The ongoing Egyptian-Ethiopian dispute over the Nile waters is potentially one of the most difficult issues on the current international agenda, central to the very life of the two countries. Analyzing the context of the dispute across a span of more than a thousand years, *The Cross and the River* delves into the heart of both countries' identities and cultures. Erlich deftly weaves together three themes: the political relationship between successive Ethiopian and Egyptian regimes; the complex connection between the Christian churches in the two countries; and the influence of the Nile river system on Ethiopian and Egyptian definitions of national identity and mutual perceptions of the Other. Drawing on a vast range of sources, his study is key to an understanding of a bond built on both interdependence and conflict.

The Commentary of Ibn Ezra on Isaiah HarperCollins

How were early Christians influenced by contemporary assumptions about ethnic and colour differences? Why were early Christian writers so attracted to the subject of Blacks, Egyptians, and Ethiopians? Looking at the neglected issue of race brings valuable new perspectives to the study of

the ancient world; now Gay Byron's exciting work is the first to survey and theorise Blacks, Egyptians and Ethiopians in Christian antiquity. By combining innovative theory and methodology with a detailed survey of early Christian writings, Byron shows how perceptions about ethnic and color differences influenced the discursive strategies of ancient Christian authors. She demonstrates convincingly that, in spite of the contention that Christianity was to extend to all peoples, certain groups of Christians were marginalized and rendered invisible and silent. Original and pioneering, this book will inspire discussion at every level, encouraging a broader and more sophisticated understanding of early Christianity for scholars and students alike.

'Biblical Exegesis in African Context' explores how the Church in Africa can affirm its uniqueness in terms of the African identity and experiences, and at the same time, remain faithful to the gospel message. The volume begins with an explanation of exegesis and hermeneutics, and the agenda for the rest of the book is set. The second chapter deals with textual criticism, which is the task of determining the originality of a biblical text. In chapter three, issues related to the context of the text are considered, after which the volume proceeds to examine the various literary forms present in the

Bible— prominent among them being— Narrative, Law, Poetry, Prophecy, Wisdom Literature, Gospels, Acts of the Apostles, Epistles and Revelation. The authors then dedicate the next chapter to discussions on socio-rhetorical interpretation. The final chapters of the book deal with matters solely related to the context of Africa; this part intends to equip readers to be able to interpret the Bible from African cultural perspectives and then apply the gospel message meaningfully to the life of African Christians. Chapter seven deals with the emergence and historical development of African Biblical Studies (ABS), noting its relevance and how Africans can benefit from it. The main contention of the chapter is that Africans will better understand and apply God's word to their lives if they read the Scriptures in an African way. The volume then explores how African languages can be used to derive the meaning of scripture and apply it to real-life situations. Here, the authors contribute to the development of MTBH by developing a methodological framework for this interpretative tool. The next chapter of the volume deals with mother-tongue theologizing in Ghana. The final chapter considers the legitimacy of female leadership in the Church within the African context through the examination of two Pauline texts. This volume will be of interest to undergraduate and graduate seminary students, students of Biblical Interpretation in religions departments, as well as practicing pastors.

[Isaiah 1-39](#) Lynne Rienner Publishers

Nigeria predicted in the Bible is an inspirational book that unlocks the prophecies concerning Nigeria and some other nations, and institution. The emphasis dwells more on Nigeria and her citizen's biological ancestries. Historians recorded the ancient Ethiopia cover extensive part of West Africa and that excludes Proper Guinea. The prophecy says beyond the rivers of Ethiopia there is a nation whose land the rivers divide; this prophecy pointed to Proper Guinea which is beyond ancient Ethiopia territory where we found Nigeria, a nation with two great rivers from different location forming a confluence and creating the greatest delta in Africa. This is the Y symbol in Nigeria coat of arms which explains the emphasis of a nation whose land the rivers divide. Through the prophecies and historical records, we are been informed that Nigerians ancestors were true biblical Israelite s fugitives; that settled in present day Nigeria. Zephaniah 3 v 10; From beyond the rivers of Ethiopia my suppliants, even the daughter of my dispersed, shall bring mine offering. Isaiah 18 v 7b; a nation whose land the rivers or great channels divide-to the place [of worship] of the Name of the Lord of hosts, to Mount Zion [in Jerusalem]. Amplified Bible Version. Connecting a nation in west Africa to mount Zion and declaring them as daughters of my dispersed is a food for thought. 7 FACTS YOU MUST KNOW ABOUT NIGERIA1) A predicted nation that will be the gospel torchbearer before the end will come. Isaiah 18 v 7a; (RSV)2) She is the nation that is beyond the rivers of (ancient) Ethiopia 'whose land the rivers divide'. Isaiah 18 v 1; (RSV)3) Nigeria as African giant fulfills the prophecy not only in Africa, but also one of the world powers very soon. Isaiah 18 v 2; (RSV) 4) Amalgamation of 1914 was not a mistake but to fulfill the prophecy. Isaiah 18 v 2b & 7b; (NKJV) 5) Nigerians are biological Israelite's confirm by Isaiah 18 v 7b and Zephaniah 3 v 10. 6) Nigerians are biological Israelite's confirm by 1747 map of West Africa 7) Nigerians are biological Israelite s confirm by Britain Nigeria colonial flag

