Rethinking Filipino

Millennials Soho Press

This harrowing mystery, winner of the Philippine National Book Award, follows two Catholic priests on the hunt through Manila for a brutal serial killer Payatas, a 50-acre dump northeast of Manila's Quezon City, is home to thousands of people who live off of what they can scavenge there. It is one of the poorest neighborhoods in a city whose law enforcement is already stretched thin, devoid of forensic resources and rife with corruption. So when the eviscerated bodies of preteen boys begin to appear in the dump heaps, there is no one to seek justice on their behalf. In the rainy summer of 1997, two Jesuit priests take the matter of protecting their flock into their own hands. Father Gus Saenz is a respected forensic anthropologist, one of the few in the Philippines, and has been tapped by the

Director of the National Bureau of Investigations as a backup for police efforts. Together with his protégé, Father Jerome Lucero, a psychologist, Saenz dedicates himself to tracking down the monster preying on these impoverished boys. *Smaller and Smaller Circles*, widely regarded as the first Filipino crime novel, is a poetic masterpiece of literary noir, a sensitive depiction of a time and place, and a fascinating story about the Catholic Church and its place in its devotees' lives.

Answer to Common Pregnancy and Gyn Questions Future Horizons

Award-winning journalist Javier Sinay investigates a series of murders from the nineteenth century, unearthing the complex history and legacy of Moisés Ville, the "Jerusalem of South America," and his personal connection to a little-known period of Jewish history in Argentina. In 2009, journalist Javier Sinay discovered an article from 1947, written by his great-grandfather Mijl Hacoen Sinay, detailing twenty-two murders that had occurred in Moisés Ville at the end of the nineteenth century. What starts out as an investigation into these murders turns into a deeper exploration of the history of Moisés Ville, one of the first Jewish agricultural communities in Argentina, and Sinay's own connection to this historically thriving Jewish epicenter. Seeking refuge from the pogroms of Czarist Russia, a group of Jewish immigrants founded Moisés Ville in the late 1880s. Like their town's prophetic namesake, these immigrants fled one form of persecution only to encounter a different set of hardships: exploitative

land prices, starvation, illness, language barriers, and a series of murders perpetrated by roving gauchos who preyed upon their vulnerability. Sinay, though a descendant of these immigrants, is unfamiliar with this turbulent history, and his research into the spate of violence plunges him into his family's past and their link to Moisés Ville. He combs through libraries and archives in search of documents about the murders and hires a book detective to track down issues of *Der Viderkol*, the first Yiddish newspaper in Argentina started by his great-grandfather. He even enrolls in Yiddish classes so he can read the newspaper and other contemporaneous records for himself. Through interviews with his family members, current residents of Moisés Ville, historians, and archivists, Sinay compiles moving portraits of the victims of these heinous murders and reveals the fascinating and complex history of the town once known as the "Jerusalem of South America."

Alternative Perspectives on a Misunderstood Generation Rex Bookstore, Inc. New York Times

bestselling author Laurie Halse Anderson reimagines Wonder Woman's origin in this timely story about the refugee experience, teenage activism, and finding the love and strength to create change. Joining the ranks of *The Life-Changing Magic of Not Giving a F*ck*, *The Subtle Art of Not Giving a F*ck*, *You Are a Badass**, and *F*ck Feelings* comes this refreshing, BS-free, self-empowerment guide that offers an honest, no-nonsense, tough-love approach to help you move past self-imposed limitations. Are you tired of feeling fu*ked up? If you are, Gary John Bishop has the answer. In this straightforward handbook, he gives you the tools and advice you need to demolish the slag weighing you down and become the truly unfu*ked version of yourself. "Wake up to the miracle you are," he

directs. "Here's what you've forgotten: You're a fu*king miracle of being." It isn't other people that are standing in your way, it isn't even your circumstances that are blocking your ability to thrive, it's yourself and the negative self-talk you keep telling yourself. In *Unfu*k Yourself*, Bishop leads you through a series of seven assertions: I am willing. I am wired to win. I got this. I embrace the uncertainty. I am not my thoughts; I am what I do. I am relentless. I expect nothing and accept everything. Lead the life you were meant to have—*Unfu*k Yourself*.

