## CHOI CORINNE

Ooh! What a Lovely Pair Virago

This collection of essays considers the ways in which feminism is still an important issue in twenty-first century society. Looking at various forms of literature, media, and popular culture, the book establishes that contemporary images of femininity are highly contested, complex, and frequently problematic.

Outer Zone Minotaur Books

Ant and Dec met when they were thirteen on the set of Byker Grove in Newcastle. They didn't warm to each other immediately, but soon enough they became best mates and have been inseparable both on and off screen ever since. Bad rap, stunts going wrong, schoolboy pranks and pub antics are just some of the experiences they write about in this wonderfully entertaining memoir. An idiosyncratic collection of vivid observations, colourful reminiscence and charming digressions, Ant and Dec's book is packed with comical anecdotes, and will give millions of fans an insight into the genuine intimacy and refreshing sense of humour that the two TV icons share.

**Works** Robinson

A TIMES BOOK OF THE YEAR 'A completely extraordinary autobiography. One that reads like the most outlandish, beguiling fiction but that is - amazingly - all true' - William Boyd, Sunday Times bestselling author 'Outrageous fun...my goodness there are knee-tremblers galore in this racy memoir' - The Times 'A wonderful journey through 20th Century history. I thoroughly enjoyed it' - Lady Anne Glenconner, author of Lady in Waiting --- For fear of growing up like his stiff-upper-lipped Uncle Dick, Roderic Fenwick Owen (1921-2011) survived Eton, Oxford and the Second World War to become a travel writer, experiencing the varied wonders of the 20th century's people and places in that guise. Frequently finding himself party to crucial historical events (including experiencing Nazi Germany in 1939 and the Pentagon during the Cold War Years), his life featured a stellar cast of characters from Eisenhower and Jackson Pollock to Christopher Lee and Sean Connery. At the heart of Roddy's writing adventures lay his search for love, even if just for the night. He fell head over heels for, and married a Polynesian princess while beachcombing in Tahiti, but when a dazzling trip to 1950s New York opened his eyes to the fact he was more attracted to men than women, he was forced to continue his quest for his soulmate under threat of danger. This was at a time when the police were prosecuting and imprisoning more gay men than ever before, including some of his friends. Lyrical, witty and at times jaw-droppingly unbelievable, Oh, What A Lovely Century is both a highly personal memoir and a marvellous obituary of an ever-changing and now lost world - that was frequently the best of times, and sometimes the worst. --- 'A joy' - The Telegraph 'Entertaining [and] particularly vivid' - Mail on Sunday 'Riotous' - Evening Standard 'Gamey, rollicking and hugely entertaining' - Spectator 'Stuffed to the gills with raucous anecdotes and mesmerising detail ... Fenwick Owen's memoirs are witty and touching but also an important record of how society has changed' - Jessica Fellowes, author of The Mitford Murders

A Delight Story Irresistible Deliciously Intimate Two Brothers <http://www.labellevie-twobrothers.com/>  
*Restorative Medicine* Sherri Bryan

"...The sick Young man told the Prince that even if he dared to break the decree, she couldn't fly anyway. He was disabled. And then his friend did the unthinkable. He soared upward, above the heads of the crowd that had surrounded the house, including the guard, and flew to seek the soul of his friend. When he tried to come back, the guard flung weapons at him. He turned around over the house, cried out his goodbye to the Young man, and flew back to the island, where his family lived.

But his work had been done. His parting words had marked themselves indelibly on the young one's memory: "You're sick, because you do not fly!" "...They are more than a couple, these two, more than a family... They are a starry brother and sister. They are the very one, divided into two halves. Separation was not logical. It dissected the soul into halves, music - into halves, poems - into halves, feelings - into halves. She swings with her arms, his feet start dancing, he touches the strings, her throat bursts with a song. She hurts, he cries out; he's happy, she composes a prayer of the delight...." "...The Good Enchantress was having a rest after a hard quest. As usual, she had been saving someone from the trouble, and as usual, she was successful. Now she was back home and relaxed, lying on the sofa with a book of fairy tales. She was thinking of putting her book on the couch-side table and falling asleep right there when there was a quiet knock. This was how the magical computer announced the arrival of an urgent email. The Enchantress reluctantly got up from the sofa, looked at the screen, and was terribly surprised. Right out from the computer screen, weird creatures were stepping onto the desk. They were all of different sizes, from a small mojobake of a mouse's size, to a huge monster that occupied half of the bedroom. ..."

