A Town, a Team, and a Dream Simon and Schuster

In the wake of controversies over printing or displaying images of the Prophet Muhammad, Christiane Gruber's aim is to bring back into scholarly and public discussion the 'lost' history of imagining the Prophet in Islamic cultures. By studying the various verbal and visual constructions of the Prophet's character and persona over the course of more than one thousand years, Gruber seeks to correct public misconceptions and restore to Islam its rich artistic heritage, illuminating the critical role Muhammad has played in Muslim constructions of self and community at different times and in various cultural contexts. The Praiseworthy One is an exploration of the Prophet Muhammad's significance in Muslim life and thought from the beginning of Islam to today. It pays particular attention to procedures of narration, veneration, and sacralization. Gruber stresses that a fruitful approach to extant textual and visual materials is one that emphasizes the harnessing of Muhammad's persona as a larger metaphor to explain both past and present historical events, to build and delineate a sense of community, and to help individuals conceive of and communicate with the realm of the sacred. The Praiseworthy One shows that Muhammad has served as a polyvalent symbol rather than a historical figure with fixed significance.

Luciano Pavarotti's longtime manager and friend tells all. All. The King and I is the story of the thirty-six-year-old business relationship between Luciano Pavarotti and his manager, Herbert Breslin, during which Breslin guided what he calls, justifiably, "the greatest career in classical music." During that career, Breslin moved Pavarotti out of the opera house and onto the concert (and the world) stage and into the arms of a huge mass public. How he and Pavarotti changed the landscape of opera is one of the most significant and entertaining stories in the history of classical music, and Herbert Breslin relates the tale in a brash, candid, witty fashion that is often biting frank and profane. He also provides a portrait of his friend and client—"a beautiful, simple, lovely guy who turned into a very determined, aggressive, and somewhat unhappy superstar"—that is by turns affectionate and satirical and full of hilarious details and tales out of school, with Pavarotti emerging as something like the ultimate Italian male. The book is also enlivened by the voices of other players in the soap opera drama that was Pavarotti's career, and they are no less uncensored than Herbert Breslin. The last word, in fact, comes from none other than Luciano Pavarotti himself! The King and I is the ultimate backstage book about the greatest opera star of the past century—and it's a delight to read as well.

A Michael L. Printz Honor Book * An ALA Best Book for Young Adults * A YALSA Teens' Top Ten Book * An NYPL Book for the Teen Age Carolyn Mackler's Printz Honor book--starring the unforgettably funny, body-conscious Virginia Shreves--returns in this 15th anniversary edition featuring text updates and never-before-seen material from the author. Fifteen-year-old Virginia feels like a plus-sized black sheep in her family, especially next to her perfect big brother Byron. Not to mention her best friend has moved, leaving Virginia to navigate an awkward relationship with a boy alone. He might like her now . . . but she has her doubts about how he'll react if he ever looks under all her layers of clothes. In order to survive, Virginia decides to follow a "Fat Girl Code of Conduct," which works, until the unthinkable causes her family's façade to crumble. As her world spins out of orbit, she realizes that being true to herself might be the only way back. Told in a perfect blend of humor and heart, this acclaimed Printz Honor winner resonates as much today as it did when it first published, and now features a new author foreword, text updates, and other bonus content.

Nicholas Kenyon explores the enduring appeal of the classical canon at a moment when we can access all music—across time and cultures Immersed in music for much of his life as writer, broadcaster and concert presenter, former director of the BBC Proms, Nicholas Kenyon has long championed an astonishingly wide range of composers and performers. Now, as we think about culture in fresh ways, Kenyon revisits the stories that make up the classical tradition and foregrounds those which are too often overlooked. This inclusive, knowledgeable, and enthusiastic guide highlights the achievements of the women and men, amateurs and professionals, who bring music to life. Taking us from pianist Myra Hess's performance in London during the Blitz, to John Adams's composition of a piece for mourners after New York's 9/11 attacks, to Italian opera singers singing from their balconies amidst the 2020 pandemic, Kenyon shows that no matter how great the crisis, music has the power to bring us together. His personal, celebratory account transforms our understanding of how classical music is made—and shows us why it is more relevant than ever.

