HANEY FARMER

Henry and Beezus HarperCollins UK
 The iconic photographer and friend of the author shares “a wonderful portrait of Miller in his heyday” in this acclaimed biography (Erica Jong). A New York Times Notable Book His years in Paris were the making of Henry Miller. He arrived in 1930 with no money, no fixed address, and no prospects. He left nine years later as the renowned—and notorious—author of *Tropic of Cancer* and *Tropic of Capricorn*. Miller didn’t just live in Paris—he devoured it. It was a world he shared with Brassai,

whose work, first collected in Paris by Night, established him as one of the greatest photographers of the twentieth century and the most exquisite and perceptive chronicler of Parisian vice. In Miller, Brassai found his most compelling subject. *Henry Miller: The Paris Years* is an intimate account of a writer’s self-discovery, seen through the unblinking eye of a master photographer. Brassai delves into Miller’s relationships with Anais Nin and Lawrence Durrell, as well as his hopelessly tangled though wildly inspiring marriage to June. He uncovers a side of the man scarcely known to the public, and evokes their shared passion for the street life of the City of Light, captured in a dazzling moment of illumination.

Six: The Musical - Vocal Selections Knopf
 A “lyrical, impassioned” document of the intimate relationship between the two authors that was first disclosed in *Henry and June* (Booklist). This exchange of letters between the two controversial writers—Anais Nin, renowned for her candid and personal diaries, and Henry Miller, author of *Tropic of Cancer*—paints a portrait of more than two decades in their complex relationship as it moves through periods of passion, friendship, estrangement, and reconciliation. “The letters may disturb some with their intimacy, but they will impress others with their fragrant expression of devotion to art.” —Booklist “A portrait of Miller and Nin more rounded than any previously

provided by critics, friends, and biographers." —Chicago Tribune Edited and with an introduction by Gunther Stuhlmann

Henry and Clare Harper Collins

"A beautiful, lyrical, and aching brilliant story about love, grief, and family. Henry's writing will leave you breathless."

—BuzzFeed Romeo and Juliet meets One Hundred Years of Solitude in Emily Henry's brilliant follow-up to *The Love That Split the World*, about the daughter and son of two long-feuding families who fall in love while trying to uncover the truth about the strange magic and harrowing curse that has plagued their bloodlines for generations. In their hometown of Five Fingers, Michigan, the O'Donnells and the Angerts have mythic legacies. But for all the tall tales they weave, both founding families are tight-lipped about what caused the century-old rift between them, except to say it began with a cherry tree. Eighteen-year-old Jack "June" O'Donnell doesn't need a better reason than that. She's an O'Donnell to her core, just like her late father was, and O'Donnells stay away from Angerts. Period. But when Saul Angert, the son of June's father's mortal enemy, returns to town after three mysterious years away, June can't seem to avoid him. Soon the unthinkable happens: She finds she doesn't exactly hate the gruff, sarcastic boy she was born to loathe. Saul's arrival sparks a chain reaction, and as the magic, ghosts, and coywolves of Five Fingers conspire to reveal the truth about the dark moment that started the feud, June must question everything she knows about her family and the father she adored. And she must decide whether it's finally time for her—and all of the O'Donnells before her—to let go.

Gold by Gold ABDO

Two men. Two myths. One legend. The greatest love story ever told has finally been released in graphic novel form, featuring 20 short stories about the domestic life of "Henry" and "Glenn" and sometimes their neighbors "Daryl" and "John." Glenn deals with issues with his mother while Henry, "a loud guy with a good work ethic," shows his darker side and indifference to a fan as he drinks black coffee and bonds with Glenn over their distaste for their own bands. These are two men who truly suffer best together. The book collects four serialized comics, adds 100 never-before published pages, including new stories, pin up art, and full color covers from the original series.

A Literate Passion HMH

Life begins at happily ever after... For Elsie

and Henry, getting married and buying a house is only the beginning of their passionate new adventure. Elsie is flourishing in her job while Henry embarks on a new career as a police officer. Everything, it seems, has finally fallen into place. Just when it's all smooth sailing, they face life-altering changes that make Elsie question her ability to adapt. With Henry's job putting him in constant danger, she watches helplessly while he slips back into his old habits. Elsie must find a way—through any means necessary—to prevent the past from repeating. With the sand constantly shifting underfoot, Elsie and Henry have to figure out how to strengthen their bond—before they end up losing what matters most...

Letters to Emil Penguin

The fourth volume of "one of the most remarkable diaries in the history of letters" (Los Angeles Times). The renowned diarist continues her record of her personal, professional, and artistic life, recounting her experiences in Greenwich Village for several years in the late 1940s, where she defends young writers against the Establishment—and her trip across the country in an old Ford to California and Mexico. "[Nin is] one of the most extraordinary and unconventional writers of [the twentieth] century." —The New York Times Book Review Edited and with a preface by Gunther Stuhlmann

A Winter Walk Perigee

At last, Henry Huggins's father has promised to take him fishing, on one condition. Henry's dog, Ribsy, has been in all sorts of trouble lately, from running off with the neighbor's barbecue roast to stealing a policeman's lunch. To go on the fishing trip, Henry must keep Ribsy out of trouble -- no chasing cats, no digging up lawns...and no getting anywhere near little Ramona Quimby, the pest of Klickitat Street.

