Be More Chill Harper Collins

"Jerusalem is the story of a single family--three generations of very different people--as they are swept up in the chaos of nation-making from 1940 to 1948. Love, death, faith, family, and politics form the perilous mix that fuels this ambitious, cinematic graphic novel about the events surrounding the creation of the modern Israeli state."--Dust jacket.

Hailed as "a breakneck, jam-packed roller coaster of an adventure" by J. K. Rowling, this New York Times bestseller is the first installment in the explosive tween fantasy series by famed Hollywood director Chris Columbus (of Harry Potter fame) and bestselling author Ned Vizzini (It's Kind of a Funny Story). Siblings Brendan, Eleanor, and Cordelia Walker once had everything they could ever want. But everything changed when Dr. Walker lost his job. Now the family must relocate to an old Victorian house, formerly the home of occult novelist Denver Kristoff—a house that simultaneously feels creepy and too good to be true. By the time the Walkers realize that one of their neighbors has sinister plans for them, they're banished to a primeval forest way off the grid. Bloodthirsty medieval warriors patrol the woods around them, supernatural pirates roam the neighboring seas, and a power-hungry queen rules the land. To survive, the siblings will have to be braver than they ever thought possible—and to fight against their darkest impulses. The key may lie in their own connection to the secret Kristoff legacy. But as they unravel that legacy, they'll discover that it's not just their family that's in danger . . . it's the entire world.

A fierce warrior must save the heart of her beloved prince before it's too late in the first book of a new YA fantasy-adventure graphic novel trilogy, perfect for fans of Noelle Stevenson's *Nimona* and Kazu Kibuishi's *Amulet* Evony is an orphaned princess from a kingdom destroyed by a power-hungry witch. Prince Ammon has recently been drawn to her, or at least he's drawn to her uncanny ability to sense when familiars—servants to the witches—are approaching his kingdom's borders. And Evony, well Evony has always longed for something more with Ammon. Wanting to prove himself to his kingdom and parents, Ammon takes Evony outside the borders to fight the familiars head-to-head. All is well until they're captured by witch Aradia, who steals Ammon's heart and leaves his body to turn into one of her familiars. What's worse, his sister Nissa has been taken hostage by Aradia's daughter. Evony makes it her mission to retrieve Ammon's heart and save Nissa, taking her into the mysterious Witchlands. There, she will discover a secret about her past that will change everything.

The Living Disney-Hyperion

How do you solve a murder when there are 42,000 suspects? That's the task facing Chicago PI Georgia Davis, hired to hunt down those ultimately responsible for the assassination of Resistance leader Dena Baldwin at a demonstration fourteen months after the 2016 election. The gunman, on a nearby hotel rooftop, dies within minutes of the shooting. As Georgia sifts through Dena's 42,000 Facebook followers, she discovers that unknown enemies hiding behind fake profiles have infiltrated

the group. She finds others who will do whatever it takes—including murder—to shield right-wing, wealthy elites. When Georgia begins piecing together the facts, relatives of both victims mysteriously disappear, and the danger escalates. Threats and bruises have never frightened Georgia, but she's side-swiped by the sudden reappearance of the mother who abandoned her when she was a child. Can she survive an emotional family crisis at the same time she pursues killers whose only goal is to protect themselves? PRAISE FOR HIGH CRIMES " (A) smart, multi-layered plot which perfectly exemplifies our modern society ... Fans of all political stripes will enjoy this combination of intricate family relationships and realistic crime fiction."Julie Whiteley, Library Journal "Entertaining...(Georgia is) a shrewd investigator... for readers who watch the nightly news with dismay, the novel offers a satisfying alternate reality." Publishers Weekly "HIGH CRIMES is the P.I. novel for our moment, not just because of its backdrop of political tension, but because of the resilient strength of its characters. Georgia Davis is a terrific lead, and Libby Fischer Hellmann calls on her own journalism background to add layers of realism to this all-too plausible plot." Michael Koryta, NY Times Bestselling Author of HOW IT HAPPENED "In this ripped from the headlines and rocket-paced thriller, Libby Fischer Hellmann is at the top of her game. You won't stop turning the pages, gripped by every twist and turn. And the tough, smart Georgia Davis is sure to take her place among the top female PIs in crime fiction." Lisa Unger , NY Times Bestselling Author of UNDER MY SKIN "More than just a murder investigation, but even if you ignore the broader truths, it's a fun read. How Hellmann managed to write this novel as if it was pulled from today's headlines is beyond me. Maybe she has a time machine. I highly recommend it." Pat Balester, Picks by Pat "While the story is politically driven, this is still a solid mystery filled with familiar characters who act without political motives...This series continues to improve with each novel." Ted Hertel, Deadly Pleasures Magazine

"Poignant and important." —Refinery29 "A bright and sparkly celebration of love and self-acceptance." —Kirkus Reviews Judy Blume meets RuPaul's Drag Race in this funny, feel-good debut novel about a queer teen who navigates questions of identity and self-acceptance while discovering the magical world of drag. Perpetually awkward Nima Kumara-Clark is bored with her insular community of Bridgeton, in love with her straight girlfriend, and trying to move past her mother's unexpected departure. After a bewildering encounter at a local festival, Nima finds herself suddenly immersed in the drag scene on the other side of town. Macho drag kings, magical queens, new love interests, and surprising allies propel Nima both painfully and hilariously closer to a self she never knew she could be—one that can confidently express and accept love. But she'll have to learn to accept lost love to get there. From debut author Tanya Boteju comes a poignant, laugh-out-loud tale of acceptance, self-expression, and the colorful worlds that await when we're brave enough to look.

Freaking Out Is My Okay Penguin

In *Teen Angst! Naaah . . .* Ned Vizzini offers an authentic and raw portrayal of the crushing anxiety many teens experience, and which often is dismissed as simple 'angst'. In this classic testament to high school, Ned invites you into his world of school, parents, cool (and almost cool), music (the good and bad), friends, fame, camp, sex (sort of), Cancún (almost), prom, beer, video games, and more. With wit, irony, and honesty, Vizzini presents the weird, funny, and sometimes mortifying moments that made up his teen years. From the author of Broadway musical sensation *Be More Chill* and *It's Kind of a Funny Story*, this is a quasi-autobiographical examination of one high schooler's battle with social anxiety, written when the author was just nineteen. "Fiercely intelligent and introspective . . . Insightful, and thoroughly charming." —SLJ

If You Come Softly Penguin

The groundbreaking novel that inspired the Tony-nominated Broadway musical! Jeremy Heere is your average high school dork. Day after day, he stares at beautiful Christine, the girl he can never have, and dryly notes the small humiliations that come his way. Until the day he learns about the "squip." A pill-sized supercomputer that you swallow, the squip is guaranteed to bring you whatever you most desire in life. By instructing him on everything from what to wear, to how to talk and walk, the squip transforms Jeremy from geek to the coolest guy in class. Soon he is friends with his former tormentors and has the attention of the hottest girls in school. But Jeremy discovers that there is a dark side to handing over control of your life--and it can have disastrous consequences. This modern-day classic by New York Times best-selling author Ned Vizzini contains photos from the Broadway musical; an introduction by the Broadway showcreators, Joe Iconis and Joe Tracz; and an afterword by New York Times best-selling author David Levithan.
