---

A Novel Random House  
A “wonderfully twisted meditation on identity and individuality” from a Nobel Prize-winning

author who pushes fiction to its very limits (The Boston Globe). As this novel by the author of *Blindness* and *All the Names* begins, Tertuliano Máximo Afonso is a divorced, depressed history teacher. To lift

his spirits, a colleague suggests he rent a certain video. Tertuliano watches the film, unimpressed. But during the night, when he is awakened by noise, he finds the VCR replaying the video and watches in astonishment as a man who looks exactly like him—or, more specifically, exactly like he did five years earlier, mustachioed and fuller in the face—appears on the screen. Against his own better judgment, Tertuliano decides to pursue his double. As he roots out the man's identity, what begins as a whimsical chase becomes a probing investigation into what makes us human. Can we be reduced to our outward appearance, rather than the sum of our experiences? The

inspiration for the film *Enemy* starring Jake Gyllenhaal and directed by Denis Villeneuve, *The Double* is a timeless novel from a writer John Updike described in *The New Yorker* as “like Faulkner, so confident of his resources and ultimate destination that he can bring any impossibility to life by hurling words at it.” “It’s tempting to think of [The Double] as his masterpiece.” —*The New York Times*  
Translated from the Portuguese by Margaret Jull Costa  
*Six Steps to Success*  
New York Review of Books  
A proofreader realizes his power to edit the truth on a whim, in a “brilliantly original” novel by a Nobel Prize winner (Los Angeles Times Book Review).

Raimundo Silva is a middle-aged, celibate clerk, proofing manuscripts for a respectable publishing house. Fluent in Portuguese, he has been assigned to work on a standard history of the country, and the twelfth-century king who laid siege to Lisbon. In a moment of subversive daring, Raimundo decides to change just one single word of text—a capricious revision that completely undoes the past. When discovered, his insolent disregard for facts appalls his employers—save for his new editor, Maria Sara. She suggests that Rainmundo take his transgressions even further. Through Rainmundo and Maria’s eyes, what transpires is an alternate view of history and a colorful

reinvention of a debatable truth. It’s a serpentine journey through time where past and present converge, fact becomes myth, and fiction and reality blur—especially for Rainmundo and Maria themselves, who begin to find themselves erotically drawn to each other. “Walter Mitty has nothing on Raimundo Silva . . . this hypnotic tale is a great comic romp through history, language and the imagination.”

—Publishers Weekly  
Translated by Giovanni Pontiero

*A Step-by-Step Guide for Students* Corwin Press

As the country goes through various political upheavals from colony to socialist republic to civil war to peace and capitalism,

the world outside seeps into Ludo's life through snippets on the radio, voices from next door, glimpses of someone peeing on a balcony, or a man fleeing his pursuers. *A General Theory of Oblivion* is a perfectly crafted, wild patchwork of a novel, playing on a love of storytelling and fable.

*A Practical and Comprehensive Guide to Planning, Writing, and Defending Your Dissertation* Duke University Press

An unassuming family struggles to keep up with the ruthless pace of progress in “a genuinely brilliant novel” from a Nobel Prize winner (Chicago Tribune). A Los Angeles Times Best Book of the Year and a New York Times Notable Book  
Cipriano Algor, an

elderly potter, lives with his daughter Marta and her husband Marçal in a small village on the outskirts of The Center, an imposing complex of shops, apartments, and offices. Marçal works there as a security guard, and Cipriano drives him to work each day before delivering his own humble pots and jugs. On one such trip, he is told not to make any more deliveries. People prefer plastic, apparently. Unwilling to give up his craft, Cipriano tries his hand at making ceramic dolls. Astonishingly, The Center places an order for hundreds, and Cipriano and Marta set to work—until the order is cancelled and the penniless trio must move from the village into The Center. When

mysterious sounds of digging emerge from beneath their new apartment, Cipriano and Marçal investigate; what they find transforms the family's life, in a novel that is both "irrepressibly funny" (The Christian Science Monitor) and a "triumph" (The Washington Post Book World). "The struggle of the individual against bureaucracy and anonymity is one of the great subjects of modern literature, and Saramago is often matched with Kafka as one of its premier exponents. Apt as the comparison is, it doesn't convey the warmth and rueful human dimension of novels like *Blindness* and *All the Names*. Those qualities are particularly evident in his latest brilliant, dark

allegory, which links the encroaching sterility of modern life to the parable of Plato's cave . . . [a] remarkably generous and eloquent novel."

