A Second Language Learner's Journey Personal Development Publishing
 English in Common is a six-level American English integrated-skills course for adult and young adult learners based on CEFR standards and learner outcomes. Finding direction and purpose English in Common 3B motivates learners through Can Do objectives which give direction and purpose, ensuring students know what they are learning, why they are learning it, and how they will be able to use the language outside of the classroom. Engaging learners' interest English in Common 3B engages learners' interest by offering a new twist to familiar topics—topics that reflect students' needs and interests. This ensures that students will always have something to say about the content of the lesson. Developing active learners English in Common 3B encourages active participation in learning by guiding students to use their own knowledge as they observe structures in context to figure out language use and form independently. The English in Common Student Books are divided

into either ten or twelve units and have enough material for approximately 60 to 90 hours of instruction. Each Student Book has a bound-in ActiveBook, which contains a digital Student Book with the entire audio program, Extra Listening practice and activities, and a printable Language Portfolio to help students keep a record of their progress. This is a Split Edition, with combination Student Book and Workbook covering the second half of the level. This version is also available as a blended learning program with MyEnglishLab - an online learning tool for personalized practice, with automatic gradebook. English in Common Level 3 is for Pre-intermediate, and covers competencies in the A2-B1 bands of the CEF.

English in Mind Level 3 Workbook HarperCollins
 New and Updated for 2012-2013 -The increased difficulty will prepare students for California's STAR English Language Arts

test! -The wider range of exercises will challenge students and help students master reading comprehension skills. -The core skills exercises will develop the reading, writing, and language skills described in the Common Core State Standards. About the Book This workbook is designed to develop the skills that students need to succeed on California's STAR English Language Arts test. It offers a simple system for ongoing practice that will help students develop the reading comprehension skills that all California students need. Each set in the workbook includes reading comprehension questions, plus a core skills exercise focused on one key reading, writing, or language skill. The 40 sets in the book allow students to gradually develop the key skills they will need, while building confidence and reducing test anxiety. Students will be prepared and ready for the STAR English Language Arts test! Key Features -40 reading mini-tests to make test preparation simple -Short passages and question sets allow for easy 20-minute practice sessions -Engaging reading passages to make revision fun -Easily integrates with student learning throughout the year -Includes exercises focused on developing the reading, writing, and language skills described in the Common Core State Standards -Includes additional information and teaching notes on the key reading skills that California students need to master About the Common Core Standards The state of California has adopted the Common Core State Standards. These standards describe what students are expected to learn. Student learning is based on these standards throughout the year, and the state test includes questions that assess whether students have the skills described in the standards. This workbook has been expanded to include core skills exercises focused on the reading, writing, and language skills described in the Common Core State Standards. The exercises have a range of formats and are designed to challenge students. As students gain the reading comprehension skills that will assist them on the state test, they will also develop these broader skills that will help them in all areas.
