Wakeupnigga Wipf and Stock Publishers

When Joe sees his late wife on a street corner, he believes he's either seen a ghost, or is insane. Jen and he were indescribably in love, but she was tragically killed a year earlier, and he's since remarried. Jen wasn't killed. The report of her death was an appalling mistake. Shattered and almost destroyed in finding him married to someone else, she struggles to find sanity and a new life. A story of love and strife that poses many questions.

Broken Music Dial Press
It's 1995 and James Eastman never met his real grandfather Ben because he died in 1944 in the South Pacific. Then after James discovers a functioning time machine in the basement of an old abandoned home, he time travels back to 1944.

James was disguised as a USMC Marine Corsair pilot and was able to finagle orders to the same island where Ben was stationed. But after James saves Ben's life, he learns the horrible truth on how he was shot down in the first place.

The Illustrated Lyrics

Publications

During the 1980s, when pop icons like Madonna, Bruce Springsteen, Michael Jackson, and U2 reigned supreme, many regarded The Police as the biggest band in the world. Yet after only five albums—and at the peak of their popularity—The Police disbanded and Sting began a solo career that made him a global pop star. Today, artists from Puff Daddy to Gwen Stefani credit The Police and Sting as major influences on their own work, reflecting that The Police were not only a popular, polished rock act, but a powerfully influential one as well. In *Sting and The Police: Walking in Their Footsteps*, Aaron J. West explores the cultural and musical impact of Stewart Copeland, Andy Summers, and Sting. West details the distinctive hybrid character of The Police's musical output, which would also characterize Sting's post-Police career. Sting's long-lived solo career embodies the power of the artful appropriation of musical styles, while capitalizing on the modern realities of pop music consumption. The Police—and Sting in particular—were pioneers in music video, modern

label marketing, global activism, and the internationalization of pop music. *Sting and The Police: Walking in Their Footsteps* will interest more than just fans. By placing the band within its various musical, cultural, commercial, and historic contexts, *Sting and The Police: Walking in Their Footsteps* will appeal to anyone interested in global popular music culture.

Making Other Plans Hal Leonard Corporation
A song book that highlights that inside everyone there is a perfect and loving heart, and that if we uncover our perfection and recognise it in others we can change the world for the better. The song takes you through the personal journey of a little monster who discovers his self worth is not defined by his physical characteristics or

by the definitions placed on him by others, but by how he allows his light and love to shine. Once he understands his own value he is able to see the perfection in others even when they are hurtful. He then goes on to show that if we all recognised the perfection in each other and acted from a place of love we can change the world to a better place. "Let us live the perfection that we are and uncover ourselves to shine like a star. Our potential never stops to spread love on this earth, it is why we are here, it is the reason for our birth."

Queen of the Blues

ABC-CLIO

They met by chance, and fell in love. But is it meant to be forever? Callie and Justin are living their fairytale. They are so close to having the family they've always wanted when suddenly Callie finds herself fighting the insecurities that she's been feeling all of her life. This time, the results could be deadly. Can Justin help heal her pain or will the stress drive them apart? Jay and Jane are trying to plan their future as they face the challenge of Tyler's fight for the child he's never known. Jolene becomes the pawn in a dangerous

game until a tragic twist of fate forces Jane to finally confront the man she once loved. Their fates are set, their lives intertwined and their happiness in jeopardy. Can they all finally find their happily ever after? *Broken* Blake Publishing Nicknamed the Queen of the Blues, Bessie Smith rose up from poverty in the American South to become one of the most famous and respected recording artists of her generation. Smith was at the forefront of transitioning blues music from a rural novelty to a legitimate art form that critics and audiences took seriously. Behind the scenes of her success, though, Bessie navigated a story family and personal life. She had adult sisters who depended on her for a living and yet disrespected her when she wasn't around. Likewise, she settled with a husband, Jack Gee, who mistreated her in every possible way. This book looks at the incredible and influential life of Bessie Smith.

A Memoir Rowman & Littlefield

Three college roommates try to live and enjoy their student lives while caught up in the frenzy of casual

drug use, recreational sex, lacrosse, rock and roll music, political activism, riots, and race relations during the tumultuous 1969-70 school year in the unique student community of Isla Vista.

How I Messed Up the World, and Why I Need Your Help to Fix It Lulu Press, Inc

Using a variety of methodological perspectives, this volume explores ethical and doctrinal implications in the social practice of music. Grouped according to the threefold ministry of Christ (prophet, priest, shepherd) the essays discuss a wide range of musics—from medieval chant and psalmody to protest songs, metal, and Daft Punk.

