**Drum Solos and Fill-Ins for the Progressive Drummer, Book 2** Alfred Music

A rock band's struggling lead singer learns to follow the lead of their sexy new drummer in this steamy male/male romance. Twisted Wishes front man Ray Van Zeller is in one hell of a tight spot. After a heated confrontation with his bandmate goes viral, Ray is hit with a PR nightmare the fledgling band so doesn't need. But his problems only multiply when they snag a talented new drummer—in sufferably sexy Xavier Demos, the high school crush Ray barely survived. Xavier's kept a casual eye on Twisted Wishes for years, and lately, he likes what he sees. What he doesn't like is how out of control Ray seems—something Xavier's aching to correct after their first pulse-pounding encounter. If Ray's up for the challenge. Despite the prospect of a glorious sexual encore, Ray is reluctant to trust Xavier with his band—or his heart. And Xavier has always had big dreams; this gig was supposed to be temporary. But touring together has opened their eyes to new passions and new possibilities, making them rethink their

commitments, both to the band and to each other. Praise for Syncopation “The very best thing about Syncopation is the relationships between and among the bandmates. Ray, Dom, Mish, and Zawier love each other in a way that’s messy and sometimes hurtful but is always deep and steadfast. The central relationship between Ray and Zawier is immensely satisfying, but the best love story in Syncopation is among the found family of bandmates.” —Trisha Brown, Book Riot, Best Books of 2018 “Anna Zabo has such a wonderful way with words and Syncopation will leave you with happy tears and a warm heart.” —Wild Heart Reads

**Modern Reading Text in 4/4** Alfred Music Publishing

This book has become a classic in all musicians' libraries for rhythmic analysis and study. Designed to teach syncopation within 4/4 time, the exercises also develop speed and accuracy in sight-reading with uncommon rhythmic figures. A must for all musicians, especially percussionists interested in syncopation.

**Syncopation Etudes for Snare Drum** Alfred Music

Voted second on Modern Drummer's list of 25 Greatest Drum Books in 1993, Progressive Steps to Syncopation for the Modern Drummer is one of the most versatile and practical works ever written for drums. Created exclusively to address syncopation, it has earned its place as a standard tool for teaching beginning drummers syncopation and strengthening reading skills. This book includes many accented eighths, dotted eighths and sixteenths, eighth-note triplets and sixteenth notes for extended solos. In addition, teachers can develop many of their own examples from it.

**Blues Guitar For Dummies** Alfred Music

Presents the essential elements of bop drumming demonstrated through concise exercises and containing ideas to help understand what to play and how to play it and why, as well as an explanation of how the drummer functions in a group.

**Progressive Steps to Syncopation for the Modern Drummer** Alfred Music Publishing

**4-Way Coordination** John Wiley & Sons

Alan Dawson was a legendary drummer and educator, known for his work with the top artists in jazz as well as for his 18-year association with Berklee College of Music. This new text and online audio combination was put together by John Ramsay, a prominent drummer in his own right and a former student of Dawson's. The book contains all the important techniques and concepts that Alan Dawson embraced in his own playing and subsequently taught to his students. The recordings include some remastered audio examples from actual lessons taught by Dawson himself over the years. This is a highly comprehensive textbook from a jazz master.

*The Drummer's Complete Vocabulary as Taught by Alan Dawson* Hal Leonard Corporation

George Lawrence Stone's Stick Control is the original classic, often called the bible of drumming. In 1993, Modern Drummer magazine named it one of the top 25 drumming books of all-time. In the words of the author, this is the ideal book for improving "control, speed, flexibility, touch, rhythm, lightness, delicacy, power, endurance, preciseness of execution, and muscular coordination," with extra attention given to the development of the weak hand. This indispensable book for drummers of all types includes hundreds of basic to advanced rhythms and moves through categories of single-beat combinations, triplets, short roll combinations, flam beats, flam triplets and dotted notes, and short roll progressions.

**The Art of Bop Drumming** Alfred Music

We all can name some of the Africanist aesthetic-structures that fuel African American and American art ... Syncopation, Improvisation, Call and Response, Cool, Polyrhythm, or Innovation as an ambition- But there are many, many more. What Makes That Black? The African-American Aesthetic identifies and defines seventy-four elements of the aesthetic through text and illustration. Using the magnificent camerawork of R.J. Muna, Sharen Bradford, Jae Man Joo, Rachel Neville, James Barry Knox, and more- as they point their cameras at Alonzo King LINES Ballet, Complexions Contemporary Ballet, and jazz artists such as Cécile McLorin Salvant and Wynton Marsalis- a specific artistic consciousness or sensibility visually unfolds. Luana even joins the camera crew as she shoots Oakland Street Graffiti.

**Ultimate Realistic Rock Drum Method** Alfred Music Publishing

The main purpose of the book is to explore basic music theory so thoroughly that the interested student will then be able to easily pick up whatever further theory is wanted. Music history and the physics of sound are included to the extent that they shed light on music theory. The main premise of this course is that a better understanding of where the basics come from will lead to better and faster comprehension of more complex ideas. It also helps to remember, however, that music theory is a bit like grammar.
