 A to P is a drama about two brothers, Stan and Topher Martini, who were born in the same year, yet completely different in cast and expectations for their livelihoods. One is aggressive in his task to pillage the particularities of family and social timelines. The other brother is passive in his timeline, melancholy in message, and tormented by regret. The story begins in a small town in Western

Pennsylvania where the large Martini family resides and, over a fourteen year period, to the Metropolis of Miami where some of the siblings now live. Stan and Topher are unaware of the inevitable collision course that will lead them to a motel in Miami called The Gateway.
