[Poor Little Bitch Girl](#) Turner Publishing Company

An edgy yet accessible "bad bitch" guide to life, love, and success from Amber Rose, renowned model, entrepreneur, and pop culture personality. Bad Bitch (n.): A self-respecting, strong female who has everything together. This consists of body, mind, finances, and attitude; a woman who gets her way by any means necessary. Amber Rose didn't let her early years in the tough neighborhood of South Philly keep her from achieving her star-studded goals. From the sets of music videos, to high fashion runways and magazines, to life at home with her beautiful son, Amber doesn't hesitate to command her personal stage with confidence, edge, attitude, and her own form of grace. For the first time, this renowned model, actress, socialite, pop culture maven, and self-proclaimed "bad bitch" is sharing her secrets on how to lead a powerful life in this edgy yet accessible guide to life, love, and success. With unparalleled candor, "Muva" pulls back the curtain on her rollercoaster of a journey from a young trailblazer to a worldwide phenomenon—and it's this evolution that has influenced her intoxicating, authoritative outlook on life and love. Filled with expert advice and personal anecdotes, How to Be a Bad Bitch covers finances, career, love, beauty, and fashion while emphasizing confidence, positive self-acceptance, and authenticity. Above all, Amber delivers a message to all women in this fiercely fearless guide: work hard, love yourself, embrace your femininity and sexuality, and most importantly, chase the best vision of you possible.

Hollywood's hottest mess gets a shot at redemption—and a chance to star alongside Tinseltown's most sought-after silver fox. But when their on-screen acting becomes a scorching-hot, forbidden offscreen romance, she discovers he's hiding a dark secret behind his carefully crafted public image. All the dirty details of former child star Carly Klein's fall from Hollywood grace were tabloid news...and they only knew about half of it. But now she's sober and grasping at the last chance to revive her flatlined career. Devon Hayes is Hollywood royalty. Branded the sexiest man alive, granted his first shot at producing, he's living a life most only dream of. But his offscreen reality is more like a nightmare and makes the twisted tales in his movie plots look tame. When Carly and Devon are cast opposite each other, Carly is pretty sure Devon is an asshole. Devon is certain Carly is a spoiled brat. But with chemistry that would make a nun lust like a schoolgirl, these two are DTF. Classic. As their broken parts begin to pull them together, on-screen love turns...could it be? Into the real thing. Faced with the prying paparazzi, vindictive agents and career-ending secrets, Devon and Carly have already sacrificed their souls for fame. Living a lie in public is a small price to pay for ecstasy in private...for now. Part One of Two. The story continues in Total Trainwreck. Don't miss it!

### **Ms. Bitch: Finding happiness is the best revenge.** Bloomsbury Publishing

New York Times bestselling author Nicole Lapin is back with a sassy and actionable guide empowering women to be the boss of their lives and their careers. You don't need dozens of employees to be a boss, says financial expert and serial entrepreneur Nicole Lapin. Hell, you don't even need one. You just need to find your inner Boss Bitch — your most confident, savvy, ambitious self — and own it. A Boss Bitch is the she-ro of her own story. She is someone who takes charge of her future and embraces being a "boss" in all aspects of the word: whether as the boss of her own life, family and career, the literal boss at work, or, as the boss of her own company. Whichever she chooses (or all three), a Boss Bitch is someone who gets out there and makes her success happen — and so can you. Lapin draws on raw and often hilariously real stories from her own career — the good, the bad, and the ugly — to show what it means to be a "boss" in twelve easy steps. In her refreshingly accessible and relatable style, she first shows how to embrace the "boss of you" mentality by seizing the power that comes from believing in yourself and expanding your skillset. Then she offers candid no-nonsense advice for how to kill it at as the "boss at work" whether you have a high-up role or not. And finally, for those who want to take the plunge as an entrepreneur, she lays out the nuts and bolts of how to be the "boss of your own business" from raising money and getting it off the ground to hiring a kickass staff and dealing office drama to turning a profit. Being a badass in your career is something that should be worn as a badge of honor, says Lapin. Here, she inspires us to rise to the occasion and celebrate our successes — and then keep killing it like the Boss Bitches we are!

