Three R's for Snare Drum, Volume 1

Hal Leonard Corporation Polyrhythmic Studies for Snare Drum is a compilation of 35 etudes and 26 solos for intermediate and advanced levels. It is designed to encompass several phases of music for the snare drum as well as to develop the minds and hands to perform both common and uncommon meters. The first section of the book contains an analysis of polyrhythms and abnormal groups; if

studied carefully, this section will help in building a solid foundation of understanding so that polyrhythmic and odd group figures may be executed with little difficulty.

Move over guitar collectors, it's time to give the drummers some ink. One of the world's most valuable collections of

vintage snare drums is presented in this beautiful, full-color gift book. The snare drum collector's market is heating up, becoming the next area of interest for music historians and instrument collectors. Highlights: * The book features 84 of the rarest vintage snare drums from Curotto's collection of more than 420. The drums are gold plated/engraved, silver plated/engraved and black engraved snare drums, plus a "Future Collectable" section. *

Every snare gets a complete historical description of all facets of its components and the back-story on its creation and where it was "found" before Curotto acquired it. * Brands covered include the most famous manufacturers - Ludwig, Slingerland, Gladstone, Leedy, Gretsch and Wurlitzer. * Photographed with the highest-quality digital camera, the images are gorgeous in detail and lighting. This will make a great gift book.

Culled from Bill Bachman's popular "Strictly Technique" articles in Modern Drummer magazine, this book will help players develop hands that are loose, stress free, and

ready to play anything that comes to mind. The book is for everyone who plays with sticks, regardless of whether you're focusing primarily on drumset, orchestral percussion, or the rudimental style of drumming. Divided into three main sections Technique, Top Twelve Rudiments, and Chops Builders the book is designed to get you playing essential techniques correctly and as quickly as possible. Also includes a bonus section two-hand

coordination and independence.

False images Alfred Music (Music Sales America). Buddy Rich's Modern Interpretation of Snare Drum Rudiments contains a systematic course for the beginner, and is a great value to the teacher and professional who wishes to increase his knowledge of rudiments. In addition to the elementary principles of music, there are 83 lessons of exercises and rudiments, 21 reading exercises, 10 exercises

employing rudiments, and advanced rhythmic studies. Mr. Rich's ability and genius in the drum world make this book one of the landmarks of drum literature.

A Comprehensive Accompaniment for Any Beginning Snare Drum Method Alfred Music (Meredith Music Percussion). *Rhythm Reading for Drums* provides a highly organized, systematic approach to reading and understanding rhythm for the beginning drummer/percussionist.

Basic rhythm patterns including counting system and foot tapping indications are introduced on each page in eight-measure studies followed by a short solo. Each solo serves as a page summary and a motivational tool for students. Music educators and private instructors will find this method to be a comprehensive approach to rhythm reading and musical drumming. An excellent method for class instruction, private lessons or as a

supplement to any band method.