—Publishers Weekly  
Translated from the Portuguese by Margaret Jull Costa

**James Joyce in Russian Literature**

Soho Press

This sweet celebration of the magic and wonder of books will delight readers of all ages through André Letria's whimsical illustrations of a book as a kite, a tent, a ship, and more are paired with José Jorge Letria's thoughtful musings on the joys of reading. In the hands of this internationally acclaimed father-and-son duo, a book becomes a mountaintop with a

spectacular vista ("If I were a book, I'd be full of new horizons"), and an endless staircase of imagination ("If I were a book, I would not want to know at the beginning how my story ends").

Seamlessly weaving together art and prose, this petite tribute to a reader's best friend makes a timeless addition to every bookshelf.

### **The History of the Siege of Lisbon**

HarperCollins

Revealing glimpses of the Philippine Revolution and the Filipino writer Jose Rizal emerge despite the worst efforts of feuding academics in Apostol's hilariously erudite novel, which won the Philippine National Book Award. Gina Apostol's riotous second novel takes the

form of a memoir by one Raymundo Mata, a half-blind bookworm and revolutionary, tracing his childhood, his education in Manila, his love affairs, and his discovery of writer and fellow revolutionary, Jose Rizal. Mata's 19th-century story is complicated by present-day foreword(s), afterword(s), and footnotes from three fiercely quarrelsome and comic voices: a nationalist editor, a neo-Freudian psychoanalyst critic, and a translator, Mimi C. Magsalin. In telling the contested and fragmentary story of Mata, Apostol finds new ways to depict the violence of the Spanish colonial era, and to reimagine the nation's great writer, Jose Rizal, who was executed by

the Spanish for his revolutionary activities, and is considered by many to be the father of Philippine independence. The Revolution According to Raymundo Mata offers an intoxicating blend of fact and fiction, uncovering lost histories while building dazzling, anarchic modes of narrative.

WINNER OF THE PULITZER PRIZE • NEW YORK TIMES BESTSELLER • The epic, beloved novel of two boy geniuses dreaming up superheroes in New York's Golden Age of comics, now with special bonus material by the author—soon to be a Showtime limited series “It's absolutely gosh-wow, super-colossal—smart, funny,

and a continual pleasure to read.”—The Washington Post Book World Named one of the 10 Best Books of the Decade by Entertainment Weekly • Finalist for the PEN/Faulkner Award, National Book Critics Circle Award, and Los Angeles Times Book Prize A “towering, swash-buckling thrill of a book” (Newsweek), hailed as Chabon's “magnum opus” (The New York Review of Books), The Amazing Adventures of Kavalier & Clay is a triumph of originality, imagination, and storytelling, an exuberant, irresistible novel that begins in New York City in 1939. A young escape artist and budding magician named Joe Kavalier arrives on the doorstep

of his cousin, Sammy Clay. While the long shadow of Hitler falls across Europe, America is happily in thrall to the Golden Age of comic books, and in a distant corner of Brooklyn, Sammy is looking for a way to cash in on the craze. He finds the ideal partner in the aloof, artistically gifted Joe, and together they embark on an adventure that takes them deep into the heart of Manhattan, and the heart of old-fashioned American ambition. From the shared fears, dreams, and desires of two teenage boys, they spin comic book tales of the heroic, fascist-fighting Escapist and the beautiful, mysterious Luna Moth, otherworldly mistress of the night. Climbing

from the streets of Brooklyn to the top of the Empire State Building, Joe and Sammy carve out lives, and careers, as vivid as cyan and magenta ink. Spanning continents and eras, this superb book by one of America's finest writers remains one of the defining novels of our modern American age. Winner of the Bay Area Book Reviewers Award and the New York Society Library Book Award

The Book of Lost Saints  
SAGE Publications

This guide to conducting literature reviews includes strategies for defining the research question, using search tools and managing citations, and ensuring an unbiased summary of existing research.

