Smokeshow Raine Miller Romance

Amanda Todd was a young girl who was lured into a bad decision by a cyber-stalker and then mercilessly targeted online and in real life over and over again, until it became too much for her to handle and she ended her life in October of 2012. She wanted to help other kids by sharing her story and letting them know they should never be punished for who they are or for making a mistake. AmandaToddLegacy.org is an organization that reaches out to kids in need, educates about the harmful effects of bullying and provides resources that can make a real difference. 100% of the proceeds from sale of this anthology will be donated toward that vision. 16 of the most popular and bestselling authors in Contemporary Romance, Erotic Romance and Young Adult have come together in support of the fight against bullying. Each has contributed a new short stories or missing scene from their most popular series for this very worthy cause. If you are being bullied, please stay strong and get help. Someone does care.

The Muse Sierra Simone

No war can be fought with clean hands. Not even the ones waged for the right reasons. Not even the ones you win. Tisaanah bargained away her own freedom to save those she left behind in slavery. Now, bound by her blood pact, she must fight the Orders' war -- and Max is determined to protect her at all costs. But when a betrayal tears apart Ara, Max and Tisaanah are pushed into an even bloodier conflict. Tisaanah must gamble with Reshaye's power to claim an impossible victory. And Max, forced into leadership, must confront everything he hoped to forget: his past, and his own mysterious magic. All the while, darker forces loom -- far darker, even, than the Orders' secrets. As Tisaanah and Max are ensnared in a web of ancient magic and twisted secrets, one question remains: what are they willing to sacrifice for victory? For power? For love?

Dusk CreateSpace

A new, sexy standalone novel from #1 New York Times Bestseller, Vi Keeland. Terminated for inappropriate behavior. I couldn't believe the letter in my hands. Nine years. Nine damn years I'd worked my butt off for one of the largest companies in America, and I was fired with a form letter when I returned home from a week in Aruba. All because of a video taken when I was on vacation with my friends—a private video made on my private time. Or so I thought... Pissed off, I cracked open a bottle of wine and wrote my own letter to the gazillionaire CEO telling him what I thought of his company and its practices. I didn't think he'd actually respond. I certainly never thought I'd suddenly become pen pals with the rich jerk. Eventually, he realized I'd been wronged and made sure I got my job back. Only...it wasn't the only thing Grant Lexington wanted to do for me. But there was no way I was getting involved with my boss's boss's boss. Even if he was ridiculously gorgeous, confident, and charming. It would be completely wrong, inappropriate even. Sort of like the video that

got me into trouble to begin with. Two wrongs don't make a right. But sometimes it's twice as fun.

Filthy Rich Montlake Romance

A sexy and poignant new adult novel in the vein of Jamie McGuire's *Beautiful Disaster* from New York Times bestseller Marata Eros, about two lost souls who find each other in the wake of tragedy—only to learn that love may not be enough to heal the wounds of a dark and tortured past... "I don't want my broken fixed. . . ." Six months ago, Brooke Starr was one impeccable piano performance away from Juilliard. Now, she is lonely, devastated, orphaned . . . seeking solace in a place where the sun never sets and trying to make sense of the dark tragedy that clouds her shattered heart. There are no coincidences. . . . Deep-sea fisherman Chance Taylor can't imagine what his life would be if he'd never taken that midnight stroll to the pier. Had never seen the intriguing, raven-haired girl swan dive into the Alaskan sea. Had never plunged into the icy waters to rescue her . . . and finally felt her electric charge. As their blazing chemistry consumes them, Chance is determined to save Brooke from her demons. But Brooke knows she must find her own footing. She thinks she's already lost everything—until the terror of her past catches up with her and threatens all that she has left: her life,

her love, and the freedom to choose between drowning in grief and finding joy in the darkness.
