**The Presbyterian Philosopher** Moody Publishers

This is the story of Gordon Clark (1902-85), respected philosopher and prolific writer, who held that Christianity, as a logically coherent system, is superior to all other philosophies. Clark fought no wars and conquered no kingdoms. Yet he was a leading figure in many theological wars fought for the Kingdom of God. These battles for the minds and souls of men were every bit as crucial as physical wars between nations. In an age of increasing secularization, he put up an intellectual defense of the Christian faith. This faith, he believed, was a system. All of its parts

link together, a luxury of no other philosophy. His stance shows a Christianity that is in fact intellectual, not relying on appeals to emotion or experience. In propounding this view, he encountered frequent opposition, not from the secular world, but from within his own denomination. This biography helps explain why his thought was so profound, why resistance mounted against him, and how his struggles impacted American Presbyterianism. Additionally, this book calls for a reappraisal of Clark's views, which have been maligned by controversy. Understanding and applying his views could significantly fortify Christians combating irrational and non-systematic ideas prevalent in today's churches. The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

**The Gathering Storm** Multnomah  
Just hours before his betrayal and arrest, Jesus offered his famous High Priestly Prayer—one of the most intimate moments between Christ and his Father recorded in Scripture. John 17 has thus greatly encouraged Christians for millennia as it boldly affirms our connection to Christ. In this masterful, verse-by-verse exposition of Jesus's words, renowned Bible teacher and preacher Dr. Martyn Lloyd-Jones lays before us the richness, the depth, the wonder—and the assurance—of God's plan of salvation.

**The Ancient Secret of the Only Prayer in the Bible Written by God Himself** Thomas Nelson

"If your soul is dry and your prayers are dead, here is living water to revive and refresh you." — David Murray Jesus's ministry on earth as a human was marked by a devotion to prayer. Through his prayer life, we see what it means to truly depend on God. Examining all of Jesus's prayers recorded in the New Testament, this book reflects on the content and structure of the Son of God's words to his Father— helping us imitate his example as we commune with our heavenly Father as adopted sons and daughters in Christ. "Be wrong about social security, be wrong about baseball, be wrong about your career choice, but don't be wrong about where you will spend eternity." How You Can Be Sure You Will Spend Eternity with God—it's a big promise, but this short book delivers. It answers a host of questions, such as: Will good deeds help me get into heaven? Who goes to heaven and who doesn't? What role do I have in my own salvation? Can I lose my salvation if I commit a serious sin? Is it wrong to doubt my salvation, and what should I do if I doubt? Dr. Lutzer takes many scriptural teachings and siphons them into clear, cohesive truths. The result is a concise, accessible book about how to be saved and be sure you are saved. It is straight gospel—applicable to the skeptic, newly saved, and long-time believer alike.

*A sermon on John xiii. 17 preach'd in Exeter, ... upon ... the death of the Reverend J. Peirce, etc* InterVarsity Press  
In 1951, with the Second World War not long over and the menace of the Cold War generating anxiety in the West, Martyn Lloyd-Jones preached eight sermons on

John 14:1-12 at Westminster Chapel in London. These sermons, presented in *Let Not Your Heart Be Troubled*, were intended to comfort, strengthen, and build up Christians in their "most holy faith" and to bring unbelievers to a knowledge of the only way men and women can face matters of life and death. Lloyd-Jones went through these verses carefully, showing that the way to deal with our fears is first to recognize and confront them and then to realize that the answer is only to be found in the great and unchanging truths of the gospel. Pastors, Lloyd-Jones readers, and anyone needing encouragement will benefit from this work by one of the twentieth century's foremost preachers.

In this study D. A. Carson illuminates Jesus's message to his disciples after the Last Supper, in which Jesus proclaims the coming of the Holy Spirit and prays for himself, his followers, and the world. D. A. Carson clearly explains what Jesus taught his disciples the night before his crucifixion. This exposition of John 14-17 helps students of the Bible appreciate Jesus's teaching on the coming and the work of the Holy Spirit, his high priestly prayer, and his commandment to love one another.

**Authorized King James Version** Multnomah

"It is our purpose to give a verse by verse exposition of the fourth Gospel in the course of this series of studies, but before turning to the opening verses of chapter 1 it will be necessary to consider John's Gospel as a whole, with the endeavor of discovering its scope, its central theme, and its relation to the other three Gospels. We shall not waste the reader's time by entering into a discussion as to who wrote this fourth Gospel, as to where John was when he wrote it, nor as to the probable date when it was written. These may be points of academic interest, but they provide no food for the soul, nor do they afford any help to an understanding of this section of the Bible, and these are the two chief things we desire to accomplish. Our aim is to open up the Scriptures in such a way that the reader will be able to enter into the meaning of what God has recorded for our learning in this part of His Holy Word, and to edify those who are members of the Household of Faith." Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan-like teachings. Though born to Christian parents, prior to conversion he migrated into a Theosophical society (an occult gnostic group popular in England during that time), and quickly rose in

prominence within their ranks. His conversion came from his father's patient admonitions from Scripture. It was the verse, Proverbs 14:12, 'there is a way which seemeth right unto a man, but the end thereof are the ways of death, ' which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus.

