LONG JASLYN

Chambers's Information for the People Thomas Nelson
Celestia Rice Colby, born in Ohio in 1827, had lifestyle options that were relatively straightforward for the typical white female child born in the first half of the nineteenth century: she married in 1848, had five children, spent much of her life working as a dairy farmer and housewife, and died in 1900. Her rich legacy, however, extended beyond her children and grandchildren and survived in the form of detailed and reflective diaries and writings. Her private and published writings show that despite the appearances of the quintessential normal life, Colby struggled to reconcile her personal hopes and ambitions with the expectations and obligations placed on her by society. Author Tina Stewart Brakebill has woven original research with secondary material to form the fabric of Colby's life - from her days as the daughter of an Ohio dairy farmer to her relationship with her daughter, a pioneering university professor.

The Southern Workman BRILL

What distinguishes this edition of the New Living Translation of the Bible are the line drawings by Dina Danosa of plants, animals, landscapes, and people mentioned in Scripture.

The Xenotext Thomas Nelson

Even readers with no particular interest in Japan - if such odd souls exist - may expect unexpected pleasure from this book if English metaphysical poetry, grooks, hyperlogical nonsense verse, outrageous epigrams, the (im)possibilities and process of translation between exotic tongues, the reason of puns and rhyme, outlandish metaphor, extreme hyperbole and whatnot tickle their fancy. Read together with *The Woman Without a Hole*, also by Robin D. Gill, the hitherto overlooked ulterior side of art poetry in Japan may now be thoroughly explored by monolinguals, though bilinguals and students of Japanese will be happy to know all the original Japanese is included.--amazon.com.

Doré's Illustrations for "Paradise Lost" Tyndale House Publishers, Inc.

The "Tyndale Bible Dictionary" features the work of 139 Bible scholars in more than 1,000 informative, in-depth articles. Thousands of cross-references enable users to find additional information and details about other topics that are most important to them. With hundreds of pictures, maps, and illustrations, and the very best evangelical scholarship on the Bible, this comprehensive, single-volume Bible dictionary is the principal book in the Tyndale Reference Library and will be an important addition to anyone's Bible reference collection.

21st Century Homestead: Sustainable Agriculture III: Agricultural Practices BRILL

"Everything abandoned comes alive" Pamela Yenser writes in *CLOSE ENCOUNTERS* Down Home, which becomes an invocation for resilience in a world filled with disaster at every turn: whether it's the wreckage of flying saucers in Roswell, or a brother and a mother who are irrevocably changed after a complicated birth, or an abusive father who is always in the driver's seat-whether it's by plane or car. Yenser does the difficult work of reckoning with trauma and the "family / history slamming the lid on truth." And though there's comfort in escape, and beauty to be found in the landscapes these poems traverse in a wide range of traditional and open poetic forms, Yenser reminds us "As long as you live / you won't forget," and there's danger everywhere. Lucky for us, we have a wonderful guide who knows her way around language and line, and is cunning enough to "have razor blades sewn / into the hem of every poem." -Gary Jackson Pamela Yenser is a learned poet who knows the context, history, and texts of literature. Here she uses her supple and strict prosody to tell a family story about an abusive, daredevil father, a denying-praying mother, her "little retarded brother" ("She is her brother's keeper") and more. In airplanes and Airstream trailers "one catastrophe after another" happens to mark a childhood where "Visions of the devil / made you tithe, trade in the family silver."

This astonishing chapbook delivers one revelation after another in poems exquisitely structured: "The past is a trap the Jaws of Life /

