A Practical Guide to Learning Mandarin Nicholas Pang
Are you learning Chinese? And maybe planning a travel
adventure to China? Or do you want to be able to speak to
Chinese people in your local community? Even a little bit of

Chinese will go a long way! Besides practical communication,
learning some Chinese can make a big difference to your ability
to make meaningful connections and experience Chinese culture.
Most textbooks are made to teach you the traditional rules and
structures of a language and are great for getting around the
grammar and spelling questions you may have. However, how
many of them provide you the tools necessary to have a common
conversation with a best friend or someone you've just met? Not
many at all. Language learners often complain about this - a lack

of material that can help you familiarize yourself with the most common phrases used in everyday conversation and in native surroundings. For this reason, we at Lingo Mastery have developed this book, our favorite language-learner, so that you may find the best expressions for common usage in China and communicate with your Chinese friends, colleagues and client without any issue!

Hacking Chinese Tuttle Publishing

Essential Mandarin Chinese Phrasebook & Dictionary presents the practical language of everyday interactions, conveyed in a way that's clear, concise, accessible and enjoyable. It includes significant sentences used when meeting people, starting conversations, and asking and replying to questions, as well as a basic Chinese grammar and pronunciation guide to help you start speaking Mandarin right away. Terms and phrases covering mobile phones, wireless, and social media help you make the most of the language. Also, sentences on the essentials of travel help visitors navigate the basics of arranging accommodations, dining out, dealing with transportation and emergencies, and more. All Chinese words are presented in both Romanized form and Chinese script. Essential Mandarin Chinese Phrasebook & Dictionary includes: Over 1,500 practical sentences for everyday use A dictionary containing over 2,000 terms and expressions A handy format for finding the information you need quickly and easily The latest Mandarin Chinese vocabulary and phrases for smartphones, social media and more Manga illustrations provided as visual cues for language use in context

Essential Japanese Phrasebook & Dictionary Essential Chinese Speak Chinese with Confidence! (Mandarin Chinese

Phrasebook)

This portable, user-friendly Korean language guide, phrasebook and dictionary is the cheapest and easiest way to learn Korean before and during your trip. If you only want to purchase one Korean language book—Essential Korean is the way to go. Part of Tuttle Publishing's Essential Series, it is a great first introduction and beginner guide to the language of South Korea and is also designed as a Korean phrasebook, making it the most versatile Korean language learning tool on the market. Perfect for business people or tourist traveling to Korea or for students who want to supplement their learning, this book's easy indexing feature allows it to act as a Korean phrase book or as an English-Korean Dictionary. A clever "point to" feature allows you to simply point to a phrase translated in Korean without the need to say a word. You will soon find yourself turning to Essential Korean again and again when you study Korean, visit Korea and work or interacting with Koreans. In this book you will find: Over 1500 practical sentences for everyday use. A Korean dictionary of over 2000 terms and expressions. Extensive information about Korean grammar and pronunciation. Latest Korean vocabulary and Korean phrases for smart phones, social media and more. This beginner Korean book will help you to quickly and easily learn Korean. Your ability to read Korean, write Korean, speak Korean, and comprehend Korean will be vastly improved without having to take an entire Korean language class. Other titles in this bestselling series of phrasebooks include: Essential Japanese, Essential Chinese, Essential Korean, Essential Tagalog, and Essential Arabic.

(Mandarin Chinese Phrasebook) Tuttle Publishing

This is a beginning-level course in spoken Chinese that employs a revolutionary new method designed to have you quickly speaking and comprehending Mandarin Chinese. Along with its sister book Basic Written Chinese and their accompanying workbooks, Basic Spoken Chinese offers a complete introductory course to the Chinese language. As a native English speaker, working hard to learn Chinese is not enough; you have to work smart in order to learn this very different language efficiently. Downloadable audio

