'Subtle, funny and furious' Observer What if a lookalike stranger stole your name, hijacked your biography, and went about the world pretending to be you?

Startlingly, Philip Roth meets a man in Jerusalem called Philip Roth who has been touring Israel - riding high on the author's reputation - preaching a bizarre reverse-exodus of the Jews, encouraging them to return to their ancestral homes in Europe. Roth decides to stop him, even if that means impersonating the impersonator.

Operation Shylock is at once spy story,

political thriller, meditation on identity and unfathomable journey through a volatile, frightening middle-east.

From the bestselling, Pulitzer Prize-winning author of *The Road*, here is the story of Cornelius Suttree, who has forsaken a life of privilege with his prominent family to live in a dilapidated houseboat on the Tennessee River near Knoxville. Remaining on the margins of the outcast community there—a brilliantly imagined collection of eccentrics, criminals, and squatters—he rises above the physical and human squalor with detachment, humor, and dignity.

The Hundred Days (Vol. Book 19)

(Aubrey/Maturin Novels) Canongate Books
 In 1788 Daniel Rooke sets out on a journey that will change the course of his life. As a lieutenant in the First Fleet, he lands on the wild and unknown shores of New South Wales. There he sets up an observatory to chart the stars. But this country will prove far more revelatory than the stars above. Based on real events, *The Lieutenant* tells the unforgettable story of Rooke's connection with an Aboriginal child - a remarkable friendship that resonates across the oceans and the centuries.

A big, panoramic story of the new America, as told by our master chronicler of the way we live now. As a police launch speeds across Miami's Biscayne Bay-with officer Nestor Camacho on board-Tom Wolfe is off and running. Into the feverous landscape of the city, he introduces the Cuban mayor, the black police chief, a wanna-go-muckraking young journalist and his Yale-marinated editor; an Anglo sex-addiction psychiatrist and his Latina nurse by day, loin lock by night-until lately, the love of Nestor's life; a refined, and oh-so-light-skinned young woman from Haiti and her Creole-spouting, black-gang-banger-stylin' little brother; a billionaire porn addict, crack dealers in the 'hoods, "de-skilled" conceptual artists at the Miami Art Basel Fair, "spectators" at the annual Biscayne Bay regatta looking only for that night's orgy, yenta-heavy ex-New Yorkers at an "Active Adult" condo, and a nest of shady Russians. Based on the same sort of detailed, on-scene, high-energy reporting that powered Tom Wolfe's previous bestselling novels, *BACK TO BLOOD* is another brilliant, spot-on, scrupulous, and often hilarious reckoning with our times.

"One of the best novelists since Jane Austen....The Hundred Days may be the best installment yet....I give O'Brian's fans joy of it."—Philadelphia Inquirer Napoleon, escaped from Elba, pursues his enemies across Europe like a vengeful phoenix. If he can corner the British and Prussians before their Russian and Austrian allies arrive, his genius will lead the French armies to triumph at Waterloo. In the Balkans, preparing a thrust northwards into Central Europe to block the Russians and Austrians, a horde of Muslim mercenaries is gathering. They are inclined toward Napoleon because of his conversion to Islam during the Egyptian campaign, but they will not move without a shipment of gold ingots from Sheik Ibn

Hazm which, according to British intelligence, is on its way via camel caravan to the coast of North Africa. It is this gold that Jack Aubrey and Stephen Maturin must at all costs intercept. The fate of Europe hinges on their desperate mission. "The Hundred Days is certain to delight O'Brian's fans, for whom happiness is an unending stream of Aubrey/Maturin books....[It] is a fine novel that stands proudly on the shelf with the others."—Los Angeles Times

This extraordinary book is borne of loss: the loss of love, of certainty and assuredness, of knowing where we are or who we are, of beauty and youth, of health, of life itself, of privacy, and of roles and of knowing. When someone or something we love leaves us, we suddenly walk alone into new territory without them. We become strangers in new lands, places where the landscape is unalterably changed, where the center of gravity has somehow faltered and become weak, making us feel as if we might fall off the surface of the earth. Sometimes, that moment of loss defines the rest of our lives, becoming a center to our compass forever. This unique book is a guidebook, an atlas of those experiences of loss and grief, a map for living through and into change and impermanence, to moving on anew. You are the navigator through the three main sections: Embrace what is: walk into your new landscape Honor what was: be grateful for your old landscape Love what will be: live into your future landscape Illustrated throughout with art submitted from around the world, this book is an atlas of experience, utilizing map imagery and the richly metaphoric, evocative, and functional language of geography to help you place yourself on your own journey, to find your way through helpful exercises and an empathetic, expert guide.

A new trade paperback edition of "a masterpiece of symbolically charged realism....Fowles is the only writer in English who has the power, range, knowledge, and wisdom of a Tolstoy or James" (John Gardner, Saturday Review). The eponymous hero of John Fowles's largest and richest novel is an English playwright turned Hollywood screenwriter who has begun to question his own values. Summoned home to England to visit an ailing friend, Daniel Martin finds himself back in the company of people who once

knew him well, forced to confront his buried past, and propelled toward a journey of self-discovery through which he ultimately creates for himself a more satisfying existence. A brilliantly imagined novel infused with a profound understanding of human nature, Daniel Martin is John Fowles at the height of his literary powers.

