 Customs Law of the European Union - 4th edition | Wolters ...
 The European Union is a political and economic union of 28 member states that are located primarily in Europe. Its members have a combined area of 4,475,757 km² and an estimated total population of about 513 million. The EU has developed an internal single market through a standardised system of laws that apply in all member states in those matters, and only those matters, where members have agreed to act as one. EU policies aim to ensure the free movement of people, goods, services and capital.