and video reinforce the material introduced in the book. No matter why you've chosen to learn Chinese—for business, travel, cultural studies or another goal—the Basic Chinese approach of two separate but integrated tracks in spoken and written Chinese will help you learn this language most efficiently and successfully. Detailed explanations in English of Chinese pronunciation, grammar, usage, culture, society, and recommended learning approaches. A digital Instructor's Guide is available electronically. A written Character Transcript (Simplified and Traditional) is available electronically. The downloadable materials feature: 40 videos with dozens of native speakers filmed on location in mainland China, Hong Kong, Macao, Taiwan, Singapore, and Malaysia. 6 hours of native-speaker audio, including all of the book's conversations. Build up sections, new words, and pronunciation exercises. Available separately, Basic Spoken Chinese Practice Essentials is the companion workbook for Basic Spoken Chinese. This practical guide includes a broad range of drills and exercises designed to dramatically enhance your proficiency in speaking and comprehending. While designed for use with the companion textbook, it can be used together with any Chinese textbook or teaching program to hone your Chinese language skills.

Learn to Speak and Understand Mandarin Chinese with Pimsleur Language Programs Tuttle Publishing

The Pimsleur® Method: the easiest, fastest way to learn a new language. Completely portable, easily downloadable, and lots of fun. You'll be speaking and understanding in no time flat! This course includes Lessons 1-10 from the Chinese (Mandarin) Level 1 program - 5 hours of audio-only effective language learning

with real-life spoken practice sessions. Get a chance to test drive the incredibly effective and efficient, world-famous Pimsleur Level 1 Program. Each lesson provides 30 minutes of spoken language practice, with an introductory conversation, and new vocabulary and structures. Detailed instructions enable you to understand and participate in the conversation. Practice for vocabulary introduced in previous lessons is included in each lesson. The emphasis is on pronunciation and comprehension, and on learning to speak Mandarin Chinese. The Mandarin Chinese Language Over one billion people speak Chinese. The two most common dialects are Mandarin and Cantonese. They are not mutually intelligible. Mandarin is the official language in Mainland China, Taiwan, and Singapore. The Mandarin dialect is used in most Chinese schools, and in most TV programs, movies, and radio stations throughout the country, even in Guangzhou (formerly Canton), where people speak Cantonese in their daily lives. Mandarin is one of the six official languages of the United Nations. Tech Talk - CDs are formatted for playing in all CD players, including car players, and users can copy files for use in iTunes or Windows Media Player.

Essential Chinese for Travelers Tuttle Publishing

Learning Chinese can be frustrating and difficult, partly because it's very different from European languages. Following a teacher, textbook or language course is not enough. They show you the characters, words and grammar you need to become proficient in Chinese, but they don't teach you how to learn them! Regardless of what program you're in (if any), you need to take responsibility for your own learning. If you don't, you will miss many important things that aren't included in the course you're taking. If you study on your own, you need to be even more aware of what you need to do, what you're doing at the moment and the difference between them. Here are some of the questions I have asked and have since been asked many times by students: How do I learn characters efficiently? How do I get the most out of my course or teacher? Which are the best learning tools and resources? How can I become fluent in Mandarin? How can I improve my pronunciation? How do I learn successfully on my own? How can I motivate myself to study more? How can I fit learning Chinese into a busy schedule? The answers I've found to these questions

and many others form the core of this book. It took eight years of learning, researching, teaching and writing to figure these things out. Not everybody has the time to do that! I can't go back in time and help myself learn in a better way, but I can help you! This book is meant for normal students and independent language learners alike. While it covers all major areas of learning, you won't learn Chinese just by reading this book. It's like when someone on TV teaches you how to cook: you won't get to eat the delicious dish just by watching the program; you have to do the cooking yourself. That's true for this book as well. When you apply what you learn, it will boost your learning, making every hour you spend count for more, but you still have to do the learning yourself. This is what a few readers have said about the book: "The book had me nodding at a heap of things I'd learnt the hard way, wishing I knew them when I started, as well as highlighting areas that I'm currently missing in my study." - Geoff van der Meer, VP engineering "This publication is like a bible for anyone serious about Chinese proficiency. It's easy for anyone to read and written with scientific precision." - Zachary Danz, foreign teacher, children's theatre artist About me I started learning Chinese when I was 23 (that's more than eight years ago now) and have since studied in many different situations, including serious immersion programs abroad, high-intensity programs in Sweden, online courses, as well as on the side while working or studying other things. I have also successfully used my Chinese in a graduate program for teaching Chinese as a second language, taught entirely in Chinese mostly for native speakers (the Graduate Institute for Teaching Chinese as a Second Language at National Taiwan Normal University). All

