The Fruit Trees Book Harper Collins

From author Kia Abdullah, *Take It Back* is a harrowing and twisting courtroom thriller that keeps you guessing until the last page is turned. One victim. Four accused. Who is telling the truth? Zara Kaleel, one of London's brightest legal minds,

shattered the expectations placed on her by her family and forged a brilliant legal career. But her decisions came at a high cost, and now, battling her own demons, she has exchanged her high profile career for a job at a sexual assault center, helping victims who need her the most. Victims like Jodie Wolfe. When Jodie, a sixteen-year-old girl with facial deformities, accuses four boys in her class of an unthinkable crime, the community is torn apart. After all, these four teenage defendants are from hard-working immigrant families and they all have

proven alibis. Even Jodie's best friend doesn't believe her. But Zara does—and she is determined to fight for Jodie—to find the truth in the face of public outcry. And as issues of sex, race and social justice collide, the most explosive criminal trial of the year builds to a shocking conclusion.

Black Water Sarah Crichton Books
 Want to start growing trees? Not so fast! Before you start digging, make sure you know how to be a good provider to a healthy tree. Especially if they're going to be apples that you want people to enjoy! Thanks to this tree care book, you will discover time-tested tips from professional apple growers! You'll find out everything you need to plant your first row of apple trees, from training and pruning of fruit trees, to being mindful of conditions that can affect your yield. Applesauce Weather Simon and Schuster
 'Once you start you can't stop reading. Terrific.' HELEN DUNMORE Yvonne Carmichael has worked hard to achieve the life she always wanted: a high-flying career in genetics, a beautiful home, a good relationship with her husband and their two grown-up children. Then one day she meets a stranger at the Houses of Parliament and, on impulse, begins a passionate affair with him - a decision that will put everything she values at risk. At first she believes she can keep the relationship separate from the rest of her life, but she can't control what happens

next. All of her careful plans spiral into greater deceit and, eventually, a life-changing act of violence. *Apple Tree Yard* is a psychological thriller about one woman's adultery and an insightful examination of the values we live by and the choices we make, from an acclaimed writer at the height of her powers.

'Captivating and beautifully written.' Mirror From the bestselling author of *Apple Tree Yard* comes this story of three generations of one Romany family in England, as they face family life, love and marriage along with the changes and upheavals for Travelling people at the turn of the nineteenth century. Clementina Smith is just a young girl when she gives birth to her illegitimate son, Elijah, in a graveyard in Victorian Cambridgeshire. Others have been put out on the highroad for less, but Clementina's parents stick by her and

Elijah grows up greatly loved by his small but tight-knit family. But then he meets Rose, a non-Romany girl. Based on Louise Doughty's own family history, *Stone Cradle* is a love triangle between a mother, a son and his wife that asks whether the Romany spirit and traditions can survive as rural Britain moves into the modern world.

Dance With Me Harper Collins

A young lawyer's outwardly perfect life spirals out of control as she takes on her first murder case in this "dark, original and utterly compelling" domestic noir for readers of Paula Hawkins, A.J. Finn, or Shari Lapena. (Lisa Jewell, *New York Times* bestselling author of *Then She Was Gone*) Alison has it all. A doting husband, adorable daughter, and a career on the rise--she's just been given her first murder case to defend. But all is never as it seems... Just one more night. Then I'll end it. Alison drinks too much. She's neglecting her family. And she's having an affair with a colleague whose taste for pushing boundaries may be more than she can handle. I did it. I killed him. I should be locked up. Alison's client doesn't deny that she stabbed her husband - she wants to plead guilty. And yet something about her

story is deeply amiss. Saving this woman may be the first step to Alison saving herself. I'm watching you. I know what you're doing. But someone knows Alison's secrets. Someone who wants to make her pay for what she's done, and who won't stop until she's lost everything....

Apple Tree Christmas Simon and Schuster

Originally published over twenty years ago, and out of print since 1998, *Sleeping Bear Press* is proud to bring this beloved Christmas tale to a whole new audience. Moving and nostalgic, and brought to life by glowing watercolor paintings, it reveals the joy of a very special present and the love that a father and daughter share.

The Girl without Hands Faber & Faber

'The art of writing,' Kingsley Amis said, 'is the art of applying the seat of one's trousers to the seat of one's chair.' So start now. Take up a notebook and pen, and write one sentence... Can you write a novel in a year? If you simply sit back and think about the enormity of writing a book, it will seem like a vast and unconquerable task, impossibly daunting. The way to make it less daunting is to break it down into its constituent parts, to do it bit by bit. Over the chapters herein, different aspects

of technique are divided up into bite size chunks, the better to aid digestion. The book will look at different aspects of writing, with set exercises to help the reader along in their confidence and technique. It is designed to be read a chapter a week, with the aim of the fledgling writer having a body of material at the year's end which should form a solid start to their novel. Deeply practical, with

sound advice at every stage, *A NOVEL IN A YEAR* is essential reading for any would-be novelist.

Apple and Magnolia Faber & Faber Britta visits her two favorite trees, Apple and Magnolia, every day. Though she can't explain it, she's sure they are best friends! Then one day, Magnolia's branches start to droop. Is there anything Britta—or Apple—can do to help? After all, unusual friendships can be the most powerful of

all. With a lyrical story and vibrant art, *Apple and Magnolia* unveils the extraordinary connections between trees and the wondrous bonds between all living things. The book includes an author's note offering facts about how trees communicate with one another. A downloadable discussion guide with more information will be available February 2022 at flyawaybooks.com/resources.