can't break," she writes, "... but isn't this the work a poet is meant to do?" One poem in exact rhyming couplets is called "In the Garden of Demented Parents." Another, also in couplets, ends: "Look! I have razor blades sewn / into the hem of every poem." Read this brilliant and triumphant chapbook by a poet who limns the tragedy and triumph of her life. -Hilda Raz Pamela Yenser's brave and tender poems spin together family history, personal resilience, and imaginative perseverance "sharp as that wreckage/ strewn like tinsel on glitter-/fields of tumbled rock" (as she writes in the title poem). Encompassing everything from a "bad weather balloon made of Kryptonite" to "a pineapple/ ruffled doily," Yenser juxtaposes the images and dreams of the otherworldly and the day-to-day life while also writing deeply of love and survival, monsters and angels, magic tricks and memories. This is a captivating and sparkling collection. -Caryn Mirriam-Goldberg Pamela Yenser's *CLOSE ENCOUNTERS* refers to, yes, the Roswell UFO, as well as family relationships that are a parallel encounter. The poems' narrator sees the flying saucer wreckage as a four-year-old. She writes about this iconic disruption of the skies as a way to reveal the workings of memory itself. This is an exciting personal fable that blends journalism, verse, and narration. -Denise Lowe

Hesiod: The Other Poet Routledge
Daily Learning Drills provides complete daily practice for essential fifth grade skills. Topics include grammar, vocabulary development, prepositional phrases, working with fractions and decimals, area and volume, government, and many more. Daily Learning Drills provides complete daily practice for essential school skills. Learning activities support the Common Core State Standards and cover English language arts and reading, math, science, and social studies. A review section reinforces skills for each subject area. With Daily Learning Drills, students will find the skills and practice they need for school success.

The Contemporary Review Baker Books

Known internationally for his Japanese-style poetry, Lenard D. Moore (b. 1958) has published eight poetry collections over the course of his career. Moore has distinguished himself especially in such forms as jazz poetry, haiku, tanka, renga, sequence, and haibun, expressing moments of aesthetic delight as well as a voice enriched with African American culture. *Conversations with Lenard D. Moore* is a fundamental collection of sixteen interviews with the esteemed writer and former president of the Haiku Society of America. To Moore, jazz is a joyful celebration of American life and culture. The impacts of such great jazz musicians as Max Roach, John Coltrane, Thelonious Monk, Duke Ellington, and Ray Charles are clear in his poetry. The conversations collected here lead the reader into Moore's creative mind, demonstrating his fusion of African American music, culture, and history into poetry, especially his jazz poetry, jazzku, and bluesku. In interviews that range from 1995 to 2023, Moore reveals his capabilities and responsibilities as a contemporary poet, professor, mentor, editor, and organizer. This volume serves as an indispensable source for writers and readers of poetry and African American literature.

A comprehensive verse-by-verse commentary for lay Bible students, fully highlighted by articles, maps, charts, and illustrations—all in one volume. Clear and Comprehensive: Annotations by leading evangelical scholars don't dodge tough issues; alternative views are presented fairly, but commentators make their positions clear. Attractively Designed: Graphics appeal to the sound-bite generation and others who aren't traditional commentary readers. Interesting and Revealing: Hundreds of feature articles that provide additional information or new perspectives on a topic related to Bible background. Visually Appealing: Maps, drawings, and photos illuminate the

commentary and visualize important information.

Encyclopedia of Jewish Folklore and Traditions Houghton Mifflin Harcourt

In *Jewish Aramaic Poetry from Late Antiquity*, Laura Suzanne Lieber offers annotated translations of sixty-nine poems written between the 4th and 7th century C.E. in the Land of Israel, along with commentaries and introductions. The poems celebrate a range of occasions from the ritual year and the life-cycle: Passover, Shavuot (Pentacost), the Ninth of Av, Purim, the New Moon of Nisan, the conclusion of the Torah, weddings, and funerals. Written in the vernacular of the Jews of living in Palestine after the Christianization of the Roman Empire, these works offer insight into lived Jewish experience during a pivotal age. The volume contextualizes the individual works so that readers from a range of backgrounds can appreciate the formal, linguistic, exegetical, theological, and performative creativity of these works. "Lieber has produced reliable renderings, as well as learned and helpful annotations, and has consistently expressed herself in clear and elegant fashion....Her volume is an important, scientific study in its own right, as well as a useful reference tool (if read alongside the Sokoloff-Yahalom edition), and certainly deserves a wide readership." - Stefan C. Reif, St John's College, Cambridge, UK, in: *Journal of Jewish Studies* 70.2 (2019) "Scholars of Judaism in late antiquity and the early Middle Ages will certainly appreciate Lieber's effort in offering all of this textual material to them in conveniently accessible form. Almost every student of Judaism in those eras, regardless of academic specialty, is likely to find something of interest and value in the poems that she has translated." - Mose J. Bernstein, Yeshiva University, *Speculum* 95/3 (2020)

