PAGE PAMELA

Last Night in Twisted River Chronicle Books
Alfred Busi lives alone in his villa overlooking the waves. Famed in his tiny Mediterranean town for his music, he is mourning the recent death of his wife and quietly living out his days. Then one night, Busi is viciously attacked by an intruder in his own

courtyard—bitten and scratched. He insists his assailant was neither man nor animal. Soon, Busi's account of what happened is being embellished to fan the flames of old rumor—of an ancient race of people living in the surrounding forest. It is also used to spark new controversy, inspiring claims that something must finally be done about the town's poor, whose numbers have been growing. In

trademark crystalline prose, Jim Crace portrays a man taking stock of his life and looking into an uncertain future, while bearing witness to a community in the throes of great change.

Jack Holmes and His

Friend Vintage Canada

When best friends Aggie and Fiona drift apart in fifth grade, Aggie grows to understand that fading friendships are normal, and she makes a new friend who shares more of her interests.

A Son of the Circus

Lexington Books
On a New England campus, Viennese housewife Utchka and her aspiring writer husband live a rather

placid life with their two children. Until, that is, they meet Severin Winter, Professor of German and wrestling coach, and his delicate wife Edith at a faculty party. Utchka and Severin are rather taken with one another, and, conveniently, their spouses appear to be similarly smitten. A bizarre ménage à quatre is the result of these convoluted desires, and what starts out as a bit of fun is soon subject to the darker machinations of obsession,..

The Leviathan

Cambridge University Press

“My dear boy, please don’t put a label on me – don’t make me a category before you get to know me!” John Irving’s new novel is a

glorious ode to sexual difference, a poignant story of a life that no reader will be able to forget, a book that no one else could have written. Told with the panache and assurance of a master storyteller, *In One Person* takes the reader along a dizzying path: from a private school in Vermont in the 1950s to the gay bars of Madrid's Chueca district, from the Vienna State Opera to the wrestling mat at the New York Athletic Club. It takes in the ways that cross-dressing passes from one generation to the next in a family, the trouble with amateur performances of Ibsen, and what happens if you fall in love at first sight while reading *Madame Bovary* on a troop transport ship, in

the middle of an Atlantic storm. For the sheer pleasure of the tale, there is no writer alive as entertaining and enthralling as John Irving at his best. But this is also a heartfelt, intimate book about one person, a novelist named William Francis Dean. By his side as he tells his own story, we follow Billy on a fifty-year journey toward himself, meeting some uniquely unconventional characters along the way. For all his long and short relationships with both men and women, Billy remains somehow alone, never quite able to fit into society's neat categories. And as Billy searches for the truth about himself, *In One Person* grows into an unforgettable call for compassion in a world

marked by failures of love and failures of understanding. Utterly contemporary and topical in its themes, *In One Person* is one of John Irving's most political novels. It is a book that grapples with the mysteries of identity and the multiple tragedies of the AIDS epidemic, a book about everything that has changed in our sexual life over the last fifty years and everything that still needs to. It's also one of Irving's most sincere and human novels, a book imbued on every page with a spirit of openness that expands and challenges the reader's world. A brand new story in a grand old tradition, *In One Person* stands out as one of John Irving's finest works - and as such, one of the best

and most important American books of the last four decades.

My Movie Business

Penguin

"One night when she was four and sleeping in the bottom bunk of her bunk bed, Ruth Cole woke to the sound of lovemaking—it was coming from her parents' bedroom."

This sentence opens John Irving's ninth novel, *A Widow for One Year*, a story of a family marked by tragedy. Ruth Cole is a complex, often self-contradictory character—a "difficult" woman. By no means is she conventionally "nice," but she will never be forgotten. Ruth's story is told in three parts, each focusing on a critical time in her life. When we first meet her—on Long Island, in the

summer of 1958—Ruth is only four. The second window into Ruth's life opens on the fall of 1990, when she is an unmarried woman whose personal life is not nearly as successful as her literary career. She distrusts her judgment in men, for good reason. *A Widow for One Year* closes in the autumn of 1995, when Ruth Cole is a forty-one-year-old widow and mother. She's about to fall in love for the first time. Richly comic, as well as deeply disturbing, *A Widow for One Year* is a multilayered love story of astonishing emotional force. Both ribald and erotic, it is also a brilliant novel about the passage of time and the relentlessness of grief. Boy's Life Random

House
Analyzes novels by 20th century authors - Edith Wharton, J D Salinger, Philip Roth, John Irving, and Jamaica Kincaid, looking at the trends that obliterate cultural divides.

The 158-Pound Marriage Random House Digital, Inc.

The theory of revealed preference has a long, distinguished tradition in economics but lacked a systematic presentation of the theory until now. This book deals with basic questions in economic theory and studies situations in which empirical observations are consistent or inconsistent with some of the best known economic theories.