**The Gospel According to John** Baker Books

"Our Father, who art in heaven...." The opening words of the Lord's Prayer have become so familiar that we often speak them without a thought, sometimes without any awareness that we are speaking at all. But to the disciples who first heard these words from Jesus, the prayer was a thunderbolt, a radical new way to pray that changed them and the course of history. Far from a safe series of comforting words, the Lord's Prayer makes extraordinary claims, topples every earthly power, and announces God's reign over all things in heaven and on earth. In this groundbreaking new book, R. Albert Mohler Jr. recaptures the urgency and transformational nature of the prayer, revealing once again its remarkable, world-upending power. Step by step, phrase by phrase, *The Prayer That Turns the World Upside Down* explains what these words mean and how we are to pray them. The Lord's Prayer is the most powerful prayer in the Bible, taught by Jesus to those closest to him. We desperately need to relearn its power and practice. *The Prayer That Turns the World Upside Down* shows us how.

The Gospel written by the Beloved Disciple St. Augustine once said about the Gospel of John, that, "It is shallow enough for a child not to drown, yet deep enough for an elephant to swim in it." John contains the Bible's favorite verse - John 3:16. John's themes are essential to our understanding of Jesus as Son of God and Messiah. Here we learn about the Holy Spirit, the Counselor who lives within us to guide and empower us. We learn about the Father's love and eternal life. Some of the most beloved stories of Jesus' ministry are found only in the Fourth Gospel -- changing the water into wine, the woman at the well, the woman taken in adultery, raising Lazarus, washing the disciples' feet, and many more. In John's Gospel you find Jesus as the Bread of Life; the Light of the World; the Good Shepherd; the Way, the Truth, and the Life. John's Gospel is lengthy - 21 chapters, but rich and deep. Each chapter concludes with a summary of lessons for disciples to ponder. This study's helpful thought and discussion questions make it useful for personal enrichment and by small groups and classes. Extensive research contained in the footnotes makes it a goldmine for teachers and a boon to preachers involved in sermon preparation.

Pastor Robert Morris encourages readers to keep praying. Many people give up praying because they don't see results and feel discouraged or angry that their prayers haven't been heard. But Robert Morris reveals why it is so important not to stop—to never give up. This book provides hope and evidence for readers that God does hear their prayers, cares about them personally, and intervenes in their lives in ways beyond their imaginations. Bestselling author Robert Morris brings encouragement and compelling biblical

teaching on the topic of prayer. Reverend Morris is the senior pastor at Gateway Church, which has a congregation of more than 36,000 people.

Of the many works he wrote during 1848, his "richest and most fruitful year," Kierkegaard specified Practice in Christianity as "the most perfect and truest thing." In his reflections on such topics as Christ's invitation to the burdened, the imitatio Christi, the possibility of offense, and the exalted Christ, he takes as his theme the requirement of Christian ideality in the context of divine grace. Addressing clergy and laity alike, Kierkegaard asserts the need for institutional and personal admission of the accommodation of Christianity to the culture and to the individual misuse of grace. As a corrective defense, the book is an attempt to find, ideally, a basis for the established order, which would involve the order's ability to acknowledge the Christian requirement, confess its own distance from it, and resort to grace for support in its continued existence. At the same time the book can be read as the beginning of Kierkegaard's attack on Christendom. Because of the high ideality of the contents and in order to prevent the misunderstanding that he himself represented that ideality, Kierkegaard writes under a new pseudonym, Anti-Climacus. *A Discipleship Journey with Jesus* Wipf and Stock Publishers

Left Behind and Loving It is a cheeky

critique of popular writings about the end times. Rather than presenting a steroid-buffed Jesus wrapped in an American flag and "coming again in clouds of gunfire," Left Behind and Loving It invites readers to approach some of the most controversial and scary portions of the Scriptures with the utter confidence that "God's steadfast love endures forever." Rather than asserting a hope premised on a few chosen ones escaping the world, Left Behind and Loving It argues that if it is Jesus who is to return (and not his evil twin), then the second coming has redemption written all over it. Many today cannot accept the escapist, violent, end-of-the-world scenario envisioned by "Left Behind" theology. Left Behind and Loving It invites readers not to fear but to trust in God's steadfast love and look at the finitude of the world with hope in an infinitely loving God.

*Meditations of a Christian Hedonist* Moody Publishers

The president of Southern Seminary reveals how secularism has infiltrated every aspect of society and how Christians, equipped with the gospel of Jesus Christ, can meet it head on with hope, confidence, and steadfast conviction. A Storm Is Coming Western civilization and the Christian church stand at a moment of great danger. Facing them both is a hurricane-force battle of ideas that will determine the future of Western civilization and the soul of the Christian church. The forces arrayed against the West and the church are destructive ideologies, policies, and worldviews deeply established among intellectual elites, the political class, and our schools. More menacingly, these forces have also invaded the Christian church. The perils faced by the West and the church are unprecedented: threats to religious liberty redefinitions of marriage and family attacks on the sacredness and dignity of human life How should Christians respond to this multifaceted challenge? Addressing each dimension of this challenge, The Gathering Storm provides answers and equips Christians both to give an answer for the hope that is within them and to contend for the faith that was once and for all delivered to the saints.
