 From the sensuous voice of novelist Brenda Joyce comes Firestorm, the extraordinary second book in the Bragg family saga that has captured the hearts of readers everywhere. Here is the beginning of the Bragg empire-opulent and glamorous-vast, dangerous, and as untamed as the sweeping plains of Texas... Storm Bragg could outshoot and outride any man, but her family decided it was time she traded in her buckskins for a ballgown and made her debut in San Francisco society. Quickly pursued by every eligible gentleman in town, the young hellcat from Texas had eyes for only one, and he was no gentleman. Brett D'Archand was a self-made success -- arrogant, impossibly attractive, blatantly sensual -- and looking for a wife who would give him respectability. Storm was completely bewitched by him, but she made him lose his head as well as his heart. And, threatened by scandal and ruin, they are forced to wed -- a tempestuous union of free spirits, shackled only by the irrepressible bonds of love. Beyond Scandal Stanford University Press

Leaving behind the sheltered life of a French convent, Miranda journeyed to the New World and an arranged marriage to a prosperous Texan rancher. Arriving in America, the innocent European met her fiance's friend Derek Bragg, a rough-hewn Texas Ranger, whose harsh manner and candid comments about her beauty enraged the shy miss. Although Bragg fought to deny his feelings for his charge, he knew that he was falling in love with her. Miranda, too, was struggling with her desire for her escort as they trekked across the treacherous wilderness. Drawn to the lawman--enflamed by his raw masculine virility--will Miranda sacrifice her innocence to the fire blazing out of control in her heart?

Communications, philosophy, film and video, digital culture: media studies straddles an astounding array of fields and disciplines and produces a vocabulary that is in equal parts

rigorous and intuitive. *Critical Terms for Media Studies* defines, and at times, redefines, what this new and hybrid area aims to do, illuminating the key concepts behind its liveliest debates and most dynamic topics. Part of a larger conversation that engages culture, technology, and politics, this exciting collection of essays explores our most critical language for dealing with the qualities and modes of contemporary media. Edited by two outstanding scholars in the field, W. J. T. Mitchell and Mark B. N. Hansen, the volume features works by a team of distinguished contributors. These essays, commissioned expressly for this volume, are organized into three interrelated groups: "Aesthetics" engages with terms that describe sensory experiences and judgments, "Technology" offers entry into a broad array of technological concepts, and "Society" opens up language describing the systems that allow a medium to function. A compelling reference work for the twenty-first century and the media that form our experience within it, *Critical Terms for Media Studies* will engage and deepen any reader's knowledge of one of our most important new fields.

"From the Bible to *The Hate U Give*: a completely updated look at the history of censorship in world literature. Throughout history, nations, peoples, and governments have censored writers and their works on political, religious, sexual, and social grounds. Although the literary merit of the majority of these books has been proven time and time again, censorship efforts are still in place today. From *Animal Farm* to *The Grapes of Wrath*, *The Koran* to *The Talmud*, *Beloved* to the *Harry Potter* series, *The Canterbury Tales* to *Catch-22*, this revised edition examines the many struggles these books faced in order to be read"--

The author examines the evolution of the rape narrative in twentieth-century literature: What accounts for the persistence of the old story of male power and violence, and female passivity and penetrability? How has the story changed over the course of the twentieth century? She investigates the manner in which the violation of the female body serves as a metaphor for a synthesis of masculinity and political economy.

The Social Construction of Gender AmazonCrossing

On the evening of her first masquerade, shy Elizabeth Anne Fitzgerald is stunned by Tyrell de Warne's whispered suggestion of a midnight rendezvous in the gardens. Lizzie has secretly worshipped the unattainable lord for years. When fortune takes a maddening turn, she is prevented from meeting Tyrell, but she cannot foresee that this night is only the beginning.... Tyrell de Warne is shocked when, two years later, Lizzie arrives on his doorstep with a child she claims is his. He remembers her well—and knows that he could not possibly be the father. What is this game she is playing...and why? Is Elizabeth Anne Fitzgerald a woman of experience, or the gentle innocent she seems? But neither scandal nor deception can thwart a love too passionate to be denied....

This ground-breaking text explores the intersection between dominant modes of critical educational theory and the socio-political landscape of American Indian education. Grande asserts that, with few exceptions, the matters of Indigenous people and Indian education have been either largely ignored or

indiscriminately absorbed within critical theories of education. Furthermore, American Indian scholars and educators have largely resisted engagement with critical educational theory, tending to concentrate instead on the production of historical monographs, ethnographic studies, tribally-centered curricula, and site-based research. Such a focus stems from the fact that most American Indian scholars feel compelled to address the socio-economic urgencies of their own communities, against which engagement in abstract theory appears to be a luxury of the academic elite. While the author acknowledges the dire need for practical-community based research, she maintains that the global encroachment on Indigenous lands, resources, cultures and communities points to the equally urgent need to develop transcendent theories of decolonization and to build broad-based coalitions.

