Horizon Media

This volume examines the relationship between language and power across cultural boundaries. It evaluates the vital role of translation in redefining culture and ethnic identity. During the first phase of colonialism, mid-18th to late-19th century, the English-speaking missionaries and East India Company functionaries in South India were impelled to master Tamil, the local language, in order to transact their business. Tamil also comprised ancient classical literary works, especially ethical and moral literature, which were found especially suited to the preferences of Christian missionaries. This interface between English and Tamil acted as a conduit for cultural transmission among different groups. The essays in this volume explore the symbiotic relation between English and Tamil during the late colonial and postcolonial as also the modernist and the postmodernist periods. The book showcases the modernity of contemporary Tamil culture as reflected in its literary and artistic productions — poetry, fiction, short fiction and drama — and outlines the aesthetics, philosophy and methodology of these translations. This volume and its companion (which looks at the period between 1750 to 1900 CE) cover the late colonial and postcolonial era and will be of interest to students, scholars and researchers of translation studies, literature, linguistics, sociology and social anthropology, South Asian studies, colonial and postcolonial studies, literary and critical theory as well as culture studies.

Indian Literature UN

The Rapids of a Great River begins with selections from the earliest known Tamil poetry dating from the second century CE. The writings of the Sangam period laid the foundation for the Tamil poetic tradition, and they continue to underlie and inform the works of Tamil poets even today. The first part of this anthology traverses the Sangam and bhakti periods and closes with pre-modern poems from the nineteenth century. The second part, a compilation of modern and contemporary poetry, opens with the work of the revolutionary poet Subramania Bharati. Breaking free from prescriptions, the new voices—which include Sri Lankan Tamils, women and dalits, among others—address the contemporary reader; the poems, underscored by a sharp rhetorical edge, grapple with the complexities of the modern political and social world. The selection is wide-ranging and the translations admirably echo the music, pace and resonance of the poems. This anthology links the old with the new, cementing the continuity of a richly textured tradition. There is something in the collection for every reader and each will make his or her own connections—at times startling, at other times familiar.

Indian Literary Criticism Orient Blackswan

Anthology of about 400 poems by one hundred modern poets writing in twenty Indian languages including English.

Krishna Krishna Partridge Publishing
Translated from the Tamil by Pritham K. Chakravarthy and Rakesh Khanna. With its mad patchwork of phone sex conversations, nightmarish torture scenes, tender love poems, numerology, mythology, and compulsive name-

dropping of Latin American intellectuals, Charu Nivedita's novel ZERO DEGREE stands out as a groundbreaking work of Tamil transgressive fiction that unflinchingly probes the deepest psychic wounds of humanity. "Hide it in the deep recesses of your clothes cupboard or in the general chaos of your office desk, if you must, but read it"--Asha S. Menon, New Sunday Express.

Children, Women, Men Penguin UK

This book comes a simple and beautiful love story that will touch your heart and inspire you to chase your dreams.

Half Girlfriend Heinemann Educational Publishers

As he negotiates friendships with Tamils like himself, Muslims, Anglo-Indians and girls, and struggles to make sense of peaceful Hyderabad's violent accession to the Indian Union, the horrors wreaked by the Nizam's Razakars, the communal riots, and World War II.

Tigerclaw Tree Penguin Random House India Private Limited

Indian sub-continental writers of English fiction have always been confronted with onerous choices. Inheritors of literary tradition riddled with regional and linguistic finitude, the mere choice of a proper name hopelessly parochialize their stories. Many critics wonder why such writers did not write in their regional languages, the answer to which is that that would invite self-exile from the common market of world literature. Translations, even the best of them, remain surrogate. It is, therefore, all the more satisfying that during the recent decades, writers born on the subcontinent like Salman Rushdie, Hanif Kureishi, Vikram Seth, Amitav Ghosh and others have leaped into mainstream English fiction and elicited critical acclaim. Indian writers in English, despite being largely confined to a small,

typical Indian backwater ~perhaps because of it ~ have attracted a good deal of attention here and abroad. They have brought to Indian literature a style and feel, a conviction and maturity all its own. We have started feeling like heading for a modern reconstituted Indian sensibility. But, after a long gap of Rabindranath Tagore's success, we may ask ourselves as to why Indians cannot write great literature. Perhaps, Matthew Arnold's phrase "lack of epochal significance" applies to the literary works emerging from our soil. Can we claim honestly that we have produced a single author who could match the great masters of Western literature? A Flaubert? A Faulkner? Joyce? A Tolstoy?