Each volume is written by one of today's top scholars, and includes: Innovative ideas for

preaching and teaching God's Word Vibrant paragraph-by-paragraph exposition Impelling real-life illustrations Insightful and relevant contemporary application An introduction, which reveals the author's approach A full outline of the biblical book being covered Scripture passages (using the New King James Version) and explanations *The Preacher's Commentary* offers pastors, teachers, and Bible study leaders clear and compelling insights into the Bible that will equip them to understand, apply, and teach the truth in God's Word.

St. Nicholas Carson-Dellosa Publishing

Hesiod: The Other Poet is a study dealing with the role of Hesiod in the imagination and the collective memory of the ancient Greeks. Its main hypothesis is that Hesiod's image was to a large degree formed by the picture of Homer: Hesiod is decidedly different when presented as allied with, opposed to or simply without Homer. Following this approach, Hesiod is investigated as a moral and philosophical authority, a locus informed with values and qualities, a concept in literary-critical discourse, and more generally as a cultural and panhellenic icon constructed and reconstructed by later Greek authors who employed and so re-created him in their own texts.

The School News and Practical Educator Tyndale House Publishers, Inc.

This multicultural reference work on Jewish folklore, legends, customs, and other elements of folklife is the first of its kind.

Origins John Wiley & Sons

Preachers often struggle with preaching Old Testament poetry. They are uncertain how to preach the highly emotive poems in Psalms, the one-liners in Proverbs, the tedious conversations in Job, the esoteric observations about life in Ecclesiastes, and the confusing love poems in the Song of Songs. Here leading pastor theologian Steven Mathewson instructs and inspires preachers to preach some of the most challenging—and some of the richest—material in the Old Testament. This companion to his successful *The Art of Preaching Old Testament Narrative* guides readers through preaching the oft-neglected Old Testament poetic books. Mathewson introduces foundational issues and offers basic methodology and preaching strategies that are faithful to the text and sensitive to its listeners. Highlighting Mathewson's skill at bringing the riches of the Old Testament to bear on the life of the church, this book makes scholarship on the poetic books

accessible for pastors and pastors-in-training. It also includes sample sermons.

T.P.'s Weekly Oxford University Press, USA

"An excellent . . . introduction to the challenges and benefits of reading Genesis 1-11 as a genuinely ancient (specifically ancient Near Eastern) text." —Iain Provon, author of *Seriously Dangerous Religion* Origins turns much of what Christians learned in Sunday School on its head in a revealing comparison of the Genesis narrative to the competing pagan narrative of the day. Relatively few Bible readers are familiar with the world of the ancient Near East, centered in Mesopotamia and its most prominent city, Babylon. The culture, literature, religions, geography, etc. of the early biblical period dramatically influenced what was written and why and without an understanding of these elements, the purposes, meanings, and structure of the text are easily misread by modern readers and reduces the primeval narrative to a collection of Sunday School stories. Origins, while acknowledging the agendas of modern readers, remains on track in expounding on the ancient agenda. Paul Copan and Douglas Jacoby address the doubts of those who find stumbling blocks in early Genesis, facing the tough questions head on and providing biblical solution to many of the "problem passages." Origins surprises and amazes all seekers, new believers, and veterans of Scripture alike as it devastates the polytheistic, pagan assumptions and proclaims the

true God. "A fine addition to the ever-increasing library of books concerning Genesis . . . One also hopes that this volume might be leveraged as an apologetics tool to help those looking for theistic viewpoints on Creation." —Dustin Burlet, *Conspectus* "This book can be a helpful apologetic and alternative view for those in the church who have only heard a literal approach to Genesis 1-11 and are looking for something different." —Renew.org
