Soulmate Myth The  
Wessex Astrologer  
For richer or poorer, in  
sickness and in health,  
you and your partners will  
meet again and again,  
over many lifetimes, until  
you work out the kinks.  
There's just no way to  
skirt the issue - your

soulneeds relationships to  
evolve. This is the law of  
relationships, and in this  
classic work author Jeffrey  
Wolf Green clearly  
illustrates the  
evolutionary and karmic  
progression of two people  
throughout many  
lifetimes.  
Astrology The Wessex  
Astrologer  
"This book presents the  
ancient Hindu astrology in  
its occult and esoteric

aspects. Traditional  
practitioners often failed  
to defend the veracity of  
the subject and dispel the  
scepticism of modern  
intellectuals. The ancient  
revelations have been  
restated here to meet  
contemporary  
requirements. The ancient  
seers presented Vedic  
Astrology under various  
assumptions and in  
allegorical and symbolic  
languages. They assumed

polydimensional extension of human consciousness which was closely related with planetary impulses. Apart from the general approach to this ancient science, the study presents in depth the astrological description of the nature of man. It also provides deeper implications of various planetary combinations. Advanced practitioners as well as general readers will find the book informative, illuminating and highly rewarding.

Vedic Love Signs The

Wessex Astrologer

The idea of initiation has enthralled and entranced mankind since time began. An arcane process that changes the initiate forever, it is rarely talked about and thus continues to be cloaked in secrecy. This astounding book, co-written by one of the most respected teachers and Initiators alive today, explains exactly what it means to be initiated into a group, who chooses to follow that path, and what they have to go through in the process. This book is especially powerful

because it also examines, through astrological charts, the inner path, and challenges, of the person undergoing the initiation. It is a book to treasure.

Lunar Returns Llewellyn Worldwide

Panchanga is an ancient vedic technique which has disappeared from current practice. It is used to discover the strength of the different sources of 'light' in the natal chart which show one's response to the challenges of life. This book shows how relevant

this technique is to life.  
**Avebury Cosmos** The  
 Wessex Astrologer  
 As the indicator of  
 transformation and the  
 starting point for  
 understanding all factors  
 in the natal chart, Pluto is  
 one of the most important  
 planets to focus on in  
 chart analysis. Inspired by  
 the bestselling Pluto  
 Volumes 1 and 2 by the  
 author's father, Jeffrey  
 Wolf Green - renowned  
 astrologer and founder of  
 Evolutionary Astrology -  
 this groundbreaking book  
 takes that original work to  
 new heights and makes

the study of Evolutionary  
 Astrology clear and  
 practical for modern-day  
 use. This inspiring book  
 teaches you the key  
 essentials of chart  
 interpretation by focusing  
 on Pluto and the locations  
 of your north and south  
 nodes, so you can figure  
 out the steps you need to  
 take in order to grow-and  
 ultimately discover your  
 soul's karmic mission.  
 Lunar Nodes  
 The most comprehensive  
 book to date on the use  
 and understanding of the  
 Lunar Nodes in Vedic  
 astrology. The author is a

widely known and  
 immensely respected  
 teacher with students all  
 over the world. She has  
 used her experience of  
 working with the nodal  
 axis to show how, by sign  
 and placement, they  
 affect every level of our  
 spiritual existence.  
 Students of astrology,  
 yoga and ayurveda will  
 find this book particularly  
 helpful.

 A fresh look at the World

Heritage Site that includes Avebury henge, West Kennet long barrow and Silbury Hill. Mann combines archaeology, astronomy and anthropology to offer an original and convincing account of the building of these extraordinary Neolithic monuments. The ancient Britons were inspired by a profound knowledge of the heavens when they erected the monumental stones of Avebury. Mann throws light on the motive behind the creation of its awe-inspiring mounds and

megaliths by demonstrating that they were aligned to the cycles of the Sun, Moon and stars. This book will help visitors and readers to see Avebury in a wholly new light - the light of the heavenly bodies that guided its Neolithic builders. Avebury Cosmos will reawaken our ancient reverence for the stars and deepen our respect for the extraordinary abilities and forgotten knowledge of our prehistoric ancestors. *Astrology for the Soul*  
Wessex Astrologer

