Preaching simply does not happen apart from the Holy Spirit. In fact, preaching is the Spirit's ministry! Spirit-Led Preaching helps readers understand preaching from the Spirit's point of view and teaches about the Spirit's role in both the preparation and delivery process, showing what it means to be truly empowered by the Spirit when you preach. It also explains the crucial connection between Word and Spirit as they depend on each other to bring about spiritual transformation in the lives of the congregation. This revised edition includes a new chapter on the congregation's role in relationship to the Spirit and preaching—a subject not often mentioned in books on preaching. Spirit-led Preaching is a book written by a pastor to pastors and students of preaching and is filled with personal examples from the author's own preaching ministry. It has encouraged both novice students of preaching as well as seasoned pulpit veterans for over a decade. In 2007, Spirit-Led Preaching won first place for the Pastor's Soul category from Christianity Today magazine.

Finally...a fun, easy-to-use guide to potty training any child in just

ONE DAY Just think, from the time babies are born until they are toilet trained, they use an average of 4,000 diapers! Potty Train Your Child in Just One Day is the helpful guide you've been waiting for to get your child out of diapers and turn the potentially terrifying process of toilet training into an effective and enjoyable bonding experience with your child. Teri guides parents to the successful one-day potty training of their child by teaching them how to:

- Look for the signs that your child is ready to be potty trained
- Make the potty connection by using a potty-training doll
- Create incentive through consistent positive reinforcement
- Use charts, quizzes, and checklists to help with every step of potty training
- Know when it's time to bring in a potty pinch hitter
- Complete your potty training -- no more accidents

Once Teri teaches you her techniques, she shares her secret -- potty parties! She has carefully designed twelve imaginative themes for parties, such as a seriously silly circus, a cartoon character carnival, or a magic carpet express, and supplies parents with everything they will need. Teri has proven that a potty party day engages a child in potty training in a way that no other method has before -- by speaking a toddler's language. A party may translate to fun, games, cake, candy, presents, and prizes to a child, but with Teri's expertise, parents can use it as a tool to motivate their child to want to go to the bathroom -- and to keep on going. That's why it works in just one day!
