[A Vampire Princess Novel](#)
Penguin

Vampire queen Betsy Taylor is back—and there's going to be hell to pay... After her recent trip to hell, Betsy isn't exactly sorry she killed the devil, even though it's put her sister Laura in a damnable position: forced to assume the role of Satan—she may not have the training, but she sure looks great in red—and in charge of billions of souls now that she's moved up in the world. Or is that down? But Betsy's in an odd new situation as well—that of being a monarch suddenly in charge of all things earthbound, like her husband, Sinclair, who has gone from relieved to ecstatic to downright reckless now that he can tolerate sunlight. As if that wasn't enough, Betsy and Sinclair's adopted little BabyJon is finally starting to walk. And if the increasingly unpredictable toddler is anything like his extended family, precisely where he's headed is anyone's guess.

Vampire Queen Betsy

Taylor continues her rule in Hell in the scorchingly funny finale to the Undead series from New York Times bestselling author Maryjanice Davidson. It had been a well-kept secret for centuries, but now the existence of vampires is all over the news, thanks to Betsy Taylor's half sister (and the frustrated former Antichrist), Laura. Life for the undead will never be the same, and it's up to Betsy to do some damage control. But her interview on the local news doesn't exactly put out the fire. It more or less pours kerosene on it. With all the added attention on supernatural beings, the werewolves are more than a little agitated (never a good thing) and demand that Betsy gets her interview skills, and her family, in order. And while things go from bad to worse in the world, Hell continues to be hell—especially when Betsy's new parole program becomes about as complicated as you'd expect. With a PR team launching a vampire-friendly campaign, the devil at large and out to make trouble, and mermaids on hand to see who falls—and how hard—the end isn't just near. It's here. And if

anyone knows how to go out with a bang, it's the queen of Hell.

A Queen Betsy Novel
Penguin

When the vampire tribes convene for the rare Blood Moon ceremonies, family secrets and forbidden magic put all of the Drakes in danger. Nicholas is caught between saving his little sister, Solange, or his girlfriend, Lucy. Who will he choose?

*Undead and
Unappreciated* Penguin

Three novellas featuring supernatural heroines, including "Incomer," in which werewolf pack leader Lara Wyndham must guide her pack to safety during a riot while fending off the advances of Jack Gardner.

**The Women Who Ruled
England Before**

Elizabeth A&C Black
Betsy the vampire queen is faced with the trials and tribulations of the holiday season, as she struggles to cope with a half-sister who is the devil's daughter, an evil stepmother, a fiend living in her basement, killers and spirits running amok, and a spring wedding to plan with her one-time nemesis, Eric Sinclair. Reprint.

[Picked to Die](#) Penguin
Meet the women of

Mysteria—and the creatures they fall for—in four stories of paranormal passion from four New York Times bestselling authors. Located in the picturesque mountains of Colorado, Mysteria is a place where the supernatural co-exists with the natural. It's a town of bewitching seduction, dark magic, and sensual demons... In Maryjanice Davidson's "Alone Wolf," Charlene Houtenan is the voluptuous local realtor, who knows a hot property when she sees one. And when a new werewolf appears in town, she's going to make a move he can't resist... In P. C. Cast's "Candy Cox and the Big Bad (Were) Wolf," Candice Cox may be Mysteria High's sexiest teacher, but after five husbands, she's burnt out on romance. Until a former student—a drool-worthy werewolf—makes her howl at the moon... In Gena Showalter's "The Witches of Mysteria and the Dead Who Love Them," Genevieve Tawdry is a witch with a bad case of unrequited love for the owner of the local bar. But is his sudden change of heart the result of a love potion—or a literally breathtaking passion? In Susan Grant's "Mortal in

Mysteria," Harmony Faithfull is the new minister in town. She's having a crisis of faith—in herself—until she finds a buck-naked man in her garden, a former demon who unleashes the devil inside her...

Undead and Unwary

Penguin

Fresh meat! From a hospital of horrors to a runaway zombie train, it's an all-new onslaught of the slavering undead in the sequel to Kirsty McKay's killer debut! Just when you think you're out...it's the morning after the night of the return of the living dead. Or something like that. After running/bus-driving/snowboarding for her life alongside rebel Smitty, geeky Pete, and popular Alice, Bobby thought she'd found the antidote to the Carrot Man Veggie Juice that had turned the rest of their classmates into zombies.

When Smitty

(mmm...nom, nom) got chomped, Bobby pumped a syringe full of it into him herself. But now Bobby's a prisoner in some hospital of horrors, with no clue how she got there. And Smitty is missing. What if he isn't cured after all? Bobby knows she's got to find him, even if it means facing Scotland's hungry

hordes -- plus Alice's buckets of snark -- again. And this time, zombies aren't the only evil stressing her out. The brain-dead are bad enough, but how can Bobby stop the big pharma business behind the epidemic? Especially when her own mom works for the company?

