DECKER KERR

The Red Riding Quartet, Book Two eBook Partnership

The first book -- an instant bestseller -- in the sumptuous, sultry, and romantic YA vampire series from New York Times bestselling author Renee Ahdieh.

The Damned Utd Akashic Books

Think adolescence is hell? You have no idea... Welcome to Dante's Inferno, by way of *The Breakfast Club*, from the mind of American fiction's most brilliant troublemaker. "Death, like life, is what you make out of it." So says Madison, the whip-tongued 11-year-old narrator of *Damned*, Chuck Palahniuk's subversive homage to the young adult genre. Madison is abandoned at her

Swiss boarding school over Christmas while her parents are off touting their new film projects and adopting more orphans. Over the holidays she dies of a marijuana overdose--and the next thing she knows, she's in Hell. This is the afterlife as only Chuck Palahniuk could imagine it: a twisted inferno inspired by both the most extreme and mundane of human evils, where *The English Patient* plays on repeat and roaming demons devour sinners limb by limb. However, underneath Madison's sad teenager affect there is still a child struggling to accept not only the events of her dysfunctional life, but also the truth about her death. For Madison, though, a more immediate source of comfort lies in the motley crew of young sinners she meets during her first days in Hell. With the help of Archer, Babette, Leonard, and Patterson, she learns to navigate Hell--and discovers that she'd rather be mortal and deluded and stupid with those she loves than perfect

and alone.

Red or Dead Scarecrow Press

A stream-of-consciousness story of a poverty-stricken young American, living in Paris.

Science Be Dammed Penguin

From the iconic and bestselling author of *The Mummy* and *The Vampire Chronicles*, a mesmerizing, glamorous new tale of ancient feuds and modern passions. Ramses the Great, former pharaoh of Egypt, is reawakened by the elixir of life in Edwardian England. Now immortal with his bride-to-be, he is swept up in a fierce and deadly battle of wills and psyches against the once-great Queen Cleopatra. Ramses has reawakened Cleopatra with the same perilous elixir whose unworldly force brings the dead back to life. But as these ancient rulers defy one another in their quest to understand the powers of the strange elixir, they are haunted by a mysterious presence even older and more powerful than they, a figure drawn forth from the mists of history who possesses spectacular magical potions and tonics eight millennia old. This is a figure who ruled over an ancient kingdom stretching from the once-fertile earth of the Sahara to the far corners of the world, a queen with a supreme knowledge of the deepest origins of the elixir of life. She may be the only one who can make known to Ramses and Cleopatra the key to their immortality—and the secrets of the miraculous, unknowable, endless expanse of the universe.

The Book of the Damned Harper Collins

The Damned Utd A Novel Melville House

We Are the Damned United Fantasy Flight Pub Incorporated

Brian Clough's forty-four-day tenure as manager of Leeds United

in 1974 is one of the most infamous episodes in British football history. While the bestselling *The Damned United* was a fictional account of Clough's short-lived but controversial reign at the club, *We Are the Damned United* reveals the true story, as told by the players he managed at the time. It includes candid contributions from legendary names such as Peter Lorimer, Eddie Gray and Terry Yorath, who reveal what it was like to make the transition from the relatively smooth management style of Don Revie to a constant crossing of swords with the outspoken Clough, who left the club flailing at the foot of the league upon his premature departure. *We Are the Damned United* tells it how it really was rather than how it might have been.

ANTHEM Melville House

Description to come.

Tokyo Year Zero Penguin

Hailed by *The New York Times* as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. *Anthem* anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. *Publisher's Weekly* acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and

powerful." *Anthem* is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

Legion of the Damned University of Arizona Press

"Time travel, UFOs, mysterious planets, stigmata, rock-throwing poltergeists, huge footprints, bizarre rains of fish and frogs-nearly a century after Charles Fort's *Book of the Damned* was originally published, the strange phenomenon presented in this book remains largely unexplained by modern science. Through painstaking research and a witty, sarcastic style, Fort captures the imagination while exposing the flaws of popular scientific explanations. Virtually all of his material was compiled and documented from reports published in reputable journals, newspapers and periodicals because he was an avid collector. Charles Fort was somewhat of a recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from around the globe. This was the first of a series of books he created on unusual and unexplained events and to this day it remains the most popular. If you agree that truth is often stranger than fiction, then this book is for you"--Taken from Good Reads website.

