Countries and Concepts: Politics, Geography, Culture, 12th Edition Roskin, Countries and Concepts: Politics, Geography ... Countries and Concepts: Politics, Geography, Culture is a critical examination of

comparative politics and political systems. The text rejects theories of smoothly functioning systems and embraces the mistakes that countries inevitably make, taking a skeptical approach to understanding international political systems. Countries and Concepts: Politics, Geography, Culture ... Our major systems - Britain, France, Germany, Russia, and China - were shortened and combined into one chapter each, making them closer in length to the; other systems - Japan, India, Mexico, Brazil, Nigeria, and Iran - and easier to assign in the course of one semester. 6.
