Self Assessment in Clinical Pharmacology Clinical

Pharmacology Designed for students, doctors and all concerned with evidence-based drug therapy, this text aims to increase success in therapeutics through an understanding of how drugs get into the body, how they produce their effects, what happens to them in the body, and how evidence of their therapeutic effect is assessed. This information should help those involved in choosing drugs more skilfully, and to use them more successfully. Clinical Pharmacology This book is about the rational scientific basis and practice of drug therapy. Doctors

need to understand the psychological and medical area in which they prescribe to deliver what patients have a right to expect, ie. maximum benefit with minimum risk. Clinical Pharmacology Clinical Pharmacology This book is about the rational scientific basis and practice of drug therapy. Doctors need to understand the psychological and medical area in which they prescribe to deliver what patients have a right to expect, ie. maximum benefit with minimum risk. Clinical Pharmacology In recent years our understanding of molecular mechanisms of drug action and interindividual variability in drug response has grown enormously. Meanwhile, the practice of anesthesiology has expanded to the preoperative environment and numerous

locations outside the OR. Anesthetic Pharmacology: Basic Principles and Clinical Practice, 2nd edition, is an outstanding therapeutic resource in anesthesia and critical care: Section 1 introduces the principles of drug action, Section 2 presents the molecular, cellular and integrated physiology of the target organ/functional system and Section 3 reviews the pharmacology and toxicology of anesthetic drugs. The new Section 4, Therapeutics of Clinical Practice, provides integrated and comparative pharmacology and the practical application of drugs in daily clinical practice. Edited by three highly acclaimed academic anesthetic pharmacologists, with contributions from an international team of experts, and illustrated in full colour, this is a