### **Make Life Your Bitch! a Gratitude Journal for Bad Ass Women** Harper Collins

The Most Infamous Studio Session Ever Documented In the summer of 2002, I began to chronicle my Daily events on a Major Label recording session with a bidding-war band, an infamous producer, and a seemingly limitless budget. Every night, after a long session with these crazy characters, I posted up the day's events. The results were spectacular. As Metro reporter Gina Arnold put it, "Mixerman is supposed to be writing about recording techniques, but somehow, through that prism, he has hit upon a gripping story." That's right, it was even mentioned in random newspapers at the time. When I began posting my story, I had an audience of 200. By week 4 that grew to 25,000. And by the last entry, I was posting to the delight of over 150,000 music business professionals around the world. There were discussion threads all over the internet, debating every decision we made along the way. The story went viral before viral was even really a thing. Most people find them sidesplittingly hilarious. Others find them reprehensible, but that too is rather hilarious. The Daily Adventures are also available as an audiobook, which has been produced like an old radio show, with music, foley, sound fx, and characters performed by some of the most well-known record producers and engineers of all time.

### **Swear Word Coloring Book** Independently Published

Are you tired of the day-to-day drudgery of a job that has become tedious and boring? Are you ready to finally really change your life? Then make an appointment with Andrea Kay, a top career counselor who's on call to help you! No, you don't have to fly to Ohio, where Kay was named Best Career Counselor by Cincinnati Magazine. You can have a one-on-one counseling session with her by picking up a copy of Life's a Bitch and Then You Change Careers. Designed for career changers of every age, the book works like a series of sessions with Kay, as she takes you through the nine steps that will get you out of your funk and on to your future. The process begins with the reader doing some soul-searching to define a career objective that's based on who you are, not what others think you should be. The author then offers a methodical plan for successfully making the shift, addressing every issue from research and training to networking and interviewing to ultimately landing your ideal job. Along the way, you'll find helpful exercises and real-life examples of Kay's clients who have made the transition to a happier working life. Kay's personable writing style, vast knowledge, and years of experience make this life-changing book the next best thing to a trip to her office.

### **Bitch Doctrine** Carina Press

Picking up where Beautiful Bastard left off, Chloe Mills and Bennett Ryan continue their steamy, combative relationship in this new novella. Just when Chloe's career starts to take off, Bennett

wishes it would all slow down long enough to spend a wild night alone with his girlfriend. But after he refuses to take no for an answer, Chloe and Bennett find themselves with two plane tickets, one French Villa, and a surprising conversation that, predictably, leaves them wrestling under the covers.

### **How To Be a Bitch** Mixerman Publishes

Talking about money sucks; but so does being broke. Do your eyes glaze over just thinking about the mumbo-jumbo of finance? Do you break out into hives at the thought of money? Well, sister, you are not alone. In RICH BITCH, money expert and financial journalist Nicole Lapin lays out a 12-Step Plan in which she shares her experiences, mistakes and all, of getting her own finances in order. No lecturing, just help from a friend. And even though money is typically an off-limits conversation, nothing is off-limits here. Lapin rethinks every piece of financial wisdom you've ever heard and puts her own fresh, modern, sassy spin on it. Sure, there are some hard-and-fast rules about finance, but when it comes to your money, the only person who can spend it is you. Should you invest in a 401(k)? Maybe not. Should you splurge on that morning latte? Likely yes. Instead of nickel-and-diming yourself, Nicole's advice focuses on investing in yourself so you don't have to stress over the little things. But in order to do that, you have to be able to speak the language of money. After all, money is a language like anything else, and the sooner you can join the conversation, the sooner you can live the life you want, RICH BITCH rehabs whatever bad habits you might have and provides a plan you can not only sustain, but thrive with. It's time to go after the rich life you deserve, and confident enough to call yourself a RICH BITCH.

