Improve your comprehension, grow your vocabulary and ignite your imagination with these eight unconventional Spanish short stories! In this book you will find: Short stories from a variety of

compelling genres, from science fiction and crime to history and thriller, so you'll have great fun reading, whilst learning a wide range of new vocabulary! Stories broken down into manageable chapters, so you always make progress with the story and feel a sense of achievement without great difficulty reading! Realistic amounts of new vocabulary so you're not overwhelmed by complex words. Instead of pausing to look up every word, you'll absorb new vocabulary from the context of the story, and have the satisfaction of that moment when you say: "I totally understood that sentence!" Carefully-written Spanish using straightforward grammar that is comprehensible for beginner and intermediate level learners. You'll enjoy reading and learn new grammatical structures without any feelings of overwhelm and frustration. Plenty of natural dialogues in each story, so that you can learn conversational Spanish whilst you read, and improve your speaking ability at the same time! Regular plot summaries, comprehension questions and word reference lists, so that help is always on hand when you need it. You'll be able to focus on enjoying reading and having fun, rather than fumbling around with dictionaries and struggling through dense text with no support. A five-step plan for reading the stories in this book the smart way. These step-by-step instructions show you exactly how to make the most out of the book and maximise your learning! Spanish Short Stories for Beginners has been written especially for students from beginner to intermediate level (A1-B1 on the Common European Framework of Reference). The eight captivating stories are designed to give you a sense of achievement and a feeling of progress when reading. You'll finally be able to enjoy reading in Spanish, grow your vocabulary in a natural way, and improve your comprehension at the same time. Based on extensive research into how people most enjoy and benefit from reading in a new language, this book eliminates all the frustrations you have experienced when trying to read in Spanish: Dull topics that are no fun to read Books so long you never reach the end Endless chapters that make you want to give up Impenetrable grammar that frustrates you at every turn Complex vocabulary that leaves you with your head buried in the dictionary Instead, you can just concentrate on what you came for in the first place - enjoying reading and having fun! If you're learning Spanish and enjoy reading, this is the book you need to rekindle your passion for the language and take your Spanish to the next level! So what are you waiting for? Scroll up and grab your copy now!

Learn Like a Native

Were World Wars I and II inevitable? Were they necessary wars? Or were they products of calamitous failures of judgment? In this monumental and provocative history, Patrick Buchanan makes the case that, if not for the blunders of British statesmen- Winston Churchill first among them- the horrors of two world wars and the Holocaust might have been avoided and the British Empire might never have collapsed into ruins. Half a century of murderous oppression of scores of millions under the iron boot of Communist tyranny might never have happened, and Europe's central role in world affairs might have been sustained for many generations. Among the British and Churchillian errors were: • The secret decision of a tiny cabal in the inner Cabinet in 1906 to take Britain straight to war against Germany, should she invade France • The vengeful Treaty of Versailles that mutilated Germany, leaving her bitter, betrayed, and receptive to the appeal of Adolf Hitler • Britain's capitulation, at Churchill's urging, to American pressure to sever the Anglo-Japanese alliance, insulting and isolating Japan, pushing her onto the path of militarism and conquest • The greatest mistake in British history: the unsolicited war guarantee to Poland of March 1939, ensuring the Second World War Certain to create controversy and spirited argument, Churchill, Hitler, and "the Unnecessary War" is a grand and bold insight into the historic failures of judgment that ended centuries of European rule and guaranteed a future no one who lived in that vanished world could ever have envisioned.

Spanish with Amigos John Murray

"[Jason Pargin] has updated the Lovecraft tradition and infused it with humor that rather than lessening the horror, increases it dramatically. Every time I set the book down down, I was wary that something really was afoot, that there were creatures I couldn't see, and that because I suspected this, I was next. Engaging, comic, and terrifying." —Joe Garden, Features Editor, The Onion "[Pargin] is like a mash-up of Douglass Adams and Stephen King... 'page-turner' is an understatement." —Don Coscarelli, director, Phantasm I-V, Bubba Ho-tep "That rarest of things--a genuinely scary story." —David Wellington, author of Monster Island, Vampire Zero "JOHN DIES AT THE END has a cult following for a reason: it's horrific, thought-provoking, and hilarious all at once. This is one of the most entertaining and addictive novels I've ever read." —Jacob Kier, Publisher, Permuted Press STOP. You should not have touched this flyer with your bare hands. NO, don't put it down. It's too late. They're watching you. My name is David. My best friend is John. Those names are fake. You might want to change yours. You may not want to know about the things you'll read on these pages, about the sauce, about Korrok, about the invasion, and the future. But it's too late. You touched the book. You're in the game. You're under the eye. The only defense is knowledge. You need to read this book, to the end. Even the part with the bratwurst. Why? You just have to trust me. The important thing is this: The sauce is a drug, and it gives users a window into another dimension. John and I never had the chance to say no. You still do. I'm sorry to have involved you in this, I really am. But as you read about these terrible events and the very dark epoch the world is about to enter as a result, it is crucial you keep one thing in mind: None of this was my fault.

