both a proposal: Shacking up as a couple this summer. It's an alleged "win-win." I need to prove to my ex that I'm fine. Drew needs to prove to his team that he's stable. Thanks to his on-field brawling and never-ending lady drama, Drew Maddox has suddenly found himself on the trade block - which means he needs a fast, easy way to show the team that he's settled down. Hence this fiance

thing. Our fights are real, our kisses are fake, and thanks to the nonstop heat between us, I'm starting to mix up all my signs. But whether it's real or fake, there's one thing I do know: I'm already addicted. *Hothead* Mari Carr Books LLC Sera has no memory of her life before. Before captivity, before experiments, before the only lifeline she had was the voice of a boy in the cell

next to hers. Before G. G wishes he could forget everything before Sera brought him back to life. Forget his memories as a ruthless mercenary on an alternate version of Earth. Forget that he was part of an experiment simply known as Alpha. Now on the run from their captors and in need of an antidote to save his life, G and Sera's clock is ticking. And they'll have to gamble everything on

the bond they forged in captivity if they want to survive. The Infinity Division series is best enjoyed in order. Reading Order: Book #1 Infinity Book #2 Omega Book #3 Alpha Alpha Radish Fiction This is a werewolf shifter book for an adult audience. With a mix of erotica, adventure and angst. Her Forbidden Alpha, is the first of a five book series. A story that sets the Scene for

the Alpha Series world. The book is a stepsibling romance, with just the right balance of forbidden trope, yet keeping it tasteful. *Wish Upon a Star* Forever I wasn't always in love with Nell Hawthorne; I was in love with a girl named India before I ever met Nell. India? She was my first love, the girl who made me want to be better than my past, better than the blood and violence. Live

by the sword, die by the sword, that's what they say, right? It should have been me, that day. But it wasn't. It was her. And that changed me. Sent me down an even darker path than I'd been on before. Until I met her. Nell Hawthorne. The girl who changed everything. You know that story. But what you don't know is everything that led up to that rainy day under a tree, at a funeral. *Yours* John

<p>Wiley & Sons From USA TODAY BESTSELLING AUTHOR Claudia Burgoa comes this fake- relationship- office romance that'll leave readers laughing and swooning! What happens when the guy who's afraid of love finds himself in it? Know what they say about never mixing business with pleasure? I thought it was dumb. The one about never sleeping with your boss? I</p>	<p>ignored it, too. I blame Aslan Spearman, the boss. He's a wealthy playboy who doesn't believe in happily ever after. He's demanding, a workaholic, and a cynical...jerk. He'd rather have a root canal than be in a romantic relationship. Do you want to know a secret? I think he's afraid of love. So when he has to go to the Spearman family reunion in Hawaii with his girlfriend, he's in big trouble. That's</p>	<p>what happens when you lie to your family about your relationship status. It wasn't important—un til now. What does he do? He comes to me, his VP of Operations and right hand for assistance. After all, I'm a problem solver. Except my personal life is complete chaos. So we make a deal. I'll be his girlfriend if he helps me solve my problems. It's a win-win situation, right? I mean, how hard can</p>

it be? It's not like I plan to fall in love. Her Forbidden Alpha Seth Clarke Kyrie is struggling to make ends meet. She receives a mysterious but desperately needed cheque in the mail with no accompanying explanation. But nothing in life comes for free ... and one day a limousine waits at the curb in front of her house. The driver spoke six words: "It's time to pay your debt."

She is taken, blindfolded, and becomes the object of obsession, bondage, and domination. **Own the Wind** Kristen Ashley Theia Alderson has always led a sheltered life in the small California town of Serendipity Falls. But when a devastatingly handsome boy appears in the halls of her school, Theia knows she's seen Haden before- not around town, but in her dreams. As the Haden of

both the night and the day beckons her closer one moment and pushes her away the next, the only thing Theia knows for sure is that the incredible pull she feels towards him is stronger than her fear. And when she discovers what Haden truly is, Theia's not sure if she wants to resist him, even if the cost is her soul. *Scoring Wilder* Createspace Independent Publishing Platform I wasn't

always in love with Colton Calloway; I was in love with his younger brother, Kyle, first. Kyle was my first one true love, my first in every way. Then, one stormy August night, he died, and the person I was died with him. Colton didn't teach me how to live. He didn't heal the pain. He didn't make it okay. He taught me how to hurt, how to not be okay, and, eventually, how to let go. Nell Hawthorne is

in love with her life-long best friend, Kyle Calloway. Things are great, and they're in love, young, full of promise. Then Kyle dies in a tragic accident and Nell is forever changed. She meets Kyle's older brother Colton at the funeral, and there's a spark, but it's wrong and they both know it. The moment passes, and they both move on with life. A couple years later, they meet again in New

York City, and Colton realizes that Nell has never really gotten over Kyle's death, and seems to be harboring a deeply rooted pain, something like guilt, perhaps. He knows he shouldn't get involved, but he can't help himself. Trust doesn't come easily for either of them, and they both have demons, Colton especially. Together, they learn the purpose of pain and the meaning of healing, and the

importance of forgiveness.