He mounted his assault rifle to his shoulder and fired a three-shot burst into the thorn bush. The man who had been lying behind it leaped to his feet. He was turbaned and cloaked with his AK-47 slung over his shoulder and a small black box in his hand, from which dangled the thin red insulated cable. 'Bomb!' Hector screamed. 'Heads down!' Some debts can only be paid in blood . . . When Hazel Bannock, billionaire oil tycoon, discovers her daughter has been kidnapped by Al Qaeda pirates just off the coast of Somalia, she uses all the power at her disposal to rescue her daughter - but politics and diplomacy fail her at every turn. Her only hope is her ex-military head of security, Hector Cross, an expert in surveillance, infiltration and combat. For all Hazel's connections and wealth, Cross is the one man who is offering to find her daughter. Hazel and Cross must work together to bring Cayla home, but neither of them realise that the kidnappers are not merely interested in ransom - what they have planned is far, far worse . . . NEW YORK TIMES BESTSELLER • Maya Angelou shares her path to living well and with meaning in this absorbing book of personal essays. Dedicated to the daughter she never had but sees all around her, *Letter to My Daughter* transcends genres and categories: guidebook, memoir, poetry, and pure delight. Here in short spellbinding essays are glimpses of the tumultuous life that led Angelou to an exalted place in American letters and taught her lessons in compassion and fortitude: how she was brought up by her indomitable grandmother in segregated Arkansas, taken in at thirteen by her more worldly and less religious mother, and grew to be an awkward, six-foot-tall teenager whose first experience of loveless sex paradoxically left her with her greatest

gift, a son. Whether she is recalling such lost friends as Coretta Scott King and Ossie Davis, extolling honesty, decrying vulgarity, explaining why becoming a Christian is a “lifelong endeavor,” or simply singing the praises of a meal of red rice—Maya Angelou writes from the heart to millions of women she considers her extended family. Like the rest of her remarkable work, *Letter to My Daughter* entertains and teaches; it is a book to cherish, savor, re-read, and share. “I gave birth to one child, a son, but I have thousands of daughters. You are Black and White, Jewish and Muslim, Asian, Spanish speaking, Native Americans and Aleut. You are fat and thin and pretty and plain, gay and straight, educated and unlettered, and I am speaking to you all. Here is my offering to you.”—from *Letter to My Daughter*

Sacred Games Rowman & Littlefield

The Booker shortlisted novel that “restored the historical novel to its rightful place of honor” (New York Times). Robert Merivel, son of a glove maker and an aspiring physician, finds his fortunes transformed when he is given a position at the court of King Charles II. Merivel slips easily into a life of luxury and idleness, enthusiastically enjoying the women and wine of the vibrant Restoration age. But when he’s called on to serve the king in an unusual role, he transgresses the one law that he is forbidden to break and is brutally cast out from his newfound paradise. Thus begins Merivel’s journey to self-knowledge, which will take him down into the lowest depths of seventeenth-century society.

Four-Word Self-Help is a pithy nod to the fact that life is simpler than we try to make it. Author Patti Digh gives truisms for most of our woes in four well-chosen words, taking the issues of our busy, burdened days and proving that rather than “solving” a complexity with another complexity, the answer may well lie in simple actions. Twelve hot-button “issues” are addressed: Community, Love, Stress, Travel, Soul, Wellness, Success, Green, Activism, Children, Generosity, and Endings. Each concise nugget of advice, 101 in all, has been illustrated with sumptuous original art from around the world by readers of the author’s blog, 37days.com.

An enormously satisfying, exciting and enriching book, Vikram Chandra's novel draws the reader deep into the lives of detective Sartaj Singh and Ganesh Gaitonde, the most wanted gangster in India. Sartaj, the only Sikh inspector in the whole of Mumbai, is used to being identified by his turban, beard and the sharp cut of his trousers. But 'the silky Sikh' is now past forty, his marriage is over and his career prospects are on the slide. When Sartaj gets an anonymous tip off as to the secret hideout of the legendary boss of the G-company, he's determined that he'll be the one to collect the prize. This is a sprawling, epic novel of friendships and betrayals, of terrible violence, of an astonishing modern city and its underworld. Drawing on the best of Victorian fiction, mystery novels, Bollywood movies and Vikram Chandra's years of first hand research on the streets of Mumbai, this novel reads like a potboiling page-turner but resonates with

the intelligence and emotional depth of the best of literature.

Origin Harper Collins

In this revolutionary book, a renowned computer scientist explains the importance of teaching children the basics of computing and how it can prepare them to succeed in the ever-evolving tech world. Computers have completely changed the way we teach children. We have Mindstorms to thank for that. In this book, pioneering computer scientist Seymour Papert uses the invention of LOGO, the first child-friendly programming language, to make the case for the value of teaching children with computers. Papert argues that children are more than capable of mastering computers, and that teaching computational processes like debugging in the classroom can change the way we learn everything else. He also shows that schools saturated with technology can actually improve socialization and interaction among students and between students and teachers. Technology changes every day, but the basic ways that computers can help us learn remain. For thousands of teachers and parents who have sought creative ways to help children learn with computers, Mindstorms is their bible.
