The story of the Shunammite Woman is based on the Old Testament scriptures 2 Kings 4:8-37 and 2 Kings 8:1-6. She is described as a great woman. She shows hospitality to the prophet Elisha and his servant, Gehazi as they pass through her village of Shunem on their way to Mt. Carmel. The Bible reveals that her husband is old and they have no children. When Elisha wants to reward her for the kindness she has

shown to him, she asks nothing in payment. Her answer is simply, "I dwell among mine own people." Gehazi reveals to Elisha that her husband is old and she has no child. Elisha tells her she will have a son. The biblical account covers the birth of a son at the appointed time and later the son dies, apparently from a sun stroke. Elisha raises him from the dead. A famine is prophesied by Elisha and he tells her to leave until the seven years of famine is over. She chooses to go to the

land of the Philistines. The fictional elements of the story cover how she meets her future husband at a market in Sidon which leads up to the account found in the Bible. Her seven years in the land of the Philistines involves another fictional account where she meets their king. While there she gives the king and the farmers the benefit of her crop planting experience and the Philistines farmland flourishes as a result. After the famine is over, she journeys back to Shunem and finds her

house is occupied. King Joram restores her house and land, thus ending this story with the account in the Bible.

Elie Wiesel's *Dawn* is an eloquent meditation on the compromises, justifications, and sacrifices that human beings make when they murder other human beings. "The author . . . has built knowledge into artistic fiction." —The New York Times Book Review
Elisha is a young Jewish man, a Holocaust survivor, and an Israeli freedom fighter in British-controlled Palestine; John Dawson is the captured English officer he will

murder at dawn in retribution for the British execution of a fellow freedom fighter. The night-long wait for morning and death provides *Dawn*, Elie Wiesel's ever more timely novel, with its harrowingly taut, hour-by-hour narrative. Caught between the manifold horrors of the past and the troubling dilemmas of the present, Elisha wrestles with guilt, ghosts, and ultimately God as he waits for the appointed hour and his act of assassination. The

basis for the 2014 film of the same name, now available on streaming and home video.

The Lives and Ministries of Elijah and Elisha Victor H Cuartas

Most Christians take an honest look at themselves and conclude that their limited talents, energy, and knowledge mean that they don't amount to much. Francis A.

Schaeffer says that the biblical emphasis is quite different. With God there are no little people! This book contains sixteen sermons that explore the

weakness and significance of humanity in relationship to the infinite and personal God.

Each was preached by Schaeffer at L'Abri Fellowship in Switzerland to the community that gathered there to work, learn, and worship together. The focus of this collection is the lasting truth of the Bible, the faithfulness of God, the sufficiency of the work of Christ, and the reality of God's Spirit in history. The sermons represent a variety of styles-some are topical, some expound

Old Testament passages, and still others delve into New Testament texts. No Little People includes theological sermons and messages that focus specifically on daily life and Christian practice. Each sermon is a single unit, and all are valuable for family devotions or other group study and worship. Readers will be encouraged by the value that God places on each person made in His image.

This vivid diary of life in a Japanese internment camp during World War II examines the moral challenges encountered in conditions of confinement and deprivation. Commentary on the Whole Bible Brazos Press "II Kings" (Volume 11 in the acclaimed Anchor Bible) is the chronicle of the raging conflicts that tore the United Kingdom of Israel apart, creating the rival nations of Israel to the north and Judah to the south. It tells of the time of the great

prophecies of Elijah and Elisha, and of the legendary conquerors of not only the Jews, but the whole of the Middle East--Sennacherib, Hazael, Tiglath-pileser III, Nebuchadnezzar, and Shalmaneser. The book of "II Kings" was written with a dual purpose. It provided a chronological history of the divided kingdoms of Israel, from the time of division, through the destruction of the city of Jerusalem, and the final exile of the Jews into Babylonia. It also served as a reminder to

all Israelite monarchs that their loyalty to the God of Israel, as worshipped in Jerusalem, determined the course of history. In his telling of the story, the book's author emphasized to his contemporaries and future generations that in order to avert the calamities that befell the Chosen People (their conquest by nonbelievers, the destruction of Jerusalem, and their ignominious exile), they would have to avoid a repetition of the misdeeds of the past. If they remained loyal to their

God, their God would remain loyal to them. Complete with maps, charts, photographs, and extra-biblical documentation, "II Kings" presents an important and illuminating new translation which explores a tumultuous epoch of change that forever affected theological and world history

This is a book for pacesetters -- church leaders who desire to help their churches break free of the things that turn them in on themselves. It is a masterly mix of biblical principle, objective analysis, and personal experience.