A New York Times Book Review Editors' Choice. The Sunday Times (U.K.) Classical Music Book of 2018 and one of The Economist's Best Books of 2018. "A magisterial portrait." --Corinna da Fonseca-Wollheim, The New York Times Book Review A landmark biography of the Polish composer by a leading authority on Chopin and his time Based on ten years of research and a vast cache of primary sources located in archives in Warsaw, Paris, London, New York, and Washington, D.C., Alan Walker's monumental Fryderyk Chopin: A Life and Times is the most comprehensive biography of the great Polish composer to appear in English in more than a century. Walker's work is a corrective biography, intended to dispel the many myths and legends that continue to surround Chopin. Fryderyk Chopin is an intimate look into a dramatic life; of particular focus are Chopin's childhood and youth in Poland, which are brought into line with the latest scholarly findings, and Chopin's romantic life with George Sand, with whom he lived for nine years. Comprehensive and engaging, and written in highly readable prose, the biography wears its scholarship lightly: this is a book suited as much for the professional pianist as it is for the casual music lover. Just as he did in his definitive biography of Liszt, Walker illuminates Chopin and his music with unprecedented clarity in this magisterial biography, bringing to life one of the nineteenth century's most confounding, beloved, and legendary artists.

Tom Stoppard's stimulating, funny play *Night and Day* is set in a fictional African country, Kambawe, which is ruled by a leader not unlike Idi Amin. The nation is faced with a Soviet-backed revolution which quickly brings newsmen from around the world to cover the story. Using the characters Ruth; her husband, Geoffrey Carson, a mine owner; an Australian veteran reporter, Dick Wagner; and an idealistic young journalist, Jacob Milne, Stoppard pits the ideal of a Free Press against that of working-class solidarity. During the course of the play, each character is given an opportunity to make his case heard as the revolution unfolds. More traditional in style than most of Stoppard's oeuvre, *Night and Day* is a provocative and funny look at exploitation and corruption, journalistic ethics, freedom of the press, and marital infidelity.

"Reading Lee Smith ranks among the great pleasures of American fiction . . . Gives evidence again of the grace and insight that distinguish her work."

—Robert Stone, author of *Death of the Black-Haired Girl* It's 1936 when orphaned thirteen-year-old Evalina Toussaint is admitted to Highland Hospital, a mental institution in Asheville, North Carolina, known for its innovative treatments for nervous disorders and addictions. Taken under the wing of the hospital's most notable patient, Zelda Fitzgerald, Evalina witnesses cascading events that lead up to the tragic fire of 1948 that killed nine women in a locked ward, Zelda among them. Author Lee Smith has created, through a seamless blending of fiction and fact, a mesmerizing novel about a world apart--in which art and madness are luminously intertwined.

What to Wear, Where Orion

Musicians of Asian descent enjoy unprecedented prominence in concert halls, conservatories, and classical music performance competitions. In the first book on the subject, Mari Yoshihara looks into the reasons for this phenomenon, starting with her own experience of learning to play piano in Japan at the age of three. Yoshihara shows how a confluence of culture, politics and commerce after the war made classical music a staple in middle-class households, established Yamaha as the world's largest producer of pianos and gave the Suzuki method of music training an international clientele. Soon, talented musicians from Japan, China and South Korea were flocking to the United States to study and establish careers, and Asian American families were enrolling toddlers in music classes. Against this historical backdrop, Yoshihara interviews Asian and Asian American musicians, such as Cho-Liang Lin, Margaret Leng Tan, Kent Nagano, who have taken various routes into classical music careers. They offer their views about the connections of race and culture and discuss whether the music is really as universal as many claim it to be. Their personal histories and Yoshihara's observations present a snapshot of today's dynamic and revived classical music scene.

You'll learn that Edward Elgar dabbled with explosives; that John Cage was obsessed with fungus; that Berlioz plotted murder; and that Giacomo Puccini stole his church's organ pipes and sold them as scrap metal so he could buy cigarettes. This is one music history lesson you'll never forget!