The Last Chairlift

• A poignant and tender story of love, loss, passion, and the fragile threads that bind families together from the author of *The Nightingale*. “A beautifully simple, deeply compassionate story.”—Diana Gabaldon
Annie Colwater's only child has just left home for school abroad. On that same day, her husband of twenty years confesses that he's in love with a younger woman. Alone in the house that is no longer a home, Annie comes to the painful realization that for years she has been slowly disappearing. Lonely and afraid, she retreats to Mystic, the small Washington town where she grew up, hoping that there she can reclaim the woman she once was—the

woman she is now desperate to become again. In *Mystic*, she is reunited with her first love, Nick Delacroix, a recent widower unable to cope with his grieving, too-silent six-year-old daughter, Izzie. Together, the three of them begin to heal, and, at last, Annie learns that she can love without losing herself. But just when she has found a second chance at happiness, her life is turned upside down again, and Annie must make a choice no woman should have to make. . . . Praise for *On Mystic Lake* “Marvelous . . . a touching love story . . . You know a book is a winner when you devour it in one evening and hope there's a sequel. . . . This page-turner has enough twists and

turns to keep the reader up until the wee hours of the morning.”—USA Today “Superb . . . I’ll heartily recommend *On Mystic Lake* to any woman . . . who demands that a story leave her in a satisfied glow.”—The Washington Post Book World “A luminescent story . . . Kristin Hannah touches the deepest, most tender corners of our hearts.”—Tami Hoag “Excellent . . . *On Mystic Lake* is an emotional experience you won’t soon forget.”—Rocky Mountain News “Propels readers forward to the final chapter.”—The Seattle Times
All My Mother's Lovers
 Open Road Media
 Trying to Save Piggy Sneed contains a dozen short works by

John Irving, beginning with three memoirs, including an account of Mr. Irving’s dinner with President Ronald Reagan at the White House. The longest of the memoirs, “The Imaginary Girlfriend,” is the core of this collection. The middle section of the book is fiction. Since the publication of his first novel, *Setting Free the Bears*, in 1968, John Irving has written twelve more novels but only half a dozen stories that he considers “finished”: they are all published here, including “Interiors,” which won the O. Henry Award. In the third and final section are three essays of appreciation: one on Günter Grass, two on Charles Dickens. To each of the twelve pieces, Mr.

Irving has contributed his Author's Notes. These notes provide some perspective on the circumstances surrounding the writing of each piece—for example, an election-year diary of the Bush-Clinton campaigns accompanies Mr. Irving's memoir of his dinner with President Reagan; and the notes to one of his short stories explain that the story was presented and sold to Playboy as the work of a woman. Trying to Save Piggy Sneed is both as moving and as mischievous as readers would expect from the author of *The World According to Garp*, *The Cider House Rules*, *A Prayer of Owen Meany*, *A Widow for One Year*, and *In One Person*. And Mr. Irving's concise autobiography, "The

Imaginary Girlfriend," is both a work of the utmost literary accomplishment and a paradigm for living. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that

are sometimes overlooked and to authors whose work might not otherwise find a home.

The World According to Garp Random House

In 1954, in the cookhouse of a logging and sawmill settlement in northern New Hampshire, an anxious twelve-year-old boy mistakes the local constable's girlfriend for a bear. Both the twelve-year-old and his father become fugitives, forced to run from Coos County—to Boston, to southern Vermont, to Toronto—pursued by the implacable constable. Their lone protector is a fiercely libertarian logger, once a river driver, who befriends them. In a story spanning five decades, *Last Night in Twisted River* depicts

the recent half-century in the United States as “a living replica of Coos County, where lethal hatreds were generally permitted to run their course.” What further distinguishes *Last Night in Twisted River* is the author's unmistakable voice—the inimitable voice of an accomplished storyteller.

The Water-Method Man Sristhi Publishers & Distributors

John Irving's fifteenth novel is “powerfully cinematic” (*The Washington Post*) and “eminently readable” (*The Boston Globe*). *The Last Chairlift* is part ghost story, part love story, spanning eight decades of sexual politics. In Aspen, Colorado, in 1941, Rachel Brewster is a slalom skier at the

National Downhill and Slalom Championships. Little Ray, as she is called, finishes nowhere near the podium, but she manages to get pregnant. Back home, in New England, Little Ray becomes a ski instructor. Her son, Adam, grows up in a family that defies conventions and evades questions concerning the eventful past. Years later, looking for answers, he will go to Aspen. In the Hotel Jerome, where he was conceived, Adam will meet some ghosts; in *The Last Chairlift*, they aren't the first or last ghosts he sees. John Irving has written some of the most acclaimed books of our time—among them, *The World According to Garp* and *The Cider*

House Rules. A visionary voice on the subject of sexual tolerance, Irving is a bard of alternative families. In the “generously intertextual” (*The New York Times*) *The Last Chairlift*, readers will once more be in his thrall.