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* *The American Yawp* is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. *The Yawp* highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, *The American Yawp* incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of *The American Yawp* will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. *The American Yawp* traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, *The American Yawp* gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

Sean O'Neill was once everything to Eleanor de Warne—but since he disappeared from his ancestral home, there has been no word, and even Eleanor has abandoned hope, promising her hand to another. Then, just days before her wedding, Sean reappears...but the boy who was once her protector is now a stranger, hardened by prison and on the run. Weary and haunted, Sean is shocked to find that little Elle has become the beautiful, desirable Eleanor. Though he refuses to endanger her by pressing his claim, his resolve to stay away is sorely tested by the determination of a woman who will not be forsaken again. And when, in a moment's passion, Sean steals another man's bride, it is Eleanor who has the power to steal his heart...

Your Battles Belong to the Lord Harper Collins

The Conqueror Dell

The American Yawp Dell

The definitive collection of terrifying stories by "one of the greatest writers of the 20th century" (Ray Bradbury), edited by award-winning author Victor LaValle. Among the greats of 20th-century horror and fantasy, few names stand above Richard Matheson. Though known by many for novels like *I Am Legend* and his sixteen *Twilight Zone* episodes, Matheson truly shines in his chilling, masterful short stories. Since his first story appeared in 1950, virtually every major writer of science fiction, horror, and fantasy has fallen under his influence, including Stephen King, Neil Gaiman, Peter Straub, and Joe Hill, as well as filmmakers like Stephen Spielberg and J.J. Abrams. Matheson revolutionized horror by taking it out of Gothic castles and strange cosmos and setting it in the darkened streets and suburbs we recognize as our own. He infused tales of the fantastic and supernatural with dark explorations of human nature, delving deep into the universal dread of feeling alone and threatened in a dangerous world. *The Best of Richard Matheson* brings together his greatest hits as chosen by Victor LaValle, an expert on horror fiction and one of its brightest talents, marking the first major overview of Matheson's legendary career. "[Matheson is] the author who influenced me most as a writer." -Stephen King "Richard Matheson's ironic and iconic imagination created seminal science-fiction stories . . . For me, he is in the same category as Bradbury and Asimov." -Steven Spielberg "He was a giant, and YOU KNOW HIS STORIES, even if you think you don't." -Neil Gaiman For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Wabanakis of Maine and the Maritimes Harper Collins

This book is an analysis of literary texts that question, critique, or subvert anthropocentrism, the notion that the universe and everything in it exists for humans. Bryan Moore examines ancient Greek and Roman texts; medieval to twentieth-century European texts; eighteenth-century French philosophy; early to contemporary American texts and poetry; and science fiction to demonstrate a historical basis for the questioning of anthropocentrism and contemplation of responsible environmental stewardship in the twenty-first century and beyond. *Ecological Literature and the Critique of Anthropocentrism* is essential reading for ecocritics and ecofeminists. It will also be useful for researchers interested in the relationship between science and literature, environmental philosophy, and literature in general.

Scandalous Love Harper Collins

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching

honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

In *The Archive and the Repertoire* preeminent performance studies scholar Diana Taylor provides a new understanding of the vital role of performance in the Americas. From plays to official events to grassroots protests, performance, she argues, must be taken seriously as a means of storing and transmitting knowledge. Taylor reveals how the repertoire of embodied memory—conveyed in gestures, the spoken word, movement, dance, song, and other performances—offers alternative perspectives to those derived from the written archive and is particularly useful to a reconsideration of historical processes of transnational contact. *The Archive and the Repertoire* invites a remapping of the Americas based on traditions of embodied practice. Examining various genres of performance including demonstrations by the children of the disappeared in Argentina, the Peruvian theatre group Yuyachkani, and televised astrological readings by Univision personality Walter Mercado, Taylor explores how the archive and the repertoire work together to make political claims, transmit traumatic memory, and forge a new sense of cultural identity. Through her consideration of performances such as *Coco Fusco and Guillermo Gómez-Peña's* show *Two Undiscovered Amerindians Visit . . .*, Taylor illuminates how scenarios of discovery and conquest haunt the Americas, trapping even those who attempt to dismantle them. Meditating on events like those of September 11, 2001 and media representations of them, she examines both the crucial role of performance in contemporary culture and her own role as witness to and participant in hemispheric dramas. *The Archive and the Repertoire* is a compelling demonstration of the many ways that the study of performance enables a deeper understanding of the past and present, of ourselves and others.