Great Conductors in Pursuit of Power Bantam

From the acclaimed composer and biographer Jan Swafford comes the definitive biography of one of the most lauded musical geniuses in history, Wolfgang Amadeus Mozart. At the earliest ages it was apparent that Wolfgang Mozart's singular imagination was at work in every direction. He hated to be bored and hated to be idle, and through his life he responded to these threats with a repertoire of antidotes mental and physical. Whether in his rabidly obscene mode or not, Mozart was always hilarious. He went at every piece of his life, and perhaps most notably his social life, with tremendous gusto. His circle of friends and patrons was wide, encompassing anyone who appealed to his boundless appetites for music and all things pleasurable and fun. Mozart was known to be an inexplicable force of nature who could rise from a luminous improvisation at the keyboard to a leap over the furniture. He was forever drumming on things, tapping his feet, jabbering away, but who could grasp your hand and look at you with a profound, searching, and melancholy look in his blue eyes. Even in company there was often an air about Mozart of being not quite there. It was as if he lived onstage and off simultaneously, a character in life's tragicomedy but also outside of it watching, studying, gathering material for the fabric of his art. Like Jan Swafford's biographies Beethoven and Johannes Brahms, Mozart is the complete exhumation of a genius in his life and ours: a man who would enrich the world with his talent for centuries to come and who would immeasurably shape classical music. As Swafford reveals, it's nearly impossible to understand classical music's origins and indeed its evolutions, as well as the Baroque period, without studying the man himself.

Alfred Brendel, one of the greatest pianists of our time, is renowned for his masterly interpretations of Haydn, Mozart, Beethoven, Schubert and Liszt, and has been credited with rescuing from oblivion the piano music of Schubert's last years. Far from having merely one string to his bow, however, Brendel is also one of the world's most remarkable writers on music - possessed of the rare ability to bring the clarity and originality of expression that characterised his performances to the printed page. The definitive collection of his award-winning writings and essays, *Music, Sense and Nonsense* combines all of his work originally published in his two classic books, *Musical Thoughts and Afterthoughts* and *Music Sounded Out*, along with significant new material on a lifetime of recording, performance habits and reflections on life and art. As well as providing stimulating reading, this new edition provides a unique insight into the exceptional mind of one of the outstanding musicians of the twentieth and twenty-first centuries. Whether discussing Bach or Beethoven, Schubert or Schoenberg, Brendel's reflections are illuminating and challenging, a treasure for the specialist and the music lover alike.

The Uncensored Tale of Luciano Pavarotti's Rise to Fame by His Manager, Friend and Sometime Adversary Vintage

Andras Schiff is one of the most important pianists of our time. This stimulating account of his life and work, told in two parts, takes readers on an intimate journey from Schiff's childhood in Hungary through to the present day. In conversation with Martin Meyer, Schiff discusses a diverse range of topics from his experiences with anti-Semitism and communist rule to his musical training with maestros such as Pál Kadosa and Ferenc Rados, as well as his thoughts on playing techniques and musical interpretation. In a collection of Schiff's writings we are enthralled by a guided tour of Bach's 'Goldberg' Variations, sobered by Schiff's public defiance against nationalistic and racist attitudes - to the extent that he refused to perform in Haider's Austria or Orban's Hungary - and delighted by the playful 'Ten Commandments' for concertgoers. More than a memoir, this is a seminal compilation of the thoughts and experiences of one of the greatest musicians of our time, of his inimitable art of making music out of silence.

“By turns reflective and dramatic, poignant and hilarious, Sticking It Out offers an irresistible portrait of the artist as a young percussionist” (San Francisco Chronicle). When Patti Niemi was ten years old, all the children in her school music class lined up to choose their instruments. Boy after boy chose drums, and girl after girl chose flute—that is, until it was Patti’s turn. From that point onward, Patti devoted her life to mastering the percussive arts. Cymbals, snare drum, marimba, timpani, chimes: she practiced them all, and in 1983, she entered Juilliard, the most prestigious music conservatory in the world. Set against the backdrop of a rapidly changing New York City in the 1980s, Sticking It Out recounts Patti’s years

mastering her craft and struggling to make it in a cutthroat race to a coveted job in an orchestra. Along the way, she has to compete with friends, face her own crippling anxiety, and confront the delicate, and sometimes perilous, balance of power between teachers and their students. Bringing us inside a world that most of us never get to see, Patti’s vivid memoir is “an eye-opening tale of demanding teachers, grueling practice schedules, severe performance anxiety and bias against ‘girl drummers’—a funny, poignant first-person account of the fierce commitment it takes to succeed in classical music” (San Jose Mercury News). “One of the funniest-ever classical-music books . . . and certainly among the best written.” —The Philadelphia Inquirer “A shattered-mirror insight into the bizarre world of hitting things with sticks.” —Neil Peart, bestselling author, lyricist, and drummer for Rush
