BRANSON CUNNINGHAM

Finklehopper Frog Simon and Schuster

The laughter never ends with Oi Frog and Friends! Jam-packed with the silliest of animals, this bestselling rhyming story will have the youngest of readers in fits of laughter. Over 1 million copies sold! Cats sit on mats, hares sit on chairs, mules sit on stools and gophers sit on sofas. But Frog does not want to sit on a log. Jam-packed with animals and silliness, this original rhyming story is guaranteed to get children giggling! 'An absolute treat.' Daily Mail 'Hilarious.' Guardian 'The most outstanding children's book.' Jo Wiley, BBC Radio 2 Can't get enough? Look out for: Oi Dog, Oi Cat, Oi Duck-billed Platypus, Oi Puppies Oi Frog and Friends is a top ten bestselling series. Loved by children and parents, the books have won numerous awards, including the Laugh Out Loud Picture Book Award, and been shortlisted for many more!

[Frog and Toad Together](#) Vintage

In spring, when City Dog runs free in the country for the first time, he spots Country Frog sitting on a rock, waiting for a friend. "You'll do," Frog says, and together they play Country Frog games. In summer, they meet again and play City Dog games. Through the seasons, whenever City Dog visits the country he runs straight for Country Frog's rock. In winter, things change for City Dog and Country Frog. Come spring, friendship blooms again, a

little different this time. Mo Willems' spare, poignant text and Jon J. Muth's expressive watercolors team up to tell a story that will resonate with readers of all ages.

Oscar and the Frog Penguin

Finkelhopper Frog's jogging style and wild jogging suit meet with criticism until he runs into Ruby Rabbit.

Oi Frog! Walker

Longlisted for the Prix Sade 2021 Longlisted for the Joyce Carol Oates Prize Longlisted for the Gordon Burn Prize A New York Times Notable Book of 2020 A New York Times Critics Top Ten Book of the Year Named a Best Book of the Year by over 30 Publications, including The New Yorker, TIME, The Washington Post, Entertainment Weekly, NPR, and the BBC In the highly anticipated follow-up to his beloved debut, *What Belongs to You*, Garth Greenwell deepens his exploration of foreignness, obligation, and desire Sofia, Bulgaria, a landlocked city in southern Europe, stirs with hope and impending upheaval. Soviet buildings crumble, wind scatters sand from the far south, and political protesters flood the streets with song. In this atmosphere of disquiet, an American teacher navigates a life transformed by the discovery and loss of love. As he prepares to leave the place he's come to call home, he grapples with the intimate encounters that have marked his years abroad, each bearing uncanny reminders of his past. A queer student's confession recalls his own first love, a stranger's seduction devolves into paternal sadism, and a romance with another foreigner opens, and heals, old wounds. Each echo reveals startling insights about what it means to seek connection: with those we love, with the places we

inhabit, and with our own fugitive selves. Cleanness revisits and expands the world of Garth Greenwell's beloved debut, *What Belongs to You*, declared "an instant classic" by The New York Times Book Review. In exacting, elegant prose, he transcribes the strange dialects of desire, cementing his stature as one of our most vital living writers.

Beware of the Frog Bonnier Publishing Fiction Ltd.

Frog and Toad enjoy spending their days together. They fly kites, celebrate Toad's birthday, and share the shivers when Frog tells a scary story. Most of all, they have fun together—every day of the year. *Days with Frog and Toad* is a Level Two I Can Read book, geared for kids who read on their own but still need a little help. Whether shared at home or in a classroom, the engaging stories, longer sentences, and language play of Level Two books are proven to help kids take their next steps toward reading success. The classic Frog and Toad stories by Arnold Lobel have won numerous awards and honors, including a Newbery Honor (*Frog and Toad Together*), a Caldecott Honor (*Frog and Toad Are Friends*), ALA Notable Children's Book, Fanfare Honor List (*The Horn Book*), School Library Journal Best Children's Book, and Library of Congress Children's Book.

Fitzherbert Frog Loses His Voice Farrar, Straus and Giroux

By Caldecott Medal winners Alvin Tresselt and Roger Duvoisin, *The Frog in the Well* is the charming tale of a brave frog who beats his fears and explores the world. Once upon a time there was a frog who lived at the bottom of a well. The well was the frog's whole world, until the day the well ran dry and the bugs began to disappear. What was happening to the world, the frog wondered, and what could he do? The hungry frog decided he must hop to the top of the well to see what he could of the end of the world. Conquering his fear, he peered out, and what did he see? Trees, flowers, meadows, marshes, and all kinds of end-of-the-world creatures! Entranced, the little frog ventured forth to find out more about the world outside his own. Based on a classic Chinese fable, and written and illustrated by the Caldecott-winning Alvin Tresselt and Roger Duvoisin, *The Frog in the Well* is a charming tale of one brave frog and his journey into wisdom.

