JOSEPH ALEXANDER

Sunday School in HD Westminster John
Knox Press

Genomic science indicates that humans descend not from an individual pair but from a large population. What does this mean for the basic claim of many Christians: that humans descend from Adam and Eve? Leading evangelical geneticist Dennis Venema and popular New Testament scholar Scot McKnight combine their expertise to offer informed guidance and answers to questions pertaining to evolution, genomic science,

and the historical Adam. Some of the questions they explore include: - Is there credible evidence for evolution? - Do we descend from a population or are we the offspring of Adam and Eve? - Does taking the Bible seriously mean rejecting recent genomic science? - How do Genesis's creation stories reflect their ancient Near Eastern context, and how did Judaism understand the Adam and Eve of Genesis? - Doesn't Paul's use of Adam in the New Testament prove that Adam was a historical individual? The authors address up-to-date genomics data with expert commentary from both genetic and theological perspectives, showing that genome research and Scripture are

not irreconcilable. Foreword by Tremper Longman III and afterword by Daniel Harrell.

Jesus Outside the Lines Abingdon Press
More Christians now live in the Majority World than in Europe and North America. Yet most theological literature does not reflect the rising tide of Christian reflection coming from these regions. If we take seriously the Spirit's movement around the world, we must consider how the rich textures of Christianity in the Majority World can enliven, inform, and challenge all who are invested in the ongoing work of theology. Majority World Theology offers an unprecedented opportunity to enter conversations on the core Christian doctrines with leading scholars from around the globe. Seeking to bring together the strongest

theological resources from past and present, East and West, the volume editors have assembled a diverse team of contributors to develop insights informed by questions from particular geographic and cultural contexts. This book features a comprehensive overview of systematic theology, with sections on the Trinity, Christology, pneumatology, soteriology, ecclesiology, and eschatology contributors including Amos Yong, Ruth Padilla DeBorst, Victor I. Ezigbo, Wonsuk Ma, Aída Besançon Spencer, Randy S. Woodley, Munther Isaac, and Veli-Matti Kärkkäinen explorations of how Scripture, tradition, and culture fit together to guide the church's theological reflection scholars demonstrating how to read the Bible and think theologically in light of contextual

resources and concerns inside views on what doing theology looks like in contributors' contexts and what developments they hope for in the future. When we learn what it means for Jesus to be Lord in diverse places and cultures, we grasp the gospel more fully and are more able to see the blind spots of our own local versions of Christianity. Majority World Theology provides an essential resource for students, theologians, and pastors who want to expand their theological horizons.

Education Stranger Journalism

Find God's vision for your job. Reclaim God's vision for your life. Many Christians fall victim to one of two main problems when it comes to work: either they are idle in their work, or they have made an idol of it. Both of these mindsets are deadly misunderstandings of how God intends for us to think about our employment. In *The Gospel at Work*, Sebastian Traeger and Greg Gilbert unpack the powerful ways in which the gospel can transform how we do what we do, releasing us from the cultural pressures of both an all-consuming devotion and a punch-in, punch-out mentality—in order to find the freedom of a work ethic rooted in serving Christ. You'll find answers to some of the tough questions that Christians in the

workplace often ask: What factors should matter most in choosing a job? What gospel principles should shape my thinking about how to treat my boss, my co-workers, and my employees? Is full-time Christian work more valuable than my job? Is it okay to be motivated by money? How do you prioritize—or balance—work, family and church responsibilities? Solidly grounded in the gospel, *The Gospel at Work* confronts both our idleness at work and our idolatry of work with a challenge of its own—to remember that whom we work for is infinitely more important than what we do.

Notes on the Psalms Zondervan

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as

we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be

preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Things They Carried Tyndale House Publishers, Inc.

An in-depth study of biblical Hebrew and numerics in the Bible that reveals a more realistic and contextual scenario of Revelation 13 which uncovers that Islam is the final beast empire before Yeshua returns.

Genesis, Exodus, Leviticus, Numbers, Deuteronomy Crossway

Whether the issue of the day on Twitter, Facebook, or cable news is our sexuality, political divides, or the perceived conflict between faith and science, today's

media pushes each one of us into a frustrating clash between two opposing sides. Polarizing, us-against-them discussions divide us and distract us from thinking clearly and communicating lovingly with others. Scott Sauls, like many of us, is weary of the bickering and is seeking a way of truth and beauty through the conflicts. *Jesus Outside the Lines* presents Jesus as this way. Scott shows us how the words and actions of Jesus reveal a response that does not perpetuate the destructive fray. Jesus offers us a way forward—away from harshness, caricatures, and stereotypes. In *Jesus Outside the Lines*, you will experience a fresh perspective of Jesus, who will not (and should not) fit into the sides.

Unveiling the Mystery of the Last Days

Zondervan

The underground history of the American education will take you on a journey into the background, philosophy, psychology, politics, and purposes of compulsion schooling.