The Incredible Misadventures of Boo and the Boy Blunder
Sourcebooks, Inc.

As the clans gather for the coronation of the next vampire queen, new alliances are beginning to form and the power of the clan leaders is threatened by a would-be usurper.
Undead and Unreturnable
Penguin

First Betsy Taylor loses her job, then she's killed in a car accident. But what really bites is that she can't seem to stay dead. And now her new friends have the ridiculous idea that Betsy is the prophesied vampire queen, and they want her help in overthrowing the most obnoxious power-hungry vampire in five centuries.

Undead and Unwary
Penguin

The Future of the Mind
OUP Oxford

As Fred the Mermaid tries

to fit in with her own kind, she finds herself hooked on both Artur, the High Prince of the undersea realm, and Thomas, a hunky marine biologist. She's also caught between two factions of merfolk: those happy with swimming under the radar-and those who want to bring their existence to the surface.

The Cosmic Quest for the Theory of the Universe

Penguin

All-new in the New York Times bestselling drop-dead funny series.

Vampire Queen Betsy Taylor thought she couldn't die. So what's she doing in the morgue? It could have something to do with a time-traveling trip she made, and a foe with a wicked agenda that could finally be the real death of Betsy-if she's not careful.

Unfed Bloomsbury Publishing USA

As her birthday approaches, vampire queen Betsy Taylor finds herself playing politics with a group of European vampires who have come to pay their respects and coping with her reluctant fiancê Eric, who is trying to dodge wedding plans.

Undead and

Undermined Penguin

Presents a compilation of paranormal romance

novels about a gorgeous but irritable mermaid who must decide between a marine biologist and a sea prince.

Undead and Unworthy

Bloomsbury Publishing USA

We're not dating, we've never been dating, we're not going to hook up, no way, absolutely not...oh.

Oops. My primary focus has always been taking care of were-babies in the interspecies foster care system. I am

unapologetically a fierce mama bear shifter and I am completely united with my team behind protecting at-risk were-children. So I have no idea why the appealing scruffy bear shifter PI David

Auberon keeps hanging around, asking for sweets, and being charming and flirty. I've certainly got no time for shy solitary bears who can't ask for what they want. But what am I

to do when a hideous bad guy shows up and I need to rescue a were-baby, except call on the skills of the handsome and growly PI? And if dodging

enemies puts us in a tight spot...well, I'm not against tight spots. Praise for MaryJanice Davidson:

"Slow-burn sexual tension and playful paranormal elements make this

hilarious, sizzling romance

perfect for fans of Kresley Cole's Immortals After Dark series."—Publishers Weekly STARRED REVIEW "Davidson is in peak form in this hilarious, sexy, and heartfelt paranormal romance" —Booklist STARRED REVIEW

A Queen Betsy Novel

Berkley Trade

After learning the devastating reason why vampire hunk Eric Northman has been cooling on their

relationship, clairvoyant waitress Sookie

Stackhouse becomes embroiled in a shocking

murder that sends all of Bon Temps reeling in the final novel of the best-selling series. Reprint.

750,000 first printing. *Out for Blood* Keeper Shelf Books

An authoritative survey of current groundbreaking research into the human mind reveals how top international laboratories have innovated unique technologies for recording profound mental capabilities and enabling controversial opportunities in the field of cognition enhancement.

A History of the Vampire in Popular Culture Penguin

"Helen Castor has an exhilarating narrative gift. . . . Readers will love this book, finding it wholly

absorbing and rewarding.” —Hilary Mantel, Booker Prize-winning author of *Wolf Hall* In the tradition of Antonia Fraser, David Starkey, and Alison Weir, prize-winning historian Helen Castor delivers a compelling, eye-opening examination of women and power in England, witnessed through the lives of six women who exercised power against all odds—and one who never got the chance. Exploring the narratives of the Empress Matilda, Eleanor of Aquitaine, Isabella of France, Margaret of Anjou, and other “she-wolves,” as well as that of the Nine Days' Queen, Lady Jane Grey, Castor invokes a magisterial discussion of

how much—and how little—has changed through the centuries. *Green Rider* Penguin Our enduring love of vampires - the bad boys (and girls) of paranormal fantasy - has persisted for centuries. Despite being bloodthirsty, heartless killers, vampire stories commonly carry erotic overtones that are missing from other paranormal or horror stories. Even when monstrous teeth are sinking into pale, helpless throats - especially then - vampires are sexy. But why? In *A History Of The Vampire In Popular Culture*, author Violet Fenn takes the reader through the history of vampires in 'fact' and fiction, their origins in mythology and literature

and their enduring appeal on TV and film. We'll delve into the sexuality - and sexism - of vampire lore, as well as how modern audiences still hunger for a pair of sharp fangs in the middle of the night.
