Segmentation can provide the roadmap for short- and long-term success for a brand. The appeal of segmentation has a lot to do with efficiency. Marketers can't be all things to all people, so

they focus attention, strategy and resources on those things they can best deliver.
How Segmentation Provides the Roadmap to Success
While your company should have a content strategy - a strategic plan for all its content usage across the enterprise, it also should have a dedicated content marketing strategy - a unified, strategic road map focused exclusively on how your business will use content to attract, acquire, and engage its prospects and customers.