The Triumph of Christianity Checkmark

The Scorching Saga of the Braggs Continues . . . Heiress to the magnificent Bragg empire, lovely, headstrong socialite Lucy Bragg lives a life that flies in the face of convention. Dark and rugged half-breed Shozkay Savage lives an outlaw's life on the edge. These two people inhabit different worlds--hers, opulent and privileged; his, dangerous and wild. But on the vast and sweeping plains of Texas, their worlds collide . . . Abducted and held for ransom, Lucy despises Shoz for his arrogance . . . yet is drawn to the strapping fugitive by a bold, unquenchable desire. Sworn to escape him but betrayed by her own reckless passion, she will follow Shoz from the unforgiving wastland of Death Valley to the tropical heat of revolution-swept Cuba--braving scandal and heartbreak, risking life itself for an untamed and blistering love as perilous as it is forbidden.

THE OLDEST SECRET SOCIETY OF INDIA. THE GREATEST TREASURE IN THE HISTORY OF MANKIND. THE MOST EPIC MYSTERY OF THE ANCIENT WORLD. When the richest man of India confesses to being part of a secret society in a live press conference; chaos ensues. His daughter Aanya Vashishtha takes the help of Aarav Kohrrathi, a brilliant but egoistic treasure hunter and his friend Rehann to solve the mystery of *The Ring of the Seven*, a society of influential men who are tasked to protect

the greatest treasure in history. What starts off as a quest to uncover her father's secret leads them to something bigger which they themselves couldn't have fathomed. They take the help from her father's associate, Shayna Maheshwari, a billionaire banker and someone herself involved with the secret, as they progress towards a treasure hidden somewhere in the Himalayas. They brave bullets, puzzles, deadly chases, cult of assassins, and betrayal as their quest takes them across the length and breadth of South Asia; from the bustling metropolises of Mumbai and Delhi to the ancient temples of Nepal; from the serene beaches of Sri Lanka to the towering mountains of the Himalayas. They try to uncover a set of secret books of lost arts, which are believed to reveal the map of the treasure, and strive to discover the identities of the masters of the Ring of the Seven to solve the penultimate mystery. In a tale of love and loss, logic and emotions, religion and history, action and adventure, and the trial of a few good men against the most powerful organization in the history of mankind. Will they find the secret of the Himalayan treasure?

The March of the Sages Springer

Like a pagan god, Rolfe the Relentless rode into Castle Aelfgar to claim it as his prize--and Lady Alice as his bride. Lauded for his bravery in France, in England he was the hated enemy. Once ensconced in his new domain, Rolfe became determined to tame the Saxon beauty Ceidre, Alice's illegitimate sister, whose spirit and sensuality make him risk treason to have her--not Lady Alice--in his bed... Mysterious and seductive, she was no lady but a spy for the rebel cause of her noble half brothers. Refusing to bow to this arrogant warrior who ignited her forbidden passion, Ceidre was swept into a dangerous liaison tied to the fate of England and kings. Yet with his kisses on her lips, his skillful hands on her body, she would have to struggle not to surrender to... The Conqueror.

The Stolen Bride The Conqueror

In this pathbreaking book, a well-known feminist and sociologist--who is also the Founding Editor of *Gender & Society*--challenges our most basic assumptions about gender. Judith Lorber views gender as wholly a product of socialization subject to human agency, organization, and interpretation. In her new paradigm, gender is an institution comparable to the economy, the family, and religion in its significance and consequences. Drawing on many schools of feminist scholarship and on research from anthropology, history, sociology, social psychology, sociolinguistics, and cultural studies, Lorber explores different paradoxes of gender: --why we speak of only two "opposite sexes" when there is such a variety of sexual behaviors and relationships; --why transvestites, transsexuals, and hermaphrodites do not affect the conceptualization of two genders and two sexes in Western societies; --why most of our cultural images of women are the way men see them and not the way women see themselves; --why all women in modern society are expected to have children and be the primary caretaker; --why domestic work is almost always the sole responsibility of wives, even when they earn more than half the family income; --why there are so few women in positions of authority, when women can be found in substantial numbers in many occupations and professions; --why women have not benefited from major social revolutions. Lorber argues that the whole point of the gender system today is to maintain structured gender inequality--to produce a subordinate class (women) that can be exploited as workers, sexual partners, childbearers, and emotional nurturers. Calling into question the inevitability and necessity of gender, she envisions a society structured for equality, where no gender, racial ethnic, or social class group is allowed to monopolize economic, educational, and cultural resources or the positions of power.
