But I don't have a choice. For thirteen days, I have to survive in his mountainous maze of crooked bridges, deceptive stairways, and devious inhabitants. Refuse, and my sisters will suffer as punishment. Rule #3: Never fall for the enemy. I should have known my sexy captor wouldn't play fair. Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her

temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

Perfect for fans of Sarah J. Maas and Leigh Bardugo, *Spindle Fire* is an enthralling, wholly original reimagining of a classic faerie story. Half sisters Isabelle and Aurora are polar opposites: Isabelle is the king's headstrong illegitimate daughter, whose sight was tithed by faeries; Aurora, beautiful and sheltered, was tithed her sense of touch and voice on the same day. Kirian and I were just twelve years old when I pulled him from the icy waters of the creek behind my house. As he looked in my direction with unseeing lavender eyes, I quickly realized our age was just about the only thing we had in common. He spoke with an accent, he had pointy ears, and he was so beautiful it made my heart ache. Oh, and he claimed to be a fae prince cursed by witches who stole his sight. I thought he was crazy from hypothermia. Turns out, he wasn't, and for some reason he keeps coming back. But a day in my world is a year in his. Every time I see him, he's older. Wiser. Hotter. Over the past six years, I've tried not to fall in love with him because the terms of the curse are clear: If he doesn't wait for his fated mate in all ways, including an innocent (or not-so-innocent) kiss, he'll be blind

forever. So when Kirian kisses me and pulls me through the portal to his realm, I make it my mission to do some damage control. It'd be a whole lot easier if he wasn't determined to marry me... And if someone wasn't trying to murder me every step of the way.

My one piece of advice: Never kiss a stranger. See, I kind of kissed this sexy man at the bar on a dare once, and it turns out he's a Royal Fae destined to be my mate. Now I've been dragged to the Elemental Fae Academy to control the powers I unlocked that night. So kissing? Yeah, that won't happen again. Nope. Lesson learned. Except, I kind of kissed Titus, too. And well, now, I'm in a world of trouble. I keep burning things down, flooding dorms, and I've attracted the campus mean girl brigade. This Fae Realm is a nightmare come to life. Truly. But there are dreams here, too. Sexy ones. And they're in the form of five Elemental Fae mentors. They're supposed to help me control my powers, but who's going to keep the elements from controlling me? Note: This is a medium burn reverse harem paranormal romance, and book one of the Elemental Fae Academy trilogy.

What do sexy fae lords, a vampire assassin, and a mysterious castle have in common? Yours truly. Yeah no, I did not plan this. When my bestie and I opened a fabulous bakery, I planned to live a long life shoving pumpkin muffins into my face hole and working them off during my self-defense class. But when a castle full of ridiculously gorgeous immortals showed up on the ley line running through my small town outside Nashville, my life changed. A lot. Like a lot, a lot. Because of an ancient curse, the immortals can't leave the castle without turning to ash. But when the most powerful fae lord uses his seductive power to lure me close, to psychically feed on my aura, he successfully steps out of the castle for the first time. Now the fae want all of my supposedly special blood to break the curse. Until I can somehow shove the immortals back into whatever magical hole they crawled out of, my life is forfeit. I have a plan. But said plan didn't account for the insane feelings I'm starting to have for the alpha of the group... FAE CURSE is the steamy first book in the Yew Queen Trilogy, and it's perfect for KF Breene, Laura Thalassa, Annette Marie, Linsey Hall, and CN Crawford fans! If you like fated mates, enemies-to-lovers, snarky heroines, hot vampires, and seductive fae, then click to buy and begin this fantastical new series today!