these parts have contributed to my website, Hacking Chinese, where I write regularly about how to learn Mandarin.

The Quick and Easy Way to Learn Chinese Characters! (HSK Level 1 & AP Exam Prep) Legoo Mandarin

This user-friendly guide to the basics helps you learn how to speak Chinese quickly and easily by drawing parallels with something you already know—English. Chinese is a fascinating language that can seem impossibly difficult to learn at first, but is relatively easy if you focus on the spoken aspect. This revised edition contains new dialogues, cultural notes, IT and social media vocabulary, and new manga illustrations. This book is designed for everyone who wants to learn to speak and understand colloquial Chinese—whether it is for business, pleasure, or travel to China. A lighthearted guide that brings Chinese to life in a down-to-earth fashion, *Mandarin Chinese for Beginners* makes language learning fun. Real-life dialogues and situations help you to converse with confidence Sentence pattern exercises and drills help to reinforce what you are learning Native-speaker audio recordings enable you to pronounce Chinese vocabulary accurately Interesting notes, idioms, sayings and poems introduce you to Chinese culture *Mandarin Chinese for Beginners* contains lots of extra hints and tips drawn from the authors' many years of experience in teaching the language to foreigners. Answer keys for the exercises are provided, and an "Extend Your Vocabulary" section in each chapter helps you to remember and understand more words that you'd think possible. [Speak Korean with Confidence! \(Korean Phrasebook\)](#)

Want to know how to say common greetings in Chinese? How about what you will need to say when dining and shopping? All the answers are just one click away!

Mandarin Chinese for Beginners John Wiley & Sons

What does it take to reinvent a language? After a meteoric rise, China today is one of the world's most powerful nations. Just a century ago, it was a crumbling empire with literacy reserved for the elite few, as the world underwent a massive technological transformation that threatened to leave them behind. In *Kingdom of Characters*, Jing Tsu argues that China's most daunting challenge was a linguistic one: the century-long fight to make the formidable Chinese language accessible to the modern world of global trade and digital technology. *Kingdom of Characters* follows the bold innovators who reinvented the Chinese language, among them an exiled reformer who risked a death sentence to advocate for Mandarin as a national language, a Chinese-Muslim poet who laid the groundwork for Chairman Mao's phonetic writing system, and a computer engineer who devised input codes for Chinese characters on the lid of a teacup from the floor of a jail cell. Without their advances, China might never have become the dominating force we know today. With larger-than-life characters and an unexpected perspective on the major events of China's tumultuous twentieth century, Tsu reveals how language is both a technology to be perfected and a subtle, yet potent, power to be exercised and expanded.

Revised Edition (HSK Level 1) Independently Published

Learning to read and write Chinese requires lots of practice. This unique practice guide can be used with any Chinese textbook or on its own to enhance your proficiency in reading and writing Mandarin Chinese. *Intermediate Written Chinese Practice Essentials* offers a wealth of carefully-designed exercises and activities to help you develop every aspect of your reading and writing ability. This workbook has been designed so it can be used either in a class with an instructor or by independent learners working on their own. Both simplified and traditional characters are taught and practiced in the same volume. This means students can learn either or both kinds of characters without having to purchase another book, and instructors have the flexibility to teach a combined class where some students read and write one type of characters and other students the other type. This workbook provides character practice sheets for the 336 characters introduced in *Intermediate Written Chinese*, with complete information on stroke order and direction for both the simplified and traditional forms of the characters. Reading and writing exercises are included, such as those involving dictation and the answering of questions based on the content of each lesson. English-Chinese translation exercises are provided for each unit. The Downloadable content provides: Native-speaker audio recordings for dictation practice. Printable flash cards for all the new characters and words, with Chinese characters on one side and Pinyin and English on the other. Printable pdf files with additional exercises and activities. Together with this book, you can use *Intermediate Spoken Chinese* if you want to learn fluent spoken Mandarin. About the Series: Respected Chinese language expert Dr. Cornelius Kubler,