Ramses the Damned: The Passion of Cleopatra Random House

A thrilling postmodern noir about the real-life disappearance, in 1949, of one of Japan's most powerful figures, and the three men who try--and fail--to crack the case. Tokyo, July 1949. The

president of the National Railways of Japan vanishes. As American and Japanese investigators scrambled for answers, the case went cold--and it remains unsolved to this day. In *Tokyo Redux*, celebrated crime writer David Peace channels drama, research, and intrigue into this strikingly intelligent fictionalization of Japan's most enduring and haunting mystery. Spanning decades, Peace's novel reveals how the lives of three men all come to revolve around the same inexplicable disappearance. Starting in American-occupied Tokyo, where tension and confusion reign, American detective Harry Sweeney leads the missing-person investigation for General MacArthur's GHQ. Fifteen years later, as Tokyo prepares for the global spotlight as host of the summer Olympics, private investigator Murota Hideki--who was a policeman during the Occupation--is confronted by this very same case, and is forced to address something he's been hiding for more than a decade. And twenty-plus years after that, as Emperor Shōwa lays dying, Donald Reichenbach, an aging American eking out a living in Japan teaching and translating, discovers that the final reckoning of the greatest mystery of the era is now in his hands. The concluding installment of Peace's acclaimed *Tokyo Trilogy*, *Tokyo Redux* is a page-turning portrait of post-World War II Tokyo and an inside look into a storied crime that continues to haunt multiple generations.

A Novel! G.P. Putnam's Sons Books for Young Readers

In this reference volume, more than 200 fictional feature-length movies with a primary focus on an athletic endeavor are discussed, including comedies, dramas, and biopics. documentaries.

The Damned Melville House

When the bodies of two women, raped and strangled, turn up on the first anniversary of the Japanese surrender in American-occupied Tokyo, Detective Minami of the Tokyo Metropolitan Police, haunted by the atrocities of war, searches for the killer, in a historical thriller based on the real-life hunt for a murderer who killed at least ten women in post-war Japan. Reprint. 35,000 first printing.

The Book of the Damned Melville House

'Hairstyles' is an honest depiction of growing up punk on Chicago's south side: a study in the demons of racial intolerance, Catholic school conformism and class repression. It is the story of the riotous exploits of Brian, a high school burnout, and his best friend Gretchen, a punk rock girl fond of brawling. Joe Meno won the 2003 Nelson Algren Literary Award and is the author of 'Tender as Hellfire' (St. Martin's, 1999) and 'How the Hula Girl Sings' (HarperCollins, 2001). His online fictional serial, 'The Secret Hand', is published through 'Playboy Magazine'. His short fiction has been published in 'TriQuarterly', 'Bridge', 'Other Voices Washington Square', and has been broadcast on National Public Radio. He lives in Chicago, and he is a columnist for 'Punk Planet' magazine.

Voyage of the Damned Knopf Books for Young Readers

A New York Times Editors' Choice "[T]he stuff of great literature." —The New York Times | "Red or Dead is a winner." —The Washington Post The place where the swinging sixties started – Liverpool, England, birthplace of the Beatles – wasn't so swinging. Amid industrial blight and a bad economy, the port town's

shipping industry was going bust and there was widespread unemployment, with no assistance from a government tightening its belt. Even the Beatles moved to London. Into these hard times walked Bill Shankly, a former Scottish coal miner who took over the city's perpetually last-place soccer team. He had a straightforward work ethic and a favorite song – a silly pop song done by a local band, "You'll Never Walk Alone." Soon he would have entire stadiums singing along, tens of thousands of people all dressed in the team color red . . . as Liverpool began to win . . . And soon, too, there was something else those thousands of people would chant as one: Shank-lee, Shank-lee . . . In *Red or Dead*, the acclaimed writer David Peace tells the stirring story of the real-life working-class hero who lifted the spirits of an entire city in turbulent times. But *Red or Dead* is more than a fictional biography of a real man, and more than a thrilling novel about sports. It is an epic novel that transcends those categories, until there's nothing left to call it but – as many of the world's leading newspapers already have – a masterpiece.