 SIX-PACK
 SERIES BOOK
 TWO * While this book can be read as a standalone, I highly recommend reading book one (Alpha Gray) for context before starting in on this one. * This book is very different from book one- it's a slow burn, and it's a very bumpy ride. You've been warned!
 THEO: I'm next in line to be the alpha of my pack, but my father doesn't think

I'm ready. In his eyes, I'll never be- he wants me to grow up, straighten up, to be someone I'm just... not. At least I've got the security squad in the meantime, and I'm taking on more responsibility by working with the squad's IT unit. I assumed working with a bunch of computer geeks would be boring as hell, but the new girl on the unit has me intrigued. I'm used to getting any

girl I want, yet she's rebuffed all of my advances. She's a goody-goody, thinks she's too good for me- and hell, she probably is, but that won't stop me from trying to get in her pants. Underneath every good girl persona is a bad girl just dying to get out. Challenge accepted.

BROOKE: All I wanted to do when I came to work for the IT unit at the security squad was keep my head down and do my job. I was doing it pretty

well, too, until Theo got assigned as the liaison between the IT unit and squad leadership. I had a crush on him as a kid, but now that he's grown he's a foul-mouthed, womanizing hothead; a total alpha-hole. Other girls may fall for this good looks and his devil-may-care attitude, but I'm smarter than that. He's hanging around the IT unit to observe and report, but he's zeroed in

on me for some reason; keeps trying to get under my skin. And just when I think I can escape him, fate delivers the cruelest twist yet. ~

The Six-Pack Series is a collection of werewolf shifter romance novels. These books contain mature content (steamy scenes!) and themes that may not be suitable for younger readers. If frequent use of profanity and f-words offend, then

these books may not be for you. While this book ends with a HEA for the main characters and no major cliffhangers, there are some overarching storylines that may not be resolved at the conclusion of this book because they run throughout the series. [The Alpha Shifter Collection](#)

Bestselling Author Aileen Erin Life has been crazy since Tessa McCaide moved to Texas. She's gone from being a normal-ish girl with visions to

a super-powered werewolf. She's fought off vampires and broken a nearly unbreakable curse. And she's got a hot mate, Dastien Laurent, to keep her busy. Things are looking up until the full moon ceremony rolls around. Before Tessa can strengthen her bond with Dastien, the local coven crashes the gates, demanding that Tessa--their heir apparent--be returned. If

the pack wants to avoid a war with the witches, handing Tessa over is the only option. Tessa doesn't want to cause an all-out fight, but joining a dark-magic coven isn't on her to-do list, especially if embracing her magic side means parting with Dastien. When the coven leader tries to control Tessa with dark-magic, Tessa realizes she has to dismantle the coven or prepare the pack for war. Either choice

will change her life--and her world--forever. "I am in complete love with this book as I have been with the series so far. It holds a magical combination of fast paced action, mystery, witty dialog, and of course the romance makes it a winner." - Eve, Functioning Insanity "So I must say, this novel is, without a doubt, wonderful. With Olympic tryouts on the horizon, the last thing nineteen-year-old Kinsley Bryant needs to add to her plate is Liam Wilder. He's a professional soccer player, America's favorite bad boy and has all the qualities of a skilled party-dropper. Alpha Girls
It's said that women and men are from two different planets when it comes to communication, but how can they overcome the obstacles of prehistoric times when one of them simply doesn't have the ability to comprehend language? Ehd' s a caveman living on his own in a harsh wilderness. He's strong and intelligent, but completely alone. When he finds a beautiful young woman

in his pit trap, it's obvious to him that she is meant to be his mate. He doesn't know where she came from, she's wearing some pretty odd clothing, and she makes a lot of noises with her mouth that give him a headache. Still, he's determined to fulfill his purpose in life - provide for her, protect her, and put a baby in her. Elizabeth doesn't know where she is or exactly how she got there. She's confused and

distressed by her predicament, and there's a caveman hauling her back to his cavehome. She's not at all interested in Ehd's primitive advances, and she just can't seem to get him to listen. No matter what she tries, getting her point across to this primitive but beautiful man is a constant - and often hilarious - struggle. With only each other for company, they must rely on one another to

fight the dangers of the wild and prepare for the winter months. As they struggle to coexist, theirs becomes a love story that transcends language and time.