who has taught diplomats, business people and students, presents a learning system that uses separate but integrated "tracks" to help you efficiently master the basics of spoken and written Chinese. The materials in the Basic Chinese series allow you to move from complete beginner level to basic fluency.

Easy Mandarin Chinese Tuttle Publishing

This is an invaluable study guide for learning basic Chinese characters. *250 Essential Chinese Characters Volume 1* is a second edition, completely revised and with 50 percent new material. Featuring a new design; tips for mastery throughout; exercises in AP-exam format; progressive review sections; and several indices, this volume is a crucial learning tool for anyone interested in the Chinese language and a great way to learn Chinese characters. Master each character's radical, stroke count and meaning. Grow in proficiency by learning compound words. Example sentences show how to use them in context. Review activities reinforce your learning progress. Helpful writing guides and practice grids for every character. After studying this book together with its companion, *250 Essential Chinese Characters, Volume 2*, you'll have learned 500 of the most important characters in Chinese, and thousands of words in which they appear. Whether you're new to Chinese or coming back for review, each of these 250 characters offers you ways to improve your abilities to read Chinese and write Chinese.

Read and Write Mandarin Chinese As the Chinese Do

(Downloadable Audio and Material Included) Tuttle Publishing

Essential Chinese Vocabulary: Rules and Scenarios is an indispensable guide for beginner to intermediate students of Chinese who wish to use essential Chinese words and phrases

accurately. The book provides the crucial context and explanations of grammar structures and language rules related to important Chinese words and phrases, too often glossed over in primary textbooks. Students are given the tools necessary to refine their use of these words and phrases in order to communicate effectively in Chinese. Key features: In-depth explanations of commonly used words and phrases contextualized with a range of authentic examples providing learners with a comprehensive understanding of the vocabulary-use and allowing them to express themselves more accurately and appropriately. Bridges the gap between grammar and vocabulary by presenting the frequently-ignored rules that govern the use of words and phrases. Clear and systematic comparisons between the uses of ostensibly similar words, highlighting the nuances of the Chinese language. Examples provided in Chinese characters, pinyin and English. Extensive cross-references. *Essential Chinese Vocabulary* is a unique reference and useful complement to basic and intermediate Chinese language textbooks.

Essential Cantonese Phrasebook & Dictionary Tuttle Publishing

"DeFrancis's book is first rate. It entertains. It teaches. It demystifies. It counteracts popular ignorance as well as sophisticated (cocktail party) ignorance. Who could ask for anything more? There is no other book like it. ... It is one of a kind, a first, and I would not only buy it but I would recommend it to friends and colleagues, many of whom are visiting China now and are adding 'two-week-expert' ignorance to the two kinds that

existed before. This is a book for everyone." --Joshua A. Fishman, research professor of social sciences, Yeshiva University, New York "Professor De Francis has produced a work of great effectiveness that should appeal to a wide-ranging audience. It is at once instructive and entertaining. While being delighted by the flair of his novel approach, the reader will also be led to ponder on some of the most fundamental problems concerning the relations between written languages and spoken languages. Specifically, he will be served a variety of information on the languages of East Asia, not as dry pedantic facts, but as appealing tidbits that whet the intellectual appetite. The expert will find much to reflect on in this book, for Professor DeFrancis takes nothing for granted." --William S.Y. Wang, professor of linguistics, University of California at Berkeley
