## POLLARD KIDD

---

*Women's Writing in Italy, 1400-1650* MCD

The story of The Hundreds and the precepts that made it an iconic streetwear brand by Bobby Hundreds himself Streetwear occupies that rarefied space where genuine "cool" coexists with big business; where a star designer might work concurrently with Nike, a tattoo artist, Louis Vuitton, and a skateboard company. It's the ubiquitous style of dress comprising hoodies, sneakers, and T-shirts. In the beginning, a few brands defined this style; fewer still survived as streetwear went mainstream. They are the OGs, the "heritage brands." The Hundreds is one of those persevering companies, and Bobby Hundreds is at the center of it all. The creative force behind the brand, Bobby Kim, a.k.a. Bobby Hundreds, has emerged as a prominent face and voice in streetwear. In telling the story of his formative years, he reminds us that The Hundreds was started by outsiders; and this is truly the story of streetwear culture. In *This Is Not a T-Shirt*, Bobby Hundreds cements his spot as a champion of an industry he helped create and tells the story of The Hundreds—with

anecdotes ranging from his Southern California, punk-DIY-tinged youth to the brand's explosive success. Both an inspiring memoir and an expert assessment of the history and future of streetwear, this is the tale of Bobby's commitment to his creative vision and to building a real community.

**Marvel's Avengers** Little, Brown Books for Young Readers  
 KEY BENEFIT:David's Strategic Managementoffers a skills-oriented, practitioner perspective that has been updated with modern cases to reflect current research and strategy. This text covers strategy formulation issues such as business ethics, global vs. domestic operations, vision/mission, matrix analysis, partnering, joint venturing, competitive analysis, and includes a brand new cohesion case on the Walt Disney Company. For management professionals, small business owners and others involved in business.

*History of Italian Architecture, 1944-1985* Pan Macmillan  
 Black feminists remind us "that America's destiny is inseparable from how it treats [black women] and the nation ignores this truth at its peril" (The New York Review of Books). Winner of the 2018 Lambda Literary Award for LGBTQ Nonfiction "If Black women were free, it would mean that everyone else would have to be free." —Combahee River Collective Statement The

Combahee River Collective, a path-breaking group of radical black feminists, was one of the most important organizations to develop out of the antiracist and women's liberation movements of the 1960s and 70s. In this collection of essays and interviews edited by activist-scholar Keeanga-Yamahtta Taylor, founding members of the organization and contemporary activists reflect on the legacy of its contributions to Black feminism and its impact on today's struggles. "A striking collection that should be immediately added to the Black feminist canon." —Bitch Media "An essential book for any feminist library." —Library Journal "As white feminism has gained an increasing amount of coverage, there are still questions as to how black and brown women's needs are being addressed. This book, through a collection of interviews with prominent black feminists, provides some answers." —The Independent "For feminists of all kinds, astute scholars, or anyone with a passion for social justice, *How We Get Free* is an invaluable work." —Ethnic and Racial Studies Journal *Hate Speech Law* Iberian and Latin American Studies: The Arts, Literature, and Identity

The right to freedom of expression entails duties and responsibilities and is subject to certain limits, provided for in Article 10.2 of the European Convention on Human Rights, which are concerned, among other things, with protecting the rights of others. Identifying what constitutes "hate speech" is especially difficult because this type of speech does not necessarily involve the expression of hatred or feelings. On the basis of all the applicable texts on freedom of expression and the case law of the European Court of Human Rights and other bodies, the author identifies certain parameters that make it possible to distinguish expressions which, although sometimes insulting, are fully protected by the right to freedom of expression from those which do not enjoy that protection.

Strategic Management Watson-Guptill Publications

The tranquility of Mars is disrupted by humans who want to conquer space, colonize the planet, and escape a doomed Earth. *Labor Versus Empire* JHU Press

The essays in this collection address issues significant to labor within regional, national and international contexts. Themes of the chapters will focus on managed labor migration; organizing in multi-ethnic and multi-national contexts; global economics and labor; global economics and inequality; gender and labor; racism and globalization; regional trade agreements and labor.

**One Man, Two Guvnors** MIT Press (MA)

"A fascinating study of the manipulation of the media in the former Yugoslavia." -- The New York Times This study of the political manipulation of the media in Serbia, Croatia, Bosnia, and Herzegovina before and during the war argues that political struggles for media control are early warnings of war and a form of preparation for it.

*Practice Makes Perfect: Spanish Vocabulary* Marvel Entertainment Artists and scholars living and working outside of mainstream cultural circuits address the cultural entanglements of the global and the local.

