Chris Ryan, author of the best-selling 'The One That Got Away', has adapted techniques and honed his routines to devise a three month programme that's both extremely easy and effective for males of all ages and lifestyles.

Tone It Up St. Martin's Press

Based on the wildly successful Women's Health Big Book of Exercises, this portable handbook offers readers step-by-step instructions (and color photos) on how to perfectly execute the best fat-torching, muscle-toning exercises ever choreographed. This essential workout guide is for any woman—from beginner to expert—who wants to lose weight fast, build strength, and tone those terrible trouble spots, namely the belly, butt, and thighs. Complete with fast, effective workouts for home use or to take to the gym, this easy-to-tote package gives readers access to their favorite routines wherever they go. The guidebook details "main moves" for targeting each major muscle

group and then shows readers variations that make the moves more challenging and effective.

Other highlights: • The best new exercise to firm flabby arms • The ultimate circuit for a swimsuit ready body • The fastest cardio workout of all time • Plus, 10 new workouts and an exercise log to track progress from start to finish This shape-up manual bulges with hundreds of useful tips, breakthrough science, and cutting-edge workouts from the world's top trainers. Best of all, it'll help readers shape a body that will ensure a longer, healthier, happier lifetime.

The 21 Day Flat Belly Fix System Bluebird

This best-selling classic launched thousands of people on the road to fitness, and athletes of all levels use it to keep themselves pumped. The Ultimate Workout Log is two things in one: a comprehensive fitness guide and an easy-to-use diary with six months' worth of space to record training goals. There's expert advice on weightlifting, equipment, nutrition, and injury prevention, and the pages are sprinkled with training tips, research tidbits, and fascinating trivia.

Recipe Guide The Bikini Body Training Company

In Body By Simone, Simone De La Rue, featured trainer on "Revenge Body with Khloe Kardashian", shares her fitness secrets and teaches women how to achieve an A-list body using her fun and

unique strength training and cardio workouts. Considered the "next Tracy Anderson," Simone De La Rue has created a total body workout—a unique fusion of Pilates, bar method, strength training, and cardio dance moves—for women looking to lose weight, tone up, change up their routine, lose baby weight, or exercise while recovering from an injury. Her workouts are fast-paced, fun, and targeted for the muscle groups women most want to tone: arms, abs, glutes, and thighs. Filled with nearly 200 gorgeous color photos, Body By Simone features Simone's eight-week plan that incorporates her dance-based cardio workouts and signature strength training moves. Here are workouts for all levels—beginning, intermediate, and advanced—and a self-assessment test to choose the right plan for you. Simone offers a breakdown for each week and a schedule for each day, including an overview of the week's goals and challenges. Each week builds on the next to keep you challenged and engaged, and see the results you want. To boost weight loss and metabolism as well as naturally detox the body, Simone also provides a 7-day kick-start cleanse complete with recipes for simple meals, juices, and smoothies.

Eat.Lift.Thrive. Macmillan

This is not your run-of-the-mill fitness book. Developed by world-renowned gluteal expert Bret Contreras, Strong Curves offers an extensive fitness and nutrition guide for women seeking to improve their physique, function, strength, and mobility. Contreras spent the last eighteen years researching and field-testing the best methods for building better butts and shapelier bodies. In Strong Curves, he offers the programs that have proven effective time and time again with his clients, allowing you to develop lean muscle, rounded glutes, and greater confidence. Each page is packed with information decoding the female anatomy, providing a better understanding as to why most fitness programs fail to help women reach their goals. With a comprehensive nutritional guide and over 200 strength exercises, this book gets women off the treadmill and furnishes their drive to achieve strength, power, and sexy curves from head to toe. Although the glutes are the largest and most powerful muscle group in the human body, they often go dormant due to lifestyle choices, leading to a flat, saggy bum. Strong Curves is the cure.

Take time to breathe. Take time to create. Take time to reflect, take time to let go. A book that's unique in the way it mixes reading and doing, A Book That Takes Its Time is like a mindfulness retreat between two covers. Created in partnership with Flow, the groundbreaking international magazine that celebrates creativity, beautiful illustration, a love of paper, and life's little pleasures, A Book That Takes Its Time mixes articles, inspiring quotes, and what the editors call "goodies"—bound-in cards, mini-journals, stickers, posters, blank papers for collaging, and more—giving it a distinctly handcrafted, collectible feeling. Read about the benefits of not multitasking, then turn to "The Joy of One Thing at a Time Notebook" tucked into the pages. After a short piece on the power of slowing down, fill in the designed notecards for a Beautiful Moments jar. Make a personal timeline. Learn the art of hand-lettering. Dig into your Beginner's Mind. Embrace the art of quitting. Take the writing cure. And always smile. Move slowly and with intention through A Book That Takes Its Time, and discover that sweet place where life can be both thoughtful and playful.