### **People of Walmart** Sourcebooks, Inc.

In this blazingly smart and voracious debut novel, an artist turned stay-at-home mom becomes convinced she's turning into a dog. • "A must-read for anyone who can't get enough of the ever-blurring line between the psychological and supernatural that Yellowjackets exemplifies." —Vulture One day, the mother was a mother, but then one night, she was quite suddenly something else... An ambitious mother puts her art career on hold to stay at home with her newborn son, but the experience does not match her imagination. Two years later, she steps into the bathroom for a break from her toddler's demands, only to discover a dense patch of hair on the back of her neck. In the mirror, her canines suddenly look sharper than she remembers. Her husband, who travels for work five days a week, casually dismisses her fears from faraway hotel rooms. As the mother's symptoms intensify, and her temptation to give in to her new dog impulses peak, she struggles to keep her alter-canine-identity secret. Seeking a cure at the library, she discovers the mysterious academic tome which becomes her bible, A Field Guide to Magical Women: A Mythical Ethnography, and meets a group of mommies involved in a multilevel-marketing scheme who may also be more than what they seem. An outrageously original novel of ideas about art, power, and womanhood wrapped in a satirical fairy tale, Nightbitch will make you want to howl in laughter and recognition. And you should. You should howl as much as you want.

### **Beautiful Bitch** Rowman & Littlefield

For every Skinny Bitch, there's a kick-ass man just as eager to take control of his weight and health. The New York Times bestselling authors now share their tips for turning Dad bods into Skinny Bastards. What's good for the bitch is good for the bastard. Hundreds of thousands of women have been inspired to "use their head" and get real about the food they eat after reading the best-selling manifesto Skinny Bitch. But it turns out some men have been reading over their girlfriends' shoulders. Professional athletes such as Milwaukee Brewers' Prince Fielder and the Dallas Mavericks' Jerry Stackhouse have adopted a whole new eating plan because of the book. Now authors Rory Freedman and Kim Barnouin think it's time for the guys to have a book of their own. In Skinny Bastard, they'll explain why the macho "meat and potatoes" diet is total crap, why having a gut is un-cool (and a turn-off), and how to get buff on the right foods. Eating well shouldn't be a "girlie" thing-and the Bitches will whip any man into shape with their straight-talk, sound guidance, and locker room language.

### **Skinny Bitch Book of Vegan Swaps** Running Press Adult

How To Be a Bitch: How Women Who Have It All Actually Have It All Have you been in a situation where you say things like, "I can't bring this painting out this way, it is not good enough," "I would have loved to take the job but I think I am not ready for it," or, "Why should I show an interest when other people can do it far better than me?" If you have, it shows that your confidence is low and it is holding you back, limiting your choices, and finally giving your power to perfectionism-something that we shouldn't do. This book has the tricks that will empower you as a woman. You will learn how to outgrow your career. It is time to know how to balance everything in your life. There are also aspects of how to develop good habits, persevering and ensuring you attain more productivity. No one is born blank. Nature has created several placeholders in us - there is the part of us that yearns for the 'Hows.' How do I look attractive? How do I avoid being rude? How do I compare? How do I win over that guy? And, of course, how do I succeed? To each one of these and several others, we have answers. These answers are not carefully thought-out ones - we just happen to know the answers, thanks to society. Society performs one function - it fills in the various blank spaces in our consciousness with different types of ideas, thoughtful and dogmatic. You really cannot blame yourself for having these ideas - not many of us are born geniuses. The ability to sit down and contemplate our affairs very profoundly and critically is something we learn with considerable effort. But because we lack the determination to carry out this exercise, we simply follow the current of society. Do you think I am wrong? Well, let's see, shall we? Download your E book "How To Be a Bitch: How Women Who Have It All Actually Have It All" by scrolling up and clicking "Buy Now with 1-Click" button!

Discover how to embrace your best basic self in this instant New York Times bestselling, laugh-out-

loud hilarious, and “refreshing to read” (The Cut) guidebook from the breakout star of Bravo’s hit reality show Vanderpump Rules. Millions of Vanderpump Rules viewers and podcast listeners know Stassi Schroeder as a major defender of Basic Bitch rights. There’s nothing more boring than people who take themselves too seriously. Stassi champions the things that many of us are afraid to love publicly for fear of being labeled basic: lattes, pugs, bubbly cocktails, millennial pink, #OOTD (outfit of the day, obvs), astrology, hot dogs, the perfect pair of Louboutins, romantic comedies...the list

goes on and on. “There’s something for everyone under Schroeder’s big basic umbrella” (Elle) and in Next Level Basic, the reality star, podcast queen, and ranch dressing expert gives you hilarious and pointed lessons on how to have fun and celebrate yourself, with exclusive stories from her own life and on the set of Vanderpump Rules. From her very public breakups to her most intimate details about her plastic surgery, Stassi shares her own personal experiences with her trademark honesty—all with the hope you can learn something from them.