The Cosmological Eye Ohio University Press

In his great triptych "The Millennium," Bosch used oranges and other fruits to symbolize the delights of Paradise.

Arrest Penguin

PART FOUR OF JUNE GRAY'S DISARM SERIES In eighteen days, a life can change... Henry talks about the past during his therapy sessions but one night puts everything into question, including his relationship with the woman he's loved all his life. Don't miss Engage, part five of the Disarm series!

Tropic of Cancer (Harper Perennial Modern Classics) Simon and Schuster Henry's family takes in a stray cat, the ugliest cat they have ever seen, and an

amazing relationship blossoms between it and their big dog Mudge.

Mirages New Directions Publishing Letters written to his childhood friend and chief mentor, commercial artist Emil Schnelllock, from 1922 through 1934 demonstrate Miller's growth as a writer and the development of his earthy yet philosophical style

House of Incest Mitchell Beazley

From the New York Times bestselling author of *The Bookshop at Water's End*, here is a lush, heart-wrenching novel about the power of memory, the meaning of family, and learning to forgive. Ten years ago, Lena Donohue experienced a wedding-day betrayal so painful that she fled the small town of Watersend, South Carolina, and reinvented herself in New York City. Though now a freelance travel writer, the one place she rarely goes is home—until she learns of her dad's failing health. Returning to Watersend means seeing the sister she has avoided for a decade and the brother who runs the family's Irish pub and has borne the burden of his sisters' rift. While Alzheimer's slowly steals their father's memories, the siblings rush to preserve his life in stories and in photographs. As his secret past brings Lena's own childhood into focus, it sends her on a journey to discover the true meaning of home.

Book Lovers Createspace Independent Publishing Platform

In this unique work, Henry Miller gives an utterly candid and self-revealing account of the reading he did during his formative years.

What Doncha Know? about Henry Miller New Directions Publishing

In this culinary exploration of the Mediterranean, Middle East, and North Africa, Diana Henry has gathered together dishes that combine exotic flavours in ways long forgotten - or never discovered - in many Western kitchens. Colourful, aromatic and perfumed ingredients, from leathery pomegranates, with their insides bursting with ruby seeds, to flower-waters that allow you to drink in the scent of a garden, combine to bring an intoxicating whiff of the exotic to your table and pleasure to your kitchen. The core ingredients of these cuisines are increasingly available so dishes such as Chermoula-marinated Tuna, Fennel, Pomegranate and Feta Salad, and Lavender, Orange and Almond Cake are both delicious and accessible to cook.

Daisy Miller Sky Blue Press

Contains some of Miller's shorter prose writings, taken from the Paris books *Black Spring* (1936) and *Max and the White*

Phagocytes (1938).

[Henry and Mudge and the Happy Cat](#) New Directions Publishing

Fiery Ramona Quimby and the well-meaning Henry Huggins may clash, but in this delightful and hilarious novel by Newbery Medal-winning author Beverly Cleary, it's an unlikely compromise that wins the day. Henry and his friends are building a no-girls-allowed clubhouse. With a private space of their own, and a top-secret password required for entry, the boys are relieved to finally have a hang-out spot they don't have to share. But Henry's about to find out that nothing—not even a sign—will keep gutsy Ramona out of their clubhouse...and her retaliation may just ruin Henry's newspaper career. Don't miss the beloved classic Henry Huggins books from Beverly Cleary. These are truly timeless classics that stand the test of time and still leave readers 7-13 smiling.

The Diary of Anais Nin, 1944-1947 Harper Collins

The renowned diarist continues the story begun in *Henry and June* and *Incest*.

Drawing from the author's original, uncensored journals, *Fire* follows Anais Nin's journey as she attempts to liberate herself sexually, artistically, and emotionally. While referring to her relationships with psychoanalyst Otto Rank and author Henry Miller, as well as a new lover, the Peruvian Gonzalo Moré, she also reveals that her most passionate and enduring affair is with writing itself.

Master of the Game St. Martin's Griffin Banned in America for almost thirty years because of its explicit sexual content, this companion volume to Miller's *Tropic of Cancer* chronicles his life in 1920s New York City. Famous for its frank portrayal of life in Brooklyn's ethnic neighborhoods and Miller's outrageous sexual exploits, *The Tropic of Capricorn* is now considered a cornerstone of modern literature.

Henry and Ribsy Simon and Schuster Henry, his dog Mudge, and his father enter a snowman-building contest at the local

park and win for "most original" against snowcats, snowdogs, and snow aliens. Teacher's Guide.

[Tropic of Capricorn](#) Hal Leonard

Henry Miller was a larger-than-life all-American writer. His work was groundbreaking and breath-taking. But he could also talk. Until the day he died, he had what he called the "gift of the gab." At his own table, laden with the food he loved and surrounded by famous writers, actors, painters, musicians and fans, Henry held forth on every topic imaginable. What he said was rollicking, open, honest, revealing of himself and the fabulous assortment of huge personalities he'd met in his long life, as well as ultimately showing a side of Henry few outside his circle ever saw. In this warm and charming memoir of her years under Miller's Pacific Palisades roof, artist and model Twinka Thiebaud captures his table talk with an unerring ear...as well as penning her own intimate impressions of one of America's greatest writers.