Language Together English for Kids Set One Macmillan

Spanish is a fun, social activity! What makes "Spanish with Amigos" different from the many other Spanish books out there is that instead of studying Spanish by yourself, this book was designed for you to practice your Spanish conversation skills right from the start with a friend (an intercambio), a conversation group (grupo de conversación), or even a beginning Spanish conversation class (clase de conversación). "Spanish with Amigos" has been intentionally designed to be very simplistic - with little grammar included. Each of the 22 topics start with a manageable vocabulary list of 12-20 words/phrases, including a phonetic pronunciation guide, such: Good morning. / Buenos días. / BWAY-nose DEE-ahs. The topic is immediately followed by role-play ideas and conversational exercises so that you can practice the vocabulary with your co-workers, family, and friends - making Spanish a fun, social activity!

The Most Fun Way To Learn Spanish On Your Own Lerner Digital™

Margarita Madrigal's books have been used by thousands of readers around the world. Former readers applaud the Madrigal Method: its simplicity, its copious use of cognates, and its humor. The conversations, explanations, exercises, activities and tapes in *Open Door to Spanish* teach readers to recognize the large number of words and expressions that are alike in English and in Spanish (cognates), strategies and rules for converting English words to Spanish, hints for identifying large numbers of new words in Spanish, formulas to help readers use Spanish verbs to describe events in the past, present, and future. The book has been thoroughly revised and updated and incorporates current language use. Vocabulary lists have been added to the end of each chapter. Cassettes have been newly recorded and use a variety of voices from Latin America. Grammar explanations and exercises are easier to read and the format of the book has been enhanced with a new design and illustrations.

If you have ever tried to learn another language, you know that learning it can be an extremely intimidating endeavor. Spanish Now! teaches you the essentials of learning conversation Spanish including: -Proper Grammar-Sentence Structure-Masculine and Feminine Conjugation-Essential Nouns, Verbs and Adjectives-Real Practice Examples! You may feel self-conscious about sounding wrong and not knowing it until someone else laughs or you are corrected. It takes time. You won't be a fluent speaker over night, but Spanish Now! teaches you what you need to know to begin conversing in a few weeks or less! And Most people who are native speakers are actually happy to have the chance to talk in their native language, especially if you are a novice and indicate that you are trying to learn the language. When it comes to learning Spanish, you are already almost half way there because their language structure is extremely similar to English (with a couple of notable exceptions) and so many Spanish words and phrases have crept into everyday usage in the U.S. The biggest challenge with Spanish is vocabulary. Spanish Now! tackles vocabulary and takes you through the essentials you will need to have a solid Spanish-speaking foundation. Also, Since Spanish is one of the Romance languages, it's pronounced and sounds very different from English. Practicing out loud and watching supplemental videos is encouraged with this book to get the full understanding. Once you get the basics down you will find that having basic discussions is far less intimidating than it initially seems. Spanish Now! gives you the basic guidelines that will help you learn conversational Spanish to speak with anyone. Regardless of the nation a native Spanish speaker is from (ie. Mexico, Argentina, or Spain), you will be able to feel confident that you have the basics to converse in the Spanish language. Buy Spanish Now! and learn Spanish in a few weeks or less!

Lively Lessons for Beginners World Book

An update of a popular work that takes on the myths of the Spanish Conquest of the Americas, featuring a new afterword. Seven Myths of the Spanish Conquest reveals how the Spanish invasions in the Americas have been conceived and presented, misrepresented and misunderstood, in the five centuries since Columbus first crossed the Atlantic. This book is a unique and provocative synthesis of ideas and themes that were for generations debated or perpetuated without question in academic and popular circles. The 2003 edition became the foundation stone of a scholarly turn since called The New Conquest History. Each of the book's seven chapters describes one "myth," or one aspect of the Conquest that has been distorted or misrepresented, examines its roots, and explodes its fallacies and misconceptions. Using a wide array of primary and secondary sources, written in a scholarly but readable style, *Seven Myths of the Spanish Conquest* explains why Columbus did not set out to prove the world was round, the conquistadors were not soldiers, the native Americans did not take them for gods, Cortés did not have a unique vision of conquest procedure, and handfuls of vastly outnumbered Spaniards did not bring down great empires with stunning rapidity. Conquest realities were more complex--and far more fascinating--than conventional histories have related, and they featured a more diverse cast of protagonists-Spanish, Native American, and African. This updated edition of a key event in the history of the Americas critically examines the book's arguments, how they have held up, and why they prompted the rise of a New Conquest History.

The Five Love Languages Carson-Delloosa Publishing