The Theory of Everything Biblical By: Lynn Tzammah The Theory of Everything Biblical is an accurate account of history and bible prophecies culminating with the end of time as we know it. Lynn explains 6000 years of inaccurate Shamitic, Hamitic and Japhetic history by translating the original Hebrew text. She designed a timeline that touches every race, religion, tribe or tradition on this planet. The Theory of Everything Biblical reveals our final years on earth culminating with Jesus or Yashua Ha Mashayach's return for his children, called by his name. Lynn not only translates Daniel 9 but concludes there are no 70 weeks of Daniel, there are 700 weeks of Daniel. The one true God of Israel left Markers that she followed from Israel to Africa, then to the Americas. She walked with Enoch 120 years and sat with Hosea on the 3rd Day. All these events lead up to 7000 A.M./2950 A.D, Day 7, Shabat.

Saint Gregory the Great was Pope from 590 to 604, launching the famous Gregorian Mission, the first recorded large-scale mission from Rome, to convert the pagan Anglo-Saxons of England to Christianity. The epithet "the Great" reflects Gregory's status as a celebrated writer as well as a ruler. The fourth and final of the traditional Latin Fathers of the Church, Gregory is now regarded as the first exponent of a truly medieval, sacramental spirituality. His Commentary on Job and his handbook for rulers, Pastoral Rule, were extremely popular treatises throughout the middle ages, while the Dialogues feature a compelling life of Saint Benedict and his many miracles. Gregory's works provided practical wisdom and enlightenment for the people of the Dark Ages. Delphi's Ancient Classics series provides eReaders with the wisdom of the Classical world, with both English translations and the original Latin texts. This comprehensive eBook presents Gregory the Great's collected works, with illustrations, informative introductions and the usual Delphi bonus material. (Version 1) * Beautifully illustrated with images relating to Gregory's life and works * Features the major works of Gregory I, in both English translation and the original Latin * Concise introductions to the major texts * Excellent formatting of the texts * Includes rare sermons by Gregory, first time in digital print * Features three bonus biographies, including the Venerable Bede's account of Gregory's life — immerse yourself in the Saint's ancient world * Scholarly ordering of texts into chronological order and literary genres Please visit www.delphiclassics.com to explore our range of Ancient Classics titles or buy the entire series as a Super Set CONTENTS: The Translations Commentary on Job (Translated by J. [Wandering a Gendered Wilderness](#) Delphi Classics

For the early church fathers the prophecy of Isaiah was not a compendium of Jewish history or theology but an announcement of the coming Messiah fulfilled in the life and ministry of Jesus of Nazareth. In this ACCS volume, readers will find commentary on Isaiah 1-39 ranging from East to West and from the first through the eighth centuries.

[The Commentary of Ibn Ezra on Isaiah: Translation of the Commentary](#) Routledge

This book recounts the stories of just some of the hundreds of peasant farmers from Southern Ethiopia who God called to take the Gospel message into previously inaccessible regions, to people so fierce they would not hesitate to kill an outsider. It is a brief record of some of their culture, the security of their families and who, with Bible and water bottle in hand and confidence in their saviour, took the message of Jesus Christ over the mountain ranges and beyond the rivers to those who had never heard of Him. Today, through the sacrifices and sufferings of men like these, there are thousands of churches throughout the mountains of Southern Ethiopia. These stories will shock encourage, challenge and provoke you to follow their example as gospel warriors.

This powerful and revealing look into God's purpose for the black race gives scholastic yet simple answers to questions you have always had about the black presence in the Bible. The roles and exploits of blacks in the Bible that have either been omitted or treated lightly by European and Euro-American scholars are now revealed.

[Delphi Collected Works of Gregory I \(Illustrated\)](#) Aeterna Press

The following Commentary may perhaps be regarded with the less interest by some readers, as not being founded on a critical examination of the original Text. Perhaps, however, there may also be readers, who are glad to have their attention withdrawn from difficulties, to them insuperable, and fixed on those deep and pervading characteristics, which it is the privilege of holiness to read in the sacred page. Criticism may contradict the interpretation of a sentence, and give a different turn to particulars; but the main scope of the work is founded on principles of a higher order, and involves a perception of truths to which the acutest critic may perchance be blind. The utmost that criticism can do for the study of Holy Writ is to furnish as it were a correct Text for the reading of the spiritual eye. And if there is any Book in the sacred Canon in which the bearing of words is more important than the mere thing said, it is the Book of Job. Aeterna Press

Far from being the serene, natural streams of yore, modern rivers have been diverted, dammed, dumped in, and dried up, all in efforts to harness their power for human needs. But these rivers have also undergone environmental change. The old adage says you can't step in the same river twice, and Ellen Wohl would agree—natural and synthetic change are so rapid on the world's great waterways that rivers are transforming and disappearing right before our eyes. A World of Rivers explores the confluence of human and environmental change on ten of the great rivers of the world. Ranging from the Murray-Darling in Australia and the Yellow River in China to Central Europe's Danube and the United States' Mississippi, the book journeys down the most important rivers in all corners of the globe. Wohl shows us how pollution, such as in the Ganges and in the Ob of Siberia, has affected biodiversity in the water. But rivers are also resilient, and Wohl stresses the importance of conservation and restoration to help reverse the effects of human carelessness and hubris. What all these diverse rivers share is a critical role in shaping surrounding landscapes and biological communities, and Wohl's book ultimately makes a strong case for the need to steward positive change in the world's great rivers.

