What knowledge will make you most effective as a teacher? New teachers are often bombarded with information about the concepts they should understand and the topics they should master. This indispensable book will help you navigate the research on curriculum, cognitive science, student data and more, providing clarity and key takeaways for those looking to grow their teaching expertise. What Do New Teachers Need to Know? explores the fundamentals of teacher expertise and draws upon contemporary research to offer the knowledge that will be most useful, the methods to retain that knowledge, and the ways expert teachers use it to solve problems. Written by an educator with extensive experience and understanding, each chapter answers a key question about teacher knowledge, including: • Does anyone agree on what makes great teaching? • How should I use evidence in my planning? • Why isn't subject knowledge enough? • What should I know about my students? • How do experts make and break habits? • How can teachers think creatively whilst automating good habits? • What do we need to know about the curriculum? • How should Cognitive Load Theory affect our pedagogical decisions? Packed with case studies and interviews with new and training teachers alongside key takeaways for the classroom, this book is essential reading for early career teachers, those undertaking initial teacher training and current teachers looking to develop their expertise.

Cybele, With Bluebonnets John Wiley & Sons

The "heartfelt" (Shelf Awareness) story of how Georgia State University tore up the rulebook for educating lower-income students Published to wide acclaim, Won't Lose This Dream is the "illuminating" (Times Literary Supplement) story of a public university that has blazed an extraordinary trail for lower-income and first-generation students in downtown Atlanta, the birthplace of the civil rights movement. "A powerful story of institutional transformation" (bestselling author Beverly Daniel Tatum), Won't Lose This Dream shows how Georgia State University has upended the conventional wisdom about low-income students by harnessing the power of big data to identify and remove obstacles that previously stopped them from graduating—an earthshaking achievement that is reverberating across every college campus today. "Drawing on extensive on-the-ground reporting" (Kirkus Reviews), Andrew Gumbel delivers a thrilling, blow-by-blow account of visionary leaders who overcame fierce resistance, and the remarkable students whose resilience and determination inspired the work at every stage. Their success shows how the promise of social advancement through talent and hard work, the essence of the American dream, can be rekindled even in an age of deep inequalities and divisive politics. "A superb work for anyone interested in higher education" (Library Journal), Won't Lose This Dream "lays out a persuasive vision for reform" (Publishers Weekly) and a concrete vision of higher ed that works for all Americans.

Heal Yourself! John Wiley & Sons

The Africa Bible Commentary is a unique publishing event—the first one-volume Bible commentary produced in Africa by African theologians to meet the needs of African pastors, students, and lay leaders. Interpreting and applying the Bible in the light of African culture and realities, it furnishes powerful and relevant insights into the biblical text that transcend Africa in their significance. The Africa Bible Commentary gives a section-by-section interpretation that provides a contextual, readable, affordable, and immensely useful guide to the entire Bible. Readers around the world will benefit from and appreciate the commentary's fresh insights and direct style that engage both heart and mind. Key features: · Produced by African biblical scholars, in Africa, for Africa—and for the world · Section-by-section interpretive commentary and application · More than 70 special articles dealing with topics of key importance in to ministry in Africa today, but that have global implications · 70 African contributors from both English- and French-speaking countries · Transcends the African context with insights into the biblical text and the Christian faith for readers worldwide

Making Conflict Work New Society Publishers

The SEND Code of Practice has reinforced the requirement that all teachers must meet the needs of all learners. This book provides practical, tried and tested strategies and resources that will support teachers in making modern foreign languages accessible, challenging and exciting for all pupils, including those with special needs. The author draws on a wealth of experience to share his understanding of how SEND can affect learning and how the MFL teacher can reduce or remove any barriers to learning. Offering strategies that are specific to the context of MFL teaching, this book will enable teachers to: ensure all pupils are able to participate fully in every lesson; develop pupils' understanding, motivation and enjoyment; adapt content and resources when differentiating materials for pupils with a wide range of learning needs; use formative assessments to measure learning. An invaluable tool for whole-school continuing professional development, this text will be essential for teachers (and their teaching assistants) seeking guidance specific to teaching languages to all pupils, regardless of their individual needs. This book will also be of interest to SENCOs, senior management teams and ITT providers.

This book examines the discourse surrounding the wireless, created by the Anglo-Italian inventor

Guglielmo Marconi. The wireless excited early twentieth-century audiences before it even became a viable black box technology. The wireless adhered to modernist values—speed, efficiency, militarization, and progress. Language surrounding the wireless is a form of technical communication, overlooked by today's practitioners. This book establishes a broader definition for technical communication by examining a selection of the discourse surrounding Marconi's wireless. The book's main themes are the following: 1) technical communication is all discourse surrounding technology, 2) the field of technical communication (or technical writing) should incorporate analyses of discourse surrounding technologies into its epistemology, 3) the wireless is a product of the society from which it comes (early twentieth-century Western civilization), and 4) the discourse surrounding the wireless is infused with tropes of progress—speed, efficiency, evolution, and ahistoricity.

