'Opinions are like arseholes - everybody has one' James Blunt, 6 December 2014 Once upon a time, James Blunt's most enduring legacy was a three-minute, thirty-second pop song about a girl he saw on the underground, and a nation's worth of abuse. But with the invention of Twitter, James found his real voice, and with it, the chance to reply with a simple 'up yours'. Now the King of Twitter has

ascended to the heady heights of occasionally 'winning the internet'. Selected and introduced by James himself, this is a year in the life of the world's most reluctant social media sensation. Now learn for yourself how to be a complete and utter Blunt . . . *Ayoade on Ayoade* Hodder & Stoughton In post-apocalyptic New York City, Jessie, Dave, Anna and Mini discover the lengths they will go to

survive in a world where horrifying predators roam the streets, searching for human flesh. Original.

THE SUNDAY TIMES-BESTSELLING BOOK BY ONE OF BRITAIN'S BEST-LOVED COMIC WRITERS
There are many aspects of modern life that trouble award-winning comedian David Mitchell, such as: Why is every film or TV

programme a sequel or a remake? Why are people so f***ing hung up about swearing? Why do the asterisks in that sentence make it ok? Why do so many people want to stop other people doing things, and how can they be stopped from stopping them? Join Mitchell on a tour of the absurdities of our times - from Ryanair to Richard III, Downton Abbey to phone etiquette, UKIP to

hotdogs made of cats. Funny, provocative and shot through with refreshing amounts of common sense, Thinking About It Only Makes It Worse celebrates and commiserates on the state of things in our not entirely glorious modern world. 'Mitchell is an exceptionally clever, eloquent and spot-on commentator . . . We should be grateful for him.' Daily Mail, Books of the Year

'A magnificent tale of obsession and adventure'
The Independent
After a heavy night of tequila, flatmates Dave and Danny set off on what turns out to be a 24,000-mile journey to meet all the other Dave Gormans in the world. They visit Scotland, Israel, America, France and Ireland. They even hold a party in London where 50 Dave

Gormans attend, including two women who have kindly changed their name via deed-poll. Silly, but engrossing, fascinating and addictive - and a touching, funny story of two friends who grow to share a mutual obsession. 'A warm, funny, life-enhancing book' The Guardian The average Dave Gorman is 37, 5'6" and works in the financial sector. Our Dave Gorman is 29, is a

Perrier Award-nominated comedian and writer. His TV work has earned him two BAFTAs for The Mrs Merton Show as well as his own BBC2 series. Danny Wallace is a writer, producer and award-winning journalist, whose work has appeared in numerous newspapers and magazines including The Guardian, The Independent and Melody Maker.

'I don't think

much as this one. It was very difficult reading it in public as I looked like a madman' - Richard Herring James Acaster has been nominated for the Edinburgh Comedy Award five times and has appeared on prime-time TV shows like TASKMASTER, MOCK THE WEEK, LIVE AT THE APOLLO and WOULD I LIE TO YOU? But behind the fame and critical acclaim is a man perpetually getting into

trouble. Whether it's disappointing a skydiving instructor mid-flight, hiding from thugs in a bush wearing a bright red dress, or annoying the Kettering Board Games club, a didgeridoo-playing conspiracy theorist and some bemused Christians, James is always finding new ways to embarrass himself. Appearing on Josh Widdicombe's radio show to recount these

stories, the feature was christened 'James Acaster's classic scrapes'. Here, in his first book, James recounts these tales (including never-before-heard stories) along with self-penned drawings, in all their glorious stupidity. *Dishonesty is the Second-Best Policy* Constable

Watching Neighbours Twice a Day...
Hachette UK
Rob Beckett never seems to fit in. At

work, in the middle-class world of television and comedy, he's the laddie, cockney geezer, but to his mates down the pub in south-east London, he's the theatrical one, a media luvvie. Even at home, his wife and kids are posher than him.

All the Stuff the Expectant Dad Needs to Know

Hachette UK
David Mitchell, who you may know for his inappropriate anger on every TV panel show except Never

Mind the Buzzcocks, his look of permanent discomfort on C4 sex comedy Peep Show, his online commenter-baiting in The Observer or just for wearing a stick-on moustache in That Mitchell and Webb Look, has written a book about his life. *Are You Dave Gorman?* BBC Books
It's hard to imagine a world where anything you could possibly want to know about – and everything

you don't even know you want to know about – isn't accessible 24-hours a day, seven days a week, with just a few taps of our fingers. But that world once existed. And Dave Gorman remembers it. He remembers when there were only three channels on TV. He remembers when mobile phones were the preserve of arrogant estate agents and yuppie twonks. And he remembers

when you had to unplug your phone to plug the computer into the landline in order to use the (crippling slow) internet. Nowadays of course, the world is full of people trying to tell us things. So much so that we have taught our brains not to pay much attention. After all, click the mouse, tap the screen, flick the channel and it's on to the next thing. But Dave Gorman thinks it's time to have a closer

look, to find out how much nonsense we tacitly accept. Suspicious adverts, baffling newspaper headlines, fake twitter, endless cat videos, insane TV shows where the presenters ask the same questions over and over. Can we even hear ourselves think over the rising din? Or is there just too much information? **It's Not Me, It's Them** Knopf
A Comedian's Prayer Book. The title is a worry, isn't

it?... God is a tough audience as far as audible response is concerned, but at least you don't have to explain the references. In this collection of prayers, much-loved comedian, broadcaster and radio host Frank Skinner has tried to retain the bare candour of the rehearsal-room improvisation - to show what faith feels like, from the inside - but infused it with all the production

values required to make it a passable public entertainment. In it are his convictions, his questions, his fears, his doubts, his elations - all presented in an eavesdropper-friendly form. Hell, Judgement, atheism, money, faith and the X-Men all feature: it's a bit like reading the Bible, except you only get one side of the conversation, and all the jokes are left in.

