A funny, heartfelt romance about how an antique shop, a wardrobe, and a mysterious tea cup bring two C.S. Lewis fans together in a snowy and picturesque Oxford, England. Emelia Mason has spent her career finding the dirt on the rich and famous. But deep down past this fearless tabloid-reporter façade, there's a nerdy Narnia-obsessed girl who still can't resist climbing into wardrobes to check for the magical land on the other side. When a story she writes produces tragic results, she flees to Oxford, England—home to C.S. Lewis—to try and make amends for the damage she has caused. Peter Carlisle was on his way to become one of Great Britain's best rowers—until he injured his shoulder and lost his chance at glory. He's determined to fight his way back to the top even if it means risking permanent disability to do so. It's the only way he can find his way past failing the one person who never stopped believing in his Olympic dream. When Peter and Emelia cross paths on her first night in Oxford, the attraction is instant and they find common ground in their shared love of Narnia. But can the lessons from a fantasyland be enough to hold them together when secrets of the real world threaten to tear them apart? Cobblestone streets, an aristocratic estate, and an antique shop with curious a wardrobe bring the world of Narnia to life in Kara Isaac's inspiring and romantic story about second chances.

Keeping this staycation fling casual turns out to be impossible when you can't help falling in love. Dr. Rosie Snyder doesn't do vacations. Period. So when she's ordered to take three weeks off, she's at a loss until her best friend ropes her into fulfilling some bridesmaid duties by organizing an engagement party. Gus Cuevas, a cute gardener at the party's venue, might be the perfect distraction. When Rosie suggests Gus complete her vacation checklist with a fling, he quickly agrees. He knows the driven doctor would never fit into his live-for-the-now lifestyle of surfing, sunshine, and cerveza, but spending a few weeks with the beautiful brunette suits him just fine. It's not long before Gus realizes that three weeks together isn't enough—he wants a lifetime. But Rosie's not looking for happily ever after...even if it turns out she just can't help falling in love.

Surrendered to his desire, Houshou did something regretful to Saotome, his high school senior in the soccer club. Their relationship turned cold until they reunited again 8 years later. Houshou, now a number one host, unintentionally lives in the same apartment where Saotome works as a caretaker. Houshou still feels this strange awkwardness when he looks at Saotome. But Saotome's kindness never changes, and Houshou finally realized why he did "that" 8 years ago...

In 2011, Janet Devlin wowed X-Factor judges and charmed the nation with her unique vocals and performances. She consistently received the highest consecutive public vote out of all the contestants and gained a place on the live arena tour. But rather than this steering her towards greater musical success, Janet faced numerous challenges which almost cost her her career... "Believe it or not, you're holding my life in your hands. Not the picture-perfect version we've all become accustomed to, thanks to social media. This is my life as I've lived it - no filters. Each chapter in this book unlocks the truth behind a song from my album Confessional. They span ten years of intense self-discovery married with a lot of self-sabotage. My broken brain has taken me to dark places both in my own head and in the real world. But, with destruction comes creation. I genuinely hope that My Confessional does not personally resonate with you and that you've not been to the same Hell that I've come to call Home, but if you have let my life be proof that it all works out in the end. I see now that the world is truly what we make of it and that everything happens for a reason. Or, at least, that's what I tell myself. Here I lay my confessional of the sins I want so much to be free from and to finally forgive myself for what I've done. I confess. Janet Devlin"

Hunter Jones will do whatever it takes to make the best life possible for his son. Unfortunately, part of that requires

relying on his now ex-wife—a woman who admits motherhood isn't for her—to pull her weight for the sake of their boy. Yet when one of her erratic moments results in a missed daycare pick up, Hunter's the one who gets accused of being a bad parent. He has nothing to prove to the opinionated stranger with the sassy smirk who openly berated him. Still, he finds himself irresistibly compelled to prove himself to her... After growing up in the foster system, Violet Drake has zero patience for poor parenting. However, she's the first to admit she was too harsh on Hunter when he arrived late to pick up his son... and that's only partially because he's insanely hot. It should have been an easy no when he asked her out. She's constantly traveling for work, plus getting mixed up with a single dad is a monumentally bad idea. But the idea of spending time with him is too tempting to resist. Their timing is wrong. They want completely different things. So why do they feel drawn to each other with each glance? Searching for a lighthearted beach read centered on small town romance? Look no further than *Can't Help Falling in Love*, the latest masterpiece by Samantha Chase. *Can't Help Falling in Love & Hunka Hunka Burnin' Love* Clube de Autores