Dusk David R.

Krathwohl  
 Doing a Literature Search provides a practical and comprehensive guide to searching the literature on any topic within the social sciences. The book will enable the reader to search the literature effectively, identifying useful books, articles, statistics and many other sources of information. The text will be an invaluable research tool for postgraduates and researchers across the social sciences.

A Novel SAGE

Publications

This Second Edition of Diana Ridley's bestselling guide to the literature review outlines practical strategies for reading and note taking, and guides the reader on how to conduct a

systematic search of the available literature, and uses cases and examples throughout to demonstrate best practice in writing and presenting the review. New to this edition are examples drawn from a wide range of disciplines, a new chapter on conducting a systematic review, increased coverage of issues of evaluating quality and conducting reviews using online sources and online literature and enhanced guidance in dealing with copyright and permissions issues.

*A Quick Guide to Success* Houghton Mifflin Harcourt

This useful guide educates students in the preparation of literature reviews for term projects, theses, and dissertations. The

authors provide numerous examples from published reviews that illustrate the guidelines discussed throughout the book. ? New to the seventh edition: ? Each chapter breaks down the larger holistic review of literature exercise into a series of smaller, manageable steps Practical instructions for navigating today's digital libraries Comprehensive discussions about digital tools, including bibliographic and plagiarism detection software Chapter activities that reflect the book's updated content New model literature reviews Online resources designed to help instructors plan and teach their courses ([www.routledge.com/9780415315746](http://www.routledge.com/9780415315746)).

### The Dissertation

Journey Taylor & Francis

This user-friendly book provides a step-by-step guide to using the five major approaches to research design: quantitative, qualitative, mixed methods, arts-based, and community-based participatory research. Chapters on each approach follow a unique format--they present a template for a research proposal and explain in detail how to conceptualize and fill in every section. Terminology commonly used within each approach is identified, and key moments of ethical decision making are flagged. Interdisciplinary research examples draw on current events and social justice

topics. Unique coverage includes hot topics: replication studies and data sharing, tailoring proposals to different audiences, and more. The book also includes a general introduction to social research; an in-depth, practical discussion of ethics; and a chapter on how to begin a research study, from planning a topic to developing a research question via a literature review. □

Pedagogical Features

\*Multiple "Review Stops" in each chapter-quick quizzes with answer keys. \*End-of-chapter writing exercises, research activities, and suggested resources. \*Bold-face key terms and an end-of-book glossary. \*Boxed tips from experts in the respective approaches.

\*Supplemental PowerPoint slides for instructors using the book in a class. □ □

### **The Amazing Adventures of Kavalier & Clay (with bonus content)**

Routledge

This book is designed to help you achieve one specific goal. It's not designed to give you the philosophies of conducting research. It's not designed to give you a background in a specific academic discipline or a specific topic. It's not designed to give you theory. It's designed specifically to instruct you in the practicalities of the writing process used to create strong, thorough, and potentially bulletproof literature reviews. This book is the culmination of years of research experience. It's also

the culmination of several years of teaching writing and critical thinking to doctoral students. Although it began as a tool for doctoral students, it has been expanded to be useful for everyone from senior high school students through doctoral candidates working on developing their first literature review or a larger literature review than they normally develop. It has been created for everyone from academics to new business entrepreneurs with good ideas who are trying to write their first reviews to support the new idea they're proposing.

*If I Were a Book*

Routledge

- Designed for students who will be writing research

proposals, reports, theses, and dissertations. • The 15 chapters cover 191 guidelines for effective scientific writing. The guidelines are fully illustrated with easy-to-follow examples. • The guidelines describe the types of information that should be included, how this information should be expressed, and where various types of information should be placed within a research report. • End-of-chapter questions help students master the writing process.

**A Memoir** Chronicle Books

The go-to guide to completing a thorough, well-organized, and effective lit review!