'One of the funniest people in the world. Annoyingly talented at everything he does which includes writing books. As Good As it Gets is hilarious.' - Rob Beckett
Confronted by the realities of adulthood, Romesh Ranganathan must face an uncomfortable truth: this is not quite how he imagined it. Watching his friends descend into

middle age, his waist thicken with every meal and his finances dwindle to fund his family's middle class aspirations, Romesh reflects on the demands of daily life and the challenges of adulting in the modern world. As he reluctantly concludes that he is indeed a grown man, Rom wrestles with the greater questions that threaten his being: Could I save my family in a crisis? Do I

possess the skills to assemble flatpack furniture? Am I too old for streetwear? Is it alright to parent my kids through the medium of Fortnite? Is celibacy the secret to a passionate marriage? From one of the countries most beloved comedians and author of the Sunday Times bestseller STRAIGHT OUTTA CRAWLEY comes the hilarious and painfully accurate dissection of

what it really means to grow up. As Good As It Gets Sphere This is an updated version of the ebook. And it is ram-jammed full of poems by KEY. Within its pages you will find the vast majority of the same poems as you'll find in its predecessor. Poems skewering such thorny issues as sex, pancakes, footy and vodka. But, in order to drum up renewed interest, KEY has also added a new

poem. And there are also seven new introductions. And KEY has also been allowed to waddle round the text with his Lamy fountain pen, altering and updating. Improving. Making everything just so. *Emergency Questions* Random House In this book Richard Ayoade - actor, writer, director, and amateur dentist - reflects on his cinematic legacy as only he can: in

conversation with himself. Over ten brilliantly insightful and often erotic interviews, Ayoade examines himself fully and without mercy, leading a breathless investigation into this once-in-a-generation visionary. Only Ayoade can appreciate Ayoade's unique methodology. Only Ayoade can recognise Ayoade's talent. Only Ayoade can withstand Ayoade's peculiar scent. Only Ayoade can truly get inside Ayoade. They have called their book *Ayoade on Ayoade: A Cinematic Odyssey*. Take the journey, and your life will never be the same again. Ayoade on Ayoade captures the director in his own words: pompous, vain, angry and very, very funny. *Perfect Sound Whatever Invisible Dot Limited* 'A beautiful and clever book about being human' Russell Brand

Sometimes Sara Pascoe confuses herself. She gets wildly and pointlessly jealous. She spends too much time hating her bum. And you know what she hates more than her bum? Her preoccupation with her bum. She's had sexual experiences with boys she wasn't really into, but still got a post-coital crush on

them. She's ruined brand-new relationships by immediately imagining them going into reverse. There was so much about her behaviour that Pascoe wanted to understand. So she started researching what makes us - women - tick. And what she read made her eyes fall out of her face. **** THE NEW BOOK FROM THE AWARD-WINNING COMEDIAN AND WRITER****
 'Mitchell is an exceptionally clever, eloquent and

spot-on commentator. We should be grateful for him.' Daily Mail David Mitchell's 2014 bestseller Thinking About It Only Makes It Worse must really have made people think - because everything's got worse. We've gone from UKIP surge to Brexit shambles, from horsemeat in lasagne to Donald Trump in the White House, from Woolworths going under to all the other

shops going under. It's probably socially irresponsible even to try to cheer up. But if you're determined to give it a go, you might enjoy this eclectic collection (or eclection) of David Mitchell's attempts to make light of all that darkness. Scampi, politics, the Olympics, terrorism, exercise, rude street names, inheritance tax, salad cream, proportional representation

and farts are all touched upon by Mitchell's unremitting laser of chit-chat, as he negotiates a path between the commercialisation of Christmas and the true spirit of Halloween. Read this book and slightly change your life! 'Mitchell combines breathtaking general knowledge with withering wit.' Guardian

Ramble Book: Musings on Childhood, Friendship, Family and

80s Pop Culture
Trapeze 'A wonderful blend of nostalgia, hilarity and personal anecdotes that only Josh Widdicombe could deliver' James Acaster 'If you read only one book by Josh Widdicombe this year, make it this one' Jack Dee 'Beautifully written, cleverly crafted and charmingly funny' Adam Hills 'This is a book about growing up in the '90s told through the thing that

mattered most to me, the television programmes I watched. For my generation television was the one thing that united everyone. There were kids at my school who liked bands, kids who liked football and one weird kid who liked the French sport of petanque, however, we all loved Gladiators, Neighbours and Pebble Mill with Alan Titchmarsh (possibly not the third of these).' In his first memoir, Josh

Widdicombe tells the story of a strange rural childhood, the kind of childhood he only realised was weird when he left home and started telling people about it. From only having four people in his year at school, to living in a family home where they didn't just not bother to lock the front door, they didn't even have a key. Using a different television show of the time as its

starting point for each chapter *Watching Neighbours Twice a Day...* is part-childhood memoir, part-comic history of '90s television and culture. It will discuss everything from the BBC convincing him that Michael Parkinson had been possessed by a ghost, to Josh's belief that Mr Blobby is one of the great comic characters, to what it's like being the only

vegetarian child west of Bristol. It tells the story of the end of an era, the last time when watching television was a shared experience for the family and the nation, before the internet meant everyone watched different things at different times on different devices, headphones on to make absolutely sure no one else could watch it with them.