Keywords for Children's Literature Haymarket Books

This new edition brings McLaren's popular, classic textbook into a new era of Common Core Standards and online education. The book is renowned for its clear, provocative classroom narratives and its coverage of political, economic, and social factors that are undervalued in other educational textbooks. An international committee of experts ranked *Life in Schools* among the top twelve education books in the world.

**The Savage Detectives** Bloomsbury Publishing

Collects Marvel's Avengers: Infinity War Prelude #1-2, Infinity #1 And Thanos Annual #1. When a terrorist puts the Avengers at odds, Captain America and the Winter Soldier go rogue to find

him — but Iron Man isn't far behind. Will the Avengers survive the fallout? Then, find out where Captain America, Falcon and Black Widow are headed next — because the world needs heroes, whether it wants them or not. Get a sneak peek at Tony Stark's brand-new armor! Get ready for 2018's biggest blockbuster with this special prelude! Plus, with the Avengers distracted, see Thanos seize his opportunity to strike at Earth in the first chapter of Jonathan Hickman's epic Infinity! Delve into the Mad Titan's past as he joins himself on a time-bending journey of discovery — one that sets the stage for his next cosmic odyssey!

**Radical Women** Music, Culture, and Identity in Latin America

The contributors to this volume consider whether it is possible to establish carefully tailored hate speech policies that are cognizant of the varying traditions, histories and values of different countries. Throughout, there is a strong comparative emphasis, with examples (and authors) drawn from around the world. All the authors explore whether or when different cultural and historical settings justify different substantive rules given that such cultural relativism can be used to justify content-based restrictions and so endanger freedom of expression. Essays address the following questions, among others: is hate speech in fact so dangerous or harmful to vulnerable minorities or communities as to justify a lower standard of constitutional protection? What harms and benefits accrue from laws that criminalize hate speech in particular contexts? Are there circumstances in which everyone would agree that hate speech should be criminally punished? What lessons can be learned from international case law?

*The Great Wall of Vagina* Psychology Press

Hate speech law can be found throughout the world. But it is also the subject of numerous principled arguments, both for and against. These principles invoke a host of morally relevant features (e.g., liberty, health, autonomy, security, non-subordination, the absence of oppression, human dignity, the discovery of truth, the acquisition of knowledge, self-realization, human excellence, civic dignity, cultural diversity and choice, recognition of cultural identity, intercultural dialogue, participation in democratic self-government, being subject only to legitimate rule) and practical considerations (e.g., efficacy, the least restrictive alternative, chilling effects). The book develops and then critically examines these various principled arguments. It also attempts to de-homogenize hate speech law into different clusters of laws/regulations/codes that constrain uses of hate speech, so as to facilitate a more nuanced examination of the principled arguments. Finally, it argues that it is morally fitting for judicial and legislative judgments about the overall warrant of hate speech law to reflect principled compromise. Principled compromise is characterized not merely by compromise over matters of principled concern but also by compromise which is itself governed by ideals of moral duty or civic virtue (e.g., reciprocity, equality, and mutual respect). The Open Access version of this book, available at <https://doi.org/10.4324/9781315714899>, has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license.

**Destape** Kettler Verlag

Winner, 2009 Best Book Award, Society for the Study of Early Modern Women Winner, 2008 PROSE Award for Best Book in Language, Literature, and Linguistics. Professional and Scholarly Publishing Division of the Association of American Publishers This is the first comprehensive study of the remarkably rich tradition of women's writing that flourished in Italy between the fifteenth and early seventeenth centuries. Virginia Cox documents this tradition and both explains its character and scope and offers a new hypothesis on the reasons for its emergence and decline.

Cox combines fresh scholarship with a revisionist argument that overturns existing historical paradigms for the chronology of early modern Italian women's writing and questions the historiographical commonplace that the tradition was brought to an end by the Counter Reformation. Using a comparative analysis of women's activities as artists, musicians, composers, and actresses, Cox locates women's writing in its broader contexts and considers how gender reflects and reinvents conventional narratives of literary change.

Global Good Samaritans Bloomsbury Publishing

Fired from his skiffle band, Francis Henshall becomes minder to Roscoe Crabbe, a small time East End hood, now in Brighton to collect £6,000 from his fiancée's dad. But Roscoe is really his sister Rachel posing as her own dead brother, who's been killed by her boyfriend Stanley Stubbers. Holed up at The Cricketers' Arms, the permanently ravenous Francis spots the chance of an extra meal ticket and takes a second job with one Stanley Stubbers, who is hiding from the police and waiting to be reunited with Rachel. To prevent discovery, Francis must keep his two guvnors apart. Simple. Based on Carlo Goldoni's classic Italian comedy *The Servant of Two Masters*, in this new English version by prize winning playwright Richard Bean, sex, food and money are high on the agenda.

