[How To Read A Poem](#) Barnes & Noble Publishing

This comprehensive book is the definitive reference on literature and literary criticism in English. This easy to use, alphabetically arranged reference source covers over 2,000 terms, including those from computing and information management as well as film, radio, TV, printing, linguistics, music, graphic arts, and classical studies.

Beowulf Macmillan + ORM

He comes out of the darkness, moving in on his victims in deadly silence. When he leaves, a trail of blood is all that remains. He is a monster, Grendel, and all who know of him live in fear. Hrothgar, the king of the Danes, knows something must be done to stop Grendel. But who will guard the great hall he has built, where so many men have lost their lives to the monster while keeping watch? Only one man dares to stand up to Grendel's fury --Beowulf.

Beowulf Yale University Press

Literary scholar, professor, and poet J. Lesslie Hall is best known for his 1897 translation of the Old English epic poem "Beowulf." The story focuses on the titular character of Beowulf, a Scandinavian hero who comes to the aid of the Danes to save their land from a human-demon monster named Grendel. After defeating Grendel, Beowulf must then kill Grendel's mother. He returns to Scandinavia with more fame and accord and eventually becomes king. Then fifty years later, a dragon attacks his kingdom, and the hero must fight once again to defend his title and his honor. What makes "Beowulf" a lasting classic is its depiction of Norse traditions and culture. The people have strong connections inherent within a kinship society; if someone was killed it was the family's duty to exact justice or receive payment for the death. "Beowulf" also shows an interesting dichotomy between the Norse pagan religion of when the story is set versus the monotheistic Christian storytellers who likely first related the tale during the Middle Ages. Many scholars debate the epic poem's true stance on religion, but the tale gives an accurate depiction of how paganism deteriorated as monotheism flourished. A classic of Anglo-Saxon literature, "Beowulf" remains one

of the greatest epic poems ever written. This edition is printed on premium acid-free paper, includes an introduction by Kemp Malone, and a preface and annotations by the translator, J. Lesslie Hall.

Beowulf W. W. Norton & Company

An introductory text that is both an anthology of over 200 poems and a comprehensive exploration of the form. Over 100 poets featured; those most widely represented include Blake, Byron, Cummings, Dickinson, Donne, Alan Dugan, Frost, Louise Gluck, George Herbert, Keats, Pope, Pound, Shakespeare, Wordsworth, and Yeats.

A Handbook to Literature Laurel Leaf

A translation into contemporary English prose, aiming to bring out the poetic virtues of a primary epic: its construction, plot, and narrative interest. Anglo-Saxon epic relating adventures of a brave warrior and his men who struggle against monsters.

Beowulf & Grendel Bethlehem Books

New York Times bestselling author Maria Dahvana Headley presents a modern retelling of the

literary classic *Beowulf*, set in American suburbia as two mothers—a housewife and a battle-hardened veteran—fight to protect those they love in *The Mere Wife*. This modern fantasy tale transports you from the ancient mead halls of the Geats to the picket-fenced, meticulously planned community of American suburbia, known as Herot Hall. In the expert hands of Maria Dahvana Headley, this vibrant retelling underscores the timeless struggle between the protected and the outsiders. Enter the confines of Herot Hall, a gated community sequestered from the wild surroundings by sophisticated security systems. Here, life is a series of cocktail hours and playdates for Willa, the charming wife of Herot's heir, and her son Dylan. Meanwhile, deep in a nearby mountain cave lives Dana, a hardened soldier and mother of Gren, a child of mysterious origin. Their worlds collide in a shocking turn of events when Gren breaks into Herot Hall and escapes with Dylan. A brilliant literary novel that effortlessly melds modern literature with ancient mythology, *The Mere Wife* is a captivating testament to unintended consequences, the brutality of PTSD, and the enduring power of motherhood.

Poems and Prose from the Old English Penn State Press

Presents a new translation of the Anglo-Saxon epic chronicling the heroic adventures of Beowulf, the Scandinavian warrior who saves his people from the ravages of the monster Grendel and Grendel's mother.

[The Essential Horace](#) Courier Corporation

Enhancing Heaney's masterful bestselling translation of this classic Old English poem, Niless illustrations help modern-day readers visualize the story by bringing it to life.

[Beowulf](#) Young Reading Series 3

A new translation of poems by the Latin writer focuses on the disintegration of a civilization and the gradual disappearance of freedom

[How to Read a Poem](#) Manchester University Press

Dick Ringler's deceptively simple translation captures the rhythm, movement, and power of the original Old English poem while employing a fluid modern English style and a relatively spare vocabulary. His generous Introduction, a lively yet masterly guide to the work, along with his translations of three shorter Old English poems elucidate a major English text almost as well-known for its subtlety and intricacy as it is for its monsters and heroes.

[Beowulf \(Translated with Annotations by John Lesslie Hall and an Introduction by Kemp Malone\)](#) Vintage

Presents the prose translation of the Old English epic that Tolkien created as a young man, along with selections from lectures on the poem he gave later in life and a story and poetry he wrote in the style of folklore on the poem's themes.

Beowulf W. W. Norton & Company

CLASSIC FICTION. This is a new title in the "Usborne Reading Programme", which is aimed at children whose reading ability and confidence allows them to tackle longer and more complex stories. Here, the oldest surviving epic in British literature is retold for younger readers following the adventures of hero Beowulf. This title is developed in consultation with Alison Kelly, who is a

senior lecturer in education and an early reading specialist from Roehampton University. Ages 6+.