This new edition of the best-selling book offers graduate students in education and the

social sciences a road map to developing and writing an effective literature review for a research project, thesis, or dissertation. Updated with key vocabulary words, technology advice, and tips for writing during the early stages, the second edition takes students step by step through the entire process: Selecting a topic Searching the literature Developing arguments Surveying the literature Critiquing the literature Writing the literature review

The Literature Review  
SAGE Publications

Nobel Prize-winner Jose Saramago's brilliant new novel poses the question -- what happens when the grim reaper decides there will be no more death? On the first day of the new year, no one dies.

This of course causes consternation among politicians, religious leaders, morticians, and doctors. Among the general public, on the other hand, there is initially celebration—flags are hung out on balconies, people dance in the streets. They have achieved the great goal of humanity: eternal life. Then reality hits home—families are left to care for the permanently dying, life-insurance policies become meaningless, and funeral parlors are reduced to arranging burials for pet dogs, cats, hamsters, and parrots. Death sits in her chilly apartment, where she lives alone with scythe and filing cabinets, and contemplates her experiment: What if no

one ever died again?  
What if she, death with  
a small d, became  
human and were to fall  
in love?

Telling a Research

Story: Writing a

Literature Review is

concerned with the

writing of a literature

review and is not

designed to address

any of the preliminary

processes leading up

to the actual writing of

the literature review.

This volume represents

a revision and

expansion of the

material on writing

literature reviews that

appeared in English in

Today's Research

World. This volume

progresses from

general to specific

issues in the writing of

literature reviews. It

opens with some

orientations that raise

awareness of the

issues that surround

the telling of a

research story. Issues

of structure and

matters of language,

style, and rhetoric are

then discussed.

Sections on

metadiscourse,

citation, and

paraphrasing and

summarizing are

included.

**The Cave** SAGE

All Future Plunges to

the Past explores how

Russian writers from

the mid-1920s on have

read and responded to

Joyce's work. Through

contextually rich close

readings, José Vergara

uncovers the many

roles Joyce has

occupied in Russia over

the last century,

demonstrating how the

writers Yury Olesha,

Vladimir Nabokov,

Andrei Bitov, Sasha Sokolov, and Mikhail Shishkin draw from Joyce's texts, particularly *Ulysses* and *Finnegans Wake*, to address the volatile questions of lineages in their respective Soviet, émigré, and post-Soviet contexts. Interviews with contemporary Russian writers, critics, and readers of Joyce extend the conversation to the present day, showing how the debates regarding the Irish writer's place in the Russian pantheon are no less settled one hundred years after *Ulysses*. The creative reworkings, or "translations," of Joycean themes, ideas, characters, plots, and styles made by the five writers Vergara examines speak to shifting cultural norms,

understandings of intertextuality, and the polarity between Russia and the West. Vergara illuminates how Russian writers have used Joyce's ideas as a critical lens to shape, prod, and constantly redefine their own place in literary history. All *Future Plunges to the Past* offers one overarching approach to the general narrative of Joyce's reception in Russian literature. While each of the writers examined responded to Joyce in an individual manner, the sum of their methods reveals common concerns. This subject raises the issue of cultural values and, more importantly, how they changed throughout the twentieth century in

the Soviet Union, Russian emigration, and the post-Soviet Russian environment.

### **Colonel Lágrimas**

Modern Library

This engaging guide by bestselling author Bryan Greetham takes students step-by-step through the process of writing a literature review, and equips them with practical strategies to help them navigate each stage. Each bite-sized chapter focuses on a specific aspect of the process, from generating ideas and pinning down the research problem through to searching for sources, citing references and planning, writing and editing the review. Chapters feature examples and exercises to help students apply ideas to their own work.

Whether your students are writing a stand-alone review or one that is part of a dissertation or thesis, this guide is their essential companion. Blindness Penguin  
John Steinbeck wrote *The Grapes of Wrath* during an astonishing burst of activity between June and October of 1938. Throughout the time he was creating his greatest work, Steinbeck faithfully kept a journal revealing his arduous journey toward its completion. The journal, like the novel it chronicles, tells a tale of dramatic proportions—of dogged determination and inspiration, yet also of paranoia, self-doubt, and obstacles. It records in intimate detail the conception

and genesis of The Grapes of Wrath and its huge though controversial success. It is a unique and

penetrating portrait of an emblematic American writer creating an essential American masterpiece.
