When David Shannon was five years old, he wrote and illustrated his first book. On every page were these words: NO, DAVID! . . . and a picture of David doing things he was not supposed to do. Now David is all grown up. But some things never change. . . . Over fifteen years after its initial publication, NO, DAVID! remains a perennial household favorite, delighting children, parents, and teachers alike. David is a beloved character, whose unabashed good humor, mischievous smile, and laughter-inducing antics underline the love parents have for their children--even when they misbehave.

But even after those silly little monkeys scrub themselves clean, they find a way to get mucky all over again. Toddlers will giggle over the wild monkey antics, rhyming refrains, and expressive, up-close monkey art in this brand-new ebook.

[Five Little Monkeys Wash the Car](#) Houghton Mifflin Harcourt

Five little monkeys jumping on the bed! One fell off and bumped his head! This is a picture book based on the music video from Wampadoo Kids Songs (available on YouTube). This book is a great way to limit screen time while children still enjoy the songs and pictures from the videos. You can even read it gently and use it as a bedtime story! Every page uses a frame from our video and displays the lyrics in large, easy to read text. The book also includes a coloring book section where your children can add their own artistic touches to the pictures. The Five Little Monkeys Jumping on the Bed book is great for babies and toddlers who will enjoy looking at the pictures. Young children will enjoy singing the songs and even learning to read along with words they have known for years. And kids of all ages will enjoy singing the songs with their parents. All our videos and books take place in the small town of Wampadoo, nestled within ice cream scoop-like rolling hills. The houses are very colorful, generally cylindrical in shape. The town is populated by animals. There is a family of cats (including three little kittens with very cute mittens), a horse who drives a bus (and longs to be the captain of a ship), five little monkeys who love to jump on beds (one of whom is an aspiring rock star), a lion who reads books about how to fly planes, a frog that dreams of swimming with dolphins, two pigs who dream of starting a family, and a wily green bird who loves to torment the bus-driving horse. We are developing this series of books using our library of videos (available on YouTube). The list of videos currently includes: The Wheels on the Bus, File Little

Monkeys, Twinkle, Twinkle, Little Star, Ten In The Bed, The Finger

Family, Numbers One to Ten, ABC The Alphabet Song, Colors and

Letters in Space. Here are the lyrics we use in this book: Five little

monkeys jumping on the bed. One fell off and bumped his

head. Mama called the doctor and the doctor said, No more

monkeys jumping on the bed. Four little monkeys jumping on the

bed. One fell off and bumped his head. Mama called the doctor and

the doctor said, No more monkeys jumping on the bed. Three little

monkeys jumping on the bed. One fell off and bumped his

head. Mama called the doctor and the doctor said, No more

monkeys jumping on the bed. Two little monkeys jumping on the

bed. One fell off and bumped his head. Mama called the doctor and

the doctor said, No more monkeys jumping on the bed. One little

monkey jumping on the bed. She fell off and bumped her

head. Mama called the doctor and the doctor said, No more

monkeys jumping on the bed.