Structured As A Biography Of A Fictional Malayalam Writer-It Is At One Level A Critique Of The World Of Tamil Letters And On Another, A Novel Of Ideas Engaged With The Burning Questions Of To Bring And Existence. Represents The Best Of Tamil Writing Even To-Day, More Than 20 Years After Its First Appearance. *Kalki's Parthiban Kanavu* Cambridge University Press

This book is the first of the trilogy, which covers the reign of Narasimha Pallavan. It is about the struggle of the Pallava Emperor in order to enhance the prestige of the Tamil flag. Historic facts are woven around a remarkable narrative, filled with thrill, suspense and romance. The Tamil Nadu Government has made the writings national property.

Authors, Texts, Issues Oxford University Press

This intricately woven narrative is one of the landmark novels of Indian modernism. This ambitious novel, teeming with characters, focuses on the

family of Srinivasa Aiyar or SRS, who moves from his ancestral house in Alapuzhai in Kerala, to the more modern Kottayam, before returning to his wife Lakshmi's home in Nagercoil in Tamil Nadu. Set in the late 1930s and reflecting the political and social turmoil of the pre-war years, it chronicles the psychological conflict between SRS and his nine-year-old son, Balu; the moral struggle of a young widow, Anandam, as she considers remarriage; and the political journey of Sridaran, who chooses to break off his studies in England in order to join nationalist activities at home.

Taylor & Francis

Literary criticism produced by Indian scholars from the earliest times to the present age is represented in this book.

These include Bharatamuni, Tholkappiyar, Anandavardhana, Abhinavagupta, Jnaneshwara, Amir Khusrau, Mirza Ghalib, Rabindranath Tagore, Sri Aurobindo, B.S. Mardhekar, Ananda Coomaraswamy, and A.K. Ramanujam and Sudhir Kakar among others. Their statements have been translated into English by specialists from Sanskrit, Persian and other languages.

Tamil Characters Rupa Publications India

"The Oxford Handbook of Modern Indian Literatures is a compilation of scholarship on Indian literature from the 19th century to the present in a range of Indian languages. On one hand, because of reasons associated with national academic structures, publishing resources, and global visibility, English writing gets privileged over all the other linguistic traditions in the scholarship on Indian literatures. On the other hand, within the scholarship on regional

language literary productions (in Hindi, Marathi, Bengali, etc.), the critical works and the surveys focus only on that particular language and therefore frequently suffer from a lack of comparative breadth and/or global access. Both reflect the paradigm of monolingualism within which much literary scholarship on Indian literature takes place. This handbook instead focuses on the multilingual pathways through which modern Indian literature gets constituted. It features cutting-edge literary criticism from at least seventeen languages, and on traditional literary genres as well as more recent ones like graphic novels. It shows the deep connections and collaborations across genres, languages, nations, and regions that produce a literature of diverse contact zones, generating innovations on form, aesthetics, and technique.

Foregrounding themes such as modernity and modernism, gender, caste, diaspora, and political resistance, the book collects an array of perspectives on this vast topic"--

Scavenger's Son RoseDog Books

Cutting-edge science and spirituality tell us that what we believe, think and feel actually determine the makeup of our body at the cellular level. In Zen and the Art of Happiness, you will learn how to think and feel so that what you think and feel creates happiness and vibrancy in your life rather than gloominess or depression. You'll learn how to adapt to life's inevitable changes, how to deal with stress in a healthy way and how to nurture a mindful happiness in your daily life. Most importantly, the gentle wisdom of Zen and the Art of Happiness will show you how to invite magnificent experiences into your life and create a personal philosophy that will sustain you through anything. A timeless work about

the art of happiness, the way of happiness, the inner game of happiness. *Language, Culture and Power Solos* "Published in association with New Horizon Media, Chennai"--Title page verso.