Some people change your life Others change your heart Newly widowed dad Sebastian Dorner was unraveling at the edges—until his son's teacher, Via DeRosa, threw him a lifeline. Now, two years later, they reconnect at Matty's new school, and an inconvenient but unmistakable jolt of attraction crackles between them. But why does the first person to spark with Sebastian in years have to be a millennial? Is twentysomething Via really too young for him or does fortysomething

Sebastian just feel too damn old? A former foster kid, Via's finally forged the stable life she's always dreamed of—new job, steady income, no drama. The last thing she needs are rumors about her and a single dad at school. But why does she keep being drawn into his capable, worn-flannel orbit? And why does being around Sebastian, Matty and even their dog, Crabby, seem to spark so much want? They're trying to ignore the tension threatening their friendship. But sometimes what'll heal you is just a touch—and a heartbeat—away...

A gorgeous, unflinching love letter to Flint, Michigan, and the resilience of its people, Kelsey Ronan's *Chevy in the Hole* follows multiple generations of two families making their homes there, with a stunning contemporary love story at its

center. In the opening pages of *Chevy in the Hole*, August "Gus" Molloy has just overdosed in a bathroom stall of the Detroit farm-to-table restaurant where he works. Shortly after, he packs it in and returns home to his family in Flint. This latest slip and recommitment to sobriety doesn't feel too terribly different from the others, until Gus meets Monae, an urban farmer trying to coax a tenuous rebirth from the city's damaged land. Through her eyes, he sees what might be possible in a city everyone else seems to have forgotten or, worse, given up on. But as they begin dreaming up an oasis together, even the most essential resources can't be counted on. Woven throughout their story are the stories of their families—Gus's white and Monae's Black—members of which have had their own triumphs and devastating setbacks trying to survive and thrive in Flint. A novel about the things that change over time and the things that don't, *Chevy in the Hole* reminds us again and again what people need from one another and from the city they call home.

### **Can't Help Falling in Love and Love Me Tender** Pitch Publishing

"Outstanding pop-culture history."  
—Newsday The "smart and zippy account" (The Wall Street Journal) of how Las Vegas saved Elvis and Elvis saved Las Vegas in the greatest musical comeback of all time. Elvis's 1969 opening night in Vegas was his first time back on a live stage in more than eight years. His career had gone sour—bad movies, mediocre pop songs that no longer made the charts—and he'd been dismissed by most critics as over-the-hill. But in Vegas he played the biggest showroom in the biggest hotel in the city, drawing more people for his four-week engagement than any other show in Vegas history. His performance got rave reviews; "Suspicious Minds," the song he introduced there, gave him his first number-one hit in seven years; and Elvis became Vegas's biggest star. Over the next seven years, he performed more than 600 shows there, and sold out every one. Las Vegas was changed, too. By the end of the '60s, Vegas' golden age—when the Rat Pack led a glittering array of stars who made it the nation's premier live-entertainment center—was losing its luster. Elvis created a new kind of Vegas show: an over-the-top, rock-concert extravaganza. He set a new bar for Vegas performers, with the biggest salary, the biggest musical production, and the biggest promotion campaign the city had ever seen. He opened the door to a new generation of pop/rock artists and brought a new audience to Vegas—not the traditional well-heeled older gamblers, but a mass audience from Middle America that Vegas depends on for its success to this day. At once "a fascinating history of Vegas as gambling capital, celebrity playground, mob hangout, [and] entertainment Valhalla"

(Rolling Stone) and the incredible "tale of how the King got his groove back" (Associated Press), *Elvis in Vegas* is a classic feel-good story for the ages. [My Confessional](#) Alfred Music  
Love strikes when you least expect it. Is it true? In the case of Radhika, maybe it did. She's all ready for a fresh start in a new city. She starts living with her cousin, Meera and a series of unexpected events starts to unfold which turns her life upside-down. She meets someone new, Rishi. He's very different from what she likes, yet intriguing. When everything is going smooth, a lover from the past, Sameer, suddenly re-appears. Now, she's torn between the past and the present. Adding to this craziness, appear two funny characters Zain and Nancy. They are cousins and work in the same office with Radhika. Also, in the picture is Radhika's aunt, a single lady in her fifties; who's way too much interested in Radhika's love life. While Nancy wants Radhika to date Sameer, her aunt wants her to pair up with Rishi. All entangled, no way out. Now, with both the males trying hard to get her, her life becomes more troubled.