Vintage

From the Pulitzer Prize-winning author of *Empire Falls*, this slyly funny, moving novel about a blue-collar town in upstate New York—and about Sully, one of its unluckiest citizens, who has been doing the wrong thing triumphantly for fifty years—is a classic American story.

"Remarkable.... A revelation of the human heart." —*The Washington Post*
 Divorced from his own wife and carrying on

halfheartedly with another man's, saddled with a bum knee and friends who make enemies redundant, Sully now has one new problem to cope with: a long-estranged son who is in imminent danger of following in his father's footsteps. With its uproarious humor and a heart that embraces humanity's follies as well as its triumphs, *Nobody's Fool*, from Pulitzer Prize-winning author, Richard Russo, is storytelling at its most generous. *Nobody's Fool* was made into a movie starring Paul Newman, Bruce Willis, Jessica Tandy, and Melody Griffith. Look for *Everybody's Fool*, available now, and *Somebody's Fool*, coming soon. *Nobody's Fool* Vintage
A shimmering jewel of

a book about writing from two-time Booker Prize finalist Deborah Levy, to publish alongside her new work of nonfiction, *The Cost of Living*. Blending personal history, gender politics, philosophy, and literary theory into a luminescent treatise on writing, love, and loss, *Things I Don't Want to Know* is Deborah Levy's witty response to George Orwell's influential essay "Why I Write." Orwell identified four reasons he was driven to hammer at his typewriter--political purpose, historical impulse, sheer egoism, and aesthetic enthusiasm--and Levy's newest work riffs on these same commitments from a female writer's perspective. As she

struggles to balance womanhood, motherhood, and her writing career, Levy identifies some of the real-life experiences that have shaped her novels, including her family's emigration from South Africa in the era of apartheid; her teenage years in the UK where she played at being a writer in the company of builders and bus drivers in cheap diners; and her theater-writing days touring Poland in the midst of Eastern Europe's economic crisis, where she observed how a soldier tenderly kissed the women in his life goodbye. Spanning continents (Africa and Europe) and decades (we meet the writer at seven, fifteen, and fifty), *Things I Don't Want to Know* brings

the reader into a writer's heart.

According to Aggie

American Girl

Publishing Incorporated

"The first of my father's illusions was that bears could survive the life lived by human beings, and the second was that human beings could survive a life led in hotels." So says John Berry, son of a hapless dreamer, brother to a cadre of eccentric siblings, and chronicler of the lives lived, the loves experienced, the deaths met, and the myriad strange and wonderful times encountered by the family Berry. Hoteliers, pet-bear owners, friends of Freud (the animal trainer and vaudevillian, that is), and playthings of mad fate, they "dream on" in a funny, sad,

outrageous, and moving novel by the remarkable author of *A Son of the Circus* and *A Prayer for Owen Meany*.

The Pension Grillparzer
Random House

After the success of "Operation Fox-Hunt", Sanjay Khanna is back in action. And this time the stakes are higher. Hurt and pushed to the back foot by Indian political actions in Kashmir, the Pakistani Military establishment is angry and decides to strike, hard! Their man for the job, Major Mansoor Khan of the Pakistan Army is given a target. A deadly weapon from an old conflict is summoned back from its exile to deliver a crippling blow that will change the history of the subcontinent. Mansoor and his men have their

tasks cut out. With a handpicked team and a well-oiled plan, they are on their way. Can they be stopped in time? Will the Indian security agencies be able to detect and neutralise the attack? Operation Hellfire unfolds across the crystal-clear waters off Thailand to the mountains of Chakrata in India, via the dusty expanse of Afghan countryside through the intrigue filled city of Quetta, right through to the heart of India, Delhi. A heady mix of thrilling detective work combined with high octane explosive action keeps you turning the pages.

Take Two Simon and Schuster
Until I Find You is the story of the actor Jack Burns – his life, loves,

celebrity and astonishing search for the truth about his parents. When he is four years old, Jack travels with his mother Alice, a tattoo artist, to several North Sea ports in search of his father, William Burns. From Copenhagen to Amsterdam, William, a brilliant church organist and profligate womanizer, is always a step ahead - has always just departed in a wave of scandal, with a new tattoo somewhere on his body from a local master or "scratcher." Alice and Jack abandon their quest, and Jack is educated at schools in Canada and New England - including, tellingly, a girls' school in Toronto. His real education consists of his relationships with older women - from