Wallaces' Farmer and Dairyman John Wiley & Sons

Fertilize your garden naturally—a guide to growing your plants in healthy, happy soil People want to know where their food comes from, who grows it and how it is grown. Interest in permaculture, backyard composting, and gardening in general, is growing. So how does the budding gardener ensure that his soil is healthy and nutrient-rich enough to support all the produce he intends to grow? Here's a hint—think worms! Vermiculture is the healthiest and most cost-effective way to ensure that your soil receives the nourishment that it needs. A simple vermicompost bin can produce the completely natural, nutrient-rich fertilizer that can be used to boost soil health and, in turn, increase your crop yield. In true Crystal Stevens' fashion, *Worms at Work* is a practical, easy-to-implement guide to fertilizing your garden naturally. It discusses the vital role worms play in boosting soil health, and the reasons why every gardener should use vermicompost in order to decrease reliance on toxic synthetic fertilizers. Coverage includes: Simple designs to build your own vermicompost bin Caring for your worms Garden applications for your worm castings Lesson plans to incorporate vermicomposting into the school science curriculum Whether you're tending to a small backyard garden or managing a large farm, *Worms at Work* can show you how to start vermicomposting today in order to grow healthy plants in healthy, happy soil.

Morrison alleviates the negativity and fear surrounding menopause with a wealth of meditations, invocations, rituals, spells, chants, songs, and other tips that will help readers face their own emotional and spiritual challenges. Illustrations.

The Work of Leaders Cornell University Press

"An excellent workbook-like guide" to the nuts and bolts of professional conflict and the strategies you need to make conflict work for you (Booklist, starred review). Every workplace is a minefield of conflict, and all office tension is shaped by power. Making Conflict Work teaches you to identify the nature of a conflict, determine your power position relative to anyone opposing you, and use the best strategy for achieving your goals. These strategies are equally effective for executives, managers and their direct reports, consultants, and attorneys—anyone who has ever had a disagreement with someone in their organization. Packed with helpful self-assessment exercises and action plans, this book gives you the tools you need to achieve greater satisfaction and success. "A genuine winner." —Robert B. Cialdini, author of *Influence* "This book is a necessity . . . Read it." —Leymah Gbowee, 2011 Nobel Peace Prize laureate and Liberian peace activist "Innovative and practical." —Lawrence Susskind, Program on Negotiation cofounder "Navigating conflict effectively is an essential component of leadership. Making Conflict Work illustrates when to compromise and when to continue driving forward." —Hon. David N. Dinkins, 106th mayor of the City of New York "An excellent workbook-like guide." —Booklist, starred review

Reading People: Harness the Power of Personality, Body Language, Influence & Persuasion To Transform Your Work, Relationships, Boost Your Confidence & Read People! Ronin Publishing NATIONAL BESTSELLER Lead teams and organizations to unparalleled excellence through transformational leadership As we face a global leadership crisis, the decade of real-world experience and research from best-selling author and renowned thought leader Matt Mayberry in *The Transformational Leader* has never been more timely. Mayberry shares his experience working with hundreds of corporate leadership teams, transforming underperforming teams into top performers, and coaching executives to become the leaders their organizations need through transformational leadership's four core attributes: idealized influence, inspirational motivation, intellectual stimulation, and individualized consideration. This book is more than just a guide to a proven approach to achieving leadership success; it's a call to action that challenges you to step outside your comfort zone and create a culture where everyone feels valued, heard, and inspired. In this book, readers will learn about: Confronting the reality of the leadership crisis, and realizing that the actions that got us here won't get us to where we want to go How our dependence on technology has left leaders unprepared for disruption after disruption, including the arrival of AI Leadership principles grounded in robust research, empirical data, and proven success, such as agility, coaching, and influence The importance of inspirational leadership and how to become an inspirational leader yourself How to start influencing and impacting others regardless of rank, title, or position The Transformational Leader earns a well deserved spot on the bookshelves of executives, managers, and anyone seeking to make a bigger impact and influence others, adapt to changes in modern leadership and promote positive change in themselves and throughout their organizations.

Volume 25 Sermons 1451-1510 Charles Spurgeon (19 June 1834 - 31 January 1892) is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the "Prince of Preachers," he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London*: Volume 6 (1878) quoting an article from the Times regarding one of Spurgeon's meetings at Surrey: "Fancy a congregation consisting of 10,000 souls, streaming into the hall, mounting the galleries, humming, buzzing, and swarming—a mighty hive of bees—eager to secure at first the best places, and, at last, any place at all. After waiting more than half an hour—for if you wish to have a seat you must be

there at least that space of time in advance—Mr. Spurgeon ascended his tribune. To the hum, and rush, and trampling of men, succeeded a low, concentrated thrill and murmur of devotion, which seemed to run at once, like an electric current, through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice, that its power and volume are sufficient to reach every one in that vast assembly; of his language, that it is neither high-flown nor homely; of his style, that it is at times familiar, at times declamatory, but always happy, and often eloquent; of his doctrine, that neither the 'Calvinist' nor the 'Baptist' appears in the forefront of the battle which is waged by Mr. Spurgeon with relentless animosity, and with Gospel weapons, against irreligion, cant, hypocrisy, pride, and those secret bosom-sins which so easily beset a man in daily life; and to sum up all in a word, it is enough to say of the man himself, that he impresses you with a perfect conviction of his sincerity." More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to publish the complete works of Charles Spurgeon.

