**365 Days / 365 Plays** Routledge

Just Desserts is a short, original play about what happens when a teenager has to stand up to their boss, an overbearing celebrity chef. The engaging, suspenseful play hits on an important theme for students, how to stand up for yourself in a difficult situation. However, this play was written for English students to improve

their communication and speaking skills. As students read, practice, and perform these plays, they will learn: cultural contexts conversational moves intonation and body language high frequency lexical phrases and grammar patterns Short enough for a project in a speaking class, but expandable to fill a whole elective class, drama unit, or theater club production, Just Desserts makes drama in the classroom a good thing!

Using drama right across the curriculum to improve and invigorate teaching and learning, this book provides whole school and individual class approaches underpinned by sound theory and implemented in a real primary school. Explanations and examples are given in a clear and accessible style, and links are made to The National Strategy. The book

illustrates a wide range of strategies that show how drama can help with: behavior inclusion and multicultural issues improving the whole school ethos involving parents and governors. This user-friendly and comprehensive text is the perfect support tool for teachers and managers ready to improve their school regardless of whether they're approaching drama for the first time or are already passionate about it.

*Resources in Education Theatre Communications Group*

Everything you need to get dramatic in the classroom This easy-to-use, comprehensive teacher-resource book has lesson plans and practical activities that integrate theater into language learning. Plus ten original scripts so you can put the activities into action immediately! Drama and play scripts can be used to teach pronunciation, pragmatics, and other communication skills, as well as provide grammar and vocabulary practice! Conveniently organized into two parts, Part 1 includes pragmatics mini-lessons, community builders, drama games, and pronunciation activities. There are also lesson plans for producing a play (either

fully-staged or as Reader's Theater), as well as guidelines and activities for writing plays to use with (or without students,) and suggestions for integrating academic content. You'll even find rubrics and evaluation schemes for giving notes and feedback. Part 2 includes 10 original monologues and scripts of varying lengths that can be photocopied and used in the classroom. Specifically designed to feature everyday language and high frequency social interactions, these scenes and sketches follow engaging plot arcs in which characters face obstacles and strive to achieve objectives. With a foreword by Ken Wilson, this book is a must-have for anyone interested in using the performing arts to help students become more confident and fluent speakers.

#1 NEW YORK TIMES BESTSELLER • NEWBERY MEDAL WINNER • NATIONAL BOOK AWARD WINNER Dig deep in this award-winning, modern classic that will remind readers that adventure is right around the corner--or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and

has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times \*Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from the New York Times bestseller *Fuzzy Mud*. Principles and Practice Routledge This book investigates major linguistic transformations in the translation of children's literature, focusing on the English-language translations of Janusz Korczak, a Polish-Jewish children's writer known for his innovative pedagogical

methods as the head of a Warsaw orphanage for Jewish children in pre-war Poland. The author outlines fourteen tendencies in translated children's literature, including mitigation, simplification, stylization, hyperbolization, cultural assimilation and fairytalization, in order to analyse various translations of King Matt the First, Big Business Billy and Kaytek the Wizard. The author then addresses the translators' treatment of racial issues based on the socio-cultural context. The book will be of use to students and researchers in the field of translation studies, and researchers interested in children's literature or Janusz Korczak.

Children's literature can be a powerful way to encourage and empower EFL students but is less commonly used in the classroom than adult literature. This text provides a comprehensive introduction to children's and young adult literature in EFL teaching. It demonstrates the complexity of children's literature and how it can encourage an active community of second language readers: with multilayered

picturebooks, fairy tales, graphic novels and radical young adult fiction. It examines the opportunities of children's literature in EFL teacher education, including: the intertextuality of children's literature as a gate-opener for canonised adult literature; the rich patterning of children's literature supporting Creative Writing; the potential of interactive drama projects. Close readings of texts at the centre of contemporary literary scholarship, yet largely unknown in the EFL world, provide an invaluable guide for teacher educators and student teachers, including works by David Almond, Anthony Browne, Philip Pullman and J.K. Rowling. Introducing a range of genres and their significance for EFL teaching, this study makes an important new approach accessible for EFL teachers, student teachers and teacher educators.

The English Teacher's Drama Handbook is a rich, thought-provoking introduction to teaching drama within the English classroom. Divided into two sections, the first part of the book explores deological influences that have shaped drama's relationship with English over the past 250

years and aims to help you locate your own practice within a theoretical and historical context. Starting with Rousseau's seminal text *Emile*, it considers the theories of key thinkers and practitioners and a range of complex issues including the construction of 'childhood', children's play, the teacher and student relationship, the implications of linking drama and English and the impact of national curricula on drama and English teaching. The second half of the book offers a collection of comprehensive, practical schemes of work to inspire and support you and your students to realise the power of drama in bringing English language and literature vividly to life. Suitable for a range of ages and abilities, each activity makes explicit links to the key thinkers and issues explored in the first part of the book and explores a particular aspect of work in English - from grammar and spelling to poetry and play texts. Together with guidance on how to begin and progress the activities, each sequence includes ideas for exploring issues further in the English classroom. Written for English teachers at any stage of their career, *The English Teacher's*

*Drama Handbook* offers new ways of looking at drama and English that will ensure meaningful and enjoyable teaching and learning.

