**Foundations in Choral Sight-Singing** Alfred Music

A sequential sight-singing curriculum for all choirs. Each of the six units (containing four lessons each) clearly introduces new music reading concepts, reinforces those concepts with several rhythm and pitch exercises, motivates students with helpful hints and challenge exercises, and concludes with fun-filled review games and "Evaluating Your Performance" questions. The helpful "Getting Ready" pages (which precede each unit) are filled with music fundamentals, and for choirs who have never read music before, an optional "Before We Begin" chapter opens

the book. And it's all a neatly laid out publication and a perfect fit for your students. From whole notes to sixteenth-note patterns, seconds to sevenths, key signatures, dynamics, articulations, and tempo markings; it's all here, and it's all logically ordered to insure student success! Spend just a few minutes a day with this book and your choir, too, will learn to "Sing at First Sight!"

 The music is fresh! The lyrics are current and in-tune with today's students! The subject matter is appealing! These accolades have been used to describe the all-new music in Premier Piano Course The music in Performance Book 2B includes a variety of styles including boogie, ragtime, jazz, flamenco, contemporary and more-- sure to bring smiles to the faces of all students. The attractive music, complete

with performance tips, carefully supports the new concepts contained in the corresponding Lesson Book 2B. Each piece on the CD was recorded at a performance tempo and a slower practice tempo. The audio for this book is also available for download here The music from this book is available in the Piano Maestro app that's downloadable here.