Christian Thought Taylor & Francis

Doctors think they heal with drugs. But only living cells can heal. When something is out of balance, your cells move to correct it because bodies want to be well. HEAL YOURSELF! HOW TO HARNESS PLACEBO POWER shows how to tap into this mysterious process to get well and stay well by harnessing your body's natural healing power—the power of placebo. These amazing effects are not just "in the mind." They can be observed and measured in the body's physiology. When patients believe in the treatment, ulcers heal, warts disappear, cancer goes into remission, swelling reduces—cells actually look different under the microscope. When your doctor believes in the treatment, the impact is even more powerful—not in every case, of course. But in enough that science now accepts that something is going on! HEAL YOURSELF! explains how researchers believe that the stress response creates an environment that promotes physiological breakdown, while the relaxation Response creates a healing environment. HEAL YOURSELF! offers specific things you can do, and do today, to turn on your body's innate healing mechanisms, including meditation, prayer, laughter, listening to music and rocking, Qi Gong, gratitude and forgiveness, and more.

Christian Work Llewellyn Worldwide

The culmination of six years of research and development, *The Work of Leaders* presents a simple structure that neatly captures the complexity of contemporary leadership. The goal of this book is to make this wealth of leadership insight accessible to anyone who wants better results as a leader. The work that leaders do—the work that really matters—is boiled down to three areas: crafting a vision, building alignment, and championing execution. Vision, Alignment, and Execution are "magic words." They strike a chord that turns the goal of leadership into tangible steps. With passion and insight, the authors draw from the best-known leadership authorities, while leveraging their unparalleled access to data from thousands of leaders and followers and their connections to hundreds of organizational development consultants. Interwoven with humor and drawing from real-world scenarios, *The Work of Leaders* distills leadership best practices into a simple, compelling process that helps leaders at all levels get immediate results.

Marconi's Wireless and the Rhetoric of a New Technology Prabhat Prakashan

Joseph first encounters Cybele when he is a 10-year-old skipping rocks, but he falls in love with her in high school, where she is his chemistry teacher. After he graduates, they have a whirlwind romance, but she won't marry him because she knows things about the future that she won't reveal. She encourages his affinity for chemistry, though, cementing his dedication to the science. Thereafter, miracles abound, both scientific and supernatural, and Cybele seems to look after Joseph even when she is no longer around him. With the help of her spirit, Joseph works for the police in solving the case of the Holy Grail and for the government during World War II.

Grab your copy now and join the millions of readers who have been empowered by Carnegie's invaluable wisdom.

Wallace's Farm and Dairy Springer Science & Business Media

When you show appreciation to others you improve loyalty and trust. People have a basic need to feel appreciated. People need to know you care. If you're the leader, you can raise morale and create loyalty, job satisfaction, and motivation when you express appreciation to your staff for their efforts. You can invest in your employees now and "pay" them with sincere appreciation and achieve even better performance. Or you can "pay" later by seeing your team's performance sink and overall morale decrease. Sincere appreciation will motivate your team to a higher level and achieve more. *Africa Bible Commentary* Appreciation Motivation: How to Harness the Magical Power of Appreciation "This is a generous and profound book, a book worth sharing. It will stick with you for years to come." —The Practice The world has changed, our lives have changed, and in recent years, our work has changed. Despite the disruption, our relationship and understanding of self-care have remained the same as we still see it as something fluffy or a perfect list of habits that we "do" alone outside of work to recover. But what if self-care wasn't something we "do"? What if self-care is a mindset that allows us to achieve peak performance, engagement, and growth without burning out and sacrificing

our health and joy? In *The Self-Care Mindset*, celebrated well-being and mindset expert Jeanette Bronée delivers an actionable and groundbreaking approach that challenges us to rethink self-care at work so we no longer have to choose between being healthy and being successful. With Jeanette's inclusive approach to self-care, you will receive the tools to protect and unlock our most important resource: our humanity. You'll learn how to better manage stress, break free from living in survival mode, and navigate FUD (fear, uncertainty, and doubt) so you can harness change and grow by reclaiming agency and recovering what you care about. You'll also: Discover proven frameworks and useful tools, like "Power Pausing," the "C.A.R.E. Framework," and "AAA" Find ways

to move beyond the outdated concept of "work-life balance" to one of "work-life quality" Learn to build an ecosystem of relationships with yourself, with others, and with work itself. Inclusion. Well-being. Care. This is the future of work. A future where well-being is the foundation for peak performance, engagement, and a culture where people belong and work better together by cultivating connection, communication, and collaboration. A can't-miss resource for busy professionals and business leaders everywhere, *The Self-Care Mindset* will find its way into the hands of managers, executives, board members, and anyone else who struggles to be busy and find fulfillment and happiness in their working lives at the same time.