How Ignoring Inconvenient Science Drained the Colorado River Knopf

"A grim dance has begun... and for Miskatonic University librarian Daisy Walker, its song has awakened a long-forgotten nightmare. When a letter from an estranged friend arrives, Daisy must face her dark past to solve a terrifying mystery. But her fate will soon intertwine with that of Tony Morgan, a bounty hunter forced into a dangerous job by a secretive employer. As a growing cult seeks to awaken ancient powers and a shady corporation works to cover its twisted agenda, these two unlikely heroes must search for truth in the midst of eldritch horror."--Publisher's description.

Tropic of Cancer Bloomsbury Publishing

Mankind has fought the war against ghouls of all kinds since the beginning of time. The last stronghold of evil in the known world is the American frontier, but for how long? Bounty hunter Uriah Zane and US marshal Aubrey Coffin are humanity's last hope to rid the world, once and for all, of this demon scourge... The Hell's Angels are a gang of werewolves who have escaped from Hellsgarde Federal Penitentiary. Originally they were recruited out of eastern Europe by Abraham Lincoln to mercilessly tear the Confederates into submission at Gettysburg, thus ending the Civil War. But the Hell's Angels never returned home. They headed west-to join the legions of other ghouls... Armed with an arsenal of weapons, the deadliest being Marshal Aubrey Coffin, notorious ghouls-hunter Uriah Zane must stop the hordes of shape-shifting creatures pushing west. Aided by a beautiful Mexican witch and necromancer, werebeasts are searching the deserts for a coveted key, a key that could give the ghouls everlasting life and final dominion over the earth-with humans as their servants. But first they must face the wrath of Zane, a man who understands better than most the twisted soul of the wolves....

The Real Story of Brian Clough at Leeds United Penguin

First time in trade paperback: the third novel in the #1 New York Times bestselling series. In Circus of the Damned-now in trade paperback for the first time-a rogue master vampire hits town, and Anita gets caught in the middle of an undead turf war. Jean-Claude, the Master Vamp of the city, wants her for his own-but his enemies have other plans. And to make matters worse, Anita takes a hit to the heart when she meets a stunningly handsome junior high science teacher named Richard Zeeman. They're two

humans caught in the crossfire-or so Anita thinks.

Occupied City Penguin

Book 2 in the hit zombie series readers have described as, "Stephen King's 'The Stand' meets 'The Walking Dead'." In the weeks after a virus decimated humanity and left less than 5,000 people alive in the U.S., a diverse group of survivors struggles to stay alive. Farmer, Wim Wagner has abandoned the safety of his farm in hopes of finding Ramey, the mysterious girl who flitted in and out of life in the midst of the outbreak. But, Ramey is on the road searching for her father and trying to locate the mysterious X on a map that promises safety. Meanwhile, survivors like Jorge and Bundy find themselves lost on the road, trying to locate other human beings and fighting off hordes of zombies. Some rescue missions end in success, but others in tragedy. Teenager, Mitch is trapped in a secret, underground bunker along with his mother and thousands of the undead. Mina has escaped the hospital after killing her father when he turned into a zombie. Grady desperately attempts to protect his autistic son after the boy died and returned as one of the undead. They're only a few of the men and women fighting survival in a world where the dead have returned to life and overtaken the country. Will they find each other on the road or are they destined to life and die alone?*****A post-apocalyptic, dystopian horror story, "Road of the Damned" is book 2 of the "Life of the Dead" saga. It tells the story of multiple men and women from all walks of life, dealing with a zombie apocalypse. Wim - a 30 year old farmer. Ramey - a high school drop out. Mead - a washed up line cook. Bundy - a 500 pound prisoner. Jorge - an army medic. Emory - a 80 year old millionaire. Juli - a lonely but resourceful suburbanite. Grady -