2 Kings Zondervan

God wants none of His Children to die sick, talk less of His Prophets. However, Prophet Elisha, one of the most anointed among God's Prophet died

sick. In His lifetime, Elisha raised the dead without speaking a word. He merely laid himself on the dead body twice and the dead rose up. After his death, his dry bones raised back to life a dead man. Yet with all his anointing, he died sick. Why did he die sick? The mystery behind his death through sickness is unraveled in this publication. It is not God's plan for you or anyone to end like Elisha. You can avoid it. This book in your hands is a treasure. Guard it jealously. Study it

diligently. Apply it purposefully. I see God's help has reached you at last. Make use of it and live. It is a new day for you in Jesus Name.

The Moody Bible

Commentary Maggid

Pastor Brian Zahnd began "to question the theology of a wrathful God who delights in punishing sinners, and has started to explore the real nature of Jesus and His Father. The book isn't only an interesting look at the context of some modern theological ideas; it's also offers some profound

insight into God's love and eternal plan."

—Relevant Magazine (Named one of the Top 10 Books of 2017) God is wrath? Or God is Love? In his famous sermon "Sinners in the Hands of an Angry God," Puritan revivalist Jonathan Edwards shaped predominating American theology with a vision of God as angry, violent, and retributive. Three centuries later, Brian Zahnd was both mesmerized and terrified by Edwards's wrathful God. Haunted by fear that

crippled his relationship with God, Zahnd spent years praying for a divine experience of hell. What Zahnd experienced instead was the Father's love—revealed perfectly through Jesus Christ—for all prodigal sons and daughters. In Sinners in the Hands of a Loving God, Zahnd asks important questions like: Is seeing God primarily as wrathful towards sinners true or biblical? Is fearing God a normal expected behavior? And where might the natural implications of this

theological framework lead us? Thoughtfully wrestling with subjects like Old Testament genocide, the crucifixion of Jesus, eternal punishment in hell, and the final judgment in Revelation, Zandh maintains that the summit of divine revelation for sinners is not God is wrath, but God is love.

Revelation Thomas Nelson Ellet Joseph Waggoner (1855 - 1916) was a leading Seventh-day Adventist preacher and writer. In his famous book

Christ and His Righteousness, he writes, "Christ has been set forth by God as the One through whom forgiveness of sins is to be obtained; and this forgiveness consists simply in the declaration of His righteousness (which is the righteousness of God) for their remission. God, "who is rich in mercy" (Eph. 2:4), and who delights in it, puts His own righteousness on the sinner who believes in Jesus, as a substitute for his sins. Surely, this is a

profitable exchange for the sinner, and it is no loss to God, for He is infinite in holiness, and the supply can never be diminished." Chapters include: 1. How Shall We Consider Christ? 2. Is Christ God? 3. Is Christ a Created Being? 4. God Manifest in the Flesh 5. Important Practical Lessons 6. Christ the Lawgiver 7. The Righteousness of God 8. The Lord Our Righteousness 9. The History of al-Ṭabarī Vol. 3 Lifeway Church Resources

God is preparing a spiritual tsunami to sweep the nations and reclaim our culture for Christ, says author Johnny Enlow. He describes seven culture-shaping areas of influence over each society--media, government, education, economy, family, religion, and celebration (arts and entertainment)--that are the keys to taking a nation for the kingdom of God. The purpose of this book is to draw the church's attention to

these areas; help each individual determine his or her specific assignment in this mission; and then to offer insight into the nature of the battles involved in this "spiritual tsunami," as the author calls it. Many Christians do not grasp that God's favor for us to succeed is already upon us and is part of His end-time strategy to establish Jesus as Ruler of the Nations before His return. Readers will come to understand that this favor is divinely strategic and corresponds to the place of each

person's ministry assignment. Many have a spiritual poverty vision and poor eschatology, two factors that have robbed us of our blessing and caused us to fail to reclaim cultural influences for Christ. The book is laid out to address these two

misunderstandings, with the first several chapters specifically aimed at correcting lack of vision and misguided understanding of the end times. Each chapter that follows provides intensive, detailed study of each "mountain" of influence, how it will be taken and

by whom, and what resistance will be encountered by individuals assigned to claim this mountain.