The Book of Frogs Scholastic Inc.

A "sublime and gripping novel ... about hope: that within the world's messy pain there is still room for transformation and healing" (Madeline Miller, New York Times bestselling author of *Circe*), from the acclaimed author of *Cantoras*. "In the president's excruciating (and sometimes humorous) encounters with his strangely healing frog ... De Robertis daringly invites us to imagine a man's Promethean struggle to wrest control of his broken psyche under the most dire circumstances possible." —The New York Times Book Review At his modest home on the edge of town, the former president of an unnamed Latin American country receives a journalist in his famed gardens to discuss his legacy and the dire circumstances that threaten democracy around the globe. Once known as the Poorest President in the World, his reputation is the stuff of myth: a former guerilla who was jailed for inciting revolution before becoming the face of justice, human rights, and selflessness for his nation. Now, as he talks to the journalist, he wonders if he should reveal the strange secret of his imprisonment: while held in brutal solitary confinement, he survived, in part, by discussing revolution, the quest for dignity, and what it means to love a country, with the only creature who ever spoke back—a loud-mouth frog. As engrossing as it is innovative, vivid, moving, and full of wit and humor, *The President and the Frog* explores the resilience of the human spirit and what is possible when danger looms. Ferrying us between a grim jail cell and the president's lush gardens, the tale reaches beyond all borders and invites us to reimagine what it means to lead, to dare, and to dream.

Frog Music Little, Brown Books for Young Readers

Best Friends Frog and Toad are always together. Here are five wonderful stories about flowers, cookies, bravery, dreams, and, most of all, friendship.

Frog on His Own Harper Collins

The hit book about a willful young frog with a serious identity crisis and his heard-it-all-before father is now available in paperback. Perfect for fans of Mo Willems's *Don't Let the Pigeon Drive the Bus!* and Jon Klassen's *I Want My Hat Back!* Frog wants to be anything but a slimy, wet frog. A cat, perhaps. Or a rabbit. An owl? But when a hungry wolf arrives—a wolf who HATES eating frogs—our hero decides that being himself isn't so bad after all. In this very silly story with a sly message, told in hilarious dialogue between a feisty young frog and his heard-it-all-before father, young readers will identify with little Frog's desire to be something different, while laughing along at his stubborn yet endearing schemes to prove himself right. And look for the hilarious sequels—I Don't Want to Be Big, *There's Nothing to Do!*, and *I Don't Want to Go to Sleep*. ★ "First-time author Petty's dialogue between a frog father and his son makes its point about accepting one's nature with a big grin. . . . The story might create similar gratitude in the minds of readers—or it might just make them giggle."—Publishers Weekly, STARRED REVIEW "A lively look at self-acceptance."—Kirkus "This amusing story ends with a laugh and a much more content frog."—School Library Journal "Silliness and deadpan humor combine into a hopping good story of being happy with who you are."—Booklist "A paean to self-acceptance wrapped in snappy dialogue and illustrated with richly colored comic paintings."—Wall Street Journal "Petty and Boldt provide just enough predictability to hook youngest readers, then deliver a delightful twist or two to create surprise and satisfaction—for both the green hero and the many fans he'll make with this book."—Shelf Awareness "This lighthearted exploration of identity will delight as a readaloud."—The Bulletin of the Center for Children's Books

Cleanness New York Review of Books

In this eloquent plea for compassion and respect for all species, journalist and gardener Nancy Lawson describes why and how to welcome wildlife to our backyards. Through engaging anecdotes and inspired advice, profiles of home gardeners throughout the country, and interviews with scientists and horticulturalists, Lawson applies the broader lessons of ecology to our own outdoor spaces. Detailed chapters address planting for wildlife by

choosing native species; providing habitats that shelter baby animals, as well as birds, bees, and butterflies; creating safe zones in the garden; cohabiting with creatures often regarded as pests; letting nature be your garden designer; and encouraging natural processes and evolution in the garden. The Humane Gardener fills a unique niche in describing simple principles for both attracting wildlife and peacefully resolving conflicts with all the creatures that share our world.