J.J., Some Jottings Penguin UK
The Tigerclaw Tree follows the shifting fortunes of four generations of a Tenklai lyengar family, as each member confronts his or her own role in their family legacy of idealism, political involvement and , ultimately, betrayal.

The Eighteenth Parallel Orient Blackswan

A superb collection of stories from a modern Indian master! One of the most versatile and innovative among contemporary Tamil writers, Sundara Ramaswamy's early stories, written between 1951 and 1966, focus on ordinary people leading ordinary lives and are full of gems by way of characterization: the policeman and the priest of the Nadi Krishna temple in 'Prasadam', and Varadan and Joswyn in 'True Love' remain unforgettable, in spite of their pedestrian lives. Written in the 1970s, clouded by the aftermath of the Bangladesh war and the Emergency, in the later stories—'Intoxication', 'Waves'—the plots turn darker and more complex. Surprising us with their twists and turns, raising uncomfortable questions, and yet touched by a fine sense of humour and humanity, the stories in this collection belong with the best in the genre.

Indian Literature and the World

MacMillan India

Beginning with Timur, Sultan Ghazni who invaded India seventeen times at the head of a large army, plundering the country of its great wealth, to the last Mughal Emperor Bahadur Shah, banished from the country by the British

- details and descriptions of every incident and each king astonish and exhilarate us. The approach is direct, simple and unambiguous. From Timur to Bahadur Shah it is one engaging account. The book should find a place in every household, as an authentic account of ourselves. A flawless portrait. -THE HINDU Madhan while explaining historical events uses modern similes... In spite of being a cartoonist in his previous avatar Madhan did not caricature the Moghul Emperors and their subjects. I am so pleased he did not sit on judgement as a south Indian non-Muslim writer. -KAMAL HAASAN

The Wreck Springer

Indira Parthasarathy calls Krishna a metaphor that fulfils all the dark and lurking desires in our deep Unconscious and represents the collective vision of the community as a whole. In his view Krishna cannot be judged by the moral yardstick set for others. Krishna's magical charm has always appealed to people of all generations. People from different lifestyles have interpreted his ideologies based on their values. He exists in the imagination of the Indian people as the fountainhead of eternal energy, pranks and wisdom. His godfather-like relationship with the Pandavas, his political strategies and his solutions to various problems continue to impress us even in the twenty-first century. Narada, the narrator of the novel, begins the story with Jara the hunter shooting an arrow at Krishna's feet in the aftermath of the Kurukshetra war. Narada's witticisms enhance the spirit of the story. He unfolds to us the life of Krishna as revealed to Jara by Krishna himself. The pranky young Krishna played on the gopikas, his battle with various evil forces, his role in the lives of the

Pandavas and the part he played in the Kurukshetra war all these form interesting episodes in Krishna's life. Indira Parthasarathy's Krishna is more than the the lord's story as told in the Harivamsam, Sri Bhagavatam, Vishnu Purana and the Mahabharata. Here he is the hero, the central figure around whom things happen unlike the Krishna of the epics. The novel gives us the essence of the Krishnavatara, revealing the surpassing love and compassion with which Krishna blesses all living things. The tale is told in a contemporary idiom, sparkling with references to events and personalities across aeons.

The First Promise is a translation of Ashapura Debi's novel, Pratham

Pratisruti, originally published in Bengali in 1964. Celebrated as one of the most popular and path-breaking novels of its time, it has received continual critical acclaim: the Rabindra Puraskar (the Tagore Prize) in 1966 and the Bharatiya Jnanpith, India's highest literary award, in 1977. Spanning the late eighteenth and early twentieth centuries, Ashapura tells the story of the struggles and efforts of women in nineteenth-century, colonial Bengal in a deceptively easy and conversational style. The charming eight-year old heroine, Satyabati is a child bride who leaves her husband's village for Calcutta, the capital of British India where she is caught in the social dynamics of women's education, social reform agendas, modern medicine and urban entertainment. As she makes her way through this complex maze, making sense of the rapidly changing world around her, Satyabati nurtures hopes and aspirations for her daughter. But the promises held out by modernity turn out to be empty, instigating Satyabati to break away from her inherited world and initiate a quest that takes her to the very heart of tradition.
