**Strategic Corporate Finance** Irwin/McGraw-Hill

Financial reports speak their own language, and managers without a strong finance background often find

themselves bewildered by what is being said.

*Finance for NonFinancial Managers* helps managers become familiar with essential financial information, showing them how to "speak the language of numbers" and implement financial data in their daily business decisions. In addition, it clarifies how and why financial decisions impact business and operational objectives.

*Corporate Finance Solutions Manual to Accompany Brealey/Myers/Marcus*

This book covers topics such as: fundamentals of law firm financial information, with easy-to-understand examples of the data involved and financial management concepts.