Though left uncompleted, "Kubla Khan" is one of the most famous examples of Romantic era poetry. In it, Samuel Coleridge provides a stunning and detailed example of the power of the poet's imagination through his whimsical description of Xanadu, the capital city of Kublai Khan's empire. Samuel Coleridge penned "Kubla Khan" after waking up from an opium-induced dream in which he experienced and imagined the realities of the great Mongol ruler's capital city. Coleridge began writing what he remembered of his dream immediately upon waking from it, and intended to write two to three hundred lines. However, Coleridge was interrupted soon after and, his memory of the dream dimming, was ultimately unable to complete the poem. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. An "eye-opening, sometimes alarming, and ultimately inspiring" natural history of rivers and their complex and ancient relationship with human civilization (Elizabeth Kolbert, Pulitzer Prize-winning author of The Sixth Extinction). Rivers, more than any road, technology, or political leader, have shaped the course of human civilization. They have opened frontiers, founded cities, settled borders, and fed billions. They promote life, forge peace, grant power, and can capriciously destroy everything in their path. Even today, rivers remain a powerful global force -- one that is more critical than ever to our future. In Rivers of Power, geographer Laurence C. Smith explores the timeless yet underappreciated relationship between rivers and civilization as we know it. Rivers are of course important in many practical ways (water supply, transportation, sanitation, etc). But the full breadth of their influence on the way we live is less obvious. Rivers define and transcend international borders, forcing cooperation between nations. Huge volumes of river water are used to produce energy, raw commodities, and food. Wars, politics, and demography are transformed by their devastating floods. The territorial claims of nations, their cultural and economic ties to each other, and the migrations and histories of their peoples trace back to rivers, river valleys, and the topographic divides they carve upon the world. And as climate change, technology, and cities transform our relationship with nature, new opportunities are arising to protect the waters that sustain us. Beautifully told and expansive in scope, Rivers of Power reveals how and why rivers have so profoundly influenced our civilization and examines the importance this vast, arterial power holds for the future of humanity. "As fascinating as it is beautifully written."---Jared Diamond, Pulitzer Prize-winning author of Guns, Germs, and Steel, Collapse, and Upheaval

[Morals on the Book of Job: Volumes 1 to 3](#) Xulon Press

An army is on the horizon sending forth a warrior's cry. Its mission is indestructible. Are you one of those warriors? An indestructible daughter stepping forth in full revelation of all God created you to be? In Indestructible Daughters, author Karen Schagunn guides women into overcoming the most vulnerable and prevalent challenges they are facing today. With a powerful life story interwoven with biblical wisdom and a down-to-earth bootcamp approach, Karen breaks through the barriers of culture, religion, fear and unbelief to shine a light of truth into the hearts of women about their rightful place in the world. Indestructible Daughters reveals the global vision of a woman's role in the kingdom of God and the power of the gospel that will set you free from bondage and brokenness and equip you to live life as a warrior-chosen, loved, and indestructible. This book embodies the ripple effect of one woman; set free in God's power and healing, mobilizing an army of unshakable women. Her story, woven into

practical biblical teaching, empowers those reading it to go forth boldly in faith and confidence; it is a message all generations need to hear! -Whitney Bunker, Executive Director/Co-founder at City Without Orphans Karen's personal story is so powerful . . . the most compelling part of the book/study. This is a good guidebook for Christian women. -Liz Harrison, Co-anchor, ABC30 News, and Emmy-winning reporter With Biblical authority and straightforward reasoning, Karen Schagunn lays out the roadmap for women of God to overcome the past, empower the present, and propel into the future. You will be challenged and emancipated for personal growth and entitlement of all God's desires for your life. Ladies, there will be no excuses left as we work to finish God's work. -Bonna Rogers-Neufeld, MD

Nigeria Predicted in Bible

The United States entered the third century of its existence facing many social, political, and religious issues. Socialism, Communism, and terrorism are such threats. Christianity is not practiced as in the past. Many US citizens neglect the Word of God, and moral decay has risen rapidly. May our

people seek Gods direction, as per II Chronicles 7:14, so God will bless America and its future. American patriots like Billy Graham, J. Edgar Hoover, and William Buckley expressed facts, thoughts, and quotations in the field of politics, religion, law, defense, energy, environment, and economics. Presently our military power is being reduced. Author Barlane Eichbaum relates biblical prophecy and writings on the Greek, Roman, and British empires to American maladies. These same signs of decay have led other once-great powers to their downfall. This historical and biblical perspective that Eichbaum possesses is a strong plus for Awake America.