father to an autistic son. Mitch - the spoiled son to a US Senator. Mina - a housekeeper caring for her abusive father. Solomon - a violent and cunning businessman. Aben - a homeless war veteran. What readers are saying: "I f*****g love this book, man!" Nathan "It's Stephen King's The Stand meets The Walking Dead! Graphic and well written with fully developed characters. Read it in a few hours. Can't wait for the next book!!" Audrey S. "One of the best I've read in a long time." Bill H. "Disgusting, poignant and fun." Rachel S. "Loved this book! There are a lot of characters to meet and I can't wait to see if any of them cross paths in the series. It's a quick and easy read with a lot of action and some intense scenes! Looking forward to the next one." Amazon Customer "Holy Nutballs - This was Amazing" Amazon Reviewer "Just loving this story, can't wait for the next part. The characters are good and I like the authors style of writing and structure." Book Demon "4.5 stars. A good/solid zombie story with plenty of diverse characters." Dave "I really could not put this read down until it was done. The beginnings of all the characters were great and I can't wait to read what's in store for the next sequel. Thank you for a great, great read!!" KennG "The characters, in my opinion, were excellently written and developed. A very good book to read to occupy your time."

Marcus

The Damned Utd A Novel

Marcelo Bielsa vs The Damned United is a fan's account of two extraordinary seasons at Leeds United, which culminated in the club's return to the Premier League after a 16-year exile. Bielsa, one of the most revered managers in world football, quickly transformed a mediocre group of players into would-be title

winner and raced to the top of the Championship. But his biggest foe was the very club he had come to save, a club where controversy and calamity are never far away. The controversial 'Spygate' saga derailed the season and the team collapsed at the finish line in heartbreaking and calamitous fashion. The following season Bielsa faced more controversy, more chaos, and just as his team reached the finish line again, along came a global pandemic. This book captures the essence of a unique football genius, and the trials and tribulations of a long-suffering fan base - in love with their manager, electrified by his football and often deranged by a rollercoaster two-year promotion race.

GB84 Vintage Crime/Black Lizard

The "extraordinary" true story of the St. Louis, a German ship that, in 1939, carried Jews away from Hamburg—and into an unimaginable ordeal (The New York Times). On May 13, 1939, the luxury liner St. Louis sailed from Hamburg, one of the last ships to leave Nazi Germany before World War II erupted. Aboard were 937 Jews—some had already been in concentration camps—who believed they had bought visas to enter Cuba. The voyage of the damned had begun. Before the St. Louis was halfway across the Atlantic, a power struggle ensued between the corrupt Cuban immigration minister who issued the visas and his superior, President Bru. The outcome: The refugees would not be allowed to land in Cuba. In America, the Brown Shirts were holding Nazi rallies in Madison Square Garden; anti-Semitic Father Coughlin had an audience of fifteen million. Back in Germany, plans were being laid to implement the final solution. And aboard the St. Louis, 937 refugees awaited the decision that would determine their fate. Gordon Thomas and Max Morgan Witts have re-created

history in this meticulous reconstruction of the voyage of the St. Louis. Every word of their account is true: the German High Command's ulterior motive in granting permission for the "mission of mercy;" the confrontations between the refugees and the German crewmen; the suicide attempts among the passengers; and the attitudes of those who might have averted

the catastrophe, but didn't. In reviewing the work, the New York Times was unequivocal: "An extraordinary human document and a suspense story that is hard to put down. But it is more than that. It is a modern allegory, in which the SS St. Louis becomes a symbol of the SS Planet Earth. In this larger sense the book serves a greater purpose than mere drama."
