This mesmerizing companion book to the award-winning film, *The Butler* traces the Civil Rights Movement and explores crucial moments of twentieth century American history through the eyes of Eugene Allen—a White House butler who served eight presidents over the course of thirty-four years. During the presidencies of Harry Truman to Ronald Reagan, Eugene Allen was a butler in the most famous of residences: the White House. An African American who came of age during the era of Jim Crow, Allen served tea and supervised buffets while also witnessing some of the most momentous decisions made during the second half of the twentieth century, including Lyndon B. Johnson's work during the Civil Rights Movement and Ronald Reagan getting tough on apartheid. But even as Allen witnessed the Civil Rights legislation develop, his family, friends, and neighbors were still contending with Jim Crow America. Timely, "poignant and powerful" (Kirkus Reviews) *The Butler* also explores Eugene Allen and his family's background along with the history of African Americans in Hollywood and also features a foreword by the film's director Lee Daniels.

'A book which goes on a special shelf in my library.' P.G. Wodehouse  
 What the Butler Saw (1962) is one of E.S. Turner's most pertinent and illuminating 'social histories', an exploration of the 'upstairs/downstairs' relationship across three centuries of English life. Drawing on literature, contemporary accounts and household manuals, Turner describes in fascinating detail how it came to be that the upper classes felt a need for an ever larger household staff, engaged in every imaginable form of drudgery; and, accordingly, how those in service - from high to low, butler to footman, housemaid to au pair - had to give satisfaction to their masters and mistresses while also, on occasions, contending with physical blows, tantrums, and (in the cases of some unfortunate servant girls) threats to their virtue.

*Butler Did It* Random House

Butler University in Indianapolis became the smallest school in 40 years to reach the NCAA championship game. Prior to the tournament, a statistician calculated the Bulldogs as a 200-to-1 shot to win. But as fascinating as what Butler accomplished was how they did it. Underdawgs tells

the incredible and uplifting story. Butler's coach, 33-year-old Brad Stevens, looked so young he was often mistaken for one of the players, but he had quickly become one of the best coaches in the nation by employing the "Butler Way." This philosophy of basketball and life, adopted by former coach Barry Collier, is based on five principles: humility, passion, unity, servanthood, and thankfulness. Even the most casual observer could see this in every player, on the court and off, from NBA first-round draft pick Gordon Hayward to the last guy on the bench. Butler was coming off a great 2009-10 regular season, but its longtime existence on the periphery of major college basketball fostered doubt as March Madness set in. But after two historic upsets, one of top-seeded Syracuse and another of second-seeded Kansas State, and making it to the Final Four, the Bulldogs came within the diameter of a shoelace of beating the perennial leaders of college basketball: the Duke Blue Devils. Much more than a sports story, Underdogs is the consummate David versus Goliath tale. Despite Duke's winning the championship, the Bulldogs proved they belonged in the game and, in the process, won the respect of people who were not even sports fans.

The visionary author's masterpiece pulls us—along with her Black female hero—through time to face the horrors of slavery and explore the impacts of racism, sexism, and white supremacy then and now. Dana, a modern black woman, is celebrating her twenty-sixth birthday with her new husband when she is snatched abruptly from her home in California and transported to the antebellum South. Rufus, the white son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through time to the slave quarters, and each time the stay grows longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to begin.

NEW YORK TIMES BESTSELLER • Two different worlds and two very different lives collide in Paris in this captivating novel by Danielle Steel. Joachim von Hartmann was born and raised in Buenos Aires by his loving German mother, inseparable from his identical twin, Javier. When Joachim moves to Paris with his mother in his late teens, his twin stays behind and enters a dark world. Meanwhile, Joachim begins training to be a butler, fascinated by the precision and intense demands, and goes on to work in some of the grandest homes in England. His brother never reappears. Olivia White has given ten years of her life to her magazine, which failed, taking all her dreams with it. A bequest from her mother allows her a year in Paris to reinvent herself. She needs help setting up a home in a charming Parisian apartment. It is then that her path and Joachim's cross. Joachim takes a job working for Olivia as a lark and enjoys the whimsy of a different life for a few weeks, which turn to months as the unlikely employer and employee learn they enjoy working side by side. At the same time, Joachim discovers the family history he never knew: a criminal grandfather who died in prison, the wealthy father who abandoned him, and the dangerous criminal his twin has become. While Olivia struggles to put her life back together, Joachim's comes apart. Stripped of their old roles, they strive to discover the truth about each other and themselves, first as employer and employee, then as friends. Their paths no longer sure, they are a man and woman who reach a place where the past doesn't matter and only what they are living now is true.

**An Autobiography** Beacon Press

Adam LeGrande, computer genius and billionaire, is drifting through the drudgery of his life. The highlights of his day revolve around verbal sparing matches with his annoying and shifty butler and refining his skill at "strategic alienation." Just about everything Kathryn McFadden touches

business-wise turns to gold, which is just as well, because the personal side of her life is as vibrant as a burned out forest. Miles Bishop is butler, chef, chauffeur and personal assistant to Adam LeGrande, always available with a cup of tea or a biting sarcastic observation. Which begs the question: If nothing is as it appears, what's he hiding? The Butler Did It illustrates the wonderful truth that through God's love and grace we can become new people - no matter what we hide deep down inside.

**A Bellweather Tale** Appetite by Random House

Entertaining!These words best describe a book I just read. Let me start by saying it completely goes against the grain of anything you've previously read.