Twenty-first Century Feminism Penguin UK

The magnetism of a colourful bohemian family bewitches a lonely girl. From the 1950s to the 1980s, Britain's sweeping cultural changes are mirrored in the exploits of the Felixes, their loves and their friendships.

In In the Shadows of Paris, the fifth installment in this c'est magnifique Victor Legris series by Claude Izner, a murderer is at large in belle-epoque Paris. In the turbulent Parisian summer of 1893, Victor Legris has vowed to his fiancée to give up the dangerous hobby of amateur sleuthing to concentrate on selling books. But a killer is at large, leaving mysterious references to a leopard in his notes, and intent on revenge for events that took place many years before during the Commune. When a bookbinder friend of Victor's dies in a house fire that does not seem to be accidental, the young bookseller feels impelled to resume his detective work and uncover the identity of the Batignolles predator. Alongside his trusty assistant Jojo, Victor embarks on a new investigation in the bourgeois quarters of Paris, where scoundrels abound and streethawkers call out their wares among market stalls, under the bloody shadow of the Commune.

These lighthearted mysteries are the ideal beach reads, or for when you just want to curl up on the couch with a cuppa, and get lost in a book! Village murder. Unsolved mysteries. An empty-nester in a pickle. What more could possibly go wrong? **BODIES, BADDIES, AND A CRABBY TABBY** - 1 Megan Fallon is in a pickle. As if empty-nest syndrome wasn't bad enough, she's joined the ranks of the unemployed, and her fiancé's run off with her hairdresser. In desperate need of a change of scene, she heads back to her childhood village home for some long-overdue friends and family time. Things are looking up until members of the community start getting bumped off at an alarming rate, and Megan finds herself at the heart of an investigation that has her suspecting everyone. As she becomes involved in the hunt for a murderer, it's not long before she finds out that some of the villagers are harbouring shocking secrets... Will you guess whodunnit? **SECRETS, LIES, AND PUPPY DOG EYES** - 2 Megan's putting the fiancé who left her well and truly out of her mind, and focusing on settling back into village life, and her new job. Meanwhile, her childhood friend, American, Jack Windsor, is renovating the old village school, and is looking for a four-legged friend to share his new home with. All is well in Bliss Bay until obituaries start appearing on the church noticeboard for villagers who are still very much alive, and the village is thrown into turmoil. Is the well-respected family who is being targeted the subject of a very bad joke, or are the obituaries a sign of something far more sinister? And who is responsible when an unassuming member of the village is murdered? Could a 40 year-old suspicious death hold the key to solving the murder, or is that simply a red herring to put detectives off the scent of the real killer? Is the murderer a retired bank manager? Or could it be his wife, who was the subject of controversial gossip years before? Is the village busybody responsible? Her hatred for two high-profile suspects is well-known among the villagers, and her motives are personal. Or is the killer someone else entirely? As a reluctant Megan is drawn into the mystery by her TV detective show-loving, Uncle Des, secrets and lies come to light, but will they help to find the murderer? **MALICE, REMORSE, AND A ROCKING HORSE** - 3 Megan needs to find a killer before the biggest night of the year in Bliss Bay village; a charity dinner and auction to raise funds for local children's charities. After all, there's nothing like a murderer on the loose to put a dampener on the party spirit. With her Uncle Des in tow, the two intrepid amateur sleuths set out to identify the perpetrator. They could be onto something after a mysterious rocking horse offers up a clue to the identity of the murderer but, with so many suspects and the body count rising, how will they solve the mystery before another innocent person is targeted? As the hunt for the killer intensifies, it soon becomes clear that no one is safe... All the books in this collection are written in British English, and are clean reads, with no strong profanity, violence, or sex. Cozy murder mystery series, cozy murder mystery, cozy murder mystery books, cozy mystery, cozy murder, cozy murder mysteries, animal cozy mystery, animal cozy, cozy romance mystery, amateur sleuth, female amateur sleuth, British cosy mystery, British cozy mystery, cozy mystery series