The Content and Context of Hate Speech Oxford University Press

This collection deals with various manifestations of Argentine music and dance and how they relate to affects, feelings, and emotions, showing how music creates particular atmospheres, via the induction, modulation and circulation of affects and emotions, which are felt but, at the same time, they do not belong to anybody in particular.

Last of a Breed Routledge

Building on the success of her prior book, *Practice Makes Perfect: Spanish Verb Tenses*, author Dorothy Devney Richmond helps learners attain a strong working vocabulary, no matter if they are absolute beginners or intermediate students of the language. She combines her proven instruction techniques and clear explanations with a plethora of engaging exercises, so students are motivated and hardly notice that they are absorbing so much Spanish. *Practice Makes Perfect: Spanish Vocabulary* also includes basic grammar and structures of the language to complement learners' newly acquired words. "Vocabulary Builders" help students add to their Spanish repertoire by using cognates, roots, suffixes, prefixes, and other "word-building" tools.

**Life in Schools** Council of Europe

This volume examines the work of more than 100 female artists with nearly 300 works in the fields of painting, sculpture, photography, video, performance art, and other experimental media. A series of thematic essays, arranged by country, address the cultural and political contexts in which these radical artists worked, while other essays address key issues such as feminism, art history, and the political body. Published in association with the Hammer Museum. The exhibition took place from Sep 15, 2017-Dec 31, 2017, in the Hammer Museum, Los Angeles.

The Opaque Experience Routledge

The life of visionary real estate developer HJ Whitley is told by his great-granddaughter, based on his letters, memoirs and

reminiscences of his wife, and other documentation.

**Mad** McGraw Hill Professional

Winner of the 2020 Rocky Mountain Council for Latin American Studies (RMCLAS) Judy Ewell Award for Best Publication on Women's History 2020 Southeastern Council of Latin American Studies (SECOLAS) Alfred B. Thomas Book Award Honorable Mention for the best book on a Latin American subject Under dictatorship in Argentina, sex and sexuality were regulated to the point where sex education, explicit images, and even suggestive material were prohibited. With the return to democracy in 1983, Argentines experienced new freedoms, including sexual freedoms. The explosion of the availability and ubiquity of sexual material became known as the *destape*, and it uncovered sexuality in provocative ways. This was a mass-media phenomenon, but it went beyond this. It was, in effect, a deeper process of change in sexual ideologies and practices. By exploring the boom of sex therapy and sexology; the fight for the implementation of sex education in schools; the expansion of family planning services and of organizations dedicated to sexual health care; and the centrality of discussions on sexuality in feminist and gay organizations, Milanese shows that the *destape* was a profound transformation of the way Argentines talked, understood, and experienced sexuality, a change in manners, morals, and personal freedoms.

Mainstreaming Sex Cambridge University Press

In a troubled world where millions die at the hands of their own governments and societies, some states risk their citizens' lives, considerable portions of their national budgets, and repercussions from opposing states to protect helpless foreigners. Dozens of Canadian peacekeepers have died in Afghanistan defending humanitarian reconstruction in a shattered faraway land with no ties to their own. Each year, Sweden contributes over \$3 billion to aid the world's poorest citizens and struggling democracies, asking nothing in return. And, a generation ago, Costa Rica defied U.S. power to broker a peace accord that ended civil wars in three neighboring countries--and has now joined with principled peers like South Africa to support the United Nations' International Criminal Court, despite U.S. pressure and aid cuts. Hundreds of thousands of refugees are alive today because they have been sheltered by one of these nations. *Global Good Samaritans* looks at the reasons why and how some states promote human rights internationally, arguing that humanitarian internationalism is more than episodic altruism--it is a pattern of persistent principled politics. Human rights as a principled foreign policy defies the realist prediction of untrammelled pursuit of national interest, and suggests the utility of constructivist approaches that investigate the role of ideas, identities, and influences on state action. Brysk shows how a diverse set of democratic middle powers, inspired by visionary leaders and strong civil societies, came to see the linkage between their long-term interest and the common good. She concludes that state promotion of global human rights may be an option for many more members of the international community and that the international human rights regime can be strengthened at the interstate level, alongside social movement campaigns and the struggle for the democratization of global governance.