Lyrics Dial Press

A family in pain, desperate to find out what is ripping apart their once tight-knit group, turns to therapy for answers... but, as the initial four-hour session moves ahead, more and more secrets are revealed. Will these secrets rip this family apart forever? Can therapist Victoria Fields lead them back to each other and the peace and happiness they once enjoyed as a family? *Beyond the Time Barrier*

Blessed Broken MusicA
Memoir

Esta autobiografía de Sting proporciona, desde las primeras páginas, la certeza de que se trata de una obra seria, de una exploración personal dolorosa, sincera e intensa. El estilo literario supera a veces el de algunos escritores reconocidos y, sobre todo, se advierte en su escritura una necesidad urgente, una suerte de ajuste de cuentas consigo mismo. Sting relata los pormenores de su vida familiar, sus primeros años de escuela, los recorridos en que acompañaba a su padre a repartir lácteos de madrugada y hasta episodios que lo marcaron para siempre, como el descubrimiento in fraganti del adulterio de su madre. Con un estilo admirable y muy lejos del brillo y del endiosamiento con que muchos abordan el tema de su propia vida, Sting nos cuenta de su infancia y adolescencia y se termina cuando se aleja del grupo Police, cuando tenía aproximadamente 25 años de edad.

Sting and The Police

James Berryman has been a friend of Sting's since the day the two of them started school. He knows the real Sting - a fellow native of Newcastle, down to earth, witty, cynical and mischievous. This is a fully-authorized memoir of their time together.

Sting Savant Books and Publications

"Sting's gift for prose and reverence for language, nearly the equal of his musical gifts, shine on every page. Even when Broken Music addresses the quixotic life of an aspiring rock & roller, it reads like literature from a more rarified time when adults didn't condescend to the vulgarities of pop culture." —Rolling Stone
Having been a songwriter most of my life, condensing my ideas and emotions into short rhyming couplets and setting them to music, I had never really considered writing a book. But upon arriving at the reflective age of fifty, I found myself drawn, for the first time, to write long passages that were as stimulating and intriguing to me as any songwriting I had ever done. And so Broken Music began to take shape. It is a book about the early part of my life, from childhood through

adolescence, right up to the eve of my success with the Police. It is a story very few people know. I had no interest in writing a traditional autobiographical recitation of everything that's ever happened to me. Instead I found myself drawn to exploring specific moments, certain people and relationships, and particular events which still resonate powerfully for me as I try to understand the child I was, and the man I became.

Clay McGavran was stuck in hell. Otherwise known as Denson, Virginia - a small town in the shadows of the Blue Ridge Mountains - a town shrouded in the pain and tragedy of the past. As partner at one of Richmond's most successful construction and design firms, building someone else's dream home was his job. But when their dream brought him to the town of his nightmares, he was thrust into a past he'd worked

diligently to forget. The only respite to his misery came from an unexpected - and inconvenient - source. His new assistant, Alison. To Clay, Alison was the woman whose perpetual smile and hauntingly familiar eyes were a balm to his scraped and bruised psyche. She was the antithesis of the type of woman he usually took to his bed but he found himself wanting her more than any woman before her. And, as his employee, she was the one woman he couldn't have. His company, friendships, and reputation were at stake. He couldn't cross that line again. He'd been reckless in the past and it had nearly cost him his company - and his life. But it's not so easy to walk away when, in the fires of his personal hell, he may have stumbled headlong into his salvation. ***Due to coarse language and graphic sexual situations, this book is not intended for individuals under the age of 18.***

Broken Music Austin Macauley

From the first Police album, *Outlandos D'Amour*, through *Sacred Love*, here are the collected lyrics written by Sting, along with his

commentary. "Publishing my lyrics separately from their musical accompaniment is something that I've studiously avoided until now. The two, lyrics and music, have always been mutually dependent, in much the same way as a mannequin and a set of clothes are dependent on each other; separate them, and what remains is a naked dummy and a pile of cloth.

Nevertheless, the exercise has been an interesting one, seeing perhaps for the first time how successfully the lyrics survive on their own, and inviting the question as to whether song lyrics are in fact poetry or something else entirely. And while I've never seriously described myself as a poet, the book in your hands, devoid as it is of any musical notation, looks suspiciously like a book of poems. So it seems I am entering, with some trepidation, the unadorned realm of the poet. I have set out my compositions in the sequence they were written and provided a little background when I thought it might be illuminating. My wares have neither been sorted nor dressed in clothes that do not belong to

them; indeed, they have been shorn of the very garments that gave them their shape in the first place. No doubt some of them will perish in the cold cruelty of this new environment, and yet others may prove more resilient and become perhaps more beautiful in their naked state. I can't predict the outcome, but I have taken this risk knowingly and, while no one in their right mind

should ever attempt to set "The Waste Land" to music, in the hopeful words of T. S. Eliot, These fragments I have shored against my ruins."
—Sting, from the Introduction *Rise Above Now* CreateSpace (Piano/Vocal/Guitar Artist Songbook). One of pop music's biggest names, Sting has maintained a strong fan following for a quarter of a century, from his days as a member of

the Police and throughout his magnificent solo career. This collection features 31 of his definitive hits, including: Brand New Day * Englishman in New York * Fields of Gold * If I Ever Lose My Faith in You * If You Love Somebody Set Them Free * Message in a Bottle * Russians * Shape of My Heart * They Dance Alone (Cueca Solo) * We'll Be Together * and many more.