Dorothy was distraught about moving. She was leaving the friends she had known for years. Her uncle's new job promised financial freedom, but all Dorothy could think about was leaving everything she knew. Until a chance encounter and kidnapping with Crow changed everything. Now Dorothy was in the outlying systems known as the Outer Zone, which was ruled by different factions. One was a jeweled kingdom. And another was ruled by a jaded witch. All are fighting to rule and tame this hostile land. Can Dorothy and her rogues—the soldier tinman, the Firan labelled as coward, and the spy Crow—survive this hostile land?

Remember the beautiful Lady Rosalind who had a magical maze garden behind her humble house - the maze garden which could lead you to you'll-never-know-where once you went beyond it? You'll also remember about her mysterious horseman husband too then, the busy knight who was hardly seen being around the town together with his lovely wife? These are some stories about him, Reith the Horseman - some memorable experiences he gained while he was on duty as a knight, those which he generously shared with us. Just like his wife, this gallant horseman was also full of mysteries. But for three people from three different towns Reith stopped by during his important journey - Mrs. Rodenhamm, Mr. Burton, and a young lady Caroline - the horseman's mystery might not be totally a mystery anymore. The three learned so much from those unbelievable yet unforgettable experiences - read this to see if it could change you as well.

**Home plays for ladies, arranged for school or family performance** Page Publishing Inc

From her earliest days, Margaret Tudor knows she will not have the luxury of choosing a husband. As daughter of Henry VII, her duty is to gain alliances for England. Barely out of girlhood, Margaret is married by proxy to James IV and travels to Edinburgh to become Queen of Scotland. Despite her doubts, Margaret falls under the spell of her adopted home. But she has rivals. While Jamie is an affectionate husband, he is not a faithful one. And providing an heir cannot guarantee Margaret's safety when Jamie leads an invading army against her own brother, Henry VIII. In the wake of tragic loss she falls prey to the attentions of the ambitious Earl of Angus--a move that brings Scotland to the brink of anarchy. Beset by betrayal, secret alliances, and the vagaries of her own heart, Margaret has one overriding ambition--to preserve the crown of Scotland for her son, no matter what the cost. Exquisitely detailed and poignant, *The Forgotten Queen* vividly depicts the life and loves of an extraordinary woman who helped shape the fate of two kingdoms--and in time, became the means of uniting them. Praise for the novels of D.L. Bogdan "A story of love and redemption, beautifully told." --Christy English on *The Sumerton Women* "Throbs with intensity as it lays bare the secret delights of Tudor court life and the sudden, lethal terrors. A tale of innocence and ruthless ambition locked in a love-hate embrace." --Barbara Kyle on *Secrets of the Tudor Court*

*Oh, What a Lovely Century*

The Museum of Innocence - set in Istanbul between 1975 and today - tells the story of Kemal, the son of one of Istanbul's richest families, and of his obsessive love for a poor and distant relation, the beautiful Fusun, who is a shop-girl in a small boutique. In his romantic pursuit of Fusun over the next eight years, Kemal compulsively amasses a collection of objects that chronicles his lovelorn progress--a museum that is both a map of a society and of his heart. The novel depicts a panoramic view of life in Istanbul as it chronicles this long, obsessive love affair; and Pamuk beautifully captures the identity crisis experienced by Istanbul's upper classes that find themselves caught between traditional and westernised ways of being. Orhan Pamuk's first novel since winning the Nobel Prize is a stirring love story and exploration of the nature of romance. Pamuk built The Museum of Innocence in the house in which his hero's fictional family lived, to display Kemal's strange collection of objects associated with Fusun and their relationship. The house opened to the public in 2012 in the Beyoglu district of Istanbul. 'Pamuk has created a work concerning romantic love worthy to stand in the company of Lolita, Madame Bovary and Anna Karenina.' --Financial Times