*A Raymond Masters Mystery* Natasha Boyd

From Guggenheim and National Endowment for the Humanities fellow Wil Haygood comes a mesmerizing inquiry into the life of Eugene Allen, the butler who ignited a nation's imagination and inspired a major motion picture: The Butler: A Witness to History, the highly anticipated film that stars six Oscar winners, including Forest Whitaker, Oprah Winfrey (honorary and nominee), Jane Fonda, Cuba Gooding Jr., Vanessa Redgrave, and Robin Williams; as well as Oscar nominee Terrence Howard, Mariah Carey, John Cusack, Lenny Kravitz, James Marsden, David Oyelowo, Alex Pettyfer, Alan Rickman, and Liev Schreiber. With a foreword by the Academy Award nominated director Lee Daniels, The Butler not only explores Allen's life and service to eight American Presidents, from Truman to Reagan, but also includes an essay, in the vein of James Baldwin's jewel The Devil Finds Work, that explores the history of black images on celluloid and in Hollywood, and fifty-seven pictures of Eugene Allen, his family, the presidents he served, and the remarkable cast of the movie.

*A Comedy Thriller* Oxford University Press

The purpose of this work The Butler Wore Guccis is to share with you the unique events that I, a middle-class young American male experienced over a ten-year period. It began with my choice of an unusual summer job when at nineteen, I entered the world of 'service.' From Newport to Westchester to Palm Beach I worked for several of the richest and most idiosyncratic people in America. For better or worse, the stories of my employers and my fellow staff members weave a fascinating and unique insight as to what it meant and means to be rich in America, then and now. Magnificent homes like Marjorie Merriweather Post's Mar-a-Lago in Palm Beach and Mrs. Robert R. Young's homes in Newport and Palm Beach (where the duke and duchess of Windsor were frequent guests) add to the flow and texture of my story. Thank you for sharing my journey.

Host a dinner party \* Make a bed \* Set a table \* Use the proper fork \* Polish silver \* Prepare high tea \* Present a calling card \* Make conversation \* Fold a shirt ... all with the charm, ease and sophistication of a butler. Now in its fifth printing, this beautifully illustrated style, etiquette and entertainment guide lays out the essentials of entertaining and household management in a clear, straightforward style. For anyone who rents or owns--be it a small urban condo or a lavish country estate--The Butler Speaks includes everything you need to know to simplify, organize and care for your home. Charles MacPherson offers modern advice on personal style and etiquette--how to receive guests; present your business card; make polite dinner conversation-- and advice on entertaining at home--how to make a cheese plate; hold your cutlery; set a table--all with the flair, charm and unpretentious grace of the butler.

*Kindred* HarperCollins

The Butler's Child is the personal story of a Warner Brothers family grandson who spent more than fifty years as a fighting, no holds barred civil rights lawyer. Lewis M. Steel explores why he, a privileged white man, devoted his life to seeking racial progress in often uncomprehending or hostile courts. In fact, after writing a feature for The New York Times Magazine entitled "Nine Men

in Black Who Think White," Lewis was fired from the NAACP and the entire legal staff resigned in support of him. Lewis speaks about his family butler, an African American man named William Rutherford, who helped raise Lewis, and their deep but ultimately troubled relationship, as well as how Robert L. Carter, the NAACP's extraordinary general counsel, became Lewis' mentor, father figure and lifelong close friend. Lewis exposes the conflicts which arose from living and working in two very different worlds - that of the Warner Brothers family and that of a civil rights lawyer. He also explores his more than fifty year marriage that joined two very different Jewish and Irish American families. Lewis' work with the NAACP and in private practice created legal precedents still relevant today. The Butler's Child is also an insider's look into some of the most important civil rights cases from the turbulent 1960's to the present day by a man still working to advance the civil rights which should be available to all.

**The Butler Did it and Other Plays** Simon and Schuster

Combined, here, are two, ever-popular types of detective stories - Inland Mysteries and Butler Murder Mysteries. Detective Raymond Masters arrives at Windstone Manor - high atop a tiny, remote, snow blown, island off the Maine Coast - to supervise a Scavenger Hunt designed by Elliott Stone, the aging, despicable, Lord of the Manor, to allow one of his heirs to enhance his or her position in his will. The participants include the five butlers who formerly worked for him (most of whom hate each other and Elliott), and his nephew (a self-centered, amoral, 30-year-old who has lived most of his life at Windstone). Then there is Carl, the old man's lawyer; Bea, his nurse and secretary; Angie, the cook and maid; and Hyde, the current young butler. Five bodies later, Masters (once again surviving a strange little policeman sidekick) solves the cases amid the unrelenting, freezing storm that hold the group captive on the rock amid the raging sea. One of 17 novels in the Raymond Masters Detective Series - reviewed as 'good reads' in cozy murder mysteries, sleuth novels, private detective fiction and detective mysteries.

*My True and Terrifying Encounters with a Serial Killer* HarperCollins

From the winner of the Nobel Prize in Literature, here is the universally acclaimed novel—winner of the Booker Prize and the basis for an award-winning film. This is Kazuo Ishiguro's profoundly compelling portrait of Stevens, the perfect butler, and of his fading, insular world in post-World War II England. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the "great gentleman," Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's "greatness," and much graver doubts about the nature of his own life.

[A Novel](#) Vintage

A level 1 Oxford Bookworms Library graded reader. Retold for Learners of English by Clare West. How do you get a licence if you want to keep a monkey? What can you do if your wife has a lover? How can you see into the future? Where can you go for an exciting but cheap holiday somewhere hot and far away? How can you persuade your girlfriend or boyfriend to marry you? The characters in these six original short plays are looking for answers to these questions. While trying to solve their problems, people get into some very funny situations. Each play gives an amusing view of life today, and there is often an unexpected ending.