[Encyclopaedia Britannica](#) Yale University Press

The author of *Heaven's Mirror* and *The Mars Mystery* presents evidence that the legend of Beowulf originated in an ancient human sacrifice ritual that was suppressed in Britain and later found expression in this compelling tale.

Translations of the Old English poem *Beowulf* proliferate, and their number continues to grow.

Focusing on the particularly rich period since 1950, this book presents a critical account of translations in English verse, setting them in the contexts both of the larger story of recovery and reception of the poem and of perceptions of it over the past two hundred years, and of key issues in translation theory. Attention is also paid to prose translation and the the creative adaptations of the poem that have been produced in a variety of media, not least film. The author looks in particular at four translations of arguably the most literary and historical importance: those by Edwin Morgan (1952), Burton Raffel (1963), Michael Alexander (1973) and Seamus Heaney (1999). But, from an earlier period, he also gives a full account of William Morris's 1895 version.

Beowulf the Warrior State University of New York Press

A twelfth-century poem by the creator of the Arthurian romance describes the courageous exploits and triumphs of a brave lord who tries to win back his deserted wife's love

From the National Book Critics Circle Award-winning poet and critic: "A lovely book, full of joy and wisdom." —The Baltimore Sun How to Read a Poem is an unprecedented exploration of poetry, feeling, and human nature. In language at once acute and emotional, Edward Hirsch describes why poetry matters and how we can open up our imaginations so that its message can make a difference. In a marvelous reading of verse from around the world, including work by Pablo Neruda, Elizabeth Bishop, Wallace Stevens, and Sylvia Plath, among many others, Hirsch discovers the true meaning of their words and ideas and brings their sublime message home into our hearts. "Hirsch has gathered an eclectic group of poems from many times and places, with selections as varied as postwar Polish poetry, works by Keats and Christopher Smart, and lyrics from African American work songs . . . Hirsch suggests helpful strategies for understanding and appreciating each poem. The book is scholarly but very readable and incorporates interesting anecdotes from the lives of the poets." —Library Journal "The answer Hirsch gives to the question of how to read a poem is: Ecstatically." —Boston Book Review "Hirsch's magnificent text is supported by an extensive glossary and superb international reading list." —Booklist "If you are pretty sure you don't like poetry, this is the book that's bound to change your mind." —Charles Simic, Pulitzer Prize-winning author of *The World Doesn't End*

The Anglo-Saxon poem recounting the story of Beowulf's battle with the monster, Grendel, is retold in the style of modern verse

Grendel Watkins Publishing

Beowulf By Anonymous Translated by Francis Barton Gummere Anglo-Saxon Epic Poem *Beowulf* is the conventional title of an Old English heroic epic poem consisting of 3182 alliterative long lines, set in Scandinavia, commonly cited as one of the most important works of Anglo-Saxon literature. It survives in a single manuscript known as the Nowell Codex. Its composition by an anonymous Anglo-Saxon poet is dated between the 8th and the early 11th century. In 1731, the manuscript was badly damaged by a fire that swept through a building housing a collection of Medieval manuscripts assembled by Sir Robert Bruce Cotton. The poem's existence for its first seven centuries or so made no impression on writers and scholars, and besides a brief mention in a 1705 catalogue by Humfrey Wanley it was not studied until the end of the end of the eighteenth century, and not published in its entirety until the 1815 edition prepared by the Icelandic-Danish scholar Grimur Jonsson Thorkelin. In the poem, Beowulf, a hero of the Geats in Scandinavia, comes to the help of Hroogar, the king of the Danes, whose mead hall, in Heorot, has been under attack by a monster known as Grendel. After Beowulf slays him, Grendel's mother attacks the hall and is then also defeated. Victorious, Beowulf goes home to Geatland in Sweden and later becomes king of the Geats. After a period of fifty years has passed, Beowulf defeats a dragon, but is fatally wounded in the battle. After his death, his attendants bury him in a tumulus, a burial mound, in Geatland.

Beowulf New York ; London [etc.] : Oxford University Press

Indonesian poetry, like the country and also the language, is basically a product of this century. Only in the twentieth century have the people of this vast archipelago begun to achieve a unified cultural identity and national spirit; only since 1928 has the possibility, and by now the reality, of a common language been realized; and only since World War II have Indonesians achieved nationhood. Yet Indonesia has already produced a highly individual, lyric poetry that s in many ways unusual. Reflecting the diverse heritage of the Orient and the West—Moslem, Buddhist, Hindu, and Christian; Malay, Chinese, Dutch, and others—a poetic expression is developing that is accessible to, and meaningful for, both East and West. In this first major study of this poetic flowering, Burton Raffel traces its development, discusses the work of such major figures as Chairil Anwar, and points the paths the most recent poets are taking. This is illustrated with a wealth of examples—in translations mostly by the author, but also with samples of the original Indonesian to convey the flavor of the language—and by an extensive appendix of Indonesian literary criticism that indicates how the poets themselves view their role and their performance. The Development of Modern Indonesian Poetry provides the English-speaking public with a rare insight into the cultural development of the fifth most populous country in the world, and raises along the way some questions important for an understanding of the relationship between poetry and politics in nonaligned nations.