Excerpt: ... (6) Columns for Discount on Purchases and Discount on Notes on the same side of the Cash Book; (c) Columns for Discount on Sales and Cash Sales on the debit side of the Cash Book; (d) Departmental columns in the Sales Book and in the Purchase Book.

Controlling Accounts.--The addition of special columns in books of original entry makes possible the keeping of Controlling Accounts. The most common examples of such accounts are

Accounts Receivable account and Accounts Payable account. These summary accounts, respectively, displace individual customers' and creditors' accounts in the Ledger. The customers' accounts are then segregated in another book called the Sales Ledger or Customers' Ledger, while the creditors' accounts are kept in the Purchase or Creditors' Ledger. The original Ledger, now much reduced in size, is called the General Ledger. The Trial Balance now refers to the accounts in the General Ledger. It is evident that the task of taking a Trial Balance is greatly simplified because so many fewer accounts are involved. A Schedule of Accounts Receivable is then prepared, consisting of the balances found in the Sales Ledger, and its total must agree with the balance of the Accounts Receivable account shown in the Trial Balance. A similar Schedule of Accounts Payable, made up of all the balances in the Purchase Ledger, is prepared, and it must agree with the balance of the Accounts Payable account of the General Ledger." The Balance Sheet.--In the more elementary part of the

text, the student learned how to prepare a Statement of Assets and Liabilities for the purpose of disclosing the net capital of an enterprise. In the present chapter he was shown how to prepare a similar statement, the Balance Sheet. For all practical...

The River in the Belly

Eliza Victoria tells the story of two young men with the ability to inhabit other people's bodies. They had chosen brothers Jonah and Louis as their new 'hosts'. Then they find out that Jonah and Louis have deep, dark secrets of their own--in the form of a dead body in the basement.

"Comic Strip Conversations are based on the belief that visualization and visual supports, found useful in structuring the learning of students with autism, may also improve their understanding and comprehension of conversation ... the use of a basic set of symbols [and colours] are used in [this book] to illustrate social skills which are abstract and difficult for students with autism to understand."--Page 1

Reportage on Crime

Introduces renowned Kurdish-Syrian writer

Salim Barakat to an English audience for the first time, with translated selections from his most acclaimed works of poetry. Although Salim Barakat is one of the most renowned and respected contemporary writers in Arabic letters, he remains virtually unknown in the English-speaking world. This first collection of his poetry in English, representing every stage of his career, remedies that startling omission. *Come, Take a Gentle Stab* features selections from his most acclaimed works of poetry, including excerpts from his book-length poems, rendered into an English that captures the exultation of language for which he is famous. A Kurdish-Syrian man, Barakat chose to write in Arabic, the language of cultural and political hegemony that has marginalized his people. Like Paul Celan, he mastered the language of the oppressor to such an extent that the course of the language itself has been compelled to bend to his will. Barakat pushes Arabic to a point just beyond its linguistic limits, stretching those limits. He resists coherence, but never destroys it, pulling back before the final blow.

What results is a figurative abstraction of struggle, as alive as the struggle itself. And always beneath the surface of this roiling water one can glimpse the deep currents of ancient Kurdish culture. *The Reign of Greed* A moving lyric meditation on the Congo River that explores the identity, chaos, and wonder of the Democratic Republic of Congo as well as race and the detritus of colonialism. With *The River in the Belly*, award-winning Congolese author Fiston Mwanza Mujila seeks no less than to reinitiate the Congo River in the imaginary of European languages. Through his invention of the "solitude"—a short poetic form lending itself to searing observation and troubled humor, prone to unexpected tonal shifts and lyrical u-turns—the collection celebrates, caresses, and chastises Central Africa's great river, the world's second largest by discharge volume. Drawing inspiration from sources as diverse as Soviet history, Congolese popular music, international jazz, and everyday life in European exile, Mwanza Mujila has fashioned a work that can speak to the

extraordinary hopes and tragedies of post-independence Democratic Republic of the Congo while also mining the

generative yet embattled subject position of the African diasporic writer in Europe longing for home. Fans of Tram 83 will discover in River the same

incandescent, improvisatory verbal energy that so dazzled them in Mwanza Mujila's English-language debut.