- Offers an in-depth experience of alchemical transmutation to cleanse old parts of the psyche and clear space for the shift to 5D through 9D consciousness
- Reveals the astrological factors at play behind the multitude of crises hitting the world stage in 2018, 2019, and 2020, including the Covid-19 pandemic
- Continues the story from Revelations of the Ruby Crystal and Revelations of the Aquarian Age With the Age of Aquarius dawning, six friends connected by ancient wisdom, spiritual

revelation, past lives, and sexual alchemy discover the connections between seemingly disconnected events--environmental collapse, schisms in the Catholic Church, the refugee crisis, political breakdown in the United States, the shift out of the age of oil to the high-tech economy, and the Covid-19 pandemic. The characters, as well as readers, experience moving out of fear-based consciousness to the higher dimensions. The story begins in Florence, Italy, at an art soirée in

honor of Armando Pierleoni's visionary painting of Jesus and Mary Magdalene. In addition to the six friends--Armando, his photographer wife Jennifer, New York Times journalist Simon, his mystical wife Sarah, Jungian analyst Lorenzo, and exotically beautiful and astrologically insightful Claudia--the dinner party also includes Alessandro de Medici, later revealed to be a master alchemist, and the Jesuit priest Father Giorgio Faccini, the Vatican archivist and a

covert agent for the Church's secret agenda. As the Aquarian vibrations intensify, Claudia sees the astrological factors at play behind the multitude of crises hitting the world stage, and then Covid-19 hits Italy. In the rapidly escalating tension, the deepest fears and greatest joys of the characters' lives are revealed. Armando has a spiritual breakthrough and high initiation with Lorenzo in his tower, and the friends discover alchemical keys and the perennial wisdom--long

suppressed by the Church--that will help humanity transcend.

Few understand the power of Transiting Lunar Nodes - yet all of us experience the impact of these transits in our lives. Planets transiting through the Zodiac form aspects to our personal charts, and happenings occur.

How or why you feel a certain way about a situation is indicated by the transits of the Lunar Nodes. Author Diane Ronngren introduces you to this unique study and helps you explore the energy of the transiting Lunar Nodes in your life.

**Secrets of Predictive Astrology** The Wessex Astrologer

Bringing together some of the most recognized and influential researchers and scientists in various space-related disciplines, *Lunar Settlements* addresses the many

issues that surround the permanent human return to the Moon. Numerous international contributors offer their insights into how certain technological, physiological, and psychological challenges must be met to make permanent lunar settlements possible. The book first looks to the past, covering the Apollo and Saturn legacies. In addition, former astronaut and U.S. Senator Harrison H. Schmitt discusses how to maintain deep space exploration and settlement. The book then

discusses economic aspects, such as funding for lunar commerce, managing human resources, and commercial transportation logistics. After examining how cultural elements will fit into habitat design, the text explores the physiological, psychological, and ethical impact of living on a lunar settlement. It also describes the planning/technical requirements of lunar habitation, the design of both manned and modular lunar bases, and the

protection of lunar habitats against meteoroids. Focusing on lunar soil mechanics, the book concludes with discussions on lunar concrete, terraforming, and using greenhouses for agricultural purposes. Drawing from the lunar experiences of the six Apollo landing missions to the many American and Soviet robotic missions to current space activities and research, this volume summarizes the problems, prospects, and practicality of enduring lunar settlements. It reflects the

key disciplines, including engineering, physics, architecture, psychology, biology, and anthropology, that will play significant roles in establishing these settlements.

### **Transiting Lunar Nodes**

The Wessex Astrologer  
Every month the Moon above comes back to where it was exactly when you were born. Called the Lunar Return, the chart cast for this instant tells the tale of the next 271/2 days to come. It paints your emotional landscape day by day and reveals

the tides that wash over your life as the Moon drives her daily course. Once a primary tool of every professional astrologer, this invaluable technique has often been neglected because of its demanding subtlety and complexity. In this book, long-time astrological innovator John Townley has cut to the core of how and why to use the Lunar Return, giving the student or professional astrologer the keys to the heart and the pulse of each and every month.