By Mouse and Frog Penguin UK

"Mouse has one idea about what a book should be and how to tell a story. Frog has another. What happens when these two very different friends try to create a book together?"--

If You Hopped Like A Frog Hachette UK

From the New York Times bestselling author of *Room*, a young French burlesque dancer living in San Francisco is ready to risk anything in order to solve her friend's murder—but only if the killer doesn't get her first. Summer of 1876: San Francisco is in the fierce grip of a record-breaking heat wave and a smallpox epidemic. Through the window of a railroad saloon, a young woman named Jenny Bonnet is shot dead. The survivor, her friend Blanche Beunon, is a French burlesque dancer. Over the next three days, she will risk everything to bring Jenny's murderer to justice—if he doesn't track her down first. The story Blanche struggles to piece together is one of free-love bohemians, desperate paupers, and arrogant millionaires; of jealous men, icy women, and damaged children. It's the secret life of Jenny herself, a notorious character who breaks the law every morning by getting dressed: a charmer as slippery as the frogs she hunts. In thrilling, cinematic style, *Frog Music* digs up a long-forgotten, never-solved crime. Full of songs that migrated across the world, Emma Donoghue's lyrical tale of love and bloodshed among lowlifes captures the pulse of a boomtown like no other. "Her greatest achievement yet . . . Emma Donoghue shows more than range with *Frog Music*—she shows genius." —Darin Strauss, author of *Half a Life*.

City Dog, Country Frog Moody Publishers

Oscar is an adorably naive, googly-eyed kitten, filled with curiosity and wonder about his natural surroundings. In this series, he meets friends who introduce him to key science concepts. This time, Oscar learns about tadpoles, seeds, eggs, and what he'll grow into."

Grumpy Frog Walker

Following the re-release of the first three books in this beloved series, here are the final three classic wordless tales in attractive, low-priced hardcover editions. *A Boy, a Dog, and a Frog*, the first book in this series, launched Mercer Mayer's distinguished career over twenty-five years ago, and also helped to create the wordless picture book genre. Full of warmhearted mischief and play, the books express the humorous trials and tribulations of friendship and the joy of summertime discovery. Readers will want to collect the entire set.

Operation Frog Effect Penguin (Non-Classics)

Charming and pretty Bidy Forrester lives in China with her parents, medical missionaries who bring healing to the bodies and souls of the Chinese. Because of the poor climate condition, Bidy has to leave China and return to England with only one Friend, the Lord Jesus, and with a little green frog, her most valuable and cherished possession. Bidy knows the meaning of a surrendered life—and lives it! She wants always to please God, to trust Him, to walk with Him, to give Him her all. She brings warmth and light to a cold, dark England, witnessing, with her childish simplicity, everywhere she goes. In simple faith she asks God for the money for a hospital which her father needs in China. Then she puts her faith to work, giving her all to the Lord, even her little green frog. Her radiant testimony wins many hearts to Jesus, and brings in all the money needed for the hospital. The Little Green Frog displays the power of prayer, and the price and purpose of true Christianity. A wonderfully wholesome book.

The Frog Book Hachette UK

How far could you hop?If you hopped like a frog...you could jump from home plate to first base in one mighty leap!Did you know that a frog can jump 20 times its body length? Or that an ant can lift an object 50 times its own weight?Read this book and find out what you could do -- if you had the amazing abilities of animals! And there are endless possibilities for making more hilarious comparisons of your own. Get ready for ratio and proportion like you've never seen them before!

A Boy, a Dog, a Frog and a Friend Harper Collins

Having stowed away in a pocket, Frog wreaks havoc and creates disgrace for the family at the posh restaurant where they are having dinner.

The Frog who Wanted to See the Sea Goblin Fern Press

On a walk in the park with his friends, Frog decides to do some exploring on his own.

The Frog in the Well Dial Books

One summer day Toad was unhappy. He had lost the white, fourholed, big, round, thick button from his jacket. Who helped him look for it? His best friend, Frog. Another day, Frog was unhappy. He was sick in bed and looking green. Who gave him some tea and told him a story? His best friend, Toad. From the first enchanting story to the last, these five adventures of two best friends are packed with excitement, gaiety, and tender affection. Children will find this book delightful to read and beautiful to look at, either story by story, or from cover to cover.

One Frog Too Many Scholastic Inc.

The final three classic wordless tales in Mayer's beloved series are now released in attractive, low-priced hardcover editions. Full of warmhearted mischief and play, these books express the humorous trials and tribulations of friendship and the joy of summertime discovery. Illustrations.