Adam and the Genome Zondervan

In this volume the late Dr. Henry C. Thiessen ably sets forth the conservative view of the New Testament. "The author believes that the plenary inspiration of the autographs of the New Testament is the only logical view that can be held by those who accept the true deity as well as the perfect humanity of Christ. He, therefore, approached his task with the reverence of one who accepts the Scriptures as the very Word of God." As a text, the volume has been widely accepted in seminaries and Bible

institutes as an outstanding conservative introduction to the New Testament.

Word Weavers InterVarsity Press

Ministry professional Allan Taylor writes to all church leaders about the crucial role that Sunday School must play in producing healthy Christians who in turn produce healthy churches. He emphasizes the value of the Sunday School model to the total church ministry for its superior ability to nurture relationships and more personally stir passion for the Great Commission across every age group. Taylor presents the sharply focused idea that all Sunday School programs are either imploding (through directionless ineffectiveness) or exploding (thanks to visionary leadership and practicing some fundamental disciplines). As such, he guides the

reader toward growth principles that must be operative for any church to begin or continue a transformational Sunday School boom.

Making Sense of the Bible [Leader Guide] Wipf and Stock Publishers

When you understand it properly, the doctrine of vocation—"doing everything for God's glory"—is not a platitude or an outdated notion. This principle that we vaguely apply to our lives and our work is actually the key to Christian ethics, to influencing our culture for Christ, and to infusing our ordinary, everyday lives with the presence of God. For when we realize that the "mundane" activities that consume most of our time are "God's hiding places," our perspective changes. Culture expert Gene Veith unpacks the biblical, Reformation

teaching about the doctrine of vocation, emphasizing not what we should specifically do with our time or what careers we are called to, but what God does in and through our callings—even within the home. In each task He has given us—in our workplaces and families, our churches and society—God Himself is at work. Veith guides you to discover God's purpose and calling in those seemingly ordinary areas by providing you with a spiritual framework for thinking about such issues and for acting upon them with a changed perspective.

Africa Study Bible, NLT Baker Books
Here is a book about the Psalms which are the devotional center of the Bible, adored by not only the people of Israel but by New Testament believers

generally. The Psalms are grouped into five books, each of which has a central theme. These divisions are preceded by an outline and analysis of the Psalms as to content and purpose. While each of the Psalms are analyzed in turn, they are also examined as they relate to their grouping. It is this synthetic approach which will make it particularly valuable to all students of the Bible. To facilitate the study of the Psalms, the complete text of each Psalm has been printed preceding its own analysis. Dr. Morgan has long been recognized as one of the great Bible expositors of modern times, and this book deserves a worthy place alongside his other works.

The Inspiration and Authority of the Bible
FaithWords

This encyclopedia is intended for

everyone, from scholars and students to laypersons--for all who are troubled by apparent contradictions in the Bible. It argues for the unity and the integrity of the Bible and should convince the skeptic and reassure the person who may be confused by the seeming discrepancies in Scripture.

The Untold Story of Jesus Urantia Press

Anyone who wants to become better acquainted with the Bible will find a wealth of material here in an easy-to-understand format. This simplified introduction to the Bible provides a descriptive background on each book of the Bible, with special emphasis on the great stories and truths of the individual book. Over 160 photos and illustrations help the reader see and better understand Bible information.

Encyclopedia of Bible Difficulties

Baker Books

M. Eugene Boring and Fred B. Craddock

present this new one-volume commentary on the New Testament. Writing from the fundamental conviction that the New Testament is the people's book, Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship. Their work clarifies matters of history, culture, geography, literature, and translation, enabling people to listen more carefully to the text. This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible.

Love Out Loud Brazos Press

Written in a clear, non-technical style, *New Testament Survey* is an analytical and historical survey which sets forth the

message of the New Testament against a fully integrated picture of the world of the first century.

The Life and Witness of Peter Wentworth Press

The Africa Study Bible brings together 350 contributors from over 50 countries, providing a unique African perspective. It's an all-in-one course in biblical content, theology, history, and culture, with special attention to the African context. Each feature was planned by African leaders to help readers grow strong in Jesus Christ by providing understanding and instruction on how to live a good and righteous life--Publisher. The Gospel at Work First Church of Our Lord Jesus Christ Incorporated
Jesus said, "You must love the Lord your God with all your soul and with all your

strength and with all your mind; and your neighbor as yourself." - Luke10:27
If one had to choose a single verse in the Bible that is a formula for successful living, this would be the one to live by, says Joyce Meyer: love God, yourself and others - in that order. Many Christians get mixed up about love. They know they should love God and others, but many do not understand that loving oneself is one-third of God's equation. They mistakenly think of it as selfishness or self-aggrandizement. Joyce Meyer believes that this misconception is one of the greatest pitfalls in the Christian journey. Loving oneself in a balanced, healthy manner is essential in order to have healthy relationships with God, ourselves and others. Drawing upon her previous work and teaching series as

well as original devotions, the author of Power Thoughts examines the three loves that we've been commanded to exhibit.