*Grief Pan*

Let the ancient wisdom of Indian astrology lead you to karmic bliss in this inspirational guide to finding-and keeping-true love. Vedic astrology believes that a relationship is a divine expression of love, where the mind, body and spirit meet-and to be successful, you and your partner must complement each other in all these areas. Using the 27 moon signs of the vedic zodiac, Vedic Love Signs will show you how to work out emotional, physical and spiritual compatibility.

Including an introduction to Vedic astrology, character analysis for each star sign, seduction tips, compatibility grids and much more, this is the most comprehensive guide yet to finding your best relationship.

[The Secrets of Astrology](#)  
The Wessex Astrologer  
One of the most radical and unorthodox interpretations of retrograde planets yet published. Disregarding the traditional "good" or "bad" explanation, the author gives instead a system which explains the

three vibrational moods in which these planets may be expressed. Each planet is discussed thoroughly in all signs and houses.

There is also an examination of the esoteric and karmic symbolism begun in his best selling "Karmic Astrology Volume I: The Moon's Nodes and Reincarnation."

*Essays on Evolutionary Astrology* Llewellyn Worldwide

Many people are looking for their soulmate and expect to be blissfully happy when they find

one. But, sadly, they seem doomed to disappointment.

Soulmates are both a powerful fact and one of the biggest illusions of all time.

*Understanding Karmic Complexes* Bantam

Komilla Sutton is a co-founder of the British Association for Vedic Astrology. She is renowned as both a practitioner and teacher of the science with students and clients all over the world. Readers of her previous books (The Essentials of Vedic

Astrology, The Lunar Nodes and Personal Panchanga) have long been asking for a book on the nakshatras, the lunar mansions - so here it is.

Book of Why University of Hawaii Press

This book is the first comprehensive guide to the Moon's nodes-- probably the most misunderstood points in astrology. The nodes are not planets, but the points on your birth chart where the orbit of the Moon around the Earth crosses the ecliptic. The nodes are the key to understanding

your spiritual purpose for this lifetime. The South Node reveals the lessons, talents, and abilities you mastered in past lives, while the North Node shows you how to best use your past-life skills for spiritual growth, happiness, and success in this life. The Complete Node Book presents a new and empowering perspective on the nodes. It defines and analyzes the specific lessons and challenges presented by each of the 144 possible placements of the nodes. Both sign and house

placement of the nodes are considered for extraordinarily insightful and accurate interpretations. For beginning astrologers, this guidebook provides easy-to-find personal interpretations and a free birth chart offer. For advanced astrologers, it will serve as the definitive reference manual on the Moon's nodes.

**Door Unlocked** Llewellyn Worldwide

Do you know the Bowl from the Basket shape in a natal chart? Did you realise just how much

information you can gain from examining the actual pattern of the planets in the chart? No matter how knowledgeable we are about astrology, natal chart analysis can still present a challenge - however, understanding chart shapes could make all the difference. In this fascinating study, Wanda Sellar pinpoints an effective route into the astrological labyrinth using a concept which was pioneered by Marc Edmund Jones and then followed by Robert Jansky in the last century. Each

chart shape has its own central theme: a Locomotive shape has its starting point with the leading planet which may be in any house or sign, a See-Saw shape begins with the core opposition, a Wedge with the confining trine. Not all charts fit neatly into one of the idealised patterns, and those that take a little coaxing are still a revelation in interpretation. Sometimes it is the planet that stands outside the idealised shape that reveals the core of the personality.

This treasure trove includes a multitude of worked case histories, including Arnold Schwarzenegger, Mata Hari, George Blake, Bobby Fischer, Harrison Ford and Agatha Christie. This fascinating and accessible book is suitable for all levels.

**Lunar Nodes** American Federation of Astr Grief doesn't discriminate. It will touch all of us at some point; an uninvited guest that can't be shown the door, that takes over our lives and changes us forever. In this gut-

wrenchingly beautiful book, Darrelyn Gunzburg shows us how knowing the shape of grief and its consequences over time give edges and boundaries to this dark pathway, revealing that through the prickly branches and the mist, life awaits us at the edge of the forest, dressed in cloths of gold and sustained with love and warmth. Helping ourselves first means we gain the wisdom that grief gives us to help others on their unique journey to encounter a changed

future with focus,  
determination, and  
understanding when grief

comes to call. To allow  
someone in grief to give

voice to their experiences  
is not just being kind. It is  
saving their life.
