doing any more damage, and win back the friends it hurt-all before she steps on stage to present Click'd to the judges? New York Times best-selling author Tamara Ireland Stone combines friendship, coding, and lots of popcorn in her fun and empowering middle-grade debut.

[The Broken Infrastructure of Risk](#)

[Management and a Framework for a](#)

[Better Approach](#) Simon and Schuster

Bruce is a bear who struggles with fun. When Bruce says no to fun one too many times, Nibbs, Thistle, and Rupert secretly wish Bruce was more fun. And the geese secretly wish for sandwiches. The next morning, all their wishes come true. Bruce is cheerful. Bruce is adventurous. Bruce has pizzazz . . . and a basket of sandwiches. Except Bruce is not exactly Bruce. He's Kevin, Bruce's fun cousin. Nobody knows that Bruce has gone

fishing. Nobody knows that Kevin is coming. Nobody even knows who Kevin is. But, everyone quickly learns one thing: Kevin LOVES fun. Is it possible that too much fun is no fun at all?

The Christmas Swap HarperCollins UK

An old seventies trend was making its way back into the suburban homes of Montreal, Quebec. Husbands and wives were having consensual sex with other married couples and trying to keep the secret under wraps, unsuccessfully. Swapping. Swinging. An organized sex agreement; and to a thirty-nine year-old mother of two, like Valerie Matthews, the idea was riveting. With forty looming, Val wanted to spice things up by giving herself a birthday present- the sex life she desired, so she convinced her husband Ryan to join a club that would change their lives forever. Within 24hrs of meeting the madam of the club Celeste, Ryan and Val signed the contract that officially made them members of Swap Club, Montreal's secret sex club for married couples The second Saturday of every month: a text message and an address. At 8pm each husband knocks on a strange door and each wife opens her door to a stranger. Of course, Montreal can

be a small town and no one is a total stranger. Twelve months. Twelve encounters. Nothing out of bounds. Nothing taboo. Unbridled desire and the freedom to live out your deepest fantasies is hot and sexy but even with all the benefits-comes consequences. Meet Valerie Matthews and Swap Club is the recap of the lewdest year of her life.

The Redhead Handbook Reycraft Books

The New York Times bestselling author of Love After All and the Play-by-Play series delivers a new novel about how love sometimes has plans of its own. Having left his hometown of Hope years ago, only one thing could persuade architect Reid McCormack to come home for a lengthy stay—the challenge of renovating a historic building. But once the job is finished, he'll be headed back to Boston, no matter how much he's drawn to beautiful florist Samantha Reasor. Samantha watches over her elderly grandmother and pours a piece of herself into every floral creation she designs. Her crush on Reid has been blooming for a while now, but she's reluctant to act on it. A temporary fling isn't what she's looking for, even if Reid is smoking hot and super

sexy. She wants a real, permanent, forever kind of love. Two people with different goals couldn't possibly work, and yet as their attraction grows into something deeper, maybe falling in love is the one thing Samantha and Reid can build a future on.

The Birthday Swap Andersen Press

A five-year-old Mexican American girl who will not be six until December has a great deal to celebrate when her sister swaps birthdays with her in the summer.

The House Swap No Starch Press

An instant New York Times bestseller, this prequel to the acclaimed Cork O'Connor series is "a pitch perfect, richly imagined story that is both an edge-of-your-seat thriller and an evocative, emotionally charged coming-of-age tale" (Kristin Hannah, #1 New York Times bestselling author) about fathers and sons, small-town conflicts, and the events that shape our lives forever. Aurora is a small town nestled in the ancient forest alongside the shores of Minnesota's Iron Lake. In the summer of 1963, it is the whole world to twelve-year-old Cork O'Connor, its rhythms as familiar as his own heartbeat. But when Cork stumbles upon the body of

a man he revered hanging from a tree in an abandoned logging camp, it is the first in a series of events that will cause him to question everything he took for granted about his hometown, his family, and himself. Cork's father, Liam O'Connor, is Aurora's sheriff and it is his job to confirm that the man's death was the result of suicide, as all the evidence suggests. In the shadow of his father's official investigation, Cork begins to look for answers on his own. Together, father and son face the ultimate test of choosing between what their heads tell them is true and what their hearts know is right. In this "brilliant achievement, and one every crime reader and writer needs to celebrate" (Louise Penny, #1 New York Times bestselling author), beloved novelist William Kent Krueger shows that some mysteries can be solved even as others surpass our understanding.

Cookie Swap! Disney Electronic Content
Is Christmas really the most wonderful time of the year? New Yorkers Robyn Lane and Sidney Bellows aren't so sure. Robyn has always dated struggling creative types. For once, her parents would love her to bring someone with health

insurance and a 401(k) to their Chrismukkah celebration. Her actor boyfriend doesn't qualify. While across town, Sidney's professional life already belongs to her parents. She's an attorney at her father's law firm and she works tirelessly to keep her love life private. If she brings her lawyer boyfriend to their annual Christmas extravaganza, her parents will have the wedding planned by New Year's Eve. A mutual friend playfully suggests they trade boyfriends for the holidays. The women share a laugh, but after copious amounts of wine, decide The Boyfriend Swap could be the perfect solution. This way, Robyn can show off her stable attorney boyfriend and Sidney's high-society family will take no interest in her flaky actor beau. It's a brilliant plan in theory. In practice, not so much. When Will turns out to be the boy-next-door Robyn crushed on hard throughout her teenage years, and Sidney's family fawns all over Perry like he's an Oscar-winner rather than a D-list wannabe, one thing is certain: The Boyfriend Swap might just change their lives forever.