*Drama, Literature and Literacy in the Creative Classroom* Createspace Independent Publishing Platform "Not too short, not too long, not hard to memorize, not hard to stage, and just the right message" -- it can be a real challenge to find uplifting dramatic material that fulfills these requirements. This collection of six award-winning scripts meets that challenge with meaningful plays that are practical, easy to produce, and touch the heart! These flexible sketches can be presented without sets or props, making them well-suited for dramatic insertions during worship. They're also useful as inspirational centerpieces for retreats, women's ministry, teen events, or outreach opportunities. *It Takes Courage* is a valuable and enriching resource for anyone in drama ministry. Scripts include: \* *Be a Blessing* -- a drama based on a pastor's unique challenge to his congregation \* *What's in Your Backpack?* - a sketch depicting a teen who chooses to trust God when wrongly accused \* *Where*

*Is Courage?* -- a play about children searching for true bravery \* *Every Knee Shall Bow* -- readers' theater based on Revelation 5 and 6 \* *This Joy We Share* -- readers' theater the amazing power of the Holy Spirit \* *Who Is in Control?* -- a monologue portraying the apostle Paul's mother Pam Speights is the head of the speech department at Wharton County Junior College in Wharton, Texas. (Applause Acting Series). *The Best Scenes for Kids Ages 7-15* contains 50 challenging scenes for kids by some of our finest playwrights. All have subject matter appropriate for production in schools,

much of it "serious" and "challenging," which will interest child performers without offending administrators, teachers or parents. Some are comic (laughs), some are dramatic (no laughs), some are seriocomic (some laughs). There are scenes here by veteran playwrights such as Don Nigro, Jenny Lyn Bader, Eric Coble, Constance Congdon, Arleen Hutton, Jack Neary, Kermit Frazier and Carlos Murillo, and by exciting up-and-comers such as Cassandra Lewis, Reina Hardy, Deanna Alisa Ableser, Martha Patterson, Mark Lambeck and Merridith Allen. Some are from plays, but many are original pieces written for this book. The age of each character is given, but don't let that deter you if you like the scene, as many could be done by kids not that age.

Drama at the Heart of the Secondary School provides a rationale for the curricular centrality of drama together with rich and detailed examples of cross-phase thematic projects which are dramatized, but which promote learning across a wide range of curriculum areas, from the

humanities and other arts, to English and literacy, science and PSHE. Each unit explores relevant and stimulating themes and topics that will engage the students, promote empathy, pose questions, and produce creative responses. Starting from relatively simple beginnings, the drama is structured in layers of increasing sophistication and complexity. Each layer adds another dimension to the potential learning opportunities available across a wide range of curriculum areas and suitable for learners of varying experience and ability. A wide range of curriculum areas of enquiry are referenced, and each unit offers unique ways of student learning designed to encourage excellent drama skills as well as embracing the 'learning to learn', Citizenship and PSHE agendas that are fundamental to good teaching and learning. Features include: Lists of dramatic techniques and keywords Cross curricular connections and ideas highlighted in the text Opportunities to address RSA 'Opening Minds' competencies and PLT skills Examples of curriculum models suitable for thematic work An outline of the principles of assessment for each unit This accessible

and practical textbook is essential for trainee and practising teachers interested in using drama to facilitate thematic, cross-curricular work in the classroom.

The Arts and Emergent Bilingual Youth offers a critical sociopolitical perspective on working with emerging bilingual youth at the intersection of the arts and language learning. Utilizing research from both arts and language education to explore the ways they work in tandem to contribute to emergent bilingual students' language and academic development, the book analyzes model arts projects to raise questions about "best practices" for and with marginalized bilingual young people, in terms of relevance to their languages, cultures, and communities as they envision better worlds. A central assumption is that the arts can be especially valuable for contributing to English learning by enabling learners to experience ideas, patterns, and relationship (form) in ways that lead to new knowledge (content). Each chapter

features vignettes showcasing current projects with ELL populations both in and out of school and visual art pieces and poems, to prompt reflection on key issues and relevant concepts and theories in the arts and language learning. Taking a stance about language and culture in English learners' lives, this book shows the intimate connections among art, narrative, and resistance for addressing topics of social injustice.

School Drama is a professional learning program for primary school teachers, which focuses on the power of using drama and literature to improve English and literacy in young learners. School Drama was developed by the Sydney Theatre Company (STC) in 2009, in partnership with The University of Sydney. It has been acclaimed by Australian and international critics, and is now a cornerstone of the STCs Education program. This book is a comprehensive School Drama resource. It includes: A summary of how drama and literature

enhance literacy; An explanation of the School Drama approach and methodology; Learning outcomes from the School Drama program so far; Exploration of the art and pedagogy of drama (via elements, devices, and roles) 22 classroom dramas: each comprised of a series of workshops that progress through common themes and texts. The School Drama Book is essential reading for teachers and theatre practitioners who want to educate confidently with drama, either through the STCs School Drama program or on their own. It uses drama as a critical pedagogy, and encourages learning through activities, rather than teaching about the texts. This approach has been shown to develop rich imaginations and creative capacities for the future. Includes a foreword by Cate Blanchett and Andrew Upton.