Emma Oastler, who initiates him into erotic life, to the girls of St. Hilda's, with whom he first appears on stage, to the abusive Mrs. Machado, whom he first meets when sent to learn wrestling at a local gym. Too much happens in this expansive, eventful novel to possibly summarize it all. Emma and Jack move to Los Angeles, where Emma becomes a successful novelist and Jack a promising actor. A host of eccentric minor characters memorably come and go, including Jack's hilariously confused teacher the Wurtz; Michelle Maher, the girlfriend he will never forget; and a precocious child Jack finds in the back of an Audi in a restaurant parking lot. We learn about tattoo addiction

and movie cross-dressing, “sleeping in the needles” and the cure for cauliflower ears. And John Irving renders his protagonist’s unusual rise through Hollywood with the same vivid detail and range of emotions he gives to the organ music Jack hears as a child in European churches. This is an absorbing and moving book about obsession and loss, truth and storytelling, the signs we carry on us and inside us, the traces we can’t get rid of. Jack has always lived in the shadow of his absent father. But as he grows older – and when his mother dies – he starts to doubt the portrait of his father’s character she painted for him when he was a child. This is the cue for a

second journey around Europe in search of his father, from Edinburgh to Switzerland, towards a conclusion of great emotional force. A melancholy tale of deception, *Until I Find You* is also a swaggering comic novel, a giant tapestry of life’s hopes. It is a masterpiece to compare with John Irving’s great novels, and restates the author’s claim to be considered the most glorious, comic, moving novelist at work today.

Until I Find You

Random House

Many straight men and gay men are best friends, but if the phenomenon is an urban commonplace it has never been treated before as the focus of a major novel. Jack Holmes is in love, but

the man he loves never shares his bed. The other men Jack sleeps with never last long and he dallies with several women. He sees a shrink and practices extreme discretion about his gay adventures since the book begins in the 1960s, before gay liberation, and ends after the advent of AIDS in the 1980s. Jack's friend, Will Wright, comes from old stock, has aspirations to be a writer, and like Jack works on the Northern Review, a staid cultural quarterly. Will is shy and lonely- and Jack introduces him to the beautiful, brittle young woman he will marry. Over the years Will discovers his sensuality and almost destroys his marriage in doing so. Towards the end of the 1970s

Jack's and Will's lives merge as they both become accomplished libertines. Jack Holmes and his Friend deploys Edmund White's wonderful perceptions of American society to dazzling effect, as character after character is delicately and colourfully rendered and one social milieu after another glows in the reader's mind. He is a connoisseur of the nuances of personality and mood, and here unveils his very human cast in all their radical individuality. New York itself is a principle character with its old society and its bohemians rich and poor, with its sleek European immigrants and its rough-and-tumble transplanted Midwesterners. With narrative daring and a

gifted sense of the rueful submerged drama of life, the novel is a beautifully sculpted exploration of sexuality and sensibility.

The Reasons I Won't Be Coming Bloomsbury Publishing
 NEW YORK TIMES BESTSELLER "Mike is as clever, astute, and perceptive as he is brilliant. He has beautifully pulled off the three female voices in this novel...with tremendous wisdom and insight." — Jane Green, New York Times-bestselling author A tender and insightful story of friendship and love, heartbreak and renewal, played out in the lives of three unforgettable women, from the cohost of ESPN's *Mike and Mike in the Morning*. Brooke

has been happily married to her college sweetheart for fifteen years. Even after the C-section, the dog poop, the stomach viruses and the coffee breath, Scott always winks at her in just the right moments. That is why, for her beloved, romantic, successful husband's fortieth birthday, she is giving him pictures. Of herself. Naked. Newlywed Samantha learns of her husband's cheating heart when she finds the goods on his computer. High-powered career woman Katherine works with heartbreaker Phillip, the man who hurt her early on in her career. Brooke, Samantha, and Katherine don't know each other, but their stories are about to intertwine in ways no one could have

imagined. And all three are about to discover the power of friendship to conquer adversity, the satisfaction of unexpected delights, the incredible difference one human being can have on other lives—and that they have all they could ask for, as long as they have each other.

On Mystic Lake Vintage
From dusty flea markets in Texas to parties in Washington, DC, crawling with political hacks, Cadillac Jack is a classic American novel, timelier than ever. Larry McMurtry's "big hearted" fiction has been lauded for "taking us places we hadn't known existed" (Joyce Carol Oates, New York Review of Books). Cadillac Jack does exactly that, inviting

readers into the passenger seat of a pearl-colored Caddy with peach velour-covered seats, joining a rodeo-bulldogger-turned-antique-scout at the wheel. "Superbly comic" (Newsday), this rollicking tale echoes the cultural climate of America today, with the cagey yet charming Jack grappling with the capitol's pretentious elite. As he cruises through relationships with distinctively appealing women—including socialite boutique owner Cindy and discreet mother-of-two Jean—Jack realizes home for him will always be simply barreling down freeways in his Cadillac, wandering the country in search of

another obscure
treasure. Bolstered
with its cast of
unforgettable
characters, Cadillac

Jack entices with the
prospect of
undiscovered riches
around that next bend
in the road.
